Size guide

Maude Sweater is designed to have approximately 24 cm of positive ease, meaning it is designed to be approximately 24 cm larger in circumference than your bust measurement.

The Maude Sweater is a delicate sweater featuring a variety of textures and lacework. Whilst the sweater looks intricate to work, each 'section' includes an easily memorisable 4 row pattern repeat, so there are no complicated charts to follow.

First, the back is worked back and forth with increases to shape the shoulders. Stitches are then picked up along the slanted edge where the increases were worked to form each shoulder and worked back and forth whilst shaping the neck. The shoulders are joined at the front of the neck and worked back and forth. The front is then joined to the back at the underarms and worked in the round until the desired length is achieved. Sleeve stitches are picked up around the armhole opening; short rows are worked to shape the shoulder followed by working in the round across the sleeve whilst working strategically placed decreases to taper the sleeves without disrupting the textured patterns. The body and sleeves are finished in ribbing. Finally, stitches are picked up and knitted in rib along the neck edge, then folded over and secured on the wrong side.

German Short Rows

Work to turning point. Turn the work, slip the first stitch purlwise, and bring the working yarn in front of the work and up and over the needle, pulling it tightly so that it pulls both 'legs' of the slipped stitch over the needle. Continue as the pattern describes. When working across the turning stitch, work both 'legs' of the stitch as one stitch.

It is recommended to try on your sweater here and work more rounds in double moss stitch to lengthen the sweater if that is your preference. You may require more yarn.

Note: if you met row gauge listed at the beginning of the pattern there is a further 10.5 cm still to be worked. This should be factored into your calculation when deciding on the length of your sweater.

Sleeves

Pick up and knit a total of 80 (80, 88, 88, 88) (96, 96, 104, 112) 120, 128 sts with a 4mm 40 cm circular needle along the armhole edge, which equates to approximately 2 sts for every 3 rows along the back and front of the armholes and 1 st for every cast-on st at the underarm as follows:

For example pick up 27 (28, 31, 32, 29) (31, 31, 34, 36) 38, 40 sts on the back, 49 (52, 57, 52, 51) (57, 57, 58, 60) 66, 68 sts on the front and 4 (0, 0, 4, 8) (8, 8, 12, 16) 16, 20 sts in the cast-on sts at the underarm. Place a BOR marker at the center of the cast-on sts at the underarm.

Note: Sizes 2 and 3 have no underarm cast-on sts to pick up. Place your BOR marker at the center of the underarm.

Break the yarn.

Place an additional marker splitting the sts in half at the top of the shoulder (**shoulder marker**) as follows: 40 (40, 44, 44, 44) (48, 48, 52, 56) 60, 64 sts on the front and 40 (40, 44, 44, 44) (48, 48, 52, 56) 60, 64 sts on the back.

Short rows are now worked to shape the shoulders.

Slip sts from the left needle to the right needle until 24 (24, 26, 26, 26) (28, 28, 30, 34) 36, 38 sts after the **shoulder marker**.

When you turn the work, you will be 3 sts away from the BOR marker located at the underarm.

Row 11 (WS): Purl to 2 (2, 3, 3, 3) (3, 3, 3, 3) 4, 4 sts after last WS row turn, turn work.

When you turn the work, you will be 3 sts away from the BOR marker located at the underarm.

Row 12 (RS): Knit to the BOR marker.

The German short rows are now complete, and you can remove the shoulder marker.

You will now work the lace panel as follows:

Note: The number of times you choose to repeat the lace pattern will determine the length of your sleeve. Each 4-round pattern repeat equates to approximately 1.5 cm in added sleeve length.

Recommendations:
Repeat rounds 1 to 4 a total of 5 times, if you have shorter arms; the finished sleeve length will be 38 cm.
Repeat rounds 1 to 4 a total of 8 times if you have longer arms; the finished sleeve length will be 42 cm.

Round 1: *K4, yo, ssk, k2tog, yo*, repeat between * to * across round.

It is recommended to try on your sweater here and work more rounds in double moss stitch to lengthen the sleeve if that is your preference. You may require more yarn.

Note: if you met row gauge listed at the beginning of the pattern there is a further 10.5 cm still to be worked. This should be factored into your calculation when deciding on the length of your sleeve.

You will now work the final 'section divider' as follows:

Round 1:
Sizes 1, 2, 3, 4, 5, 6, 8, and 10: Purl across round.
Sizes 7, 9, and 11: P2tog, then purl across round. (1 st decreased)

Change to 3.5mm needles and knit one round while working k2tog decreases evenly across the round a total of 6 times:

Sizes 1, 2, 3, 7, and 10 only: *K11 (11, 11, x, x) (x, 12, x, x) 13, x, k2tog; repeat from * to end of round.
Sizes 4, 8, and 11 only: K1, *k x (x, x, 11, x) (x, x, 12, x) x, 13, k2tog; repeat from * to last st, k1.
Sizes 5, 6, and 9 only: K2, *k x (x, x, x, 11) (11, x, x, 12), x, x, k2tog; repeat from * to last 2 sts, k2.

All sizes.

There are now a total of 72 (72, 72, 74, 76) (76, 78, 80, 82) 84, 86 sts on the needle.

Continue using 3.5mm needles and work *k1, p1*, repeat between * to * until the end of the round.

Work ribbing for 7 cm.

Work 2 rounds of double knitting before binding off using the Italian bind-off technique as follows:

Round 1: *K1, sl1 wyf*, repeat between * to * until end of round.

Round 2: *Sl1 wyb, p1*, repeat between * to * until end of round.

Bind-off using the Italian bind-off technique.

Repeat for second sleeve.

Neck

The neck edge is worked in the round. Using 3mm 40 cm needles, start at the right side of the neck from the back cast-on edge with the RS facing and pick up and knit 110 (110, 110, 114, 114) (118, 124, 128, 128) 128, 132 sts along the neck edge using your chosen yarn. This works out as picking up one stitch for every stitch/row along the back of the neck, along the cast-on sts joining the left and right shoulders at the front of the neck, and approximately 3 out of every 4 rows along the sides of the neck.

For example, 41 (41, 41, 43, 43) (45, 45, 47, 49) 49, 51 sts along the cast-on edge of the back, 24 (24, 24, 24, 24) (24, 27, 27, 27) 27, 27 along the left side of the neck, 21 (21, 21, 23, 23) (25, 25, 27, 25) 25, 27 sts along the cast-on edge between the front left and right at the front of the neck, and 24 (24, 24, 24, 24) (24, 27, 27, 27) 27, 27 sts along the right side of the neck.

Place a BOR marker.

Continue using 3mm needles and work *k1, p1*, repeat between * to * until the end of the round.

Work ribbing for 28 rounds in total.

Fold the neckband over towards the wrong side of your sweater. Knit the stitches on your needle together with the stitches from the corresponding picked-up edge whilst at the same time binding off.

Nb) Bind the stitches of loosely so the neckband is not too tight.

Finishing

Weave in all ends.
