ACKNOWLEDGMENTS

This book would not have been possible without the help of many wizards. First and foremost, thank you to all the designers for sharing their magic spells and to all the editors who understand the mysterious ways that books get made. Special thanks to Jean, the technical editor, for doing a miraculous job standardizing patterns from such a wide and varied range of designers and to the other reviewers who jumped in at the end with their circled spectacles to lend us another pair of eyes. Thanks also to my wonderful knitting buddies Johanna, Colleen, and Lisa, who eagerly whipped out their magic needles to help knit samples.

A Hagrid-sized thank you is owed to my husband and two boys, who not only put up with yarns, projects, and boxes spilling out of the cupboard under the stairs for six months but also my repeatedly disappearing while finishing the book.

Final thanks go to the entire online knitting community, which has fueled the huge knitting phenomenon of recent years and helped create a full and fantastic world of Harry Potter knitting. And, of course, to J.K. Rowling for inspiring us all with her wonderful vision of a world where knitting needles can work magic.

ABOUT THE AUTHOR

Alison Hansel is a popular knitting blogger whose daily knitting-related missives can be read on the blue blog at alison.knitsmiths.us. She started knitting in 2001 while on bed rest with her twins and started blogging about it in 2002, when those twins let her start knitting again. She became an avid Harry Potter fan after seeing those Weasley twins and those Weasley sweaters in the first movie and has since designed several Potter-inspired patterns as well as hosted several highly popular Weasley knit-alongs on her blog. She occasionally knits other things (like socks for her Sockapalooza sock exchanges) but always finds herself drawn back to scarlet and gold before long. She has published patterns in the popular online knitting magazines *MagKnits* and *Knitty.com* and in the recently published *Big Girl Knits* and forthcoming *Handpainted Yarns*.

Alison lives in Boston, with her husband, who thankfully is as patient and understanding as Richard Harris's Dumbledore, her twin boys, who have no idea what the H on their sweaters really stands for, and a baby girl on the way, whom her husband will very sensibly not let her name Fred.

INTRODUCTION

It may at first seem surprising that the magical world J.K. Rowling creates in the Harry Potter series is filled with knitting. In each book, we catch another glimpse of one of her characters taking up the needles: Hagrid knits something huge and yellow while escorting Harry to Diagon Alley for the first time; Mrs. Weasley charms up sweaters for her entire clan every year; Hermione learns to knit in an attempt to free the Gryffindor house-elves with hats and scarves; Dobby saves his money to buy yarn and knit Christmas socks for Harry; and even Dumbledore admits that he enjoys reading a good knitting pattern! Gradually, one begins to sense that the rather humble craft of knitting is somehow at home in this fantastical world full of magical mirrors and maps, flying brooms and floo powder, and mind-boggling time-turners and portkeys.

But why should we be surprised to find that there just might be a genuine connection between the traditional art of knitting and the ancient art of magic? Isn't knitting itself a form of alchemy: giving form to fiber, shaping yarn into useful objects, conjuring a sweater from a sheep's wool? A knitting pattern, much like a magic spell, is a set of instructions for transfiguration, a set of phrases and commands that appear mysterious to uninitiated Muggles but to students of the art reveal a process of metamorphosis as magical as any in the wizarding world.

Perhaps this is why Rowling's rich world, with its combination of the traditional and the fantastic, has been such an inspiration to so many knitters. The books and films have inspired people to learn to knit so they can make their own genuine house scarves or sweaters. And they've also inspired knitters to start designing. From sweaters to cellphone cozies, knitters have designed dozens of unique, imaginative items drawn from what they've read in the books or seen in the movies. This book has grown from that spirit and brings together some of the best of those now almost cult patterns, along with a host of new ones.

There are designers here whose names you will recognize from knitting publications or the Internet, and there are also many fans-turned-designer whose names may be new to you. But because they are all fans, you can be sure that their patterns reflect a love for the characters and a respect for the marvelous world Rowling has created. They just may transport you into that magical world through knitting.

