Joining row: knit as foll: lay both pieces with wrong sides together (= purl sides together). Then, with aubergine, k tog sts from both needles, one st at a time, **at the same time, hold the 3rd circular needle at the back of your work and make a yo on this needle for each st knitted.**

Tip: The reversible jacket is knitted double, in other words the inside and outside are knitted separately and these 2 layers are joined together at intervals. The jacket may be worn inside out.

Back

Cast on 80 (88) sts with a scrap of contrasting yarn. Knit 15 rows of pattern I with bordeaux and 6mm needles. Now undo the cast-on row and place these sts on a 2nd needle. With aubergine and 6mm needles purl 1 row (= fold line), then work 15 rows of pattern I. Knit a joining row with aubergine, then continue knitting in pattern I. At 29 (33) cm from the cast-on place a marker at each end of the row and continue knitting straight. Complete each side and both pieces separately after about 42 (48) cm (= after 7 (8) stripes), first with bordeaux and then with aubergine. For shoulders, cast off at sides on every other row: 7 sts once + 6 sts 3 times (9 sts twice + 10 sts once). When back measures 48 (54) cm cast off the middle 16 (18) sts for the neck and cast off at neck edge on every other row: 4 sts once + 3 sts once. Knit the 2nd piece with aubergine.

Left front

Cast on 60 (66) sts with a scrap of contrasting yarn. Knit 15 rows of pattern I with bordeaux and 6 mm needles. Now undo the cast-on row

Neck: Complete the two pieces separately after about 44 (50) cm, on a 3rd row after the 7th (8th) stripe. Cast off 20 (22) sts at the left edge and then at the same edge on every other row cast off 8 sts once, 3 sts once and dec 1 st 5 times. Knit the 2nd piece with aubergine.

Right front

Knit to mirror the left front.

Sleeves

Cast on 52 (58) sts with a scrap of contrasting yarn. Knit 15 rows of pattern I with bordeaux and 6 mm needles. Now undo the cast-on row and place these sts on a 2nd needle. With aubergine and 6mm needles purl 1 row (= fold line), then knit 15 rows of pattern I. Knit a joining row with aubergine, then continue in pattern I. At 22 cm from

the cast-on, inc 1 st at each end of every 6th row 8 times (alt of every 4 and 6th row 10 times) = 68 (78) sts. Leave sts when sleeve measures about 45 cm, after a joining row.

Finishing

Close seams, sew the seams from the inside and the outside (jacket is reversible). **Collar:** Beginning in the right front with bordeaux, pick up 119 (125) sts (front = 40 (42) sts each side, back = 39 (41) sts). With bordeaux pick up the same no. of sts from the opposite pieces on the inside. With the 3rd needles close to knit in the rnd = 238 (250) sts. Work 1 rnd in k, then, with bordeaux, knit a joining row over the sts of both needles. Knit the collar on 3 needles, knit pattern I in the rnd. When collar measures 15 cm, with the yarn double, k tog sts from the upper and lower needles and cast off at the same time. Take care not to gather. On subsequent rows knit the sts as they appear (= p2, k2).

Pattern II: 3.5 mm needles: stocking st = RS k, WS p.

Back

Cast on 154 (170) sts with 3 mm needles. Knit in pattern I. After 2 cm change to 3.5 mm needles, knit in pattern II and dec 38 (42) sts evenly over the first row = 116 (128) sts. At 27 cm from cast-on (measured hanging) place a marker at each end of the row. Keep knitting straight.

Shoulders: At 18 (20) cm from markers, cast off at each end of

every other row, as foll: 5 sts 7 times (5 sts 3 times + 6 sts 4 times).

Neck: At the same time, at 48 (50) cm from cast-on, cast off the middle 40 (44) sts. Work each side separately and cast off at neck edge on every other row, another 2 sts once and 1 st once.

