Knitting pattern by **Cheryx**

---

## Needles

- Two pair of 3mm (US 3) straight knitting needles

## Materials

- Toy filling (less than 50g)
- Tapestry needle
- Pins
- Cable needle (or holder needle)
- 2 beads - for the eyes ( 12mm)

## Yarns

*Less than 25g in each colour:*

- Patons Canadiana

● White 34 (**Yarn A**)

- Jeans - Yarn Art

● Gray 46 (**Yarn B**)

● Blue 68 (**Yarn C**)

● Yellow 84 (**Yarn D**)

## Notes

- **Finished size:** The finished Cat is 25cm tall
- **Gauge:** 20 sts and 26 rows = 4" [10 cm] in stockinette stitch . Don't worry too much about tension for this pattern.
- **Work flat:** All pieces are knitted flat (back and forth) on a pair of straight knitting needles.
- **Casting on:** Unless otherwise specified, I prefer to use the long tail cast on for all pieces.
- **Sewing seams:** Use mattress stitch and Whipstitching to sew the seams.
- **Safety:** If you are making these toys to give to a child, please consider your choice of toy eyes carefully, and ensure you have no loose parts (loose threads, buttons, etc) which can be potential

**Row 18: K59 (59 sts)**

**Row 19 ( wrong side) : Cast Off**

Leaving a long tail for sewing and cut off the yarn. (fig.27)

fig.27

## MAKING UP

### EYES

In wrong side, We'll sew the seams of eyelids to the head. Thread the needle with the tail of eyelid, then attach the eyelid to the head by oversewing (whip stitching), sewing around the eyelid (fig.28-fig.30)

If you use the toy eyes with thread end and washer buckle (plastic washers) (fig.31), you'll attach the eyes first before you sew head and body.

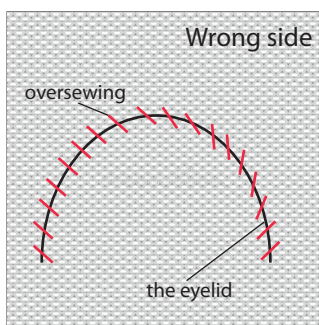

fig.28

fig.29

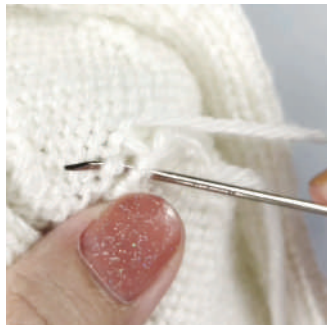

fig.30

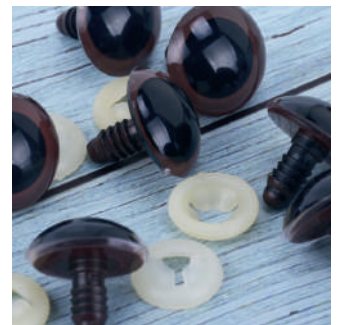

fig.31

Insert the toy eyes into A and B (*fig.32- fig.33*) and secure it in place with the eye backs. If you don't use the toy eyes with thread end and washer buckle, you can attach toy eyes after sew body and legs.

After attaching the toy eyes then we adjust the part above eyes, cover a half of them. (*fig.34 - fig.36*)

fig.33

fig.34

fig.35

fig.36

## HEAD & BODY

Thread a tapestry needle with a long tail on the top of the head and with the right side of work facing you pick up the loops from the cast on edge.(8 sts) (I've used red to illustrate ). (*fig.37- fig.39*)

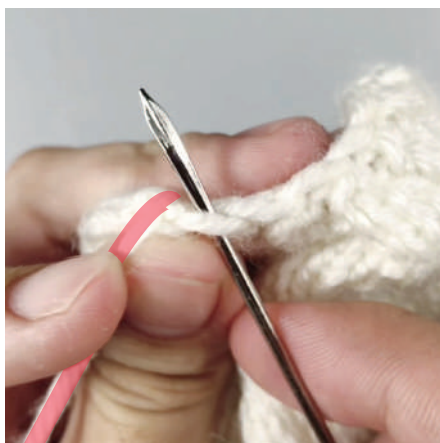

fig.37

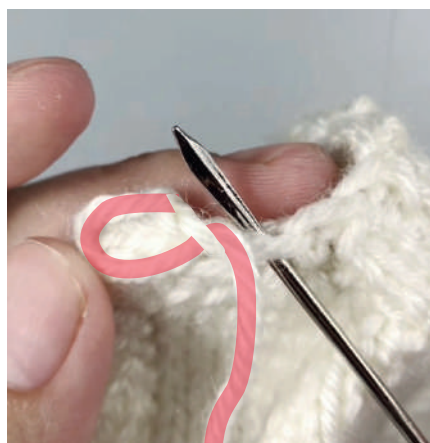

fig.38

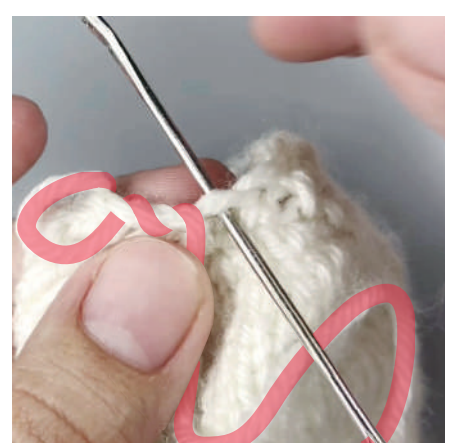

fig.39

Pull up tightly to gather the cast on edge and start on the top of the head , sew the side edges together. Adding stuffing as you sew, stuff them so they are fairly firm but not straining the seams. Once you are happy with the shape continue sewing the back of the body right up to the cast off edge (*fig.40-fig.41*)

fig.40

fig.41

## LEGS

Sew from A to B, C to D (fig.42)

