P2tog = purl 2 sts together
CO = cast on

RND = round

## Materials needed

- 4 double-pointed needles in a size suitable for the yarn weight you are using. I recommend using needles a size or two smaller than the yarn calls for, to produce a firm fabric. İ used Needles size US 2½ (3mm).
- Vanilla colored yarn for head. I used Nako baby Hoşgeldin / 60% bambu, 40% polyamid ; 100gr – 230m /
- White colored yarn for body. I used Nako Bonbon Amigurumi / 100% acrylic ; 100gr – 170m /
- Red colored yarn for hat.  I used Nako Vizon / 100% Acrylic, 100gr = 195
- Green colored yarn for body. I used Nako Bonbon Amigurumi / 100% acrylic ; 100gr – 170m /
- Toy stuffing
- Yarn needle
- Stitch holder
- 2 plastic eyes
- White colored felt

All time İ am working in the round. This help avoids the ugly seams .

# FINISHING DOLL.

**Fixing head and body.**

*Use* a *long needle* with a *yard* of strong *thread*, *doubled* and *knotted* at the *end*.
Start at the underside of the body. Push the needle thru to the outside of the torso.

Push the needle thru the head and out on the opposite side. Go back thru to the inside of the head taking a small stitch on the outside.  Repeat this procedure thru the head and body gently pulling the thread to tighten the joint with each pass thru, one or two more times, but do not indent too deeply. End on the underside of the body. Bury the thread into the body.

*Now put arms into the sleeves.*

*İ used crotchet for this.*

## How İ am fixing arms.

Sew arms through the body. With doubled thread, start at the underside of one of the limbs, leaving a five or six inch long tail and push the needle thru to the outside of the limb. Go back thru to the inside of the limb taking a small stitch on the outside. Push the needle thru the body and out on the opposite side. Go thru the other limb from the inside to the outside. Taking a small stitch, go back thru the limb to the inside, back thru the body and thru to the outside of the first limb. Repeat this procedure thru the limbs and body gently pulling the thread to tighten the joint with each pass thru, one or two more times, but do not indent too deeply. End on the inside between the body and the first limb. Tie off with the tail of the original thread.

*Put the peruke to the head and sew on it*

*Cut the circles from white felt and glue them to the hat.*

*Take a lace and place a basting stitch along the top edge of it. The length of the lace depends of how many frills you want.*

*Sew on frills to the doll's neck.*

*Glue the plastic eyes to the head.*

*Apply pink blush .*

*With gren thread embroider the flowers onto the down  part of the body*

*You can use ribbon or beads also.*

That's all      8)))