Front

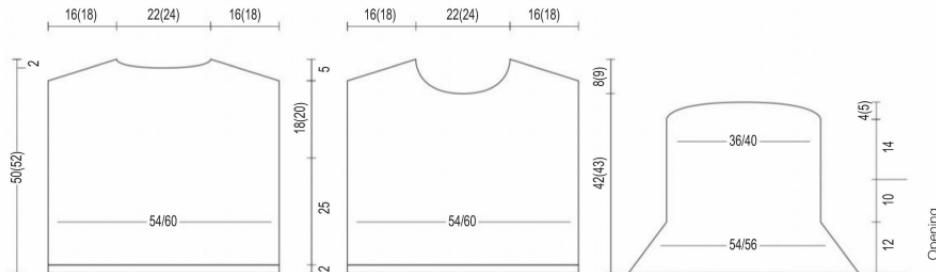

Knit as for back.

Neck: At a length of 42 (43) cm cast off the middle 24 (28) sts. Work each side separately and cast off at neck edge on every other row, another 3 sts once, 2 sts twice and 1 st 3 times, then 1 st after 4 more rows. Shape shoulders to match the back.

Sleeves

Cast on 230 (238) sts with 3.5 mm needles. Knit in pattern II. For side shaping, cast off 4 sts as smoothly as possible at each end of every other row 19 times. Continue knitting straight on the rem 78 (86) sts.

Sleeve cap: At 36 cm from cast-on, cast off at each end of every other row, as foll: 4 sts 4 (5) times, 5 sts once and 6 sts once. Loosely cast off rem sts when sleeve cap measures 4 (5) cm.

Finishing

Close seams, leaving 10 cm open at the end of each sleeve.

Neckband: With the circular needle pick up 116 (124) sts (front = 70 (74) sts, back = 46 (50) sts). Knit pattern I in the rnd. When neckband measures about 2 cm cast off all sts loosely, in pattern. Set in sleeves between the markers on the front and back.

Keep repeating rounds 2-3.

With the off white yarn **held double**, cast on 72 sts and distribute them onto four double-pointed needles, 18 sts each. Work 1 round of ribbing. Then break one of the strands of yarn.Now begin working **two-colour brioche** in the round on the off white row 1 of chart I:**Row 1 (off white):** "k1, slip 1 yarn over (sl1yo)", repeat "-" to end of round.**Row 1 (clay):** "sl1yo, brioche purl (brp = purl together the yo and the next st)", repeat "-" to end of round.**Row 2 (off white):** "brioche knit (brk = knit together the yo and the next st), sl1yo", repeat "-" to end of round.**Row 2 (clay):** "sl1yo, brp", repeat "-" to end of round.

Now work off white row 6. Work from clay row 6 to off white row 12, then repeat the rows bracketed on the chart 4 more times. 5 cable turns in total.

Work two-colour brioche until the hat measures 20 cm. Finish on a clay row. Begin decreases on off white row 1 of chart II.

10 TIPS

Back stitch

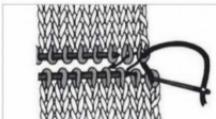

With right sides together, work a back stitch along the edges of the pieces.

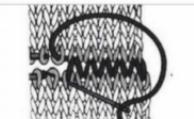

Grafting

When a piece is finished and the stitches are not bound off, but left on hold on the needles.

Thread a wool sewing needle and with the right sides facing you, sew the stitches together inserting the needle in the centre and alternating one stitch from one piece with one from the other and always inserting

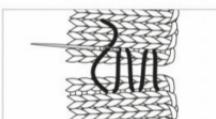

the needle through the previous stitch again so that the pieces are firmly joined. Release the stitches from the needle once they have been

sewn as shown in the diagram. These seams are flat and invisible from the right side.

Side seams

This type of seam is also invisible and is worked with the right sides facing. Place the two pieces together with straight edges touching and work back and forth from one piece to the other picking up the bar of yarn of the first row at

the side of the edge stitch of one side, then draw the pieces together by picking up the bar of the second row on the opposite side. Continue inserting the needle from one piece to the other as shown in the diagram.

Tubular bind off

Used when an elastic edge is needed.

After completing the knitting, stitches remain on the needle. Leaving a length of yarn which equals twice the length of the edge you are finishing, cut yarn.

1) Thread yarn into a wool sewing needle and insert through the first 2 sts.

