German short rows:

On a RS row: Knit the number of stitches as stated in the pattern, turn work, bring yarn to front, slip the first stitch as if to purl, bring yarn over the needle to the back of your work and pull tight (this creates the double stitch = DS).

On a WS row: Purl the number of stitches as stated in the pattern, turn work, bring yarn to front, slip the first stitch as if to purl, bring yarn over the needle to the back of your work and pull tight (this creates the double stitch = DS).

Resolving double stitches: When working over double stitches treat them as a single stitch by knitting through both legs of the DS on a RS row (kDS) or purling through both legs of the DS on a WS row (pDS).

(): repeat instructions in brackets

Christmas Belle is worked seamlessly from the top down. First some short rows are worked back and forth to create a higher back neck and then the yoke is worked in the round with a beautiful “merry and bright” colorwork to sleeve separation. Some last short rows are worked to finish the yoke shaping right before sleeve stitches are placed on hold. The body is then worked in rounds down to the hem. Sleeves are worked top down to the cuffs last. No finishing required.

Colorwork (includes 6 inc rounds)

Work **rnds 1 to 49** from chart, changing colors and increasing as indicated. Break CC.

Chart is to be read from bottom to top and from right to left.

For each round you will work a total of 19 (20, 21, 22, 23)(24, 25, 25, 26) pattern repeats.

18 (19, 20, 21, 22)(23, 24, 24, 25) times as shown in the **blue box**, then work the last repeat as indicated (this last "repeat" is different for the very last stitch(es) in **rounds 7 - 13, 36 - 41**).

These changes were made to make the beginning of the round less visible in the colorwork pattern.

You may find it helpful to place a marker before the last repeat.
