Introduction to Mosaic Knitting

Love the look of colorwork knitting, but don't want to deal with carrying two (or more) strands of yarn along each row? Mosaic knitting is for you!

With mosaic, only one yarn is held per row/round, and the stitches of the other color are slipped. Only the stitches meant to be in the color being held are knit (or purled) normally in each row/round.

When knitting a mosaic pattern, all stitch pattern rows or rounds will involve slipped stitches, with the yarn always held to the wrong side of the work. On the right side, the color being slipped is what's showing, while the working yarn is hidden in the back.

A variety of looks can be achieved with mosaic knitting; since it's essentially colorwork made with slipped stitches, it really has near-infinite possibilities!

Mosaic can look identical to stranded colorwork, if done in Stockinette Stitch, with the colors changing every round (A). It can be a more typical mosaic pattern, with the same color always used for two rows/rounds at a time, but still in Stockinette (B).

Mosaic elements can be placed onto a solid colored piece (C), in stripes, bands, borders, yokes, motifs, etc.

More classic mosaic patterning is often done in Garter Stitch, with each color used for two rows/rounds (RS/WS or knit/purl) (D).

You can achieve even more variety with different kinds of slip-stitch patterning, by combining more than two colors (E), or even combining slips with other knitting techniques like cables (F). See, the possibilities really are endless!

Arkin Cowl

Notes:

A strong geometric mosaic pattern in contrasting colors makes for an eye-catching and modern cowl. The shorter length size goes around the neck once and fits closely, while the longer length version is designed to wrap twice for an extra layer of warmth.

This cowl is worked in the round from the bottom edge of the ribbing to the top. For a taller cowl, work one additional repeat of the Mock Basketweave pattern before working Rounds 1–2 again and then the Rib at the top.

The stitch pattern is both written and charted. Only one yarn color is used for each round—on chart, the color of the round number is the color used on that round. The chart is worked in the round; read each chart row from right to left as a RS row.

Slip all stitches purl-wise with the yarn held to the back.

Vaquero Cowl

Notes:

An ode to the cowboy with its Southwestern motif, the Vaquero Cowl is the perfect accessory to keep you toasty warm out on the trail.

The Vaquero Cowl is knit in the round using simple slipped stitches to create the pattern. Starting with a provisional cast on, the two ends are grafted together during finishing to create a seamless circular scarf.

Only one yarn color is used for each round—the color of the chart round number is the color used on that round. Charts are worked in the round; read each chart row from right to left as a RS row.

Slip all stitches purl-wise with the yarn held to the back.

DIRECTIONS

Use crochet hook and scrap yarn to provisionally CO 80 sts with MC. PM and join for knitting in the rnd, being careful not to twist sts.

Work Chart A, repeating chart eight times around.

Work Chart B, repeating chart eight times around.

Work Chart A, repeating chart eight times around.

Work Chart C, repeating chart five times around.

Cont working charts in established order five more times, ending final rep of Chart C on Row 45.

Break MC. Break CC leaving a 30" tail.

Finishing

Weave in ends (except for CC tail).

Carefully undo Provisional Cast On sts and put sts on spare needle.

With CC yarn tail, using Kitchener Stitch, graft ends tog.

Weave in remaining end and block.

Quintessence Scarf

Notes:

Quintessence means the purest form, and this scarf epitomizes the purest form of mosaic knitting—worked flat and in Garter Stitch, simple but stunning. The Quintessence Scarf is a bold statement of a scarf, cheerful and suitable for anyone.

This scarf is knit in one piece from end to end. It is important to block the finished scarf to show off the pattern at its best. Once blocked, tassels are added to both ends.

Stitch patterns are both written and charted. Only one yarn color is used for each row—on charts, the color of the row number is the color used on that row. Charts are worked flat; read RS rows (odd numbers) from right to left, and WS rows (even numbers) from left to right.

Slip all stitches purl-wise with the yarn held to WS of work (with yarn in back on RS rows, yarn in front on WS rows).

