

HANNA Sweater

The HANNA sweater is a wide-cut sweater in a simple cable pattern. A true classic that is easy to combine and belongs in everyone's closet.

The sweater is worked in cable pattern from the top down. The back is worked first, followed by the left and right front. The back and front parts are worked back and forth, down to the bottom of the armholes. The two parts are then joined together and the body is continued in the round. For the sleeves, stitches are picked up from the side edges of front- and back part and they are worked in cable pattern in the round. Finally, stitches are picked up along the neckline and the neckband is worked in the round in ribbing.

Techniques used: Left- and right crossing cables (cable pattern), left- and right leaning increases (purlwise and knitwise), binding off according to the 'Italian BO Method'. All techniques used are explained in the instructions or under 'Terms & explanations' on page 16.

The instructions are very detailed, as some of the sizes are listed individually. A little tip for handling: Simply mark all the details for the corresponding size and, if necessary, only print out the relevant pages so as not to lose the overview.

**SIZES**

1 (2) 3 (4)

No standard sizes are given because the sweater is very loose fitting. It should have a positive ease of at least 15 cm/6" up to a maximum of 45 cm/17.7" (very oversized). The model in the photos is wearing a size 1 with a height of 1.76 m and a chest circumference of 89 cm.

MEASUREMENTS

Chest circumference:

114 (124) 132 (141) cm / 45 (49) 52 (55,5)"

Total length (mid back, without neckband): 66 (68) 70 (70) cm / 26 (26.8) 27.6 (27.6)"

Underarm length: 44 (45) 45 (46) cm / 17.3 (17.7) 17.7 (18)"

NOTIONS

Tapestry needle, stitch markers, crochet hook size 4-5 mm (US 6-8/UK 8-6) and elastic thread or thin elastic band for the neckband.

YARN

The sweater is worked double stranded:

550 (600) 650 (700) g ,Como Grande' by Lamana (100 % Pure Wool; 120 m/ 50 g), here in color. 28 together with

125 (125) 150 (150) g ,Premia' by Lamana (60 % Mohair, 40 % Silk; 300 m/ 25 g), here in color 28 or

550 (600) 650 (700) g ,Jensen Yarn' by Isager (100 % Pure Wool; 125 m/ 50 g) together with

175 (175-200) 200 (225) g ,Silk Mohair' by Isager (70 % Mohair, 40 % Silk; 212 m/ 25 g).

Please note, that the yarn quantities given here should be seen as a guideline. The sweater can be adjusted in length and the yarn requirement may vary accordingly.

NEEDLES

80 – 100 cm/32 - 40" and 40 – 50 cm/16 – 20" (for the sleeves) circular ndls size 5.0 mm (US 8/UK 6)

80 – 100 cm/32 - 40" circular ndl size 4.0 mm (US 6/UK 8) (for bottom border)

40 cm/16" circular ndl size 4.0 mm (US 6/UK 8) or dpns size 4.0 mm (US 6/UK 8) (for sleeve cuffs)

MAIN PATTERN

Cable pattern: pattern repeat over 8 rows and 21 sts + 2 selvedge-sts (**for swatching**):

Row 1 (WS): k1 (ES), k1, p1, k2, p6, k1, p6, k2, p1, k1, k1 (ES).

Row 2 (RS): k1 (ES), p1, sl 1 st purlwise (wyib), p2, k6, p1, k6, p2, sl 1 st purlwise (wyib), p1, k1 (= ES).

Rows 3 and 4: as rows 1 and 2.

Row 5: as row 1.

Row 6 (RS, cable): k1 (ES), p1, sl 1 st purlwise (wyib), p2, 3/3 LC, p1, 3/3 RC, p2, sl 1 st purlwise (wyib), p1, k1 (= ES).

Rows 7 and 8: as rows 1 and 2.

GAUGE/TENSION

Worked in cable pattern using ndl size 5.0 mm: 21 sts x 24 rows = 10 x 10 cm/4" square, not stretched, measured after washing.

For swatching, work pattern repeat described above once in width and 3 times in height. Please adjust needle size if necessary, to obtain correct gauge.

METHOD

BACK

CO 31 (31) 31 (31) sts using ndl size 5.0 mm and work first row (= WS row) as follows:

Row 1 (WS): p2 (= ES), k1, p1, k2, p1, k2, p6, k1, p6, k2, p1, k2, p1, k1, p2 (= ES).

In next RS row, start working inc's to shape the back. Work left- and right leaning inc's (knitwise and purlwise) after the first 2 sts and before the last 2 sts of each RS- and WS row. An explanation of these increase techniques can be found on page 16. Work as follows:

Row 2 (RS): k2, M1L purlwise, p1, sl 1 st purlwise (wyib), p2, sl 1 st purlwise (wyib), p2, k6, p1, k6, p2, sl 1 st purlwise (wyib), p2, sl 1 st purlwise (wyib), p1, M1R purlwise, k2 (= 33 (33) 33 (33) sts).

