CO 120 sts and join in the round. Knit repeating the 4 rounds of the rib chart until the piece measures 8 cm from the cast-on edge. Make sure to end after you have knitted round 1 or 3.

Size S, next round: \*k2, p2, k8, ssk, k6\*, repeat 5 more times.

Size M, next round: \*k2, p2, k9, m1, k7\*, repeat 5 more times.

Size L, next round: \*k2, p2, k5 [m1, k4] x2, m1, k3\* repeat 5 more times.

Start the bead chart. The beads are added one at a time according to the chart. Slip the crochet hook through the bead. Using the hook, take the stitch through the bead and place the stitch back on the left needle. After you have added all the beads, repeat rounds 26–29.

When the piece measures 24 cm from the cast-on edge, start the decrease chart of your chosen hat size. The decreases are worked between the cables. Continue the cables as you have done so far. Once you have completed the decrease chart, cut the yarn, leaving a 15 cm tail. Thread the yarn through the stitches twice and pull. Weave in the ends. Enjoy your new crown!
