Extra stitch

A very common term in crocheting is the extra stitch.
So what is this stitch?

When crocheting, almost always the marker of the beginning of the round is shifted to the right side. It is necessary to align it. And how to do it?

You just need to crochet another 1sc at the end of the round and shift the marker by one stitch.

The second stitch becomes the first and the first becomes the last. This is the shift (extra) stitch.

And the most important thing! This stitch is not included in crocheting.

- *Do not cut the yarn.*
- *On thick cardboard or plastic (for example, a container lid), outline the part, cut it out, try it on and glue it using a hot glue gun.*

Connect the foot with the snail's head.
Install pins M1 and M4 into the first and last stitches of row 35 on the sole, respectively.

41-50. BLO: 30sc (10 rounds)

- Do not cut the yarn. You may need to work a few more rounds of 30sc.

Part 2.

Crochet with bright pink yarn.

Ch12, start on the second chain from the hook:

1. 10sc, 3sc in the last chain, on the other side:

9sc, inc (24)

2-36. 24sc (35 rounds)

- Do not cut the yarn yet. You may need to work a few more rounds of 24sc.
- Do not stuff.

Shell Assembly.

Glue parts 1 and 2 at the points marked in the photo with •.

Towards the end, do not glue the pieces together, as we may need to work several more rounds.

Using sewing pins, attach the shell to the head and check whether the ends of parts 1 and 2 reach the foot. If necessary, work several rounds and cut the yarn. Leave a long yarn end of part 1 for sewing pieces.

Begin to sew the shell to the head. In the process slightly stuff part 1.

- Next, we need to crochet a “tube” to hide the seams on the shell and the head. Crochet with pink yarn: 4sc in a MR and then the required number of rounds so that the length of the “tube” is enough to cover the bottom of the shell (see photo). Cut the yarn, fasten off, pull the yarn through the front loop of each stitch to close the hole, hide the end inside.
- Using hot glue, glue the “tube” along the seam.

Crochet the spots with purple yarn:

Spots 1 (4 pcs.)

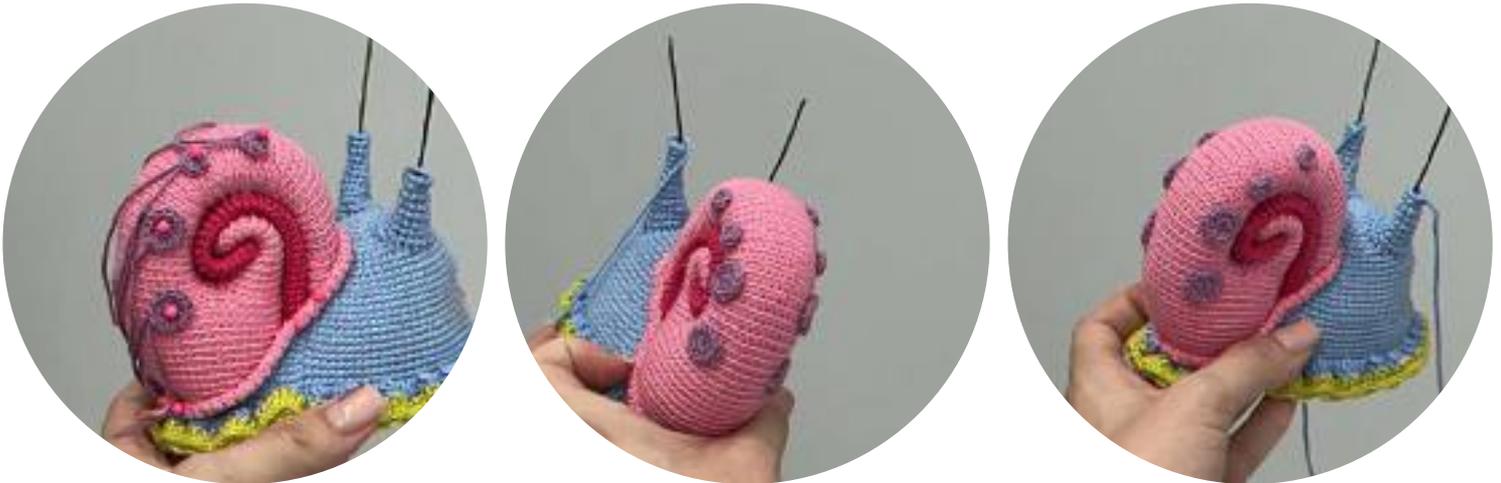

1. 6sc in a MR (6)
2. 6inc (12)

- *Cut the yarn, leaving a long end for sewing pieces.*

Spots 2 (4 pcs.)

1. 6sc in a MR (6)

- *Cut the yarn, leaving a long end for sewing pieces.*
- *Attach the spots to the shell as shown in the photo and sew them on.*

Eyes (make 2)

Part 1.

We have two options for crocheting the eyes:

- OPTION 1. Crochet the pupil and iris with a color change. Work in rounds. Finish each round with sl st and start with ch1, so that there is a smooth transition from one color to another. Before starting decreases, I advise you to choose the side that is more attractive to you and, if necessary, turn the part inside out. If desired, paint glare with white fabric paint.

- *OPTION 2. Crochet the eye in a spiral completely with light yellow yarn with the wrong side out and then paint the pupil, iris and glare with fabric paints.*

Choose the option that suits us and start.

Option 1.

Option 2.

Start in black color (option 1). If you chose option 2, crochet the entire eye with light yellow yarn.

1. 6sc in a MR (6)

2. 6inc (12)

*3. (1sc, inc)*6 (18)*

- For option 1, change color to red, cut the black yarn. For option 2, continue crocheting with light yellow yarn.*

*4. (2sc, inc)*6 (24)*

*5. (3sc, inc)*6 (30)*

*6. 2sc, inc, (4sc, inc)*5, 2sc (36)*

- For option 1, change color to light yellow, cut the red yarn. For option 2, continue crocheting with light yellow yarn.*

*7. (5sc, inc)*6 (42)*

*8. 3sc, inc, (6sc, inc)*5, 3sc (48)*

*9. (7sc, inc)*6 (54)*

10-17. 54sc (8 rounds)

- For option 1, choose the side that you like best and, if necessary, turn the piece inside out. For option 2, turn the piece inside out and close the piece.*

*18. (7sc, dec)*6 (48)*

*19. 3sc, dec, (6sc, dec)*5, 3sc (42)*

*20. (5sc, dec)*6 (36)*

*21. 2sc, dec, (4sc, dec)*5, 2sc (30)*

*22. (3sc, dec)*6 (24)*

- Stuff the eye gradually with fiberfill.*

*23. (2sc, dec)*6 (18)*

*24. (1sc, dec)*6 (12)*

25. 6dec (6)

- Cut the yarn, pull the yarn through the front loop of each stitch to close the hole, hide the ends inside.*

- Place part 2 on part 1 and sew through the remaining back loops of round 15.
- Insert the eyes into the wire end on the snail's head and sew the eyes to the tentacles with the remaining thread.

*Congratulations,
the snail is ready!*