A Journey of Stitchcraft and Wizardry

This book takes us on a knitting journey through the world of Harry Potter. It begins where Harry begins every year—with a visit to the Burrow. Who else could usher us into this new world of stitchcraft but the mother knitter herself, Mrs. Weasley? In the “Weasley Knits” section, we get a first look at the wonders this world has to offer, and, in true Weasley style, the patterns range from functional to funky to full-on fantastic. Up next is a trip to Diagon Alley

Weasley Knits

When the Weasley welcome wagon comes wheeling over to Harry at the entrance to Platform 9³/₄, we know he's in for a wonderful journey. The Weasleys are Harry's introduction to the magical world, and Mrs. Weasley, as an avid knitter, serves as our introduction to the world of Harry Potter knitting. She is an inspiration for knitters, both magical and Muggle. From her holiday jumpers to her own colorful knitwear, she teaches us that while wizards may not need telephones or cars, they can always use a handknit sweater.

These patterns take us on a trip to the Burrow, where we find not only the now-classic Weasley sweater and Molly's outrageous ruffled housecoat, but also her special bag of stitch witchery and the incredible clock she uses to keep track of her brood. And the Burrow wouldn't be complete without the Weasleys' shabby old owl, Errol! These uncommon, funky knits capture the style of the entire Weasley family and show that wizard knitting can be as strange and as marvelous as you can imagine.

THE WEASLEY SWEATER

Designer - Alison Hansel • *Pattern Rating - First Year*

Weasley sweaters for everyone! Just like the sweaters Mrs. Weasley made for her kids and Harry for Christmas in the first movie, this simple oversized sweater is knit in a tweedy yarn with an initial on the front. The sweater is a basic, drop-shoulder style, with sleeves knit down from the body of the sweater so there's minimal seaming. And because it's knit at such a comfortable gauge and is oversized, this project is great for a beginner charming up a sweater for the first time. The initial can even be worked into the front with duplicate stitch! The soft and rather luxurious tweedy cashmere blend balances the intentional homeliness of the sweater: It may have the look of Weasley clothes, but it feels divine! And don't worry about it being perfect—Molly wouldn't.

Back

With color A, CO 50 (58, 66, 74, 82, 90, 98, 106) sts.

Work in St st, as described in the stitch guide, until piece measures 13 (16, 20, 24, 26, 28, 30, 32)" [33 (40.5, 51, 61, 66, 71, 76, 81.5) cm] from CO edge (uncurl lower edge to measure correctly), ending with a WS row completed.

Shape Shoulders

Next row (RS): BO 15 (17, 20, 22, 25, 27, 30, 32) sts, knit to end.

Next row (WS): BO 15 (17, 20, 22, 25, 27, 30, 32) sts, purl to end.

Place rem 20 (24, 26, 30, 32, 36, 38, 42) sts on st holder for the neck.

Mark beg of armhole by measuring 6 (7½, 9, 10, 11, 12, 13, 14)" [15 (19, 23, 25.5, 28, 30.5, 33, 35.5) cm] down from each shoulder and tying scraps of yarn through the edge st at each end of row to use as markers.