Section A (flat over a multiple of 12 sts plus 15)

DIRECTIONS

With MC, CO 63 sts.

Knit two rows.

Join CC and work Rows 1–12 of Section A once.

Work Rows 1–32 of Section B a total of 30 times, then Rows 1–26 once more.

Work Rows 1–12 of Section C once.

Break CC.

With MC, knit two rows.

BO all sts.

Finishing

Weave in ends, wash, and block to diagram.

Once completely dry, add tassels.

Tassels

Using CC, wrap yarn eight times around a piece of cardboard measuring 3.5" wide, slide the yarn off cardboard, keeping it in the wrapped loop.

Push crochet hook through lower edge of scarf next to outermost lower CC st, from back to front.

Loop yarn around crochet hook and pull through knitting, then tuck the other end of yarn loop through to form a knot. Cut end of yarn loop to form a tassel.

Make 22 tassels total, placing 11 along lower edge of each short end of the scarf.

Kitchen Garden Cowl

Notes:

The geometric style of mosaic knitting is combined with a large floral design to evoke the stone beds and riotous organic growth of a French kitchen garden in this generously sized cowl.

The Kitchen Garden Cowl is a long rectangle, worked flat from the short end in a mosaic stitch pattern, and then grafted together. Two charts alternate over the length of the body.

Only one yarn color is used for each row—the color of the chart row number is the color used on that row. Charts are worked flat; read RS rows (odd numbers) from right to left, and WS rows (even numbers) from left to right.

Slip all stitches purl-wise with the yarn held to WS of work (with yarn in back on RS rows, yarn in front on WS rows).

Grafting in Garter Stitch

Thread yarn end through a blunt yarn needle. Hold needles parallel with WSs facing in and both needles pointing to the right. Perform Step 2 on the first front st, then Step 4 on the first back st, then cont from Step 1, always pulling yarn tightly so the grafted row tension matches the knitted fabric.

Step 1: Pull yarn needle K-wise through front st and drop st from knitting needle.

Step 2: Pull yarn needle P-wise through next front st, leaving st on knitting needle.

Step 3: Pull yarn needle K-wise through back st and drop st from knitting needle.

Step 4: Pull yarn needle P-wise through next back st, leaving st on knitting needle.

Rep Steps 1–4 until all sts have been grafted together, finishing by working Step 1 through the last remaining front st, then Step 3 through the last remaining back st.

Work Rows 1–142 of Chart A (Part 1 then Part 2).

Switch to smaller needles.

With MC, knit two rows.

Switch to larger needles.

Work Rows 1–142 of Chart B (Part 1 then Part 2).

Switch to smaller needles.

With MC, knit two rows.

Cont working Chart A and Chart B as established each two more times, always knitting two rows with MC on smaller needles between chart reps.

Break MC.

Next Row (RS): With CC, K across.

Break CC, leaving 36" tail.

Finishing

Transfer all sts to st holder (a smooth piece of waste yarn works well for this). Wash and block to measurements.

When fully dry, transfer live sts back to needle. Remove provisional CO yarn and place sts on needle. With CC tail, graft live sts from the two ends of cowl tog in garter st. Weave in all ends.

Can You Keep a Secret? Hat

Notes:

The subtle geometric design of this hat was created around the notion that some secrets are best kept locked away, like a carefully handwritten entry in a diary, tucked beneath a mattress.

The hat begins with a tubular style cast on setup, worked flat, and continues with a ribbed brim worked in the round. The body features a two-color mosaic motif—each round is worked with one color only, and the secret design emerges using slipped stitches.

Only one yarn color is used for each round—the color of the chart round number is the color used on that round. Charts are worked in the round; read each chart row from right to left as a RS row.

Slip all stitches purl-wise with the yarn held to the back, unless it's stated otherwise.

DIRECTIONS

Setup

Using smaller needles and waste yarn, CO 51 (56, 61) sts.

Row 1 (RS): With MC, (K1, YO) to last st, K1. 101 (111, 121) sts.

