PART5 Collar Cuffs E

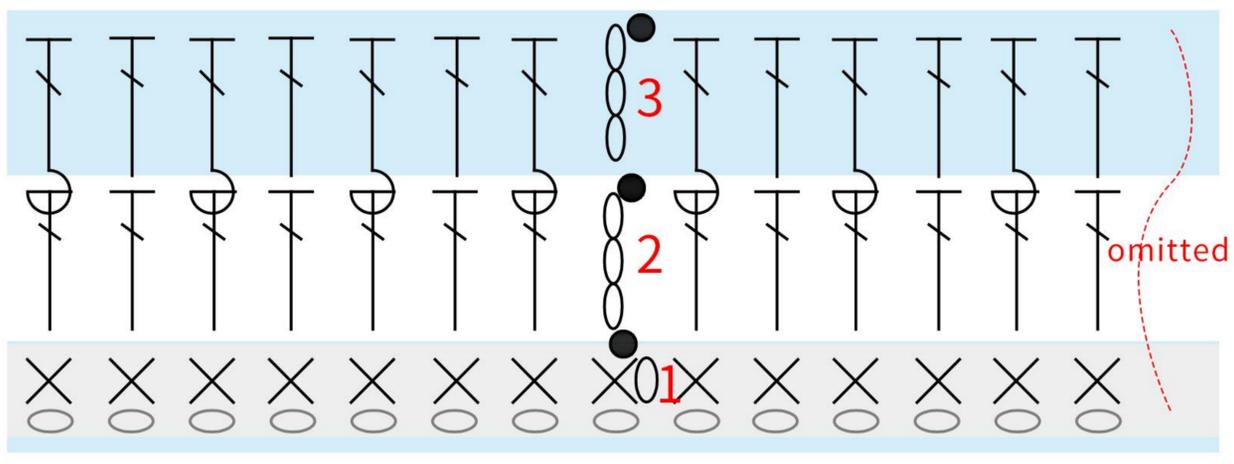

The collar is picked up stitches along the front and back neckline positions, working back and forth. The cuff is picked up 1 or 2 strands of the sleeves cast on stitches to join the yarn, then work in rounds. The method of rest is the same as for the neckline. Please refer to the video demonstration for more details.

Video 03' 00"  (Part 2)

Note: The collar, cuffs, hem, and front bands are all crocheted in (38#Pink Carnation).

Cuffs

PART6 Hem

F

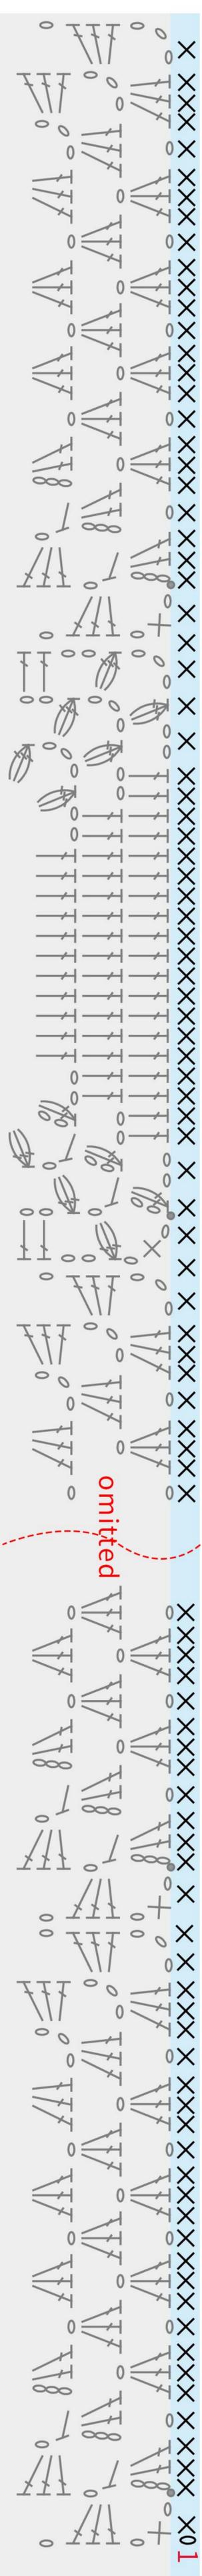

Video

09' 58"

(Part 2)

The crocheting method and collar are basically the same, starting by picking up stitches at the edges and corners of the piece, then crocheting back and forth. Please refer to the video demonstration for more details.

