NOTES FROM JARED:

I love the traditional Cowichan Sweaters of Native American tribes from Western Canada and the Pacific Northwest. Rockaway was inspired by these sweaters' bold graphic motifs and chunky, cozy nature—rather than

the traditional shawl collar, I thought the addition of a hood and toggles modernized the look and makes the garment more jacket-like and layer-friendly.

This design is knit seamlessly, in the round, and cut up the center using a traditional technique known as "steeking" in order to open up the cardigan front. Because of the slippery nature of cashmere and merino, as well as the bulkier gauge, a machine-sewn steek is recommended. The hood and button bands are picked up and worked last. Because of the bulky, stranded fabric, you'll want to be sure to leave more room inside the sweater than you normally would—I recommend 6-7" of ease, based on the chest measurement of the wearer.

To keep gauge consistent, a smaller needle is used to work MC stockinette portions of the garment, while a larger needle is used to produce the correct gauge within stranded portions (CC1 and CC2).

BODY

With MC and smaller needle, CO 131 (146, 157, 171, 182), place marker (pm) for beg-of-rnd (BOR) and join to beg working in-the-rnd, being careful not to twist sts. Knit 1 rnd. Next Rnd: Purl until 5 sts rem in rnd, k5 (steek sts). Rep the previous 2 rnds until pc meas 2" from beg, establishing Circular Gtr St and keeping last 5 steek sts in St st, end after the purl rnd.

Inc Rnd: *K8 (9, 9, 9, 9), m1; rep from * until 11 (11, 13, 9, 11) sts rem (including 5 steek sts), k11 (5, 7, 3, 5), **sizes - (M, L, XL, 2XL) only:** m1, knit to end.

And at the same time, after completion of Chart A, change to smaller needle and MC to complete the yoke. BO all sts loosely.

Cut Steek: Reinforce steek sts by machine stitching 1 or 2 lines of stitching on each side of center stitch, or use your preferred method. With sharp scissors, carefully cut center st from bottom of center front to collar.

Fold hood in half with sts on either side of center back mirroring each other. Graft top of hood together using Kitchener St and yarn tail.

BUTTON BAND

With smaller circular needle and MC, starting at lower edge of center right front and working into space between outer steek st and first body stitch, begin picking up sts at a rate of 2

sts for every 3 rows in 1-color sections (MC) and 1 st for every row in 2-color sections of body. Cont picking up sts along right front, directly around hood, back down left front, ending at lower edge of left front. Knit 5 rows, establishing Gtr St, ending after a WS row. [3 Gtr ridges on button band] Using a removable marker, mark buttonband-stitch on left front that is directly above the start of neck shaping on body.

Buttonhole Row: (RS) Knit until you reach removable marker on left front, BO 2 sts, making a 2-st buttonhole, cont knitting and work five more 2-stitch buttonholes evenly spaced between first buttonhole and end of row. [6 buttonholes] Knit 4 rows, using backward loop method to CO 2 sts over each 2-st buttonhole, end after a RS row. BO all sts knitwise. Weave in ends. Block garment to measurements.

NOTES FROM JARED:

The more I knit and design, the more I appreciate the diverse way garter stitch can be used across all types of fabrics. Its genius lies in its simplicity. In lace fabric it creates a slightly loftier, squishier fabric that looks wonderful when blocked, with its uniform horizontal ridges adding emphasis on the direction of the fabric. The Bridgewater Shawl is a simple, central square of garter stitch knit on the bias, creating long diagonals across the center section, which is trimmed by a frame of horseshoe lace and finished off with a lacy knitted-on edge.

The square construction makes for a large and versatile piece, which can be folded diagonally along the center for a double thick triangular shawl, or used as a luxurious square shoulder wrap. Starting from just one cast-on stitch, the biased square of garter stitch is shaped through the use of simple increases and decreases at the beginning of each row. After the square is complete, stitches are picked up along the outer edge as you begin

working in the round on the main lace motif, working simple increases at the four corners to continue a regular rate of growth. The shawl is finished with a knitted on edging, worked sideways, which consumes one stitch from the circumference of shawl on every other round, slowly but steadily finishing off each side and eliminating any need for a bound off edge. (See shawl schematic)

It's a fascinating and exciting process, changing directions and stitch patterns often enough to stay exciting while still remaining, I think, simple and intuitive for the knitter to work. I hope you enjoy this interesting and comforting project.

SHAWL:

With circular needle, CO 1 st.

First Row: K1-f/b. [2 sts on needle]

Inc Row: K1-f/b, knit to end of row. [1 st inc'd]. Rep inc row until 205 sts are on needle. [102 ridges of garter st on RS]

