Yarn: Atelier Zitron Filigran Lace № 1 – 200g (100g-600m)

Size: wide- 60 cm. / long- 270 cm. or optional

Needles: 2mm, 24 stitch markers.

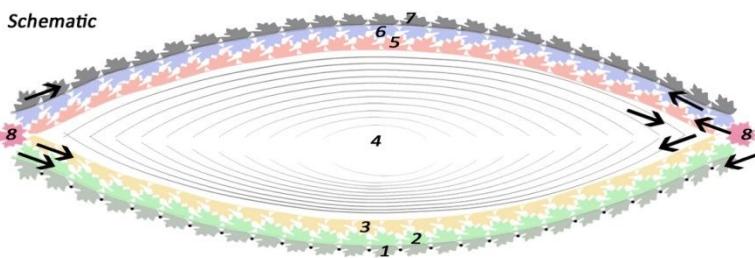

Construction note:

The spike pattern is composed of conjoined strips composed of leaves. The direction of knitting is shown with arrows in the schematics. Besides the indicated yarn that the sample was knit with, this motif may be worked from any other yarn weight as well. The thinner the yarn, the smaller the resulting leaf, the thicker the yarn, the larger the leaf.

Turning: I used "wrap and turn" (knit the indicated number of sts, wrap working yarn around next stitch, turn and knit back in the opposite direction), but any other short-row turn works just as well.

Do not confuse "turn work" and "wrap and turn"!

This shawl is knitted seamlessly in one piece (except for two corner leaves). Work step by step and you will have excellent results.