2) Insert the needle through the first stitch again and then through the third stitch.

3) Insert the needle through the second and fourth stitches.

4) Go back to the third stitch, then into the fifth stitch and continue working in this sequence.

5) After reaching the last stitch insert the needle through the penultimate stitch again then into the last stitch.

Cut yarn and fasten off.

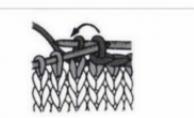

Single bind/cast off

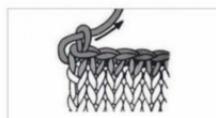

Slip first stitch on needle and knit the following stitch.

Using the tip of the LH needle, pass the slipped stitch over the knitted stitch.

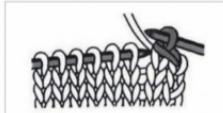

Knit the next stitch and with the tip of the LH needle pick up the first stitch on the RH needle and pass it over the other knit stitch, so we are left with only one stitch on the RH needle.

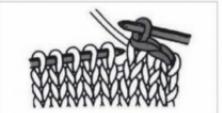

After all the stitches have been bound/cast off, cut yarn, pass end through the inside of the last stitch and pull firmly so that the stitches don't come loose.

Decreasing at the beginning of a row

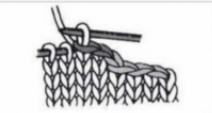

When forming an armhole or neckline shaping, binding/casting off is done at the beginning of the row.

Slip 1 stitch purlwise (as if to purl it) onto RH needle, knit the next stitch, with the tip of the LH needle pass the slipped stitch over the knitted stitch.

Knit 1 stitch, pass the second stitch on RH needle over the new stitch. Repeat for the required number of stitches to be bound/cast off, making sure that the tension is not too tight. Bind/cast off the stitches in the same manner at the beginning of the next row = wrong side, but working them in purl.

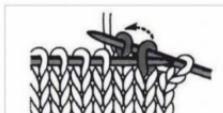

On the following row, continue the shaping as indicated in the instructions until the rounded form of the armhole or neckline has been completed.

Decreasing at both edges of the same row

Often used for raglan sleeves or to highlight an armhole.

These are the decreases where you can see the sloping edges and are normally worked on the right side of the garment.

The decreases are always worked at a distance of x number of stitches from the edge. Here is an example of decreasing at a distance of 1 stitch from the edge.

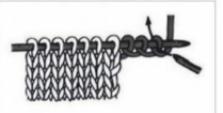

At the beginning of the row, always with the right side of work facing you; K1, slip stitch onto RH needle, K1, PSSO.

Increasing at the beginning of a row

When increasing more than one stitch.

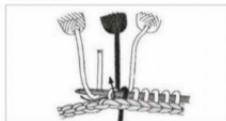

At the beginning of the row, cast on the designated number of stitches. At the end of the row do the same.

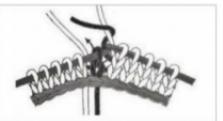

Knit or purl the additional stitches following the instructions.

Intarsia

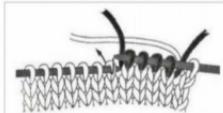

This technique is used when working with more than one colour in the same row and the distance between colours is across multiple stitches. It is normally used because the design being worked is very large or the motifs are separated with a large distance between them.

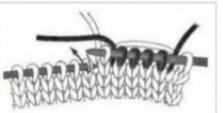

In this case, to avoid long floating yarns on the back, prepare a small ball of yarn in each one of the colours and work following the graph or the instructions. It is very important to cross one yarn over the other every time there is a colour change. If the yarns are not interlaced they tend to separate and form holes in the fabric.

Jacquard

This stitch is used when working with more than one colour in the same row to form a picture or a border. It is normally worked in stockinette st following a graph whereby each square represents 1 stitch and 1 row.

With the two yarns behind the work, use the designated colour to work the number of stitches indicated on the graph.

When changing from one colour to another it is very important to twist one strand of yarn over the other strand to prevent a hole forming where there is a colour change.

All the 'floating' yarns will be on the back of the work, as can be seen on the drawing.