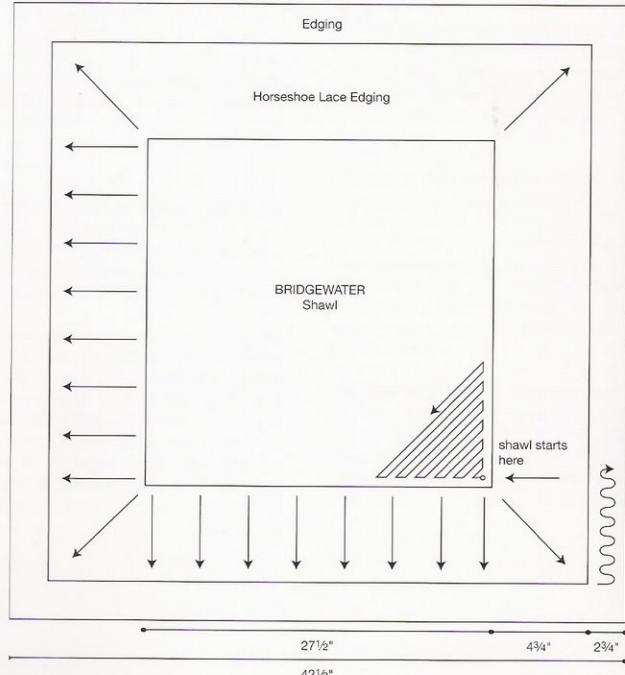

Dec Row: K2tog, knit to end of row. [1 st dec'd]. Rep dec row until 1 st rem on needle. [102 Gtr ridges along each edge of square]

HORSESHOE LACE EDGING:

With single live stitch on needle, begin picking up sts down 1 side of square by picking up and knitting 3 sts for every 2 ridges as follows: "pick up and knit 1 st from first ridge, pick up and knit 1 st each in the front and back of next ridge; rep from * to end. You will pick up 153 sts along first side of square.

After picking up 153 sts from first side of square, place marker (pm) and rep the same rate of pick-up along rem 3 sides, placing a marker at each corner between sets of 153.

1 marker at each corner—I recommend using a marker in an alternate color to indicate beg-of-rnd (BOR). [612 sts on needle]

Work Rnds 1–39 of LACE Chart.

NOTE: Bracketed 10-st motif reps itself 15 times on each side of shawl. LACE Chart reps itself a total of 4 times on each rnd—1 time for each side of square. Inc'd sts at beg and end of LACE chart occur EOR at the 4 corners of square. [768 sts on needle after completion of LACE Chart; 192 sts between each marked corner]

After completion of LACE Chart, cont as follows:

EDGING

Remove BOR marker. Slip next 2 sts purlwise wyif, replace BOR marker, this indicates new BOR. **Set-up Rnd:** *Knit until 2 sts rem before next marker, place new marker, k2, remove corner marker, k2, place new marker; rep from * 2 more times, knit until 4 sts rem before new BOR, place marker, k4.

There are now 4 sections of 4 sts indicated with pairs of markers at each corner of square with sets of 188 sts between these sections.

With dpn, use the Provisional Method to CO 13 sts. **Set-up Row:** With needle holding the live EDGING sts, p13 sts from dpn; you now have 13 sts adjacent to your live shawl sts on circular needle.

Work Rows 2–8 of EDGING chart once.

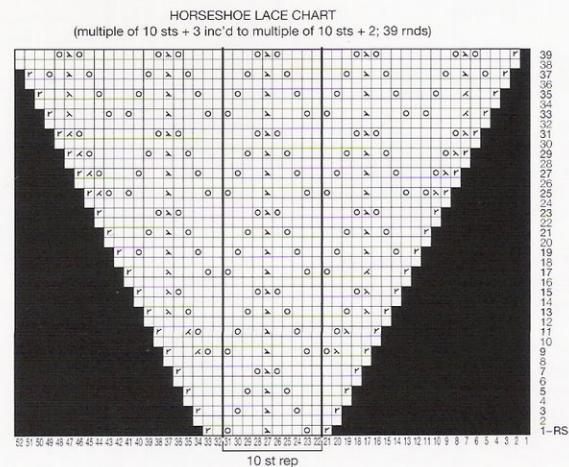

NOTE: EDGING Chart will be worked over 13 sts on all rows; the last st of every RS row will be knit together with 1 live st from horseshoe lace edging, attaching edging as you go and eliminating need for a BO edge.

Now, work Rows 1–8 of EDGING Chart as follows: Rep 8 rows of EDGING Chart, joining to outer edge of shawl as you go along (JS), until you reach the first marker. Work 4 corner sts as follows: Rows 1, 3, 4, 5, 7 and 8: As shown in EDGING Chart. Rows 2 and 6: Work as shown in EDGING Chart, but when you

work JS, leave shawl st on needle after k2tog. You will work JS of next RS row into the same st. Essentially, you are attaching 2 RS rows to the same st in order to turn the corner. You will work 2 reps of rows 1–8 of Lace Edging over 4 marked corner sts. Rep EDGING Chart as before around circumference of shawl, working each set of 4 corner sts as above.

When you have consumed all live sts from circumference of shawl, break yarn leaving 8" tail. Use tapestry needle and Kitchener St to graft live edging sts together with provisionally CO sts of edging with yarn tail.

Weave in all ends. Block to preferred tension, pinning shawl to desired dimensions.

GAUGE: 25 sts and 18 rows = 3" following sts 1-25 of MITTEN Charts, blocked, unstretched. **Take time to save time, check your gauge**

NOTES FROM JARED:

These mittens have an intricate, twisted stitch motif that creates a beautiful relief pattern—inspired by twisting vines and tree roots. Knitted stitches are all worked through the back loop to create the sculptural texture characteristic of twisted stitch motifs. Multiple-ply and high-twist yarns will maximize stitch definition and let the stitches sing. Shaping of the vine-like motifs on the hand is done with the use of yarn overs and decreasing—aside from the cuff, no cabling occurs in the main portion of the mitten. The cuff motif, a spiraling 1 x 1 rib is mirrored on each hand, and involves moving the marker as you work, to keep the spiral pattern unbroken. I hope you enjoy knitting these as much as you will in wearing them!

