

LINK SWEATER

α : stockinette turtle neck and crochet hem and cuffs / The model is 1m 55 cm / 5'1" tall and wearing a size S.

by Tomomi Yoshimoto

β : crochet turtle neck and ribbed hem and cuffs

Size M

γ : crochet crew neck and hem, and stockinette sleeves

Size S

This sweater combines crochet and knitting. The four-leaf clover motifs are worked with crochet hooks, and the other parts are worked with knitting needles. The construction is rather unique and it starts from the bottom of the yoke up, then the other parts are worked top-down, which allows you to try the sweater on and choose the length and type of the neck as well as the hem and sleeves. I hope you enjoy this freedom of choice, deciding as you go on the options to work. This pattern contains two files: Sweater's general instructions itself and Crochet Techniques. Please download both files.

INSTRUCTIONS

Start from the bottom of the yoke up using crochet hook.

NOTE : Please refer to “Crochet Techniques” file for all the following instructions marked with ◆.

Using JP7/0 (4 mm / G6) crochet hook, placing removable markers every 8 sts, ch 248 (256, 264, 272)(280, 296, 312, 328).

You will have 1 clover motif every 8 sts.

NOTE: If you are an experienced crocheter, you may not want to place removable markers. I however invite you to do so because you need to count stitches working clover motifs. The pattern assumes that you have them placed.

【You will have 31 (32, 33, 34)(35, 37, 39, 41) clover motifs.】

Rnd 1: Following Step 1-1 of ◆ 3, work to end of chain.

With last st of first row on hook, being careful not to twist leaves, insert hook in st marked with first M (see photo below) and sl st to join in the round.

Rnd 2: Following Step 1-2 of ◆ 3, work to end. Sl st in first st (st shown with arrow in photo).

Rnd 3: Following Step 2-1 of ♦ 3, work to end.

Rnd 4: Following Step 2-2 of ♦ 3, work to end. Sl st in first st.

Rnd 5: Following Step 3-1 of ♦ 3, work to end.

Rnd 6: Following Step 3-2 of ♦ 3, work to end. Sl st in first st.

Choose the neck from 3 options and proceed with your version.
From this point forward, when knitting four leaves, the crochet hook size may differ from the instructions in ♦ 3. Please follow the instructions of this file.
