Note

This pattern is a written pattern included charts. Two version of the charts are attached, A3, A4 and it is possible to enlarge and print out the charts.

Camélia Sweater is knitted from the top down. At first work back and forth to shape the neckline and then join work into the round. The yoke is formed with raglan increases. After separating the work for body and sleeves, they are worked in the round. Finally, pick up the stitches along the neck opening and work the neck band folded. Every chart is worked entirely in stockinette stitch every round except for raglan stitches.

Technique

M1R : Insert left hand needle from back to front under the bar between the stitches and K this bar.

M1L : Insert left hand needle from front to back under bar and K tbl this bar.

Tubular bind off in the round (K1tbl, P1)

Take a tapestry needle and "leave a yarn tail" 3 times the length of the edge.

Step 1 : Insert the tapestry needle through the first stitch(knit stitch) as if to knit through the back loop, pull the through and take the stitch off.

Step 2 : Insert the tapestry needle into the second stitch(knit stitch) as if to purl then insert the tapestry needle into the first stitch(purl stitch) as if to purl and take the first stitch off.

Step 3 : Insert the tapestry needle from the back between the first stitch(knit stitch) and second stitch(purl stitch), pull that through and then insert the tapestry needle into the second stitch knitwise.

Step 4 : Insert the tapestry needle through the first stitch (knit stitch) as if to knit through the back loop, pull the through and take the stitch off.

Rep (Step 2-4) to the last stitch and take the last stitch off.

Insert the tapestry needle into the first stitch(Knit stitch) that has already been taken off from the needle as if to purl and insert the tapestry needle into the last stitch(Purl stitch) as if to purl and then pull the through.