LEFT MITTEN:

CO 42 sts; divide them evenly over 3 or 4 dpns. Place marker (pm) for beg-of-rnd (BOR) and join to beg working in-the-rnd.

Purl 1 rnd to marker, remove marker, slip 1 st purlwise wyib, replace marker.

Knit 1 rnd.

Work Set-up Rnd, then rnds 1-2 of LEFT CUFF Chart as follows:

NOTE: LEFT CUFF Chart is a multiple of 2 sts that reps itself 21 times on every rnd. Marker placement will change on Rnd 2. Work this rnd as follows:

Rnd 2: Work in patt until 1 st rem before BOR marker. Slip 1 st from LH to RH needle, remove marker, return slipped st to LH needle, replace marker. This indicates new BOR.

Rep Rnds 1 and 2, until pc meas just under 2" from beg.

Slip first half of rnd onto 1 dpn and second half onto another, so 10 sts are on either side, mirroring each other. Turn mitten inside out and work a three-needle BO from WS.

LEFT THUMB:

With RS facing, beg at right edge of held sts, slip the 11 held sts from waste yarn onto 2 dpns, join yarn and with a third dpn, pick up 9 sts along CO edge of thumb hole. [20 sts on needles]. Pm for BOR, and join to work in-the-rnd.

Work Rnds 1-16 of THUMB Chart.

NOTE: Marker placement will change on Rnds 15 and 16. Work these rnds as follows: Rnds 15 and 16: Work in patt until 1 st rem in rnd; slip 1 st from LH to RH needle, remove marker, return slipped st back to LH needle, replace marker. This indicates new BOR. [8 sts rem on needles]

After completion of THUMB Chart, cont as follows:

Break yarn leaving 6" tail. Thread rem live sts with yarn tail and pull tightly to close thumb.

RIGHT MITTEN:

CO 42 sts; divide them evenly over 3 or 4 dpns. Place marker (pm) for beg-of-rnd (BOR) and join to beg working in-the-rnd.

Purl 1 rnd to marker, remove marker, slip 1 st purlwise wyib, replace marker.

Knit 1 rnd.

Rep previous 2 rnds once more, establishing Circular Gtr St. [2 garter ridges]

Work Set-up Rnd, then rnds 1-2 of RIGHT CUFF Chart as follows:

NOTE: RIGHT CUFF Chart is a multiple of 2 sts that reps itself 21 times on every rnd. Marker placement will change on Rnd 2. Work this rnd as follows:

Rnd 2: Work in patt to BOR marker. Remove marker, slip 1 st from LH to RH needle, replace marker. This indicates new BOR.

Rep Rnds 1 and 2, until pc meas just under 2" from beg.

After completion of RIGHT CUFF Chart, cont as follows:

Purl 1 rnd to marker, remove marker, slip 1 st purlwise wyib, replace marker.

Knit 1 rnd.

Purl 1 rnd to marker, remove marker, slip 1 st purlwise wyib, replace marker.

Inc Rnd: K1, m1, knit to end. [43 sts on needles]

Work Rnds 1-16 of RIGHT MITTEN Chart.

After completion of rnd 16 of RIGHT MITTEN Chart, cont as follows:

Divide for Thumb as follows:

Work rnd 17 through 36th st in rnd, slip 11 sts just worked (thumb sts) onto waste yarn (these sts are indicated by red bold line in chart); work to end of rnd. [43 sts on needles]

On Rnd 18, when you reach held sts, use backward loop method to CO 9 sts as indicated by chart; cont to end of rnd. [52 sts on needles]

Work Rnds 19–50 of RIGHT MITTEN Chart.
[20 sts rem on needles]

After completion of RIGHT MITTEN Chart, finish as for left mitten.

GAUGE: 19 sts and 27 rows = 4" in St st with smaller needle; 19 sts and 19 rows = 4" in Colorwork with larger needle. **Take time to save time, check your gauge.**

NOTES FROM JARED:

Stilwell is a fitted raglan with ¾ length sleeves and traditional colorwork motifs adorning yoke and cuffs. The placket neck has two button closures and a slightly raised collar.

To keep your tension consistent throughout this garment, I recommend using 2 or 3 needle sizes larger for the colorwork portions – swatching will reveal what needle size gives you 4½ sts to the inch in colorwork.

Stilwell is worked seamlessly, in the rnd with raglan shaping.

Rep Rnd 1 for 2 x 2 Rib.

NOTES FROM JARED:

It's a special opportunity to knit colorwork with a wool blend that has a touch of angora in it. The luscious softness and tell-tale halo of angora creates a smokiness that enhances the cohesion of colorwork fabric, and adds a downy and mysterious quality to the work. Knitters of traditional Bohus yoke sweaters know how the magic of angora can create unique and beautiful colorwork fabrics. When I first started stitching up Fresco, I was seized by the urge to work up a graphic, colorwork fabric. Beaumont was an exercise in combining these two lovely elements. I've knit up two versions — one in 2 colors with a traditional Tam shape, the other in 4 shades of grey with a beanie fit. Mix and match colors and fit to suit your tastes — knitter's preference!

