### ***\*How To Knit Short Rows***

#### **w&t (wrap and turn)**

**On a knit row:** slip the next stitch purlwise, bring the yarn to the front of the work, and replace the slipped stitch back onto the left needle without twisting it. Turn the work around to begin working back in the other direction.

---

**On a purl row:** slip the next stitch purlwise, bring the yarn to the back of the work, and replace the slipped stitch back onto the left needle without twisting it. Turn the work around to begin working back in the other

---

#### **Double knitting we make like this:**

1 knit, 1 slip = 1K, 1sl.

If you don't know how you can knit it you can see it here:

#### **Materials needed**

- 4 double-pointed needles in a size suitable for the yarn weight you are using. I recommend using needles a size or two smaller than the yarn calls for, to produce a firm fabric. I used Needles size US 2½ (3mm).
- White colored yarn for head. I used Kartopu Flora / 100% acrylic ; 100gr – 230m /
- Blue yarn for body. I used Nako Alpaca / 10% alpaca, 90% acrylic ; 100gr – 190m /
- Black yarn for hair
- Toy stuffing
- Yarn needle
- Stitch holder
- 2 plastic eyes

All time I am working in the round. This help avoids the ugly seams .

## **FINISHING DOLL.**

### **Fixing head and body.**

*Use a long needle with a yard of strong thread, doubled and knotted at the end.*

*Start at the underside of the body. Push the needle thru to the outside of the torso.*

Push the needle thru the head and out on the opposite side. Go back thru to the inside of the head taking a small stitch on the outside. Repeat this procedure thru the head and body gently pulling the thread to tighten the joint with each pass thru, one or two more times, but do not indent too deeply. End on the underside of the body. Bury the thread into the body.

*Embroider the doll hair like this.*

*Sew on hood to the body*

*Now put arms into the sleeves.*

*I used crochet hook for this.*

### **How I am fixing arms.**

Sew arms through the body. With doubled thread, start at the underside of one of the limbs, leaving a five or six inch long tail and push the needle thru to the outside of the limb. Go back thru to the inside of the limb taking a small stitch on the outside. Push the needle thru the body and out on the opposite side. Go thru the other limb from the inside to the outside. Taking a small stitch, go back thru the limb to the inside, back thru the body and thru to the outside of the first limb. Repeat this procedure thru the limbs and body gently pulling the thread to tighten the joint with each pass thru, one or two more times, but do not indent too deeply. End on the inside between the body and the first limb. Tie off with the tail of the original thread.

*Sew on hooks and ears to the hood.*

*Glue the plastic eyes to the head.*

*Apply pink blush .*

That's all 8)))
