

**Blue Wave
Cardigan
Doorumi Design
@K210G**

This is a cardigan with a bold, ribbed pattern.

It has a top-down design that floats down from the top, and the border uses i-code edging to give it a thick yet light feel.

Thread – DK thickness thread 250g / 630m used

Cascade Cascade – Hampton Hampton 3-ply

knitted 19 counts 19-ply (after washing)

Because of the characteristics of the non-woven pattern and the use of thick needles with DK thread, there may be individual errors in hand sweat or in the process of measuring the size.

Needles – 5mm needles, 4.5mm needles

Cable for body, cable for sleeve

Others - Crochet hook, tape measure, scissors, tape measure, scrap yarn, clothes hook (for fastening the front of clothes, like buttons)

Blue Wave Cardigan - Doorumi Design

Purchased designs can only be viewed by individuals.

Pattern used

○ 바늘비우기 YO

↖ 원코 모아뜨기 K2TOG

↗ 오른코 모아뜨기 SSK

8-stitch X 14-stitch Crochet: 8-stitch Crochet, with 1 extra stitch on each side. Add a pattern every 14 rows.

The twist direction is symmetrical from left to right. Please check the twist direction in the chart design. The skein pattern: 'yo, K2, k2tog, ssk, K2, yo' is done once every 2nd row and continues for each pattern row.

Blue Wave Cardigan -

Make 60 stitches using the Long Tail Cast On method.

1 stitch (front) / 2 stitches (raglan) / 10 stitches (sleeves) / 2 stitches (raglan) / 30 stitches (back) / 2 stitches (raglan) / 10 stitches (sleeves) / 2 stitches (raglan) / 1 stitch (front) Add markers here. Increase the length from here. Use M1R, M1L.

Start knitting by looking at the chart.

Stage 1 starts with a 60-knot knit without a cable.

The sleeves are separated at level 52.

The body and sleeves will be shortened according to the chart. After knitting to your desired size or up to the chart, do the i-code edging.