The traditional tam shape is achieved by wet-blocking your finished garment over a medium dinner plate or circular cardboard cut-out (a 10" diameter is usually sufficient). Instructions outside the parenthesis are for the Tam Version — those inside are for the Beanie version.

NOTES FROM JARED:

Seneca is a seamless yoke pullover knit in the round, and utilizes one of my all-time favorite construction methods for pullovers. The sweater is knit from cuff to collar with sideways cables worked in as you knit. The relief-like cables are created by doing severe increasing into the stockinette fabric when a cable motif begins and severe decreasing when it ends. Because of the rather severe change in the number of sts, the cablework is defined in a plump, relief like fashion that makes a bold trim for this rather simply shaped garment.

The round yoke is shaped in the traditional method through the use of three severe decrease rings, placed between cable motifs.

BODY:

YOKE

Join Body and Sleeves for yoke as follows:

Starting directly at left back of body, where you left off with working yarn, align 12 (14, 16, 18, 18) held underarm sts from 1 sleeve with 12 (14, 16, 18, 18) held underarm sts of left body. Join into rnd. [236 (260, 280, 296, 320) sts on needle]

You have now united body and sleeves into rnd with markers at 2 front points for short rows. BOR marker is located at raglan point on left back – I recommend using a marker of an alternate color to clearly indicate this as the BOR. Knit 1 (2, 2, 1, 2) rnd(s) even.

METROPOLITAN
DESIGNED BY:
jared flood

SIZE: Average Adult

Dimensions: 18" from base of 1 earmuff to base of other, not including tassles

MATERIALS:

Aspen by **Classic Elite** (50% alpaca, 50% wool; 100 gram hank = approx. 51 yards)

- 1 hank #1595 Resort

Crochet Hooks:

- One each size L/11 and P (8 and 11.5 mm) Or size to obtain gauge

GAUGE: 5 sts = 2" and 4 rows = 2 1/2" in hdc with smaller hook. **Take time to save time, check your gauge.**

NOTES FROM JARED:

The inspiration for these muffs comes from the large pairs of headphones I see worn around me every day. When you live, work, and especially commute in a city like New York,

headphones are an essential part of everyday life. In an urban culture with a constant bustle of noise and activity that often seems invasive, the headphone has become a preferred way of insulating yourself from chaotic environments like a crowded subway car or platform. I myself began, during the colder months, to see my headphones as doubly useful — not only for their obvious audio function but for maintaining warmth as well — like a modern day pair of earmuffs. Hence — the birth of the urban earmuff (which, by the way, can just as easily be worn over headphones for double coverage.)

I chose crochet for this quick project to keep a structural, almost shell-like quality to the piece. The air trapped inside keeps ears warm and makes for a more dramatic silhouette. Worked with one hank of the super-bulky Aspen, a full pair can be worked up in under an hour. This makes for great last minute gift giving, or, for that matter, an extra handmade 'woolly' for those sudden cold snaps in winter. Wear with attitude!

EARMUFF:

With larger hook, ch 5 and sl st into first ch to form a ring.

Rnd 1 (RS): Ch 1, work 2 sc into each of 5 ch of previous rnd [10 sts].

Rnd 2: Work 2 sc into each of 10 sc of previous rnd [20 sts].

Rnd 3: Work 1 sc into each of 20 sc of previous rnd [20 sts].

Rnd 4 (RS): Switch to smaller hook (size L)

and work sc into each of the next 18 sc of previous rnd, ch 1, work 1 hdc into each of the next 4 sc.

STRAP:

Turn work, ch 2, work 1 hdc into each of the next 4 hdc of prev row

Rep previous row until overhead strap meas just under 5".

Break yarn leaving 8" tail.

Rep earmuff and strap instructions for other ear.

After completing both halves, thread one 8" tail with a tapestry and seam the 1 strap ends together from WS.

Weave in ends.

TASSLES: (make 2)

Cut two 45" lengths of yarn for each tassel.

Thread 2 strands (held together) through center lower st of 1 muff, align the 4 ends of strands and pull them to be equal lengths, with the muff in the center. Holding 2 ends in together in your LH and 2 in your RH, twist the RH ends counterclockwise until strands are under tension. With earpiece at center, fold twisted strands in half and let them twist back upon themselves. Knot ends together at bottom and trim uneven tips (see photo).

Rep for second tassel.

GAUGE: 10 sts and 10 rows = 2" in Stole Lace Pattern after blocking. **Take time to save time, check your gauge.**

NOTES FROM JARED:

Oh how I love working up lace in dk and worsted weight yarns—I love seeing the construction of the work, direction of stitches and the 'pop' of a lace pattern in these heavier-than-traditional yarns. Adding a light-as-air cashmere into the mix just makes the deal sweeter.

This stole is worked as two separate halves—the first half is started from the center with a provisional cast-on, worked towards the edge, then trimmed with a knitted on edging. The second half is worked directly from the provisional cast-on sts at center, for the same length as the first and then the knitted on edging is added to this half.

Willoughby's size and drape make it a versatile wardrobe staple—wear as a scrunchable scarf, or a wide wrap to show off the stitchwork.

PATTERN ABBREVIATIONS:

Bobble: (RS) Knit into the front and back of st twice; turn, p4, turn, ssk, k2tog, with LH needle, pass second st on RH needle over first st on RH needle, as if to BO.

STOLE

Use Provisional Cast-On to CO 57 sts.

