Deul-kkot Cardigan

Designed by Eunji Jang

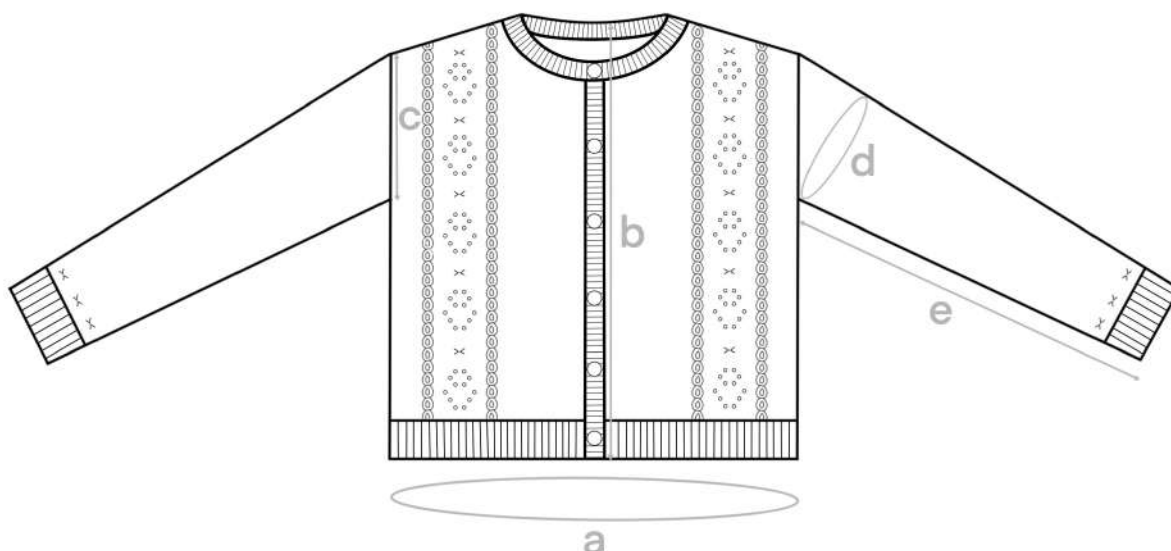

*The sample size is M.

“Deul-kkot Cardigan”

‘Deul-kkot Cardigan’ is a dropped shoulders cardigan, worked from the top-down.
The design is inspired by deul-kkot, butterflies, and blooming flower buds that feel spring moods.
‘Deul-kkot’ means wildflowers in Korean.
The cardigan has a simple and basic fit and the lace pattern on both sides is a point of this cardigan.

‘Deul-kkot Cardigan’ is designed to have approx 15~20 cm (6~8 inches) of positive ease.
The cardigan has a total 3 sizes, S, M, L to fit bust circumference approx 80~85 cm (31.5~33.5 inches),
89~94 cm (35~37 inches), 100~105 cm (39.4~41.3 inches).
Please check the detailed measurements in the next page.

Size		S	M	L
a Bust circumference	cm	100	109	120
	inches	39.4	42.9	47.2
b Full length	cm	49	56	59

Sleeves

Sleeves are worked in the round on circular needles or double-point needles.

Pick up sts on 5mm needles, beginning at the middle of the underarm and along the armhole edge as follows.

*At this time, working with 3 strands of yarn held together. (2 strands you were working on and the other strand can use any thin and different color of yarn.)

The reason is explained in <Connecting The Sleeve Neatly Using The Separate Strand> after the GSR for sleeves.

o = Pick up 1st for 1 row, x = Skip 1 row.

<Connecting The Sleeve Neatly Using The Separate Strand> [Reference Video \(Click or Scan\)](#)

It is not pretty sleeves connection if you pick up sleeve sts along the armhole and work GSR.
So hold 3 different strands together and pick up sts along the armhole then work GSR.
After GSR, tighten the picked-up sts then remove the separate strand.
Then you can see the pretty and neatly sleeves connection.

The image displays a technical chart divided into two main sections: 'Back Chart' and 'Front Chart'.

Back Chart: This section is located on the left side of the image. It consists of a grid with columns labeled 1 through 10 and rows labeled 1 through 10. The grid contains various symbols, including letters, numbers, and geometric shapes, arranged in a pattern that suggests a technical drawing or a data visualization.

Front Chart - Left Side: This section is located on the right side of the image. It consists of a grid with columns labeled 1 through 10 and rows labeled 1 through 10. The grid contains various symbols, including letters, numbers, and geometric shapes, arranged in a pattern that suggests a technical drawing or a data visualization.

Front Chart - Right Side: This section is located on the far right side of the image. It consists of a grid with columns labeled 1 through 10 and rows labeled 1 through 10. The grid contains various symbols, including letters, numbers, and geometric shapes, arranged in a pattern that suggests a technical drawing or a data visualization.
