## Instructions

- ❖ Rounds are worked in spirals without joining unless otherwise indicated. Place a marker in the first stitch of every round to indicate the beginning and move the marker up at the start of each new round. Once you finish the round don't forget to move marker in the next round's first stitch .  
Alternative way for stitch marker, use a length of contrasting color yarn.
- ❖ All stitches are worked through both loops unless otherwise indicated.
- ❖ Instructions between ( ) x are to be repeated as many times as noted after the closing bracket.
- ❖ Numbers in second coloumn indicate the total amount of stitches in that round.
- ❖ When making color changes, remember to always change to the new color before the last yarnover of the last stitch in the old color.
- ❖ Alternative way for magic circle: Chain 2 and crochet 6 single crochet in it.
- ❖ Using invisible decrease instead of decrease makes the final result nicer
- ❖ (video tutorial: <https://www.youtube.com/watch?v=OUBbOZ1Ennk>)
