HOW TO READ THE CHART

- One chart divided in multiple pages (A, B, C, D, E, F).
- Read chart from bottom to top as rows are numbered.
- Each row is split over two pages.
- When working a right side row (odd numbered), read from right to left.
- When working a wrong side row (even numbered), read from left to right.
- One row on the chart equals one right side (RS) row and one wrong side (WS) row instructions.
- Wrong side rows are never entirely purled. Symbols with a dot in the middle are knitted on the wrong side rows. Refer to the Stitch Guide.
- The shaded areas on the chart are visual cues for easy reading of the pattern.

INSTRUCTIONS

- Cast on 141 stitches loosely.
- Work rows 1 through 616 of chart.
- Bind off all stitches using a stretchy bind-off.
- Weave in ends and block.
