## Common Stitches & Techniques

### Slipped Stitches (SI)

Always slip stitches purl-wise with yarn held to the wrong side of work, unless noted otherwise in the pattern.

### Make 1 Left-Leaning Stitch (M1L)

### **Felted Join (to splice yarn)**

One method for joining a new length of yarn to the end of one that is already being used. A tutorial can be found at [tutorials.knitpicks.com/felted-join](http://tutorials.knitpicks.com/felted-join).

### **Mattress Stitch**

A neat, invisible seaming method that uses the bars between the first and second stitches on the edges. A tutorial can be found at [tutorials.knitpicks.com/mattress-stitch](http://tutorials.knitpicks.com/mattress-stitch).

### **Provisional Cast On (crochet method)**

Used to cast on stitches that are also a row of live stitches, so they can be put onto a needle and used later.

*Directions:* Using a crochet hook, make a slipknot, then hold knitting needle in left hand, hook in right. With yarn in back of needle, work a chain st by pulling yarn over needle and through chain st. Move yarn back to behind needle, and rep for the number of sts required. Chain a few more sts off the needle, then break yarn and pull end through last chain. (CO sts may be incorrectly mounted; if so, work into backs of these sts.) To unravel later (when sts need to be picked up), pull chain end out; chain should unravel, leaving live sts. A video tutorial can be found at [tutorials.knitpicks.com/crocheted-provisional-cast-on](http://tutorials.knitpicks.com/crocheted-provisional-cast-on).

### **Provisional Cast On (crochet chain method)**

Same result as the crochet method above, but worked differently, so you may prefer one or the other.

*Directions:* With a crochet hook, use scrap yarn to make a slipknot and chain the number of sts to be cast on, plus a few extra sts. Insert tip of knitting needle into first bump of crochet chain. Wrap project yarn around needle as if to knit, and pull yarn through crochet chain, forming first st. Rep this process until you have cast on the correct number of sts. To unravel later (when sts need to be picked up), pull chain out, leaving live sts. A photo tutorial can be found at [tutorials.knitpicks.com/crocheted-provisional-cast-on](http://tutorials.knitpicks.com/crocheted-provisional-cast-on).

### **Judy's Magic Cast On**

This method creates stitches coming out in opposite directions from a seamless center line, perfect for starting toe-up socks.

*Directions:* Make a slipknot and place loop around one of the two needles; anchor loop counts as first st. Hold needles tog, with needle that yarn is attached to on top. In other hand, hold yarn so tail goes over index finger and yarn attached to ball goes over thumb. Bring tip of bottom needle over strand of yarn on finger (top strand), around and under yarn and back up, making a loop around needle. Pull loop snug. Bring top needle (with slipknot) over yarn tail on thumb (bottom strand), around and under yarn and back up, making a loop around needle. Pull loop snug. Cont casting on sts until desired number is reached; top yarn strand always wraps around bottom needle, and bottom yarn strand always wraps around top needle. A tutorial can be found at [tutorials.knitpicks.com/judys-magic-cast-on](http://tutorials.knitpicks.com/judys-magic-cast-on).

### **Stretchy Bind Off**

*Directions:* K2, \*insert LH needle into front of 2 sts on RH needle and knit them tog—1 st remains on RH needle. K1; rep from \* until all sts have been bound off. A tutorial can be found at [tutorials.knitpicks.com/go-your-own-way-socks-toe-up-part-7-binding-off](http://tutorials.knitpicks.com/go-your-own-way-socks-toe-up-part-7-binding-off).

### **Jeny's Surprisingly Stretchy Bind Off (for 1x1 Rib)**

*Directions:* Reverse YO, K1, pass YO over; \*YO, P1, pass YO and previous st over P1; reverse YO, K1, pass YO and previous st over K1; rep from \* until 1 st is left, then break working yarn and pull it through final st to complete BO.

### **Kitchener Stitch (also called Grafting)**

Seamlessly join two sets of live stitches together.

*Directions:* With an equal number of sts on two needles, break yarn leaving a tail approx four times as long as the row of sts, and thread through a blunt yarn needle. Hold needles parallel with WSs facing in and both needles pointing to the right. Perform Step 2 on the first front st, then Step 4 on the first back st, then continue from Step 1, always pulling yarn tightly so the grafted row tension matches the knitted fabric:

**Step 1:** Pull yarn needle K-wise through front st and drop st from knitting needle.

**Step 2:** Pull yarn needle P-wise through next front st, leaving st on knitting needle.

**Step 3:** Pull yarn needle P-wise through first back st and drop st from knitting needle.

**Step 4:** Pull yarn needle K-wise through next back st, leaving st on knitting needle.

Rep Steps 1-4 until all sts have been grafted together, finishing by working Step 1 through the last remaining front st, then Step 3 through the last remaining back st. Photo tutorials can be found at [knitpicks.com/learning-center/learn-to-knit/kitchener](http://knitpicks.com/learning-center/learn-to-knit/kitchener).

### **Short Rows**

There are several options for how to handle short rows, so you may see different suggestions/instructions in a pattern.

#### **Wrap and Turn (W&T) (one option for Short Rows)**

Work until the st to be wrapped. If knitting: Bring yarn to front, SI next st P-wise, return yarn to back; turn work, and SI wrapped st onto RH needle. Cont across row. If purling: Bring yarn to back of work, SI next st P-wise, return yarn to front; turn work and SI wrapped st onto RH needle. Cont across row.

**Picking up Wraps:** Work to wrapped st. If knitting: Insert RH needle under wrap, then through wrapped st K-wise; K st and wrap tog. If purling: SI wrapped st P-wise onto RH needle, use LH needle to lift wrap and place it onto RH needle; SI wrap and st back onto LH needle, and P tog.

A tutorial for W&T can be found at [tutorials.knitpicks.com/short-rows-wrap-and-turn-or-wt](http://tutorials.knitpicks.com/short-rows-wrap-and-turn-or-wt).

#### **German Short Rows (another option for Short Rows)**

Work to turning point; turn. WYIF, SI first st P-wise. Bring yarn over back of right needle, pulling firmly to create a "double stitch" on RH needle. If next st is a K st, leave yarn at back; if next st is a P st, bring yarn to front between needles. When it's time to work into double st, knit both strands tog.