Row 2 (WS): (S11 WYIF, K1) to last st, S11 WYIF.

Row 3: (K1, S11 WYIF) to last st, K1.

Row 4: Rep Row 2.

Row 5: (K1, S11 WYIF) to last st, PM for BOR, slip final st to RH needle and join to work in the rnd.

Brim

Rnd 1 (RS): Slip last st back to LH needle and K2tog with first st of rnd, P1, (K1, P1) to end. 100 (110, 120) sts.

Cont working 1x1 Rib until brim measures 1.5" from CO edge. Carefully remove waste yarn by snipping it with scissors and unravelling it.

Body

Switch to larger circular needles.

Setup Rnd: *K9 (10, 11), KFB; rep from * to end. 110 (120, 130) sts.

Rnds 1-62: Join CC and work Chart A, repeating chart 11 (12, 13) times per rnd.

Crown

Rnds 1-20: Work Chart B, repeating chart 11 (12, 13) times per rnd.

Switch to DPNs when there are too few sts to fit comfortably on circular needles.

Finishing

Break both yarns, leaving 10" tails.

Using yarn needle, thread CC through live sts, and pull tight to close top of hat.

Weave in all ends on WS, and block gently.

Optional: Using leftover yarn, make a pom-pom and tie it onto top of hat.

Bathymetry Hat

Notes:

This pattern was inspired by a half-remembered door on a building from the 1920s in New York City.

The Bathymetry Hat is great for learning how to cable and mosaic knit in the same project. As it is knit in the round, there are no right and wrong sides to deal with. All of the cables are simple two-stitch twists. The cables pop as they are knit in a single color over the top of the Garter Stitch and Reverse Stockinette Stitch background, which has a kind of marled effect from the striping colors.

The stitch pattern is both written and charted. Only one yarn color is used for each round—on chart, the color of the round number is the color used on that round. The chart is worked in the round; read each chart row from right to left as a RS row.

Slip all stitches purl-wise with the yarn held to the back.

River Ripples Wrap

Notes:

The River Ripples Wrap reminds us to slow down and take notice of nature's everyday beauty, like the elegance of a slow-moving stream that creates gorgeous ever-changing ripples that spread outward.

Worked on the bias, the wrap includes relaxing Garter Stitch with a few mosaic "rivers" running through it. It is a simple, soothing project to allow oneself to reflect on the day.

The stitch pattern is both written and charted. Only one yarn color is used for each row—on chart, the color of the row number is the color used on that row. The chart is worked flat; read RS rows (odd numbers) from right to left, and WS rows (even numbers) from left to right.

Slip all stitches purl-wise with the yarn held to WS of work (with yarn in back on RS rows, yarn in front on WS rows).

Interlocken Shawl

Notes:

Stacks of building blocks, constructed with mosaic knitting, march across this asymmetrical triangular shawl. The same basic block structure repeats in sections of varying widths for an appearance ranging from the simple to the complex.

The Interlocken Shawl begins at one tip and grows to the opposite edge. The mosaic sections use slipped stitches to create the colorwork motif, while rows of Garter Stitch frame the mosaic blocks and provide a contrasting texture.

Only one yarn color is used for each row—the color of the chart row number is the color used on that row. The chart is worked flat; read RS rows (odd numbers) from right to left, and WS rows (even numbers) from left to right.

Slip all stitches purl-wise with the yarn held to WS of work (with yarn in back on RS rows, yarn in front on WS rows).

Little Boxes Shawl

Notes:

Little Boxes Shawl is inspired by charming row homes sitting shoulder to shoulder as far as the eye can see, in a city laid out on a grid. The inverted and bouncing boxes reflect the variations in ornamentation, color of brick, and renovations over the centuries.

The shawl is worked in single color Garter Stitch from two stitches at the point, then in an engaging two-color mosaic Stockinette pattern for nine repeats, and is finished off with a short row Garter Stitch edge. As the triangle grows, the mosaic pattern gains new motifs one stitch at a time.

