

ELVEN ARMOR PULLOVER

DESIGNED BY ANGELA HAHN

Worn during the opening battle in *The Fellowship of the Ring*, Elven armor was designed to reflect the Elvish people—a very old race—at that point in their history. The battle in Dagorlad between Men and Elves against Sauron and the Orcs took place in the springtime of their existence. Organic-looking armor inspired by young saplings made with biological materials protected the Elves from the crude weapons of their enemies, while allowing them to move freely and swiftly during the crusade.

This cropped, semifitted pullover is inspired by the layered wrappings on the armor of the Noldorin Elves. The base sweater and sleeves are worked from the bottom up in the round, then joined for the yoke. Stitches from the base sweater are picked up and knit as overlapping stockinette stitch strips to mimic the crisscross wrappings. Although they are unlikely to turn aside the point of an arrow or the edge of a sword, they are a striking accent and add a pleasant weight to the body and cuffs.

PATTERN NOTES

This pullover is worked from the bottom up in the round. The body is worked first, then stitches are placed on hold for the underarms. Then the sleeves are worked from the cuff to the underarm. The two are then joined and the yoke is shaped.

The entirety of the garment is constructed in stockinette stitch. The wrappings are added to the garment once the body, yoke, and sleeves are complete.

Written instructions are provided for pattern; a chart is provided for the yoke shaping.

Rounds that contain both increases and decreases (and thus do not change the overall stitch count) are used to shape the front and sleeves, creating an inverted V in the front, and slanted cuffs on the sleeves. These increases and decreases are also used as markers for the placement of the wrappings.

Instructions are written for size 1 first, with additional sizes in parentheses, brackets, and braces. When only one number is provided, it applies to all sizes.

References to right and left are relative to how the garment is worn on the body, not how it appears laid flat.

PATTERN INSTRUCTIONS

CAST ON & BODY

Note: Two kinds of shaping rnds are used in the Body: Inc/Dec Rnds are used to create the front inverted V of the Body and do not change the stitch count. The Side Inc Rnds increase the Body circumference from hem to chest. These shaping rnds are worked simultaneously; read through entire section before beginning.

Using a circular needle in a length appropriate for the circumference of your garment and the Long Tail cast on method, CO 41 (45, 50, 54) [58, 62, 67] {71, 74, 78} sts for Right Front, pm for right side seam, CO 82 (90, 100, 108) [116, 124, 134] {142, 148, 156} sts for Back, pm for left side seam, CO 41 (45, 50, 54) [58, 62, 67] {71, 74, 78} sts for Left Front. Pm for BOR and join to work in the rnd, being careful not to twist the sts—164 (180, 200, 216) [232, 248, 268] {284, 296, 312} sts total.

*Knit 2 rnds.

Inc/Dec Rnd: K1, M1L, work est patt to 3 sts before right SSM, ssk, k1, sm, work est patt to left SSM, sm, k1, k2tog, work est patt to last st, M1R, k1—no change in st count.

Rep from * 19 more times (60 total rnds worked).

AT THE SAME TIME, beginning on Rnd 10, work the Side Inc Rnd, below, every 10th rnd a total of 6 times as follows (60 total rnds worked):

Side Inc Rnd: **Work est patt to 5 sts before SSM, M1R, work 5 sts in est patt, sm, work 5 sts in est patt, M1L; rep from ** 1 time, work est patt to end of rnd—4 sts inc.

24 sts inc; 188 (204, 224, 240) [256, 272, 292] {308, 320, 336} sts.

Rnd 61: Knit.

Body Separation Rnd (Rnd 62): *Knit to SSM, sm, k3 (4, 5, 6) [7, 8, 9] {10, 10, 10}, place the last 6 (8, 10, 12) [14, 16, 18] {20, 20, 20} sts and SSM on stitch holder or waste yarn for the underarm, pm for raglan; rep from * 1 time, knit to end of rnd—176 (188, 204, 216) [228, 240, 256] {268, 280, 296} sts rem.

Set the body aside while working the Sleeves, leaving the live sts on the working needle; do not break working yarn.

SLEEVES (MAKE 2 THE SAME)

Note: Like the body, two kinds of shaping rnds are used in the Sleeves: Inc/Dec Rnds are used to create the angled bottom edge of the Sleeve and do not change the stitch count. The Sleeve Inc Rnds increase the Sleeve circumference from cuff to underarm. These shaping rnds are worked simultaneously; read through entire section before beginning.