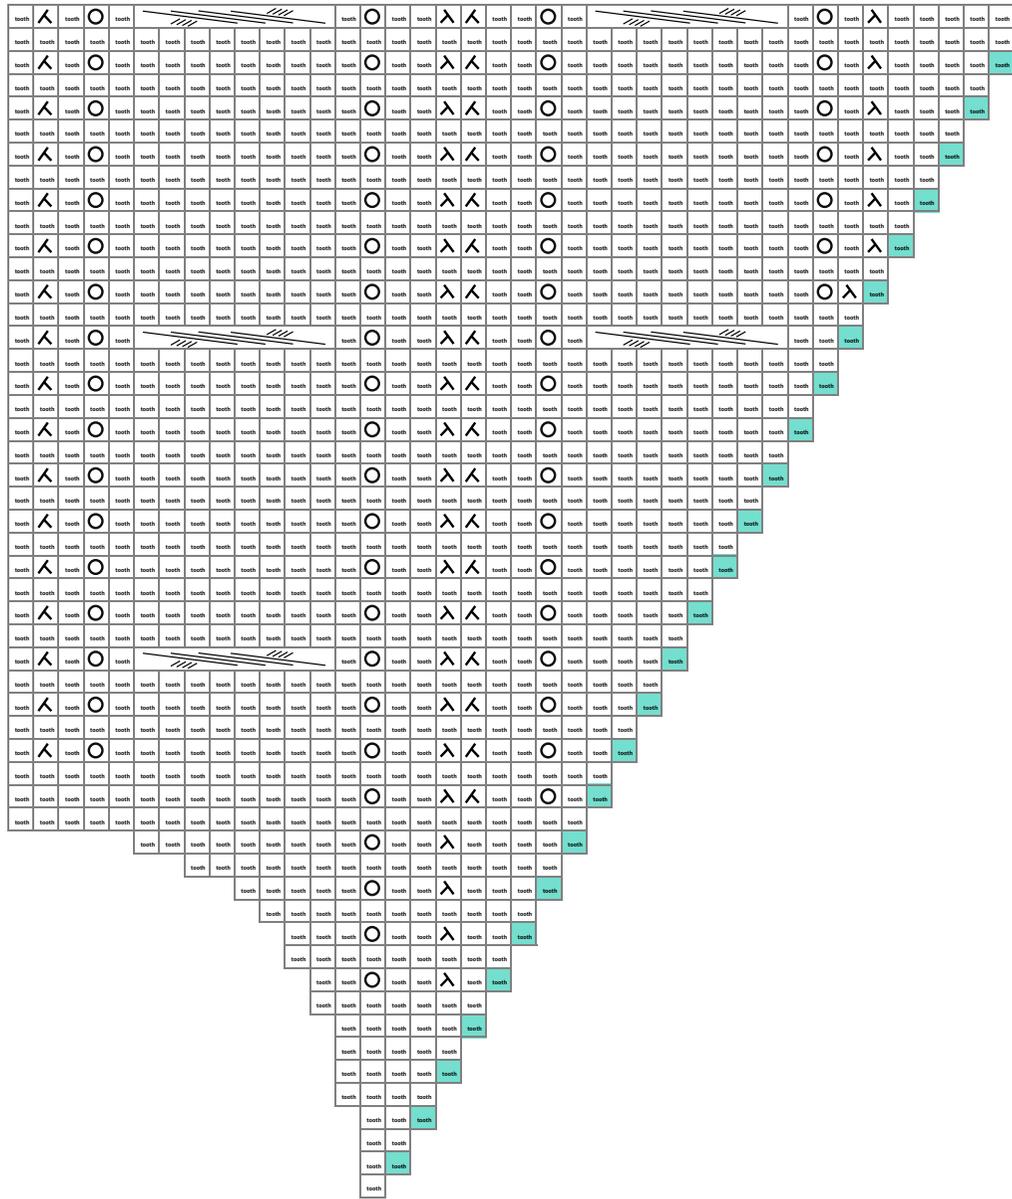

Pick up the button band and neckline doko and do eye code edging.

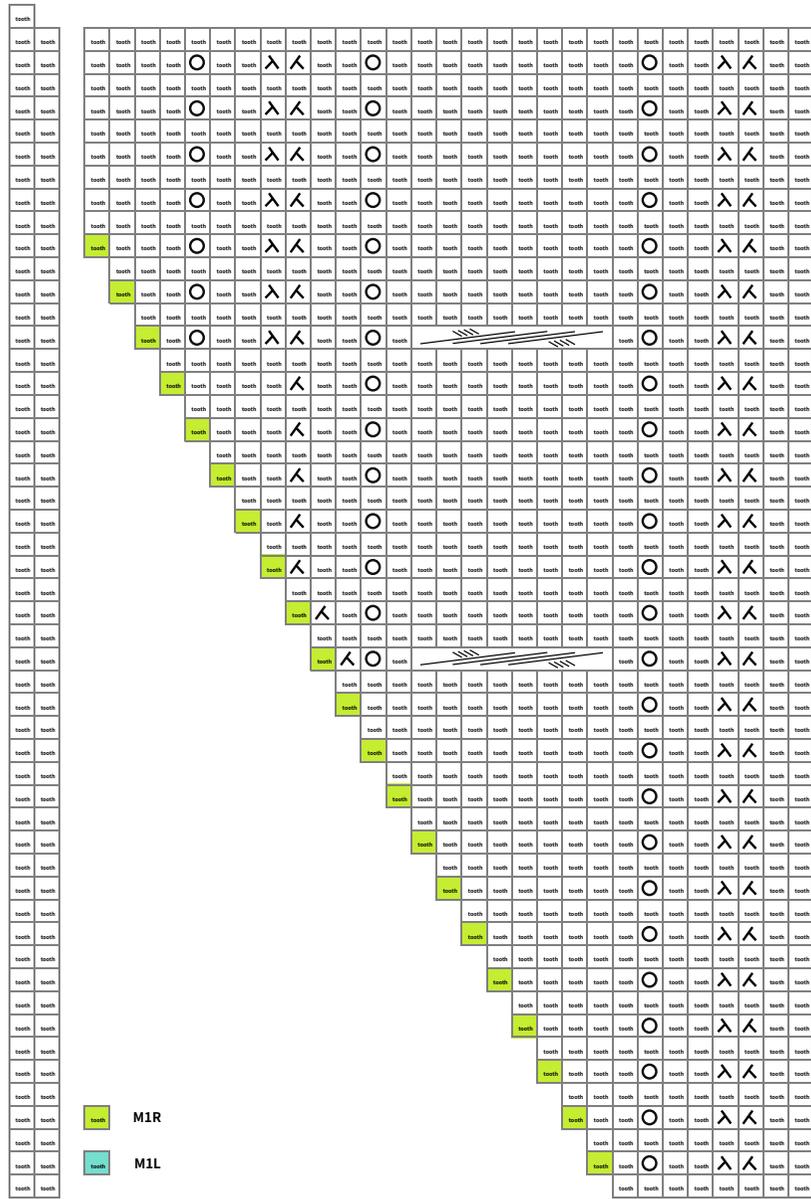

The button band is picked up in a straight line, so pick up five stitches and leave one stitch. After finishing the eye cord edging, sew the clothing hook to the desired location.