Color Recommendations: Either two solid colors, one solid color and one color-changing or gradient yarn, or one solid main color and multiple contrasting colors. Solid colorways (as opposed to multis or tonals) are best, as they offer the best definition for the box motif.

Finished edge is worked using short rows. When the pattern says to turn, use the German Short Row Method.

Stitch patterns are both written and charted. Only one yarn color is used for each row—on charts, the color of the row number is the color used on that row. Charts are worked flat; read RS rows (odd numbers) from right to left, and WS rows (even numbers) from left to right.

Slip all stitches purl-wise with the yarn held to WS of work (with yarn in back on RS rows, yarn in front on WS rows).

LLS (left lifted slipped increase)

With LH needle, pick up st just below top st on RH needle from the front, then slip it to RH needle P-wise.

11B (increase 1 below)

With LH needle, pick up loop of same color as working yarn from the WS, bringing needle down from the top, then knit st through the back loop to twist.

EM (edge marker)

Marker 3 sts from each edge.

SEM = Slip EM.

LM (Little Boxes marker)

Marker at end of full pattern (red line).

PLM = Place LM / **SLM** = Slip LM.

MM (midpoint marker)

Marker at midpoint of pattern (blue line).

PMM = Place MM / **SMM** = Slip MM.

Final Edge

The edge begins with a short row section. Use the German Short Row method. Use MC and remove all Ms except EM while working Row 1.

Short Row 1 (RS): K3, SEM, M1L, (K to 6th M, remove M, M1L) two times, K to last 10 sts, turn. 3 sts inc. 217 sts.

Short Row 2 (WS): K9, PM, K to end.

Short Row 3: K3, SEM, M1L, K to M, remove M, turn. 1 st inc.

Short Row 4: P9, PM, P to end.

Short Row 5: K3, SEM, M1L, K to M, remove M, turn. 1 st inc.

Short Row 6: K9, PM, K to end.

Rep Short Rows 3–6 until 10 working sts remain. 240 sts.

Next Row (RS): K3, SEM, M1L, K to end. 1 st inc; 241 sts.

Next Row (WS): K across.