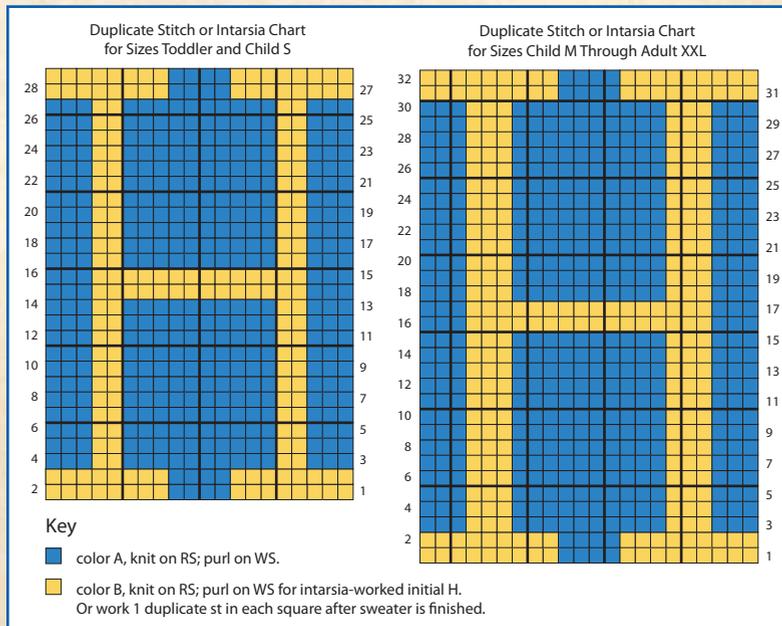

Front

Work as for back until piece measures 4½ (6½, 9½, 12½, 13½, 15½, 16½, 18½)" [11.5 (16.5, 24, 31.5, 34.5, 39, 42, 47) cm] from CO edge (uncurl lower edge to measure correctly), ending with a WS row completed.

At this point, you need to decide whether to add the H now, using the intarsia method, or continue knitting in color A and add the H later, using duplicate stitch.

Adding H with Duplicate Stitch Only

If you plan to add the initial H later by using duplicate stitch, continue knitting in St st until piece measures 10½ (13, 17½, 20½, 22, 24, 25½, 27½)" [26.5 (33, 44.5, 52, 56, 61, 65, 70) cm] from CO edge (uncurl edge to measure correctly), ending with a WS row completed.

Finished Size

Toddler (Child S, Child M, Child L/Adult S, Adult M, Adult L, Adult XL, Adult XXL)

To fit chest: 20 (24, 28, 32, 36, 40, 44, 48)" [51 (61, 71, 81.5, 91.5, 101.5, 112, 122) cm]

Circumference: 24 (28, 32, 36, 40, 44, 48, 52)" [61 (71, 81.5, 91.5, 101.5, 112, 122, 132) cm]

Length: 13 (16, 20, 24, 26, 28, 30, 32)" [33 (40.5, 51, 61, 66, 71, 76, 81.5) cm]

Sample shown: Size Child M

Note: This sweater includes a lot of ease because it looks so great oversized!

Stitch Guide for This Project

Stockinette Stitch (St st)
Worked in Rows

Row 1 (RS): Knit.

Row 2 (WS): Purl.

Rep rows 1 and 2.

Double Rib (2x2) Worked in Rows over a Multiple of 4 Sts Plus 2

Row 1: *K2, p2; rep from * to last 2 sts, k2.