Set-up Row (RS): K6, k2tog, k2, yo, k1, yo, k1, ssk, k1, p1, k2tog, yo, k1, p1, k3, k2tog, ssk, [yo, k1] 3 times, yo, k2tog, ssk, k3, p1, k2tog, yo, k1, p1, k1, k2tog, k2, yo, k1, yo, k1, ssk, k1, yo, ssk, [yo] 2 times, k2tog, k1. [58 sts on needle]

Work rows 2-8 of STOLE Chart. Rep rows 1-8 of STOLE Chart 16 (20) more times.

After completion of STOLE Chart, cont as follows: **Work rows 1-8 of CORNER Chart as follows:**

NOTE: CORNER Chart is worked back and forth and joins to the live sts at end of shawl by knitting 1 edging st together with 1 live stole stitch at the end of RS rows 3 and 7.

After completion of CORNER Chart, cont as follows: **Work rows 1-8 of EDGING Chart as follows:**

NOTE: EDGING Chart is worked back and forth and joins to the live sts at end of shawl by knitting 1 edging st together with 1 live stole stitch at the end of every RS row.

Work rows 1-8 of EDGING Chart 10 times total. [18 sts rem on needles; 9 live stole sts and 9 edging sts].

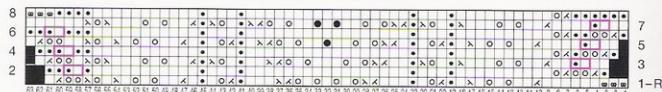

After completion of EDGING Chart, cont as follows: **Work rows 1-8 of CORNER Chart as follows:**

NOTE: CORNER Chart is worked back and forth and joins to the live sts at end of shawl slightly differently than before. At end of row 3, knit 1 edging st together with 2 live stole sts by working a k3tog. Work all other rows as before. [15 sts rem on needles]

After completion of CORNER Chart, cont as follows: BO 3 edging sts. [12 sts rem on needles] Divide sts evenly onto 2 needles. Use Kitchener St to graft 6 live sts from edging to 6 rem live sts in row.

To begin second half of stole, carefully remove provisional cast on and place live sts on needle. Beginning with Set-up Row, work second half in the same manner as for first. Block stole to measurements.

NOTES FROM JARED:

The circular yoke is, to me, one of the most intuitive and best-suited sweater constructions for hand knitting. The yoke is shaped with only a few decrease rounds, which makes this type of sweater a wonderful canvas for colorwork patterning. HURON is worked in the round as a seamless pullover—and employs a 2-color yoke pattern which you can indulge yourself in after knitting the body and sleeves in 1-color stockinette.

I recommend using three separate needle sizes throughout this project—the largest needle for working 2-color rounds (it is necessary to go up to a larger needle when working colorwork to obtain the same gauge as 1-color stockinette in the same yarn). The medium size needle is used as your one-color 'gauge' work and will be used for the majority of the garment, aside from the yoke. The smallest needle is used for cuffs and collar to aid in keeping the garter stitch from flaring.

BODY

With smallest circular and MC, CO 159 (175, 191, 211, 227) sts. Place marker (pm) for beg-of rnd (BOR) and join to beg working in-the-rnd, being careful not to twist sts. Rnd 1: knit all sts
Rnd 2: purl all sts

Rep previous 2 rnds, establishing Circular Gtr St, 4 more times. [5 Gtr St ridges total]

Next Rnd: Knit all sts.

Inc Rnd: *K9, m1; rep from * around until 6 (4, 2, 4, 2) sts rem in rnd, knit to end. [176 (194, 212, 234, 252) sts on needle]

Next Rnd: K88 (97, 106, 117, 126), pm to indicate opposite seam from BOR, knit to end of rnd.

Change to medium circular needle and cont in Circular St st until pc meas 11 (12, 12, 14, 14)" from beg.

Inc Rnd: K2, m1, knit until 2 sts rem before side seam marker, m1, k4, m1, knit until 2 sts rem in rnd, m1, k2. [180 (198, 216, 238, 252) sts on needle]

Knit 6 rnds.

BACK SHORT ROWS:

Row 2: (WS) P2, slip BOR marker, p to side-seam marker, slip marker, p2, wrap and turn.
Row 3: (RS) K until 5 sts rem before wrapped stitch from prev RS row, wrap and turn.
Row 4: (WS) P until 5 sts rem before wrapped stitch from prev WS row, wrap and turn.
Rep Rows 3 and 4 once more.

Next Row: (RS) K to BOR marker hiding wraps as they appear.

Next Rnd: (RS) Knit 1 rnd, hiding wraps as they appear.

Sizes S (M, L, -, -) only: Cont in St st until pc meas 13 1/2 (14, 14, -, -)" at center front.

Inc Rnd: K2, m1, k until 2 sts rem before side-seam marker, m1, k4, m1, knit until 2 sts rem in rnd, m1, k2. [184 (202, 220, -, -, -) sts on needle]

All Sizes: Cont in St st until center front meas 14 1/4 (15, 15, 15 1/2, 16)" from beg. On last rnd, knit until 6 (7, 8, 9, 10) sts rem in rnd, slip next 12 (14, 16, 18, 20) sts onto st holder or waste yarn, removing BOR marker.

SLEEVE (make 2)

With smallest dpns and MC, CO 44 (46, 46, 48) sts. Pm for BOR and join to beg working in-the-rnd, being careful not to twist sts.