Using the set of dpns and the Long Tail cast on method, CO 26 (28, 29, 30) [31, 32, 33] {34, 35, 36} sts, pm for Center of sleeve, CO 26 (28, 29, 30) [31, 32, 33] {34, 35, 36} more sts. Pm for BOR and join to work in the rnd, being careful not to twist the sts—52 (56, 58, 60) [62, 64, 66] {68, 70, 72} sts total.

AT THE SAME TIME, beginning on Rnd 12 (10, 8, 6) [6, 4, 4] {4, 4, 4}, work the Sleeve Inc Rnd, below, every 12 (10, 8, 6) [6, 4, 4] {4, 4, 4}th rnd 6 (4, 5, 4) [14, 6, 12] {15, 18, 18} times, then every 0 (12, 10, 8) [0, 6, 6] {6, 6, 6}th rnd 0 (3, 4, 7) [0, 10, 6] {4, 2, 2} times.

Sleeve Inc Rnd: Work 5 sts in est patt, M1L, work in est patt to last 5 sts (slip Center M as encountered), M1R, work in patt to end of rnd—2 sts inc.

Note: On rnds that are both Inc/Dec and Sleeve Inc Rnds, work Sleeve Inc M1Rs 6 sts before end of rnd.

12 (14, 18, 22) [28, 32, 36] {38, 40, 40} sts inc; 64 (70, 76, 82) [90, 96, 102] {106, 110, 112} sts.

Final Rnd (Rnd 83 (83, 83, 86) [86, 86, 86] {86, 86, 86}): Knit to 3 (4, 5, 6) [7, 8, 9] {10, 10, 10} sts before the end of rnd, place the next 6 (8, 10, 12) [14, 16, 18] {20, 20, 20} sts on waste yarn or stitch holder for the underarm (removing BOR M as the sts are placed on hold)—58 (62, 66, 70) [76, 80, 84] {86, 90, 92} live sleeve sts. Break yarn, leaving a 24 in. / 60 cm tail.

Place these live sts on a separate length of waste yarn or stitch holder, including the Center M, and set aside while the second sleeve is worked.

Repeat all instructions for the second sleeve but leave the 58 (62, 66, 70) [76, 80, 84] {86, 90, 92} live sleeve sts on the dpns.

YOKE

Note: Body and Sleeve Inc/Dec Rnds will continue every 3rd rnd/row of Yoke up to the neck edge. Raglan Dec Rnds and Front Neck Dec Rnds are worked simultaneously. Rnds or rows that do not include any shaping are worked even in St st. Read through entire section before beginning.

FINISHING

Place live Body and Sleeve underarm sts on 2 needles held parallel. Use long yarn tail at underarm to graft sts closed using Kitchener stitch. Weave in ends and block to finished measurements.

BODY WRAPPINGS

Place Markers—All Sizes:

On Body Rnd 6 (the second Inc/Dec rnd from the bottom of the sweater), clip removable M into Inc/Dec Rnd dec sts (worked as ssk or k2tog). Rep this on every 3rd Inc/Dec Rnd 6 more times on Body Rnds 15, 24, 33, 43, 51, and 60.

Note: Marked dec sts should fall 1 st forward of the side seam (between the Fronts and Back; do not mark Body inc sts, which are 5 sts from sides). Last sts marked should fall just under underarms.

Place Markers—Sizes 1 (2, -, -) [5, 6, 7] {8, 9, 10} ONLY:

On Body Rnd 6 (the second Inc/Dec rnd from the bottom of the sweater), clip removable M into Inc/Dec Rnd inc sts (worked as M1L or M1R). Rep this on every 4th Inc/Dec Rnd 6 more times on Body Rnds 18, 30, 42, and 55,

and Yoke Rnds / Rows 6 and 17 (or Rnds 68 and 79 if counting contiguously up the front of the garment).

Place Markers—Sizes 3 and 4 ONLY:

On Body Rnd 6 (the second Inc/Dec rnd from the bottom of the sweater), clip removable M into Inc/Dec Rnd inc sts (worked as M1L or M1R). Rep this on the 3rd next Inc/Dec Rnd 1 time, then every 4th Inc/Dec Rnd 5 more times on Body Rnds 15, 27, 39, and 52, and Yoke Rnds / Rows 3 and 14 (or Rnds 65 and 76 if counting contiguously up the front of the garment).