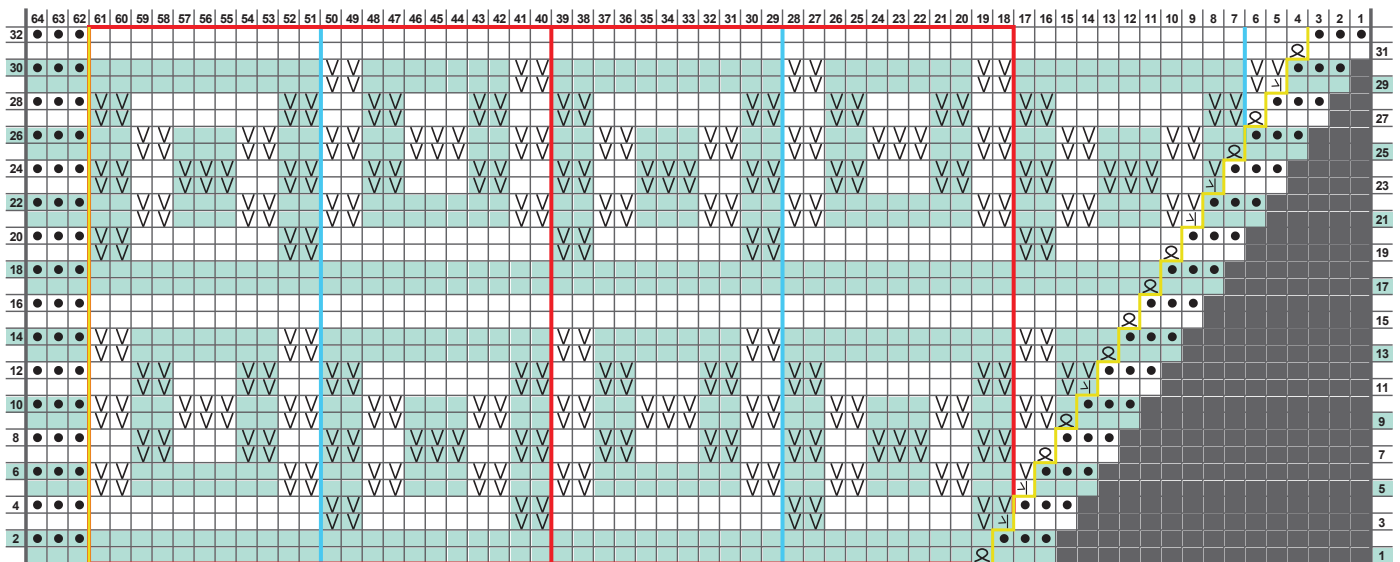

Rep those two rows two more times, then RS row once more. 244 sts.

With larger needles, BO all sts K-wise to last 2 sts, K2tog, pass first st over next st, pull yarn through to fasten.

Finishing

Weave in ends, soak in gentle soapy water, remove excess water, and block to diagram with wires and pins.

Maze Ruana

Notes:

Inspired by the colorful ruanas created and worn in South America, this wrap makes an eye-catching outdoor piece. Its mesmerizing mosaic pattern reminiscent of a maze dazzles when worked in a gradient yarn.

The Maze Ruana is worked in one piece from the bottom of the back towards the shoulders, where it is split into two sections for the fronts, which are worked from the top down. For a good fit, the neckline is shaped slightly. Front bands and a shawl collar are added after finishing the main piece.

Stitch patterns are both written and charted. Only one yarn color is used for each row—on charts, the color of the row number is the color used on that row. Charts are worked flat; read RS rows (odd numbers) from right to left, and WS rows (even numbers) from left to right. The charts do not include any edging stitches—please refer to the written instructions.

Slip all stitches purl-wise with the yarn held to WS of work (with yarn in back on RS rows, yarn in front on WS rows).

DS (double stitch)

Please refer to German Short Rows in Glossary.

Montage Pullover

Notes:

The highlight of this simple but elegant pullover is its Garter Stitch mosaic yoke, which adds a big pop of contrast with both color and texture. Mosaic knitting is a great way to create bold graphical elements without stranded colorwork.

The sweater is worked seamlessly and in the round, from the top down. Choose two colors of yarn with lots of contrast for the best results.

Rounds are worked in pairs, two rounds using the same color. For the first round, work as indicated in the chart. The next round in the same color is always worked by purling the same stitches that were knit in the previous round, and slipping the same stitches that were slipped.

Only one yarn color is used for each round—the color of the chart round number is the color used on that round. The chart is worked in the round; read each chart row from right to left as a RS row.

Slip all stitches purl-wise with the yarn held to the back.

Arista Pullover

Notes:

This modern casual sweater features an allover diamond mosaic pattern that's fun and easy to knit, three-quarter length sleeves worked in the main color, and a universally flattering scoop neck.

The sweater is worked from the bottom up in the round to the underarms, and then back and forth in rows through the armhole and neck shaping. Stitches are picked up around the armhole in the main color and short rows are worked to form the sleeve cap before the rest of the sleeve is worked in the round.

The stitch pattern is both written and charted. Only one yarn color is used for each row—on chart, the color of the row number is the color used on that row. The chart is worked both in the round and flat. When working in the round, read each chart row from right to left as a RS row. When working flat, read RS rows (odd numbers) from right to left and WS rows (even numbers) from left to right.

While working armhole and neck shaping, the stitch count will change as stitches are decreased. Maintain Mosaic Diamonds pattern as much as possible by lining up motifs with previous rows; this will mean beginning and ending rows differently than shown on chart and in written directions.

While working the Mosaic Diamonds pattern flat, always knit the first and last sts of the row on the RS and purl the first and last sts of the row on the WS. This will provide a stable edge for picking up armhole stitches later.

Slip all stitches purl-wise with the yarn held to WS of work (with yarn in back on RS rows, yarn in front on WS rows).

Sleeves (make two the same)

Sew shoulder seams tog with RS facing out, using Mattress Stitch.