Rnd 1: Knit all sts.

Rnd 2: Purl all sts.

Rep previous 2 rnds, establishing Circular Gtr St, 4 more times. [5 Gtr St ridges total]

Knit 1 rnd.

Inc Rnd: K7 (8, 8, 8, 9), m1, [k10, m1] 3 times, k7 (8, 8, 8, 9). [48 (50, 50, 50, 52) sts on needle]

Change to larger dpns.

Knit 4 rnds even.

Sleeve Inc Rnd: K2, m1, knit until 2 sts rem in rnd, m1, k2. [50 (52, 52, 52, 54) sts on needle]

Cont in Circular St st, working sleeve inc rnd every 9 (7, 6, 6, 6)th rnd 10 (13, 16, 17, 18) more times. [70 (78, 84, 86, 90) sts on needle].

Cont even in Circular St st until pc meas just under 18 1/2 (18 1/2, 19, 19, 19 1/2)" from beg.

Divide for underarm: Knit until 6 (7, 8, 9, 10) sts rem in rnd, slip 12 (14, 16, 18, 20) sts to st marker or waste yarn, removing marker. Held sts are grafted to body at finishing. [58 (64, 68, 68, 70) live sts rem for sleeve]

Place sleeve aside to be joined into yoke after completion of body. Rep sleeve instructions for second sleeve.

YOKES

Join body and sleeves for yoke as follows:

Starting directly at left back of body, where you left off with working yarn, align held underarm sts from 1 sleeve with held underarm sts of left body. Pm for BOR, and knit with medium size circular needle and MC 58 (64, 68, 68, 70) live sts from sleeve, pm (short row marker #1) and cont in Circular St st across front 80 (87, 94, 101, 108) sts of body, pm (short row marker #2) and cont in Circular St st across second sleeve as before; work across back to BOR marker. Join into rnd. [276 (302, 324, 338, 356) sts on needle]

You have now united the body and sleeves into rnd, with markers at 2 front points for short rows. BOR marker is located at left back—I recommend using a marker of an alternate color to clearly indicate this as the BOR.

Knit 2 rnds even.

Sizes - (M, -, XL, -) only, Dec Rnd 1: *k - (149, -, 167, -), k2tog; rep from * around. [- (300, -, 336, -) sts on needle.

NOTES FROM JARED:

Redhook is worked in one piece, back-and-forth in rows, from the bottom-up on circular needles. The deep shawl collar and ribbed cap-sleeves are shaped using short rows and are picked up and worked directly from the body of the vest. The long, tunic-like shape makes a great garment for fall layering and is a perfect medium-sized project.

With RS facing, beg at right edge of held armhole sts, slip 14 (14, 16, 18, 20) held sts onto 16" circular needle. Join in yarn and moving in a clockwise direction pick up sts around armhole at the rate of **2 picked up sts for every 3 rows of armhole**. Pick up sts at this rate around entire armhole, making sure to pick up one extra st at center top of armhole. Count your sts — your total number must be a multiple of 4 sts.

Rnd 1: *K2, p2; rep from * around, inc'ing or dec'ing to achieve a multiple of 4 sts.

From the shoulder seam, count down 12 (14, 14, 14, 16) sts, pm; rep for other side. These markers will indicate where to begin your short rows. Place marker and join to beg working in-the-rnd.

CAP SHORT ROWS:

Row 1 (RS): *K2, p2, rep from * until you reach second short row marker; wrap and turn.

Row 2 (WS): Maintaining 2 x 2 ribbing (knitting the knit sts and purling the purl sts) work back across sts at top of armhole until you reach the short row marker on the other side of the shoulder seam; wrap and turn.

Row 3 (RS): Work until you reach the wrapped st from previous RS row. Maintaining rib, work the wrapped st, hiding the wrap, then work 1 more st as est; wrap and turn.

Row 4 (WS): Work until you reach the wrapped st from previous WS row. Maintaining rib, work the wrapped st, hiding the wrap, then work 1 more st as est; wrap and turn.

Rep Rows 3 and 4 (adding 2 sts to each short row), until sleeve cap measures 3 (3, 3, 3½, 3¾)" from center top of armhole, ending after a WS row.

Next Row (RS): Maintaining rib, work to end, hiding wraps as they appear.

Cont in 2 x 2 ribbing until sleeve cap meas 3¾ (3¾, 3¾, 4, 4)" from center top of armhole.

BO all sts in 2 x 2 ribbing.

TRIM:

Pick-up sts as follows:

With RS facing, beg at the lower edge of right front, pick-up and knit buttonband sts at a rate of 2 picked-up sts for every 3 rows of body, until you reach beg of neck shaping on right front; pm (marker #1); cont picking up sts at the same rate along neckline of right front to shoulder seam; pm (marker #2); pick-up and knit neck sts at a rate of 3 picked-up sts for every 2 sts of body across back neck to shoulder seam; pm (marker #3); return to a rate of 2-picked up sts for every 3 rows of body, resume picking up sts along left front neckline to the beg of neck shaping; pm (marker #4); cont picking up sts at the same rate down rem distance left front.

You have now picked up sts all the way around vest opening and placed 4 markers — markers 1 and 4 should mirror each-other at beg of the neck shaping on right and left fronts; markers 2 and 3 should be placed at shoulder seams, enclosing sts across back neck.