Note: Marked inc sts will be 1 st on each side of the center front. Last sts marked should fall just below the bottom of the V-neck shaping.

Picking Up Sts for Wrappings:

Lay sweater flat with the front of the sweater facing up. Optional: Use a 40 to 60 in. / 100 to 150 cm long circular needle (basing the length on selected garment size) to make it easier to check line of sts picked up. Pointy needles and/or using a needle a size smaller than the gauge-size needle may make it easier to pick up sts. If you opt for the smaller needle, be sure to use the gauge-size needle when working wrappings.

Advance needle by pushing tip under right leg of each st and out through center of the st, sliding picked up sts along needle. DO NOT KNIT STS:

All sts will be picked up on the circular needle before beginning to knit.

When crossing rnds while picking up sts diagonally across Front (for Wrappings 2–6), use number of rnds crossed vs number of sts in each side of Front to gauge when to switch rnds (i.e., if crossing 7 rnds, and Left Front has 57 sts, then switch rnds approx. every 8 sts).

Note: The picked up sts will be on the working needle in reverse orientation. On the first knit row, knit all sts through the back loop to avoid twisted sts.

The garment is rotated 180 degrees after picking up the stitches to knit the wrappings. As a result, the sts will appear to begin and end half a st off from the center front and sides. This does not matter.

Increases are used in wrappings to shape them to base garment, but total st counts are not required and are not provided.

Leave approx. 10 in. / 25 ½ cm tails when joining the working yarn to begin knitting. These tails will be used to tack down ends of wrappings to the face of the garment.

Wrapping 1:

With RS facing, using marked sts in Body Rnd 6 as a guide, using circular needle, and beginning with first st of the rnd (at Center Front), pick up right leg of each st in rnd to 1 st after marked dec st at right side seam, pm for SSM, pick up right leg of each st in rnd to 1 st before marked dec st at left side, pm for SSM, pick up right leg of each st in rnd to end of rnd. *Rotate work 180 degrees so the neckline edge of the garment is closest to you.*

Row 1 (RS): Beginning with last st picked up, join working yarn leaving a 10 in. / 25 ½ cm tail and knit all sts tbl. Do not join to work in the rnd.

Row 2 (WS): Purl.

Row 3 (inc): K1, M1L, knit to 1 st before right SSM, M1R, k1, sm, knit to left SSM, sm, k1, M1L, knit to last st, M1R, k1—4 sts inc.

Sizes 3 and 4 ONLY:

Work Wrapping 2 as for Wrapping 1, using marked sts in Body Rnd 15 as guide.

Wrappings 3–6: Work as for Wrappings 1 and 2, EXCEPT that each line of sts picked up will move across multiple rnds on Front, because wrappings are spaced farther apart at center Front than at sides (wrappings will remain parallel across Back): Third wrapping will move across 4 rnds; fourth will move across 7 rnds; fifth will move across 10 rnds; and sixth will move across 13 rnds.

Sizes 1 (2, -, -) [5, 6, 7] {8, 9, 10} ONLY:

Wrappings 2–6: Work as for Wrapping 1, EXCEPT that each line of sts picked up will move across multiple rnds on Front, because wrappings are

spaced farther apart at center Front than at sides: Second wrapping will move across 4 rnds; third will move across 7 rnds; fourth will move across 10 rnds; fifth will move across 13 rnds; and sixth will move across 16 rnds.

All Sizes:

Wrapping 7, Part 1:

Beginning at neckline edge at the juncture of Back and Left Sleeve, and using row of sts just below the BO edge, pick up 1 st for every BO st along Left Sleeve, pm for raglan; pick up 1 st for every two rows along Left Front neck edge using column of sts next to selvage st and ending at M placed in MIL just below base of V-neck; cont diagonally across Right Front to right center underarm (will cross 19 (19, 16, 16) [19, 19, 19] {19, 19, 19} rnds), pm for right side seam; pick up sts horizontally across back, ending at Left center underarm. *Rotate work 180 degrees so the neckline edge of the garment is closest to you.*

Row 1 (RS, inc): Beginning with the last st picked up at the Left underarm, join working yarn leaving a 10 in. / 25.5 cm tail and knit all sts tbl, CO 1 st using the Knitted cast on method. Do not join to work in the rnd—1 st inc.