Thread the needle with the tail end from one leg and join the inner side seam of the leg using mattress stitch (I've used red to illustrate ) (fig.43-fig.45). Sewing the second leg in the same way.

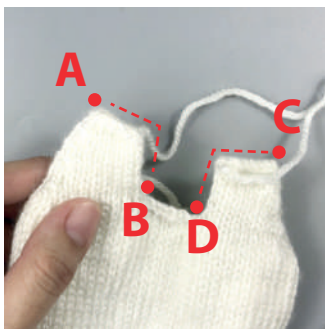

fig.42

fig.43

fig.44

fig.45

Next it's time to stuff the legs. It's easiest to do this by breaking off two equally sized lumps of stuffing so that you get the legs both the same size.

Make sure that you are satisfied with the stuffing then sew the short seam between the legs with mattress stitch (fig.46). Using the longest tail of one leg to sew (I've used red yarn to illustrate)(fig.47-fig.48). Once that seam is closed securely, tie off all ends from the legs and thread all other tail ends through into the body .(fig.49)

## ARMS

Thread the tail of arm through the remaining stitches on the needle, pull up tightly and begin to sew the side edges of the arm using mattress stitch.

Halfway along the seam stop and lightly stuff the arm, leaving the top of arm un-stuffed so it stays floppy. Continue sewing to the cast on edge, knot 2 tail ends of yarn together.

Do the same with another arm.

## JOIN THE ARMS WITH THE BODY

Using sewing pins to mark the places that you want to join the arms. (fig.60-fig.61)

fig.60

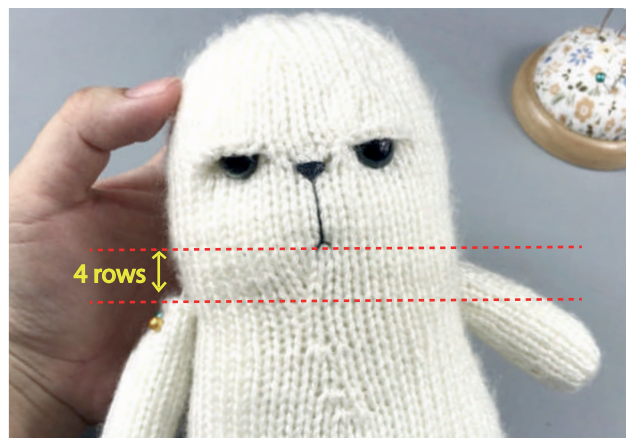

fig.61

To attach the first arm, using the cast-on tail to sew it in place ( joining both the upper and the lower side). Once it is attached knot all tail ends and thread inside the body.

Repeat with the second arm.

## HAT

Wear the hat for the cat and now we'll make up our Labby.

## TIE

Cut 30" (76 cm) strands each of colors gray, blue, and yellow ( two yarns of each color)(fig.62) Bringing ends to meet, then separate the yarn into three sections, grouping color together, and braid to desired length, bringing ends to meet again (fig.63). Secure and trim ends evenly.

Pull the ends of ties through the hole of each earflaps (fig.64- fig.65) .

fig.62

fig.63

fig.64

fig.65

Thread the needle with the cast-on tail of earflaps (fig.66) , then attach the bottom of each earflaps with ties (fig.67) , then knot 2 cast-on tail of earflaps together and thread tail ends through into the body to hide.

fig.66

fig.67

## POM-POM

Wind blue yarn and yellow yarn (yarns C and D) around 2 fingers approx 30 times and cut yarns (fig.68 - fig.69). Use a blue yarn to tie tightly in centre and remove from fingers. (fig.70-fig.71) Cut through each side of loops (fig.72 - fig.73). Trim to a smooth round shape.

Sew pom-pom to the top of hat. (fig.74-fig.75)

## EARS

Thread the needle with the cast-off tail of ear. Touch the two faces of wrong sides of the ears together then join them by oversewing (whip stitching) using the cast-off tail sewing around the side edges. (fig.76-fig.78)

Make another ear the same.

fig. 77

fig. 78

## JOIN THE EARS WITH THE HAT

Using sewing pins to mark the places that you want to join the ears. (fig.79)

Thread a tapestry needle with the longest end, then using mattress stitch to sew the round to join the ear into the hat. (fig.80)

You should sew through hat and head to secure.

fig. 79

fig. 80

## SHORT WAISTCOAT

Embroider few stitches to make up the short waistcoat (fig.81- fig.83).

Wear the waistcoat for the cat. Thread the needle with the tail of waistcoat, then attaching it to the body, thread all tail ends through into the body to hide. (fig.84- fig.85)
