

Knitted coat «Northern Lights»

This fashionable hooded coat looks best in variegated yarn with long color repeats, but shorter repeats, self-striping or hand-painted yarns make for an interesting effect, too. Individual parts are knitted up separately using the short-row technique and then sewn together in mattress stitch. The fronts with attached side seam panels and the back are worked sideways, the sleeves bottom up, the hood top down and then seamed. A decorative button-less band is knitted on after sewing the individual parts together.

The coat may either be closed with a shawl pin or leather belt or a crocheted cord threaded through optional eyelets around the waist. (For the hood, an optional cord may be threaded directly in-between stitches since additional eyelets would throw the leaf pattern off track.)

Sizes: US XS, S/M, M/L, XL = European 34, 36/38, 42/44, 46/48 = GB 8, 10/13, 16/18, 20/22

Size XS / 34: chest circumference 82 cm (32.25 in), waist 62 cm (24.5 in), hip 88 cm (34.75")

Size S/M / 36–38: chest 84–88 cm (33–34.75 in), waist 64–68 cm (25.25–26.75 in),
hip 90–94 cm (35.5–37 in)

Size M/L / 42–44: chest 96–100 cm (37.75–39.5 in), waist 77–82 cm (30.25–32.25 in),
hip 102–106 cm (40.25–41.75 in)

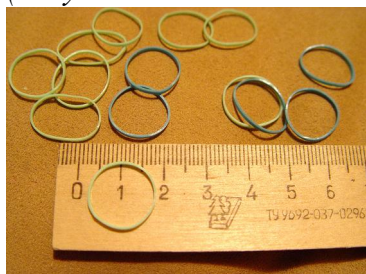

Size XL / 46–48: chest 104–108 cm (41–42.5 in), waist 87–92 cm (34.25–36.25 in),
hip 110–114 cm (43.25–45 in)

Yarn:

Noro Kirara (50 g /150 m) 900 g for size L (see pg. 1 photo), size S: 800 g, M: 850 g, XL: 950 g

Needles:

- 3 mm (UK11, US between 2 and 4) – straight, 17 cm long + circular needle, 74 cm (29 in) long.
- (24) stitch markers – I recommend trying small latex pet hair ties from the pet store for stitch markers. They slide smoothly, are easy to move and are not in the way when holding the needles. (They are also much thinner and less in the way than, for instance, children's bracelet loops.)

– tapestry needle

Gauge:

21 sts and 28 rows = 10 cm x 10 cm (4 x 4 inches) in garter stitch.

Construction note:

The fronts and the back of this coat are knitted *sideways*, the direction of knitting is shown with black arrows in the schematic.

If not indicated otherwise, all stitches are garter stitch (k on RS, k on WS rows).

Selvedge stitches: The first stitch of every row is always slipped, the last knit.

Turning: I used "wrap and turn" (knit the indicated number of sts, wrap working yarn around next stitch, turn and knit back in the opposite direction), but any other short-row turn works just as well.