Row 2 (WS, inc): Purl to end, CO 1 st using the Knitted cast on method—1 st inc.

Row 4: Purl.

Rows 5–12: Rep [Rows 3 and 4] 4 more times—16 sts inc.

With RS facing, BO all sts knitwise.

TACKING DOWN WRAPPINGS:

Beginning with Wrapping 1, use yarn tail from BO and tapestry needle to tack end of wrapping down along line of picked up sts. Overlap beginning end of wrapping over end just tacked down, and use yarn tail from CO to tack end down along next line of picked up sts.

Rep for Wrappings 2–6.

Wrapping 7:

Use tapestry needle and yarn tails from CO and BO to seam ends of Part 1 and Part 2 to form one continuous wrapping (extra sts CO at ends will be used for seam allowances).

Note: If Wrapping 7 tends to flip up at shoulders/back neck, use short lengths of yarn and tapestry needle to tack WS near BO edge of wrapping down at raglan “seams,” center of Back neck, and center of Right Front neck edge.

SLEEVE WRAPPINGS:

All wrappings are parallel to cuff and to each other, and begin and end at Center column on top of sleeve, not at the BOR on the underside of the sleeve.

Use inc and dec sts in Inc/Dec Rnds as guides; these inc and dec sts are 1 st away from the BOR and the Center column on the top of the sleeve. Do not use Sleeve Shaping Rnd inc, which are farther away from the BOR. When picking up sts for wrap, pm on each side of the BOR, adjacent to the inc sts (2 markers placed).

Wrapping 1:

Use inc and dec sts in Sleeve Rnd 6 (second Inc/Dec rnd from CO) as guides.

Wrapping 2:

Use inc and dec sts in Sleeve Rnd 15 (fifth Inc/Dec rnd from CO) as guides.

Wrapping 3:

Use inc and dec sts in Sleeve Rnd 24 (eighth Inc/Dec rnd from CO) as guides. After picking up sts for wrapping, *rotate work 180 degrees so the neckline edge of the garment is closest to you.*

Work each wrapping the same:

Row 1 (RS): Beginning with last st picked up, join working yarn leaving a 10 in. / 25.5 cm tail and knit all sts tbl. Do not join to work in the rnd.

Row 2 (WS): Purl.

Row 3 (inc): K1, M1L, knit to 1 st before M, M1R, k1, sm, k1, M1L, knit to last st, M1R, k1—4 sts inc.

Row 4: Purl.

Row 5 (inc): Knit to 1 st before M, M1R, k1, sm, k1, M1L, knit to end of row—2 sts inc.

