## Materials needed

- 4 double-pointed needles in a size suitable for the yarn weight you are using. I recommend using needles a size or two smaller than the yarn calls for, to produce a firm fabric. I used Needles size 2 (3mm)
- Vanilla colored yarn for head
- Fluffy orange yarn for dress
- White yarn for tail

*All yarns must be the same thickness*

- Dark brown yarn for the hair
- Toy stuffing
- Yarn needle
- Stitch holder
- 2 beads for eyes
- 3 small buttons for fixing the tail

All time I am working in the round. This help avoids the ugly seams .

## Head

Knitted with vanilla colored yarn.

Cast on 6 stitches. Distribute among 3 needles and join to work in the round, being careful not to twist sts. Place marker.

## **FINISHING DOLL.**

### **Fixing head and body.**

*Use a long needle with a yard of strong thread, doubled and knotted at the end.*

Start at the underside of the body. Push the needle thru to the outside of the torso.

underside of the body. Push the needle thru to the outside of the torso.

Push the needle thru the head and out on the opposite side. Go back thru to the inside of the head taking a small stitch on the outside. Repeat this procedure thru the head and body gently pulling the thread to tighten the joint with each pass thru, one or two more times, but do not indent too deeply. End on the underside of the body. Bury the thread into the body.

*Sew on hands to the body*

## **How I am fixing arms.**

Sew arms through the body. With doubled thread, start at the underside of one of the limbs, leaving a five or six inch long tail and push the needle thru to the outside of the limb. Go back thru to the inside of the limb taking a small stitch on the outside. Push the needle thru the body and out on the opposite side. Go thru the other limb from the inside to the outside. Taking a small stitch, go back thru the limb to the inside, back thru the body and thru to the outside of the first limb. Repeat this procedure thru the limbs and body gently pulling the thread to tighten the joint with each pass thru, one or two more times, but do not indent too deeply. End on the inside between the body and the first limb. Tie off with the tail of the original thread.

*Embroider the doll hair.*

*Sew on hood to the body*

*Sew on ears to the hood*

*Sew on 3 buttons to the bottom line of the body for fixing the tail in the different positions.*

*Sew on beads for eyes.*

*Apply orange blush .*

That's all 8)))
