Como Grande & Premia
LAMANA x Soumine

This pattern is a written pattern included charts.
Baguette Jacket is a jacket version of the Baguette Sweater, a basic Aran knit that pairs well with any outfit. The clean design, with its simple arrangement of uncomplicated patterns, really emphasizes its neatness.

Baguette Jacket is knitted using a top-down method and features overall patterning with reference to a chart. The shoulder line is formed first, and the back is knitted flat down to the underarm. Stitches are picked up from both shoulders to create the neckline, which is also knitted down to the underarm. The body is then worked in one piece, joining the front and back, and knitted flat downwards. Stitches are picked up from the neckline to create a folded neckband. The sleeves are knitted by picking up stitches around the armhole and working downwards, maintaining the pattern. Finally, after washing, sew on the buttons.

PATTERN

BACK

<u>"Work in pattern" refers to following the chart to create the pattern while maintaining the ribbing pattern.</u>
Using 4.5 mm (US 7) needles, cast on 36 sts.
After knitting the setup row (WS) using Back chart, begin knitting flat from Row 1 to Row 38, 38 (46, 46).

Row 39, 39 (47, 47) Cut the yarn and place 3 sts on a stitch holder, then work Row 39, 39 (47, 47) of Back chart starting from the fourth st, and place the last 3 sts on a stitch holder.
You have now 106, 106 (122, 122) sts on your working needle.

Continue knitting flat following Back chart until Row 78, 72 (82, 76).

For sizes 2 and 4 only
Row 1 (RS) K1, M1L, work in pattern to before last st, M1R, K1 (+2 sts)

Transfer all sts to waste yarn and cut the yarn.

RIGHT FRONT

Using 4.5 mm / (US 7) needles, with the RS facing, pick up and knit 38, 38 (46, 46) sts along the right shoulder.
<u>*To pick up sts, insert the needle between the first and second sts from the right edge (near the 3 shoulder sts set aside) and pick up and knit along the shoulder line, ensuring that 2 rows out of the 3 shoulder rows are visible. Except for the setup row of the back panel, pick up and knit 1 stitch for each stitch.</u>

Following Right front chart, work Setup Row (WS), then start from Row 1 and work until Row 66, 60 (70, 64).
Buttonhole on Row 61 (…83, 105, 127…) Work in pattern before last 5 sts, yo, k2tog, p1, k2
<u>* Buttonholes should be made regularly on the RS every 22 rows, starting from row 61. If you want to adjust the spacing between the buttons (approx. 8 cm / 3.1"), you should adjust the placement of the first buttonhole accordingly.</u>

For sizes 2 and 4 only
Row 1 (RS) K1, M1L, work in pattern to the end (+1 st)

Continue working in pattern (repeating the section marked by the blue dotted line on the chart and maintaining moss stitch for the cast-on sts underarm) until the total length from the back neck edge is 49, 49 (57, 57) cm / 19.3, 19.3 (22.4, 22.4) ", or 6 cm / 2.4 " shorter than the desired length.

Switch to 3.75 mm needles.

Ribbing (RS) Sl1wyb, (k1, p1) rep to before last 2 sts, k2

Work in ribbing until it measures 6 cm / 2.4 ", ending on a WS row.
Using the Ruke bind-off technique, carefully bind off all sts to avoid looseness, and cut the yarn.

NECKBAND

Using 4 mm (US 6) needles, with the RS facing, pick up and knit sts along the neckline:
(1 st per 1 st, and 2 sts every 3 rows) Pick up and knit 39 sts along the right front, 2 sts along the shoulder sts, 30 sts along the back neck, 2 sts along the other shoulder sts, and 38 sts along the left front — for a total of 111 sts (odd number).
Setup Row (WS) P2, (k1, p1) rep to last 1 st, p1

Row 15 (RS) (k1, p1) rep to last st, k1
Row 16 (WS) (p1, k1) rep to last st, p1
Rows 17~24 Rep Row 15~16

Fold the ribbing to the WS, positioning it downward. Using a crochet hook, slip the stitch on the left needle as if to knit, inserting the hook into the corresponding stitch from the start of the ribbing, and slip stitch them together. Continue this process for all stitches. Alternatively, you can use a tapestry needle to graft the facing stitches together. And close the holes formed at the sides of the fold using a tapestry needle.

SLEEVES

Please note that we will maintain the shape of 2 sts out of the 3 shoulder line sts to seamlessly blend them with the sleeve pattern. If the number of sleeve sts differs from the given instructions, pay attention to adjust the position of the sleeve pattern accordingly. Position the pattern so that it slopes toward the front of the garment.