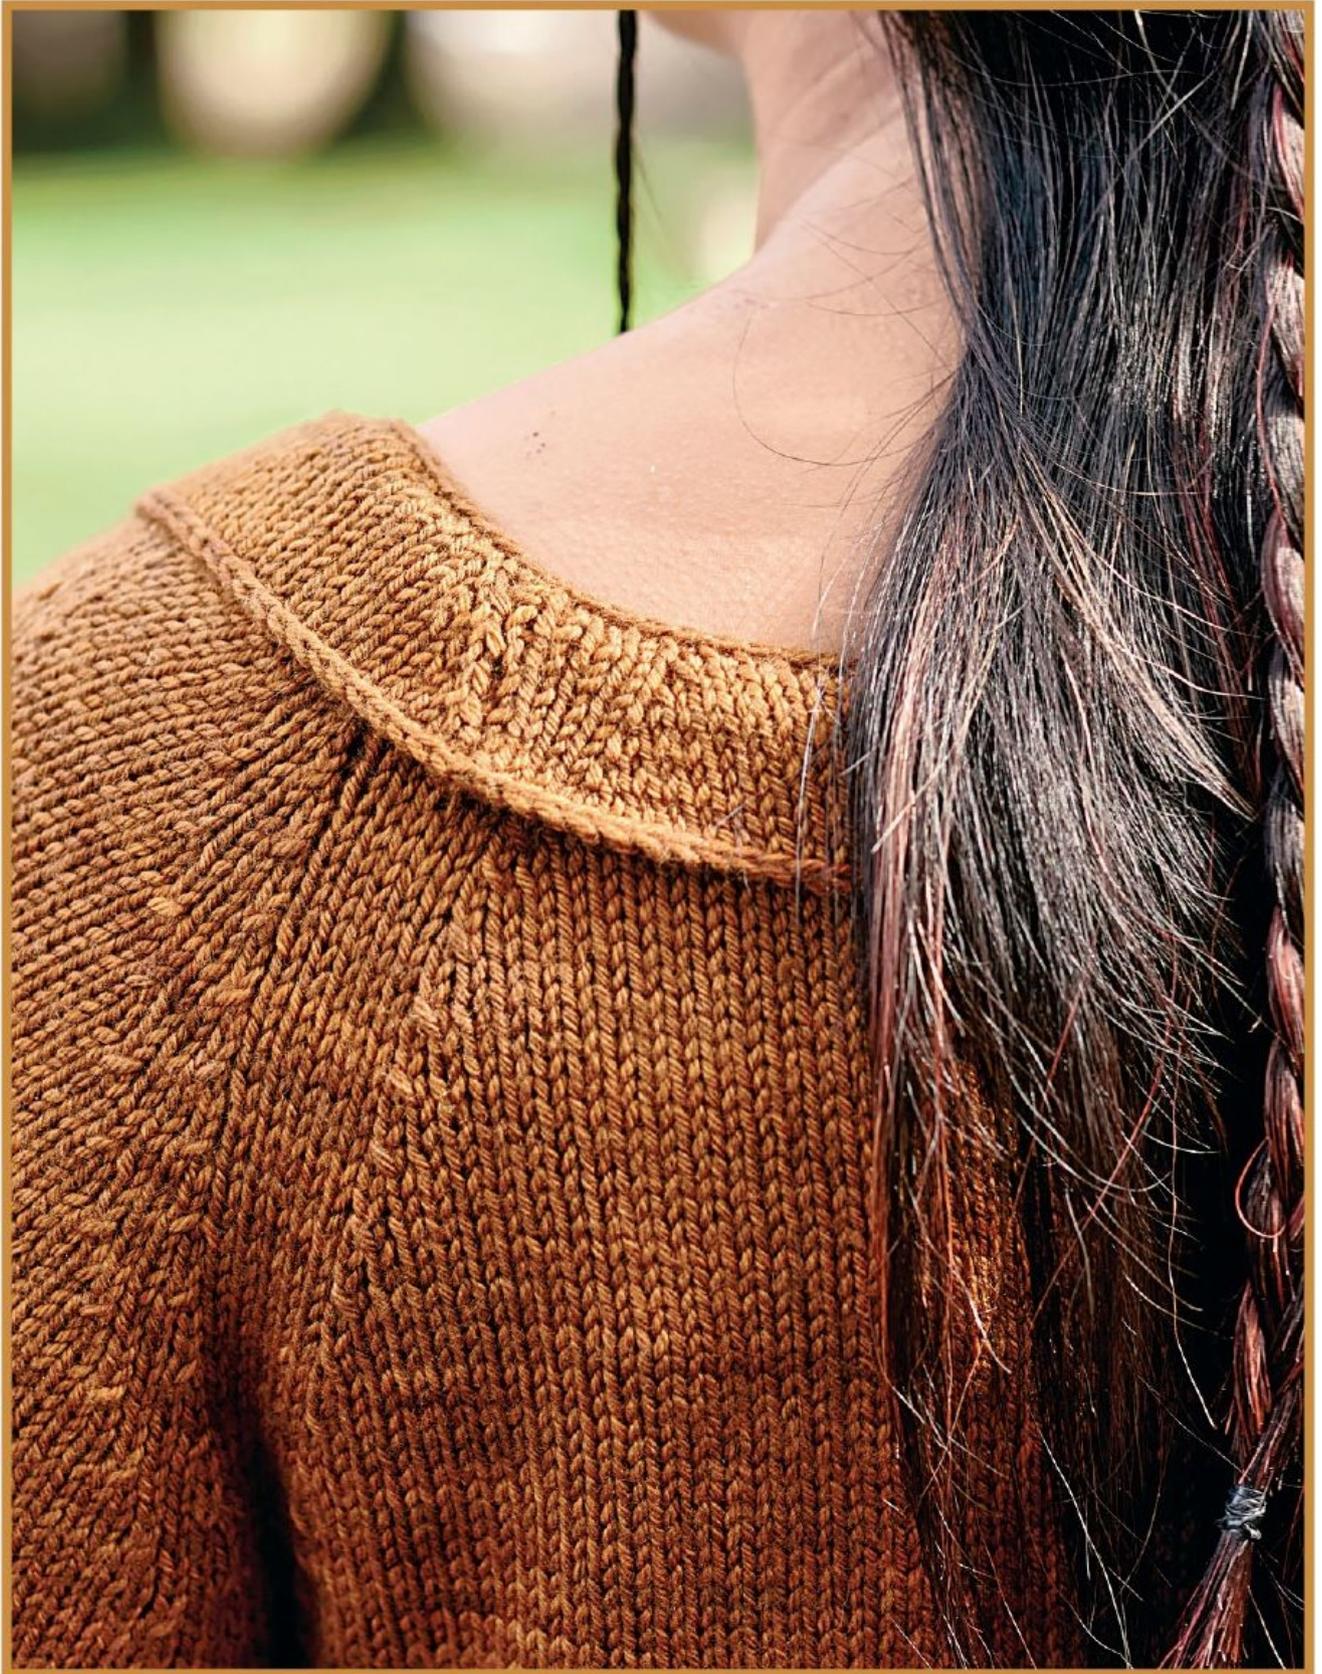

Rows 6–9: Rep [Rows 2–5] 1 time—6 sts inc.

Rows 10–12: Rep [Rows 2–4] 1 time—4 sts inc.

With RS facing, BO all sts knitwise.

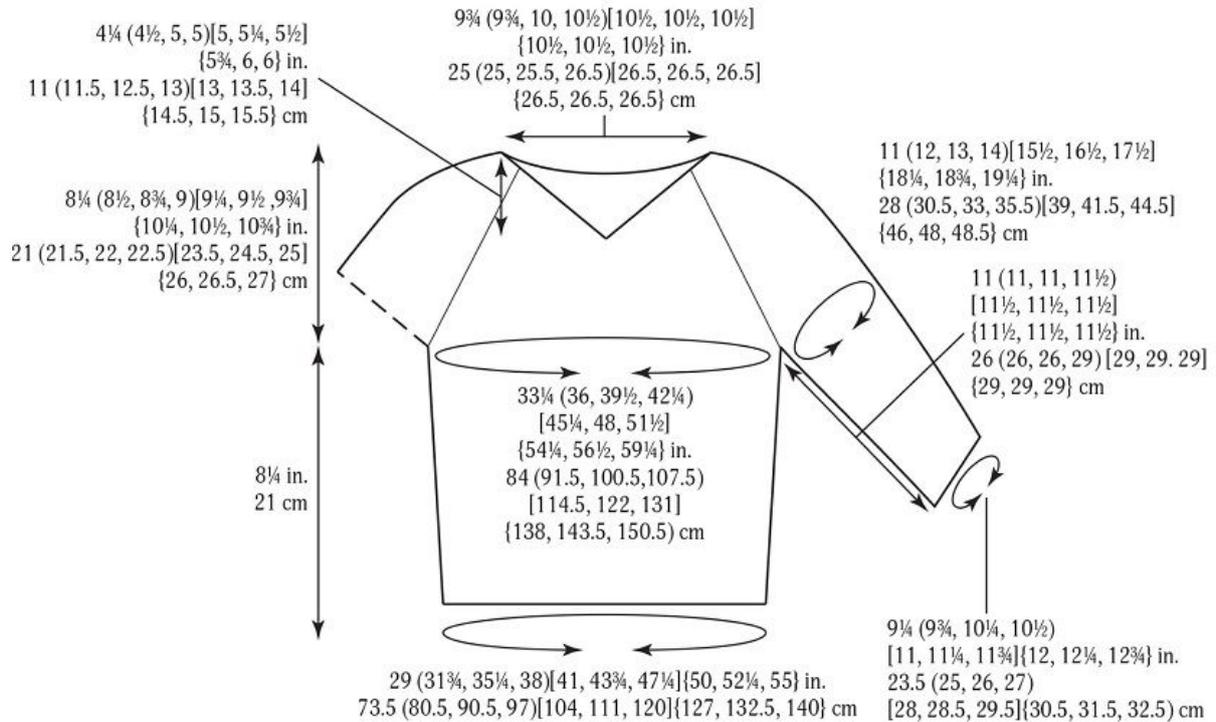

Tack down Sleeve wrappings as for Body, EXCEPT reverse direction of overlap on one sleeve, so that it is a mirror image of the other sleeve.

Weave in ends and steam block wrappings.