Count your total number of sts. To proceed with collar you must have a total number of sts that is a multiple of 4. Use the next row to achieve the nearest multiple of 4 by increasing or decreasing 1 or 2 sts as necessary throughout row.

Next Row (WS): P3, k2, *p2, k2; rep from * until 3 sts rem in row, p3.

Cont as est, knitting the knit sts and purling the purl sts as they face you.

COLLAR SHORT ROWS

Row 1 (RS): Maintaining 2 x 2 ribbing, work to marker #3 (at left shoulder); wrap and turn.

Row 2 (WS): Maintaining 2x2 rib, work to marker #2 (at right shoulder); wrap and turn.

Row 3 (RS): Work to wrapped st from previous RS row, work wrapped st, hiding the wrap, then work 1 more st as est; wrap and turn.

Row 4 (WS): Work to wrapped st from previous WS row, work wrapped st, hiding the wrap, then work 1 more st as est; wrap and turn.

Rep Rows 3 and 4 (adding 2 sts to each short row) until you reach markers at base of neck (markers #1 and #4) ending after a WS row.

Next Row (RS): Maintaining rib, work to end, hiding wraps as they appear.

Cont as est, knitting the knit sts and purling the purl sts as they face you, until buttonband measures $\frac{3}{4}$ " from pick-up row, ending after a WS row.

Pm on left front, 1" up from lower edge; place 3 more markers evenly spaced between marker #1 and the marker near the lower edge. Remove marker #'s 2, 3 and 4.

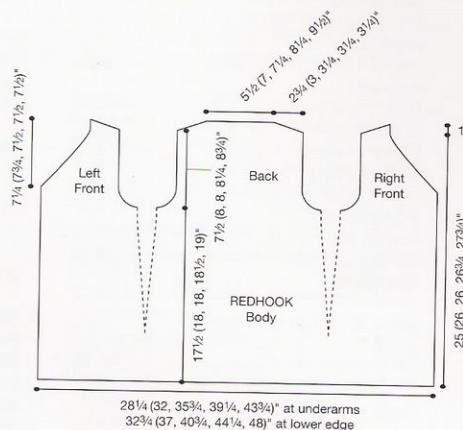

Buttonhole Row (RS): Maintaining rib, *work to marker, work a 2-st buttonhole; rep from * 4 more times, maintaining rib, work to end.

Cont working 2 x 2 ribbing as est until buttonband measures $1\frac{1}{2}$ " at right front. BO all sts in 2 x 2 ribbing as est.

FINISHING

Sew buttons onto left front button band opposite buttonholes.

Block pc to measurements.

QUINCY

DESIGNED BY:
jared flood

SIZE: Average Adult (to fit head sizes 21-23")

Dimensions: 20½" completely unstretched, approx 6½" tall

MATERIALS:

Ariosa by **Classic Elite** (90% merino, 10% cashmere; 50 gram ball = approx 87 yards)

• 2 balls #7827 Sangria

Needles:

• One pair size US 10½ (6.5mm)
• One set of double pointed needles (dpns) size US 10 (6mm)

Or size to obtain gauge

Notions:

• Removable stitch markers

GAUGE: 15 sts and 28 rows = 4" in Garter Stitch with larger needles. **Take time to save time check your gauge.**

NOTES FROM JARED:

Simple and intuitive construction is a strong influence in my knitting. I love this hat for its simplicity of construction and eye-catching result. It knits up fast and is great for last minute gift knitting. Ariosa, while having a nice chunky gauge, is wonderfully light and suits garter stitch beautifully.

The main portion of Quincy is a flat strip of garter stitch, knit back-and-forth with built-in I-cord on both sides. When this piece reaches sufficient length, you'll give the fabric a half twist and graft the live sts together with the cast-on stitches (see illustration). You will now have a moebius strip from which you will pick up crown sts and close up the top as you would a traditional knitted cap.

I think Quincy is a unique addition to every knitter's hat collection — large or small!

HAT:

With larger needle, use Provisional method to CO 26 sts.

Knit until 3 sts rem on needle, bring yarn to front, slip last 3 sts purlwise.

Rep the previous row establishing Gtr St with built-in I-cord edging 143 more times. [72 Gtr ridges].

Lay knitting flat. Keeping 1 end flat against table, take the other and flip it, putting ½ twist into fabric. Fold to join edges, keeping half-twist in fabric; join live sts together with provisionally cast-on sts using Kitchener St. (see illustration)

With grafted edge centered directly across from twist in fabric, count 20 ridges in each direction away from the grafted seam and place a removable marker on i-cord trim at these points (marking 20th I-cord st to the left of graft line, and 20th I-cord st to the right of graft line). Place marker at graft line for beg-of-round (BOR).

CROWN

You now have 3 markers dividing your ring of fabric into three sections. With RS facing, roll the 1-cord edge toward you to pick up

sts from the WS into 1 st on backside of I-Cord edging as follows: With smaller dpns, beg at graft line, pick-up and knit 20 sts to first marker, with second dpn, pick up and knit 10 sts to twist, 10 sts to second marker, then with third dpn, pick up and knit 20 sts to BOR marker. [60 sts on needles] Remove all markers and join to work in the rnd, placing new marker on needle to indicate BOR.

Before proceeding, place a marker after every 10th st of rnd. [6 markers on needles, including 1 for BOR]

Rnd 1: *Purl to 1 st rem before marker, slip 1 st purlwise wyib; rep from * around.

