TECHNIQUES

©2023 zaneteknits / All rights reserved. For personal use only. Do not reproduce, share or sell the pattern, or sell items

To close gap on RS:

- If approaching a turn that was made on the RS, work the loop created and st after it together as **k2tog**. ([Closing gap with k2tog](#))
- If approaching a turn that was made on WS, work the last st before turn and the loop created together as **ssk**. ([Closing gap with ssk on RS](#)). To avoid a hole forming, make sure you pull the working yarn tight around the RH needle after working the ssk.

To close gap on WS:

- Work the loop created and st after it together as **ssp**. ([Closing gap with ssp](#))

Picot bind-off

Bind-off row: [CO 3 sts using cable cast-on (see *Techniques*), bind off the 3 sts casts-on, bind-off another 5 sts] to end of row. See [Picot bind-off demo](#).

Provisional cast-on

Setup: Using smooth waste yarn, create a slip stitch and place it on the crochet hook. Chain a few stitches.
Step 1: Hold your crochet hook perpendicularly above the knitting needle and wrap the yarn around under the knitting needle and over the crochet hook. Pull yarn through the chain stitch on the crochet hook, creating one stitch on the crochet hook and one stitch on the knitting needle.
 Repeat step 1 until you have the necessary number of stitches on the knitting needle. Then chain a few stitches without wrapping yarn around the knitting needle, break the yarn and pull through the last chain stitch. If needed, put a knot at the tail to indicate the side you will start to unpick the stitches later.
Step 2: Using the working yarn knit all stitches on the knitting needle.
 See [Provisional cast-on demo](#).

Sleeves

Sleeves are worked by picking up stitches around the armhole. The sleeve cap is shaped working short rows back and forth, then the sleeve is worked in round to the desired length.

With RS facing and needles A, begin at the middle of the underarm, that is:

- **Left sleeve:** with the st that aligns with the fake seam purl st;
 - **Right sleeve:** with the st that is to the left of the fake seam purl st;
- Both sleeves:** pick up and knit 10 (11, 13, 14, 15, 16, 18, 19) sts along the underarm CO edge,
- **Left sleeve:** pick up and knit 84 (86, 92, 94, 100, 108, 114, 120) sts along the front, one st for each row, then 56 (58, 60, 62, 68, 72, 78, 84) sts along the back armhole edge;

Both sleeves: picking up sts between the selvedge and 2nd stitch; pick up and knit 10 (11, 13, 14, 15, 16, 18, 19) sts along the underarm CO edge to the middle of the underarm. Place m for BOR. 160 (166, 178, 184, 198, 212, 228, 242) sts.

Section A

In this section, after the initial Short rows 1-2, the cap is shaped by working a decrease in each row to reduce the number of stitches, and moving 2 sts past the previous turn on each side to increase the cap width. You can use any short row method. The sample uses Japanese short rows (see *Techniques*).

Short row 1 (RS): P1, knit to locking m, slm, k9 (10, 11, 11, 12, 13, 15, 16), turn work.

Short row 2 (WS): Purl to m, remove m, p9 (10, 11, 11, 12, 13, 15, 16), turn work.

Short row 3: Knit to 3 sts before PT, k2tog, knit to 2 sts past PT closing short row gap, turn work. 1 st decreased.

Note: If using Japanese or yarn over short rows, the stitch that is used to close the gap is included in the given stitch count. In this case, 2 sts past PT means using one stitch to close the gap and one more to work before turning.

Short row 4: Purl to 3 sts before PT, ssp, purl to 2 sts past PT closing short row gap, turn work. 1 st decreased.

Repeat Short rows 3-4 a further 17 (17, 18, 18, 19, 20, 20, 20) **times**. 88 (94, 102, 106, 116, 124, 138, 148) sts.

Section B

In this section the cap is shaped by continuing to work a decrease in each row to reduce the number of stitches, but this time moving just a single st past the previous turn on each side to increase the cap width.

Short row 1 (RS): Knit to 3 sts before PT, k2tog, knit to 1 st past PT closing short row gap, turn work. 1 st decreased.

Short row 2 (WS): Purl to 3 sts before PT, ssp, purl to 1 st past PT closing short row gap, turn work. 1 st decreased.

Repeat Short rows 1-2 a further 6 (5, 6, 5, 7, 6, 8, 8) **times**. 74 (82, 88, 94, 100, 110, 120, 130) sts.

Section C - Sizes 2, 3, 4, 5, 6, 7, 8 only

In this section, the cap is shaped without any decreases and by moving a single st past the previous turn on each side to increase the cap width.

Short row 1 (RS): Knit to 1 st past PT closing short row gap, turn work.

Short row 2 (WS): Purl to 1 st past PT closing short row gap, turn work.

Repeat Short rows 1-2 a further - (1, 0, 2, 2, 4, 5, 8) **time(s)**.

Section D - All sizes

In this section, the cap shaping is finished and the sleeve is worked in the round down to the elbow.

Last short row: Knit to BOR closing short row gap.

Next round: P1, knit to BOR closing short row gap.

Next round: P1, knit to BOR.

Last round sets the pattern. Continue in pattern until the sleeve measures 20.5 (19.5, 19.5, 19.5, 18, 17, 15.5, 14) cm / 8 (7¾, 7¾, 7¾, 7, 6¾, 6, 5½)" from the underarm.

Section E - All sizes

Last round sets the pattern. Continue in pattern until the sleeve measures 20.5 (19.5, 19.5, 18, 17, 15.5, 14) cm / 8 (7½, 7¼, 7¼, 7, 6¾, 6, 5½)" from the underarm.

Section E - All sizes

In this section, the trumpet sleeve is formed by working an increase round every 20 rounds four times and the sleeve stitches are bound off.

Increase round 1: P1, [RLI, k7 (8, 8, 9, 10, 11, 12, 13)] x9, RLI, knit to BOR. 10 sts increased.

Ties

Repeat the same instruction for both ties.

Place held i-cord sts on needles C.

I-cord round: Knit all sts, slide all sts to the other side of RH needle, take RH needle in LH.

Repeat i-cord round until the tie measures 36-40 cm / 14-16" or your desired length.

Bind-off round: Slip 2 sts knitwise at the same time, k1, pass the first 2 slipped sts over the third. Break yarn and pull through the last st to secure.
