INSTRUCTIONS

Work the top of the dress according to the chart. Work two 24 cm-long straps on the front. There are no straps on the back.

FINISHING OFF

Cut a rectangle in the appropriate size for the skirt piece according to the chart including a 1 cm seam allowance. Mark the side seam, the front middle and the fold lines. Fold the piece along the fold lines (right sides together) according to the chart. Machine sew the folds at the upper edge 0.5 cm from the edge.

Close the back middle seam with a 1 cm seam allowance. Iron the seam allowance inside and sew in place.

Place the crocheted top on the right side of the front/back fabric with a 1 cm overlap. Sew on the crocheted top with small, invisible stitches. Place the straps below the top edge of the back piece and sew on.

WASHING INSTRUCTIONS

All our threads are produced in accordance with Oeko-Tex standards. PH values are tested and all our colour dye lots adhere to Global fastness standards. However, it is important to follow our thread washing instructions. Particularly with dark colors, excess dye can remain on the thread. To minimise any potential bleeding of excess dyestuff it is important to wash the products in THE HOTTEST TEMPERATURE possible, in accordance with the specifications of the fabrics, and use a large amount of water. Please make sure that you also follow the fabric washing instructions where appropriate. As a precaution, you can also use decolorating sheets that you can find in any supermarket.
