Cascina Cabled Headband

Notes

The twisting and braiding of cables in tandem with pops of bobbles conjure a picture of crawling ivy and climbing roses on this contemporary yet classic headband.

The Cascina Cabled Headband is an oval-shaped ear warmer, worked flat from point to point, then seamed together at the end with an elastic hair tie. Unique wedge cable shaping grows from one cable to six at the start and shrinks from six cables down to one at the end.
