## Yarnalternatives

Vidde or Varde by Hillesvåg

## Needles

Double pointed: 3,5 and 4,5 mm

Circular 40 cm: 3,5 and 4,5 mm

Circular 80 cm: 3,5 and 4,5 mm

## Gauge:

18 sts = 10 cm

## Linkswearer

-Notes-

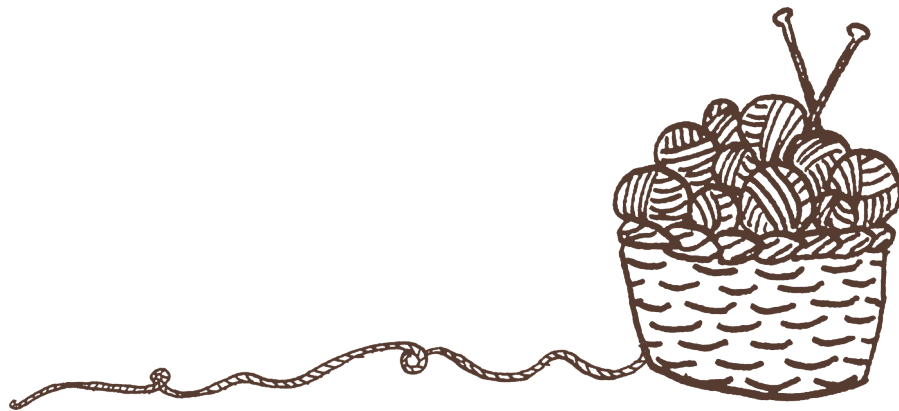

To block your knitted garment, soak it first in lukewarm water. I usually like to add wool soap and vinegar. You can also add silicone-free shampoo or fragrance oils if you wish. Leave the garment in the water for about 30 minutes. When removing the garment carefully from the water, wrap it in a towel to squeeze out as much water as possible. Then lay the garment flat to dry.

Magic tip! Do not let the garment dry on top of towels. The towels will stay damp and the garment will take longer to dry. If you do not have a mat to put the garment on, you can use a trashbag, plastic bag or for example, an Ikea bag. The plastic will repel and not preserve the water. Voila!

If you are unsure which colors you want to use after choosing a recipe, you can get inspiration from my Instagram profile @loparefur, the hashtags for each individual recipe or design or the hashtag #loparefur and #eventyrstrikk (#adventureknitting)

Magic tip! If you want a specific contrast in the colors of the sweater and are unsure whether the colors you have chosen provide enough contrast, you can take a picture of all the skeins together and print it as a black and white image or just add a black and white filter on the image. If the gray tones in the image provide good enough contrasts, it is a good combination!

## Linksweater

### Body

Cast on (144, 160, 176) (192, 208, 224) (240, 256, 272) stitches with a 3.5 mm needle with main color. Place a stitch marker to mark the start of the round, and work 3 rounds rib 2 knit, 2 purl sts until work measures 10 cm. Change to needle size 4.5 mm and continue knitting until work measures (25, 25, 26) (28, 29, 30) (32, 33, 35) cm for women

and (30, 30, 31) (33, 34, 35) (37, 38, 40) cm for men or desired length. ( Chart A and B are = 38 cm long)

Place a stitch marker at the beginning of the round to mark one side, and one after (72, 80, 88) (96, 104, 112) (120, 128, 136) stitches for the other side.

Insert a stitch marker on each side and knit Chart A first. Then knit Chart B til row 8. ( You will need to regulate the stitches between Chart A and B as they wont add up )

From here work back and forth, or cast on 2 cutting stitches between each part so that you can knit in a round with circular needle, and later cut up to armhole. Continue with Chart B.

Set the middle (45, 46, 45) (46, 48, 48) (50, 50, 50) stitches from the front piece and the middle (45, 46, 45) (46, 48, 48) (50, 50, 50) stitches from the back piece on a 40 cm needle 3.5 mm. (You should now have (90, 92, 90) (92, 96, 96) (100, 100, 100)

stitches.) Set the work aside and knit the sleeves.

### Tips:

Feel free to adjust Chart B so that the pattern is centered between the stitch markers.

# Linkswearer

## Arms

Cast on (36, 36, 40) (40, 40, 44) (44, 44, 44) stitches on a 3.5 mm needle with main color. Place a stitch marker to mark the start of the round, and work 3 rounds rib 2 knit, 2 purl sts until work measures 10 cm.

Change to a 4.5 mm needle. Continue knitting while inc 2 sts on underside of sleeve (1 st after the first st of the round, and 1 st before the last st of the round). Repeat this every 4th round until you have (64, 64, 72) (72, 72, 88) (88, 96, 96 stitches.)

When sleeve measures (25, 25, 26) (28, 29, 30) (32, 33, 35) cm for women and (30, 30, 31) (33, 34, 35) (37, 38, 40) cm for men, or to the desired length (minus 26 cm which is the length of Chart C). Work pattern according to Chart C - Sleeve, while continuing to increase. Finish with 3 rounds of stockinette st back and forth to cover. Loosely Bind off. Set the sleeve aside and knit the second sleeve the same way

## Assembly (Steeking)

Mark with a thread how wide the sleeve is at the top and sew two tight seams with a sewing machine on both sides of the thread the sleeves and cut up between the seams. Sew the stitches on the shoulders together. Attach loose threads and sew in sleeves by hand or on machine straight from the wrong side.

## Høy hals

Adjust the number of stitches in some sizes to (92, 92, 92) (92, 96, 96) (100, 100, 100) sts. Knit 20 cm rib 2 knit, 2 purl sts and loosely bind off. Fold the neck double.

## Alternative neck closure

(on the body before the neck itself)

*In order for the body not to go all the way up to the neck, you can form a „rounding, Work pattern from arrow, Put the 21 middle stitches on a stitch holder and continue in pattern according to the diagram, at the same time dec every other round (3,2,1 sts on each side of neck - front). Continue until the chart is complete. To simplify sewing / cutting the sleeves, you can bind off 2 stitches on each side (at the side markers). When the shoulder seams have been stitched together, collect stitches from the spare needles and pick up stitches at the dec with a 3.5 mm needle. Knit the neck in Color 1. (as mentioned under the section neck)*