Note: After completing the first row of knit stitches, the crochet method and collar in rows 2-5 are the same; similarly, the pattern of knit stitches can be adjusted as needed, with odd numbers after knitting, ensuring the fabric is flat.

PART7 Front band

G

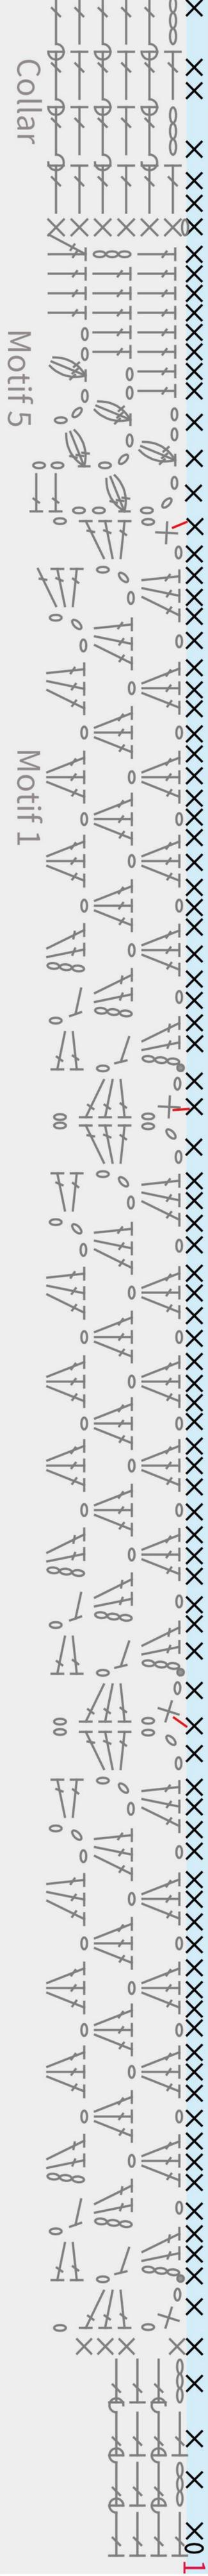

Video

10' 21"

