DARK MOSS PULLOVER

Dark Moss is a simple yet elegant pullover, designed rather oversized for a comfortable flowy look and feel. Perfect garment to complete outfits with high waisted skirts, jeans and go over dresses, ideal both in the office and outdoors. The side slits provide a beautiful modern touch to otherwise seamless pullover.

Stitches and techniques: knit, purl, cables, short rows, decreases;
Size: design meant to be oversized, all the calculations are provided for the size XS-S and the final measurements (after blocking) are shown on page 3. These can be easily adjusted to any size, please use your creative thinking and basic math!
Yarn: Aran Wool 3ply from Kerry Woollen Mills, 100% rustic wool, ca. 516 g, roughly 2,5 skeins (1 skein 200 g and 334 m), colour Green Bushes. You might want to use softer and heavier yarn for even more luxurious feel & look.
Needles: 4.0 mm circular needles with a 100-120 cm long cable, cable needle or safety pin if needed, crochet hook or tapestry needle to weave in the ends and bind off.
Gauge: 15 sts and 20 rows in 10 cm with stockinette stitch.

Front and Back: Cast on 110 sts for both Front and Back separately. I use long tail cast on. Work the halves separately or both at the same time at your convinience.
R1. Slip first stitch, k1, p2, continue k2, p2, until the end of the row. Turn around and keep working 2x2 ribbing for a total of 14 rows.

Sleeves:

Right. R1. Begin at the back side, pick up 49 sts.
R2. Kall (49).
R3. K37, k2tog, k9, SSK.
R4. Kall (47) untill desired length.

Left. R1. Begind at the back underarm, pick up 49 sts.
R2. Kall (49).
R3. K10, SSK, k36, k2tog.
R4. Kall (47) untill desired length.

Finishing:

All that is left to do now is to bind off the sleeves. You can use any methods you like, here I prefer a standars bind off which is less stretchy than tubular, yet still does the job and keeps the edge from rolling. I also made an extra row of simple chains with crochet hook around the sleeves to prevent the edge from rolling.

Weave in the ends using crochet hook or a tapestry needle and give the garment a nice bath. Lay flat to dry and enjoy once it's ready to wear!

Legend:

Kall - knit all
SSK - slip slip knit
k2tog - knit 2 together
SSP - slip slip purl
p2tog - knit 2 together

Hello!

I am extremely happy that you now own one of my patterns. My name is Teti and I own a small company called Nutsknitwear.

I love knitting for myself and my Etsy shop, as well as I love designing patterns. It is an essencial part of my creative process. Following instructions is just too easy.
Notes on my designs contain only recommendations for Small sizes, but can be used to knit any size and are sold for a fixed price of 1 euro. I am sure we all need adjustments to even the best patterns, so I do encourage creative thinking and appreciate your support.