End with a WS row.

A total of **77 (79) 81 (79) rows** have now been worked from the picking up of sts for the front parts and front now measures approx. 29 (29) 30 (29) cm/11.4 (11.4) 11.8 (11.4)", measured from shoulderline where the sts for front parts were picked up. This measurement serves more as a guideline, the specified row-number should **absolutely** be strictly followed so that the cable pattern fits together when the front and back sections are joined together.

All sizes

To work the **bottom border**, change to circ. ndl size 4.0 mm and work approx. **6 cm/2.4"** in 1/1 ribbing across all **208 (224) 232 (246) body-sts (alternately p1, k1)**. Please note that rnd starts with a purl st.

After completing last rnd, purl 1 more st, so the next rnd will start with a knit st. The beg of rnd is now moved 1 st. Then BO bottom border acc to the 'Italian BO method'. Work 2 set-up rnds first:

Set-up rnd 1: * k1, sl 1 st purlwise with yarn in front of work), rep from * to end of rnd.

Set-up rnd 2: *sl 1 st purlwise (with yarn in back of work), p1, rep from * to end of rnd.

Then loosely BO all sts acc to the 'Italian BO method'.

Keep repeating **rnds 1 - 8**, until sleeve, measured from underarm, measures approx. **38 cm/15"** or the desired length (minus 6 cm/2.4" for sleeve cuff) is reached. End with rnd 7 of patt rep. Subsequently, work 1 dec-rnd, as follows:

Decrease-rnd: p1, k6, *p2tog, k1, p2tog, k1, p2tog, k6, p1, k6, ab * **two more times**, p2tog, k1, p2tog, k1, p2tog, k6 = 72 sts. Cont. working **sleeve cuff** for all sizes.

All sizes

***Tip:** „ The sleeves will grow by around 2 - 3 cm/0.8 – 1.2" after washing. I like to place the sleeve stitches on hold, using a piece of scrap yarn, before I knit the final cuff. I only finish the sleeves after the sweater has been washed. That way I can adjust the length perfectly."*

To work the sleeve cuff, change to circ. ndl size 4.0 mm and work approx. **6 cm/2.4"** in 1/1 ribbing across all **78 (82) 82 (84) sleeve-sts (alternately p1, k1)**. Please note that the rnd starts with a purl st. Then BO all sts acc to the "Italian BO method" as described for bottom border (page 14).

NECKBAND

***Tip:** „ Before I PUK sts for the neckband along the neckline, I stabilize the neckline with a row of crocheted slip stitches. This compensates for stitches around the neckline that are too loose and results in a nice and even transition to the neckband. How to stabilize the neckline with slip stitches is explained in more detail on page 17 under "Terms & Explanations".*

Using circ. ndl size 4.0 mm, PUK a total of **90 (90) 90 (90) sts** along neckline. Join yarn at the RH side of back part and PUK sts as follows:

31 (31) 31 (31) sts from back, **23 (23) 23 (23) sts** from LH side edge of front neckline (in the ratio „3 sts from 4 rows"), **13 (13) 13 (13) sts** from newly CO center sts, **23 (23) 23 (23) sts** from RH side of front neckline.

Join for working in the round, pM to indicate beg of rnd and work in 1/1 ribbing for approx. **7 cm/2.8"** (alternately k1, p1). Then fold neckband double and sew the live sts to the inside of the work using the overcast stitch.

Here is a helpful tutorial on the overcast stitch: <https://youtu.be/ML-Ea7DAIOQ>

If you prefer a single rather than a double neckband, then BO the ribbing after 3.5 cm/1.4". The 'Italian BO method', which has already been described for the body, is also recommended here for a beautiful finished edge.

FINISHING

Weave in all yarn ends. Wash the sweater once completely, block it to the specified measurements and leave it to dry flat. This will make it a little smoother and the stitches will be nice and even. If necessary, thread a thin elastic band or elastic thread through the neckband, so that it stays in shape and does not "sag".

Crochet slip sts and PUK sts along edge of work

Insert crochet hook size 4-5 mm into edge sts, as if to pick up new stitches, and crochet slip stitches. Crochet loosely, not too tight, so that the slip stitches can be recognized easily later on. For a better illustration, the slip stitches here are shown in a contrasting-colored yarn.

As with the classic “picking up stitches from the side,” you crochet the slip stitches in a certain ratio, in this case in the ratio “3 stitches out of 4 rows”.

Then, using a circ. knitting ndl, pick up and knit the stitches through the back loops of the crocheted slip stitches. This produces a beautiful, stable edge.