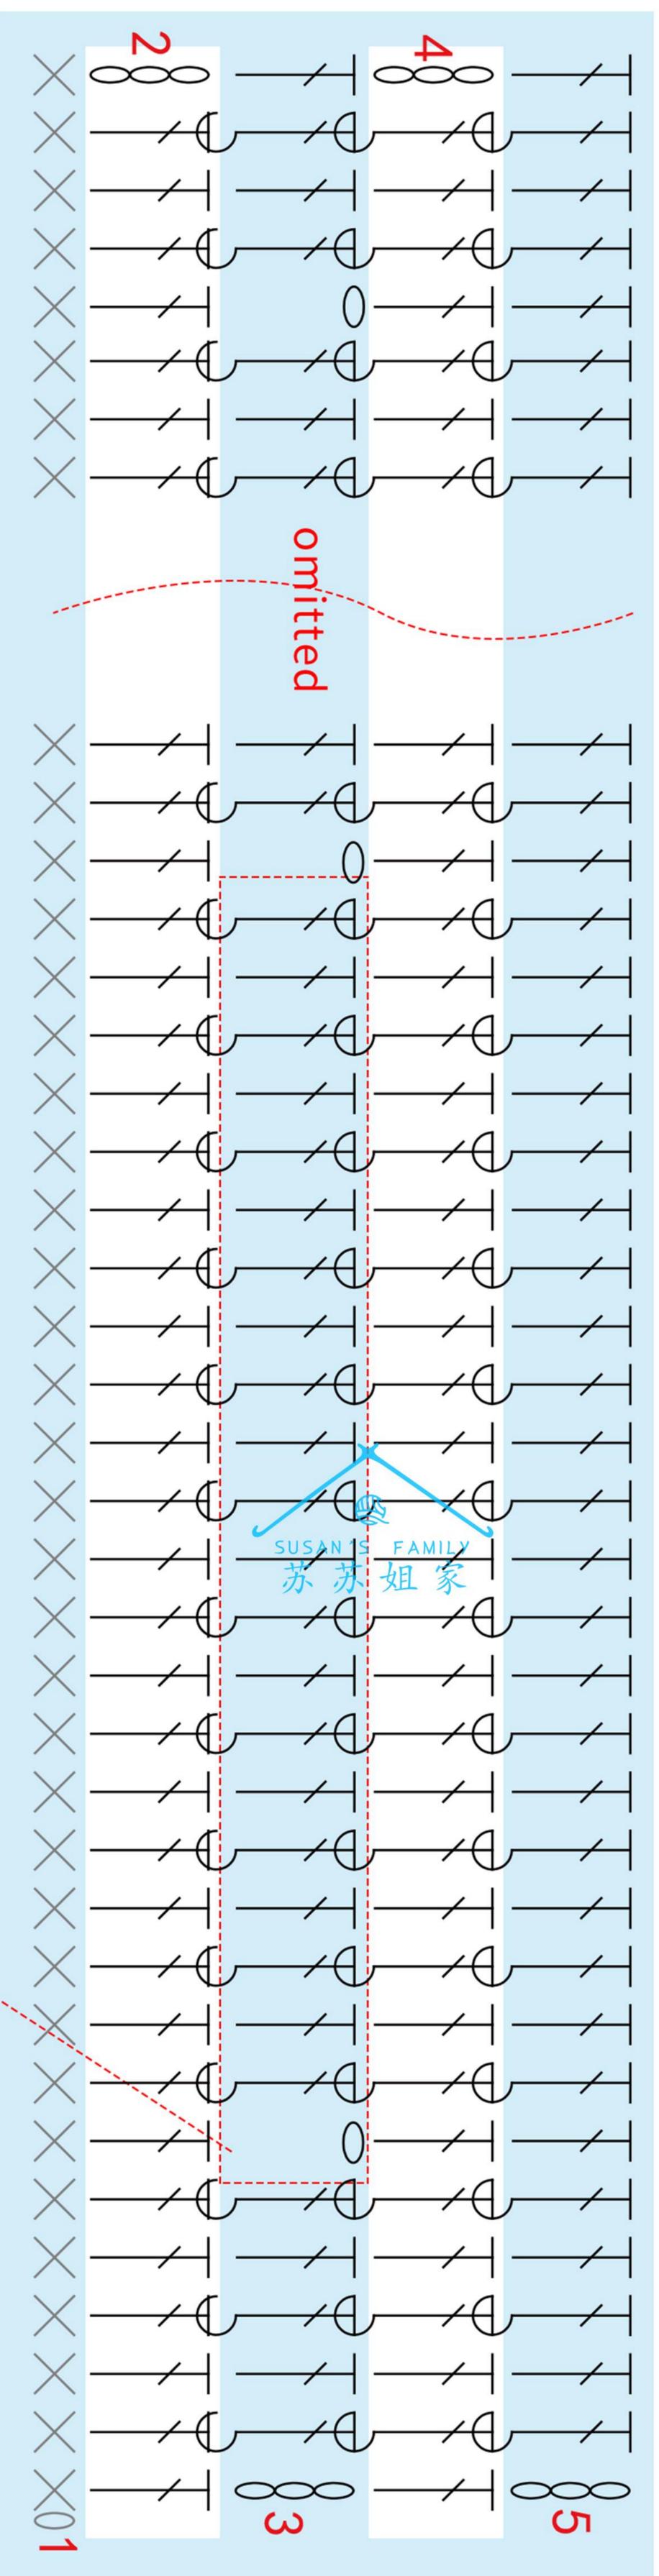

(Part 2)

For the button band on the left and right front bodies, hem, and collar placement, pick up stitches. When crocheting the right button band, remember to crochet buttonholes. The left button band does not require buttonholes. After picking up stitches, crochet back and forth as usual. Please refer to the video demonstration for more details.

Note: The number of stitches picked up on the other side of the front band is roughly the same, and the pattern of picking up stitches for the front band can also be adjusted as needed.

Note: There are a total of 5 buttonholes, skip 21 stitches to make an buttonhole.

PART8 Decorations H

The decoration is made up of leaves, small flowers, tulips, fried eggs, a teddy bear and buttons. Except for the bear brooch and buttons, everything else is crocheted first and then stitched together. You can also choose your desired brooch, please refer to the video demonstration for more details.