Rnd 2: *Knit to 2 sts rem before marker, k2tog.

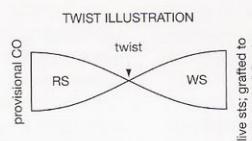

Rep from * around. [6 sts dec'd]

Rep the previous 2 rnds 6 more times. [18 sts rem on needles]

Next Rnd: *P1, k2tog; rep from * around. [12 sts rem on needles]

Next Rnd: *K2tog; rep from * around. [6 sts rem on needles]

Break yarn leaving 6" tail. With blunt tapestry needle, thread rem live sts with yarn tail and pull tightly to snug top. Weave in ends.

CROCHET STITCHES

ch: (chain) Wrap the yarn around the crochet hook (yarn over) and draw it through the loop on the hook to form the first chain. Rep this step as many times as instructed. (The loop on the hook is never included when counting the number of chains).

sl st: (slip stitch) Insert crochet hook in the indicated stitch, yarn over and draw through both the stitch and the loop on the hook.

sc: (single crochet) Insert crochet hook in indicated stitch, yarn over and pull up a loop; yarn over and draw through both loops on hook.

hdc: (half double crochet) Yarn over hook, insert hook into indicated stitch, yarn over and pull up a loop; yarn over and draw through all three loops on hook.

GENERAL PATTERN INSTRUCTIONS

Gauge: Obtaining the correct gauge is the single most important factor for a successful garment. Take time to save time, check your gauge. To check gauge: Knit a swatch at least 4" wide and long using the stitch pattern and needles recommended. Using the washing instructions on the yarn label, wash your swatch. This will tell you how your finished garment will behave after it has been washed. Measure the number of stitches over the 4" swatch. This should match the required gauge. If your gauge is smaller than the pat-

tern specifies, increase your needle size; if it is larger, decrease your needle size.

Sizing: Sizes ranging from Extra Small to 2X Large are given for these garments. To determine what size to knit, use as a guide a favorite sweater, that fits well. Compare the measurements of this garment with the measurements given in the pattern and select the pattern size which most closely matches the existing sweater. Keep in mind that some sweaters are designed to fit snugly, while others are loose

fitting. Instructions are for smallest size, with changes for other sizes noted in parentheses.

Blocking: We recommend blocking all pieces to the measurements given before assembling.

Laundering Note: When knitting multi-colored garments, we suggest testing the laundering method on your gauge swatch to confirm the yarn's performance.

GLOSSARY

Stockinette Stitch (St st):

Circular — Knit all sts every rnd.
Straight — Knit on RS, purl on WS.

Garter Stitch (Gtr st):

Circular — Rnd 1: Knit.
Rnd 2: Purl.
Rep Rnds 1 and 2 for Circular Gtr St.
Straight — Knit every row.

Backwards-Loop Cast-On Method:

*Wrap yarn around left thumb from front to back and secure in palm with other fingers. Insert needle upwards through strand on thumb. Slip loop from thumb onto RH needle, pulling yarn to tighten. Rep from * for desired number of sts.

Provisional Cast-on Method:

See tutorial on the Classic Elite website: <http://www.classiceliteyarns.com/WebLetter/Stitches/ProvCO/ProvCO.php>

Wrap and turn:

Knit row — Slip next st purwise onto RH needle, bring yarn to front of work, return slipped st to LH needle, bring yarn to back of work, then turn work.

Purl row — Slip next st purwise onto RH needle, bring yarn to back of work, return

slipped st to LH needle, bring yarn to front of work, then turn work.

Hide Wraps:

Knit row — Pick up the wrap from the front with the RH needle and knit together with the st it wraps.

Purl row — Pick up the wrap through back of loop with RH needle and purl together with the st it wraps.

Three Needle Bind Off Method:

Slip the sts from holders onto each of 2 needles; with the RS of garment pcs together (to form ridge on inside of garment), hold the needles parallel. With a third needle knit the first st of front and back needles together, *knit next st from each needle together, (2 sts on RH needle), BO 1 st; rep from * until all sts are BO.

Sewn Bind Off: Cut yarn leaving a tail at least 3 times as long as the edge that will be BO. Thread tail through a tapestry needle and BO as follows: *put the needle through the first 2 sts to be BO, from right to left, go back through the first st from left to right, pull the yarn through and slip the first st off the needle. Rep from * until 1 st rem, pull yarn through to fasten off.

Kitchener Stitch:

Step 1: Bring threaded tapestry needle through first st on front needle as if to knit and slip this st off needle.

Step 2: Bring threaded tapestry needle through next st on front needle as if to purl and leave st on needle.

Step 3: Bring threaded tapestry needle through first st on back needle as if to purl and slip this st off needle.

Step 4: Bring threaded tapestry needle through next st on back needle as if to knit and leave st on needle.

Rep Steps 1-4 until no sts rem on needles. For more information, visit our website: <http://www.classiceliteyarns.com/WebLetter/Stitches/Grafting/Grafting.php>

2-st Buttonhole: Slip 1 st purwise wyif, bring yarn to back, *slip next st purwise, pass the first st over the second st as if to BO, rep from * once more (2 sts BO). Slip 1 st from RH needle to LH needle, turn. Use Cable method to CO 3 sts, turn. Slip 1 st purwise wyib, pass the last CO st over the slipped st.
