GLOWHAIR FROST SHAWL

BY STEPHEN WEST

This large semi-circular shawl is knit top-down with a collage of lace stitches and simple textures. Gather three colors of fingering weight yarn in a colorful fade or gradient from light to dark, then add three coordinating colors of lace weight mohair from light to dark. The three mohair accents are held together with the lightest color at the beginning of the shawl in a beautiful dip stitch pattern. The mohair colors are also used on their own with decorative eyelets and stripes in the border. This subtle mohair frost gives a beautiful halo and silky sheen to the fabric. The lace patterns feature delightful details like twisted ribbing, cables, and bold geometric formations. A chevron border frames the shawl for a dramatic final edge.

If you want to add more border stripes, you can repeat 17 – 24 using other CC's or colors A, B, & C. If you decide to knit more border rows, then I recommend using a kitchen scale to help weigh your yarn, so you don't run out of yarn during a stripe. Weigh a color before knitting, then work 1 row to know how many grams 1 row requires for your shawl. This will help determine how many extra stripes you can create. Make sure to leave enough yarn for an I-cord BO.

FINISHING

Using C, BO all sts on the next RS row using an I-cord BO. Watch this Westknits video to assist with the I-cord Bind Off.

I-cord BO: *K2, k2tog tbl, sl3 sts onto left needle; repeat from * to last 3 sts. 6 final sts remain.

Break yarn leaving an 8″ / 20cm tail. Place the first 3 sts onto your right needle and the last 3 sts onto your left needle with the purl bumps facing each other and both needles pointing to the right. Graft the remaining 6 sts together.