With larger DPNs and MC, beginning at middle of BO underarm sts, PU and K 3 (4, 4, 5, 6, 7, 8, 8, 9) sts in left half of underarm BO, PU and K 29 (30, 33, 35, 37, 40, 42, 44, 46) sts to top shoulder seam (approx 1 st for every 3 rows), PU and K 29 (30, 33, 35, 37, 40, 42, 44, 46) sts back around other side of armhole to BO sts, PU and K 3 (4, 4, 5, 6, 7, 8, 8, 9) sts in other half of underarm BO. PM for BOR. 64 (68, 74, 80, 86, 94, 100, 104, 110) sts.

Place locking M 10 (11, 12, 13, 15, 15, 16, 16, 17) sts before shoulder seam and another locking M 10 (11, 12, 13, 15, 15, 16, 16, 17) sts after shoulder seam. Top 20 (22, 24, 26, 30, 30, 32, 32, 34) sts are now marked off.

Next Rnd: K to second M, remove M, W&T. Begin working back and forth in short rows.

Next Short Row (WS): P to first M, remove M, W&T.

Short Row 1 (RS): K to last wrapped st, pick up wrap and K tog with its st, W&T.

Short Row 2 (WS): P to last wrapped st, pick up wrap and P tog with its st, W&T.

Rep Short Rows 1-2 until 14 (15, 15, 16, 16, 16, 17, 17, 18) short rows have been worked on each side of top shoulder seam.

Next Row (RS): K to BOR M, picking up wrap and knitting it tog with its st when you come to it.

Next Rnd: K all, picking up last wrap and knitting it tog with its st when you come to it.

Cont in St st for seven more rnds, then begin sleeve decs.

Sleeve Dec Rnd: K2tog, K to last 2 sts, SSK. 2 sts dec.

Cont in St st, working Sleeve Dec Rnd every 15 (15, 13, 11, 10, 10, 9, 9, 8) rnds 5 (5, 6, 7, 8, 8, 9, 9, 10) more times. 52 (56, 60, 64, 68, 76, 80, 84, 88) sts.

WE in St st until work measures 10 (10.5, 10.5, 11, 11, 11, 11.5, 11.5, 12)" from underarm.

Switch to smaller DPNs and work 2x2 Rib for 1".

BO all sts loosely in pattern.

Finishing

Neckband

Using smaller circular needles and MC, beginning at left shoulder seam, PU and K 152 (168, 172, 180, 196, 192, 212, 204, 220) sts around neck opening, approx 1 st for every BO st and 1 st for every 2 rows. The exact number doesn't matter, as long as it's a multiple of 4. PM for BOR.

Work 2x2 Rib for 1".

BO all sts loosely in pattern.

Weave in ends, wash, and block to diagram.

Mingling Sweater

Notes:

The texture pattern in the body of this sweater mirrors that in the colorwork yoke. Simple styling and classic colors make this pullover eminently wearable.

The sweater is knit in the round from the bottom up, with a fun slip-stitch colorwork pattern around the yoke, a twist on the mosaic knitting technique. The underarms are seamed using a 3-Needle Bind Off.

The gauge of the Knit Purl Pattern changes substantially when blocked—be careful to match stated blocked gauge.

Only one yarn color is used for each round—the color of the chart round number is the color used on that round. The chart is worked in the round; read each chart row from right to left as a RS row.

Slip all stitches purl-wise with the yarn held to the back.

Glossary

Common Stitches & Techniques

Slipped Stitches (SI)

Always slip stitches purl-wise with yarn held to the wrong side of work, unless noted otherwise in the pattern.

Make 1 Left-Leaning Stitch (M1L)

Inserting LH needle from front to back, PU the horizontal strand between the st just worked and the next st, and K TBL.

Make 1 Right-Leaning Stitch (M1R)

Inserting LH needle from back to front, PU the horizontal strand between the st just worked and the next st, and K TFL.

Slip, Slip, Knit (SSK)

(SI K-wise) twice; insert LH needle into front of these 2 sts and knit them together.

Centered Double Decrease (CDD)

Slip first and second sts together as if to work K2tog; K1; pass 2 slipped sts over the knit st.

Stockinette Stitch (St st, flat over any number of sts)

Row 1 (RS): Knit all sts.

Row 2 (WS): Purl all sts.

Rep Rows 1-2 for pattern.

St st in the round: *Knit every rnd.*

Garter Stitch (in the round over any number of sts)

Rnd 1: Purl all sts.

Rnd 2: Knit all sts.

Rep Rnds 1-2 for pattern.

Garter Stitch flat: *Knit every row.*

(One Garter ridge is comprised of two rows/rnds.)

1x1 Rib (flat or in the round, over an even number of sts)

Row/Rnd 1: (K1, P1) to end of row/rnd.

Rep Row/Rnd 1 for pattern.

2x2 Rib (flat over a multiple of 4 sts plus 2)

Row 1 (RS): K2, (P2, K2) to end of row.

Row 2 (WS): P2, (K2, P2) to end of row.

Rep Rows 1-2 for pattern.

2x2 Rib (in the round over a multiple of 4 sts)

Rnd 1: (K2, P2) to end of rnd.

Rep Rnd 1 for pattern.

Magic Loop Technique

A technique using one long circular needle to knit in the round around a small circumference. A tutorial can be found at tutorials.knitpicks.com/wptutorials/magic-loop.

Knitting in the Round with Two Circular Needles

A technique using two long circulars to knit around a small circumference. A tutorial can be found at tutorials.knitpicks.com/knitting-in-the-round-with-2-circular-needles.

Backward Loop Cast On

A simple, all-purpose cast on that can be worked mid-row. Also called Loop, Single, or E-Wrap Cast On. A tutorial can be found at tutorials.knitpicks.com/loop-cast-on.

Long Tail Cast On

Fast and neat once you get the hang of it. Also referred to as the Slingshot Cast On. A tutorial can be found at tutorials.knitpicks.com/long-tail-cast-on.

Cabled Cast On

A strong and nice looking basic cast on that can be worked mid-project. A tutorial can be found at tutorials.knitpicks.com/cabled-cast-on.

3-Needle Bind Off

Used to easily seam two rows of live stitches together.

A tutorial can be found at tutorials.knitpicks.com/3-needle-bind-off.

Cables (Including without a Cable Needle)

Tutorials for 1 over 1 cables can be found at blog.knitpicks.com/tutorial-1-over-1-cables-without-a-cable-needle.

Tutorials for standard cables can be found at blog.knitpicks.com/tutorial-introduction-to-cables.

Felted Join (to splice yarn)

One method for joining a new length of yarn to the end of one that is already being used. A tutorial can be found at tutorials.knitpicks.com/felted-join.

Mattress Stitch

A neat, invisible seaming method that uses the bars between the first and second stitches on the edges. A tutorial can be found at tutorials.knitpicks.com/mattress-stitch.

Provisional Cast On (crochet method)

Used to cast on stitches that are also a row of live stitches, so they can be put onto a needle and used later.

Directions: Using a crochet hook, make a slipknot, then hold knitting needle in left hand, hook in right. With yarn in back of needle, work a chain st by pulling yarn over needle and through chain st. Move yarn back to behind needle, and rep for the number of sts required. Chain a few more sts off the needle, then break yarn and pull end through last chain. (CO sts may be incorrectly mounted; if so, work into backs of these sts.) To unravel later (when sts need to be picked up), pull chain end out; chain should unravel, leaving live sts. A video tutorial can be found at tutorials.knitpicks.com/crocheted-provisional-cast-on.

Provisional Cast On (crochet chain method)

Same result as the crochet method above, but worked differently, so you may prefer one or the other.

Directions: With a crochet hook, use scrap yarn to make a slipknot and chain the number of sts to be cast on, plus a few extra sts. Insert tip of knitting needle into first bump of crochet chain. Wrap project yarn around needle as if to knit, and pull yarn through crochet chain, forming first st. Rep this process until you have cast on the correct number of sts. To unravel later (when sts need to be picked up), pull chain out, leaving live sts. A photo tutorial can be found at tutorials.knitpicks.com/crocheted-provisional-cast-on.

Judy's Magic Cast On

This method creates stitches coming out in opposite directions from a seamless center line, perfect for starting toe-up socks.

Directions: Make a slipknot and place loop around one of the two needles; anchor loop counts as first st. Hold needles tog, with needle that yarn is attached to on top. In other hand, hold yarn so tail goes over index finger and yarn attached to ball goes over thumb. Bring tip of bottom needle over strand of yarn on finger (top strand), around and under yarn and back up, making a loop around needle. Pull loop snug. Bring top needle (with slipknot) over yarn tail on thumb (bottom strand), around and under yarn and back up, making a loop around needle. Pull loop snug. Cont casting on sts until desired number is reached; top yarn strand always wraps around bottom needle, and bottom yarn strand always wraps around top needle. A tutorial can be found at tutorials.knitpicks.com/judys-magic-cast-on.

Stretchy Bind Off

Directions: K2, *insert LH needle into front of 2 sts on RH needle and knit them tog—1 st remains on RH needle. K1; rep from * until all sts have been bound off. A tutorial can be found at tutorials.knitpicks.com/go-your-own-way-socks-toe-up-part-7-binding-off.

Jeny's Surprisingly Stretchy Bind Off (for 1x1 Rib)

Directions: Reverse YO, K1, pass YO over; *YO, P1, pass YO and previous st over P1; reverse YO, K1, pass YO and previous st over K1; rep from * until 1 st is left, then break working yarn and pull it through final st to complete BO.

Kitchener Stitch (also called Grafting)

Seamlessly join two sets of live stitches together.

Directions: With an equal number of sts on two needles, break yarn leaving a tail approx four times as long as the row of sts, and thread through a blunt yarn needle. Hold needles parallel with WSs facing in and both needles pointing to the right. Perform Step 2 on the first front st, then Step 4 on the first back st, then continue from Step 1, always pulling yarn tightly so the grafted row tension matches the knitted fabric:

Step 1: Pull yarn needle K-wise through front st and drop st from knitting needle.

Step 2: Pull yarn needle P-wise through next front st, leaving st on knitting needle.

Step 3: Pull yarn needle P-wise through first back st and drop st from knitting needle.

Step 4: Pull yarn needle K-wise through next back st, leaving st on knitting needle.

Rep Steps 1-4 until all sts have been grafted together, finishing by working Step 1 through the last remaining front st, then Step 3 through the last remaining back st. Photo tutorials can be found at knitpicks.com/learning-center/learn-to-knit/kitchener.

Short Rows

There are several options for how to handle short rows, so you may see different suggestions/instructions in a pattern.

Wrap and Turn (W&T) (one option for Short Rows)

Work until the st to be wrapped. If knitting: Bring yarn to front, SI next st P-wise, return yarn to back; turn work, and SI wrapped st onto RH needle. Cont across row. If purling: Bring yarn to back of work, SI next st P-wise, return yarn to front; turn work and SI wrapped st onto RH needle. Cont across row. **Picking up Wraps:** Work to wrapped st. If knitting: Insert RH needle under wrap, then through wrapped st K-wise; K st and wrap tog. If purling: SI wrapped st P-wise onto RH needle, use LH needle to lift wrap and place it onto RH needle; SI wrap and st back onto LH needle, and P tog.

A tutorial for W&T can be found at tutorials.knitpicks.com/short-rows-wrap-and-turn-or-wt.

German Short Rows (another option for Short Rows)

Work to turning point; turn. WYIF, SI first st P-wise. Bring yarn over back of right needle, pulling firmly to create a “double stitch” on RH needle. If next st is a K st, leave yarn at back; if next st is a P st, bring yarn to front between needles. When it's time to work into double st, knit both strands tog.