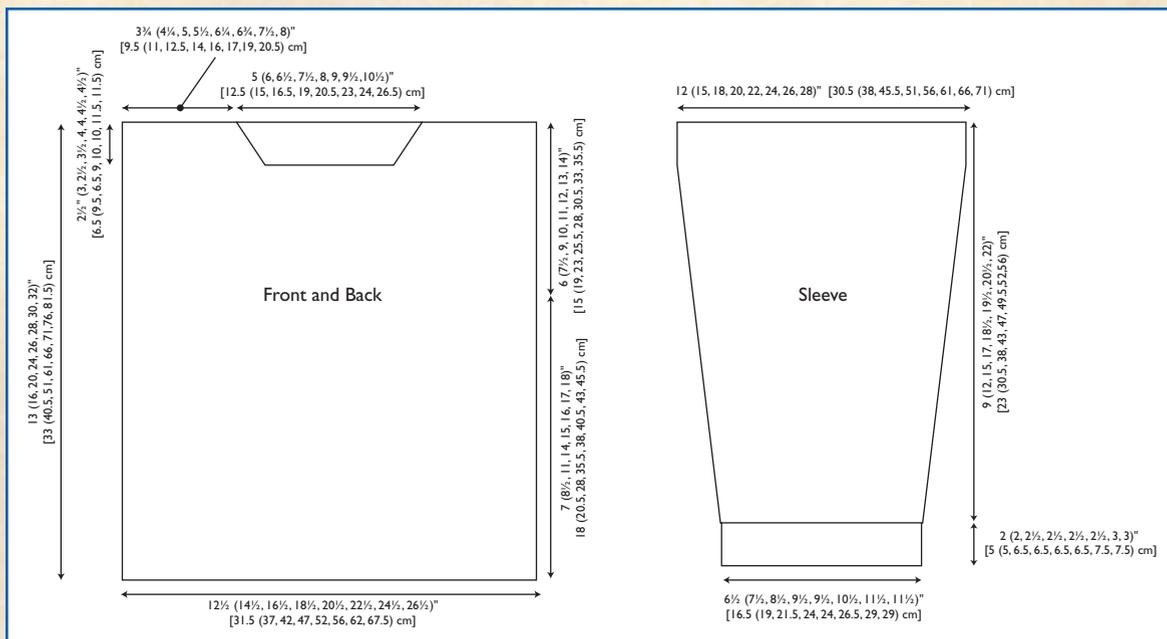

Row 2: P2, *k2, p2; rep from * to end of row.

Rep rows 1 and 2.

Stockinette Stitch (St st)
Worked in Rounds

Knit all sts.

Adding H with Intarsia Method Only

To knit the initial H using the intarsia method, center the H as follows:

Row 1 (RS): K15 (19, 22, 26, 30, 34, 38, 42) sts in color A, then follow row 1 in the appropriate color chart (see page 3) for the size you're making, joining new ball of yarn for each separate color and twisting the yarns around each other when switching colors to avoid gaps in the work.

Continue following chart over the center 20 (20, 22, 22, 22, 22, 22) charted sts. When chart row 1 is complete, join new ball of color A and knit rem 15 (19, 22, 26, 30, 34, 38, 42) sts.

When the charted rows are finished, continue working in St st with color A only until piece measures 10 1/2 (13, 17 1/2, 20 1/2, 22, 24, 25 1/2, 27 1/2)" [26.5 (33, 44.5, 52, 56, 61, 65, 70) cm] from CO edge (uncurl edge to measure correctly), ending with a WS row completed.

Shape Neck Opening

Next row (RS): K31 (36, 40, 45, 49, 54, 59, 64), slip last 12 (14, 14, 16, 16, 18, 20, 22) sts worked onto stitch holder for center neck, k19 (22, 26, 29, 33, 36, 39, 42).

Work right shoulder (as worn) sts only:

Row 1 (WS): Purl to last 3 sts before neck opening, p2tog, p1—18
(21, 25, 28, 32, 35, 38, 41) sts rem.

Row 2 (RS): K1, k2tog, knit to end of row—17 (20, 24,
27, 31, 34, 37, 40) sts rem.

Rep last 2 rows 0 (0, 1, 1, 2, 2, 2, 3) times more—17 (20,
22, 25, 27, 30, 33, 34) sts rem.

Next row (WS): Purl.

Next row (RS): K1, k2tog, knit to end of row—
16 (19, 21, 24, 26, 29, 32, 33) sts rem.

Rep these 2 rows 1 (2, 1, 2, 1, 2, 2, 1) times more—15 (17, 20, 22, 25, 27, 30, 32) sts rem.

Continue in St st without further shaping until piece measures 13 (16, 20, 24, 26, 28, 30, 32)" [33
(40.5, 51, 61, 66, 71, 76, 81.5) cm] from CO edge (uncurl edge to measure correctly), ending with a
RS row completed.

Next row (WS): BO rem 15 (17, 20, 22, 25, 27, 30, 32) sts pwise.

Join yarn at armhole edge of left side (as worn) and shape neck and shoulders as for right side, revers-
ing all shapings, as follows:

Row 1 (RS): Knit to last 3 sts before neck opening, ssk, k1—18 (21, 25, 28, 32, 35, 38, 41) sts
rem.

Row 2 (WS): P1, p2tog, purl to end of row—17 (20, 24, 27, 31, 34, 37, 40) sts rem.

Rep these 2 rows 0 (0, 1, 1, 2, 2, 2, 3) times more—17 (20, 22, 25, 27, 30, 33, 34) sts rem.

Next row (RS): Knit.

Next row (WS): P1, p2tog, purl to end of row—16 (19, 21, 24, 26, 29, 32, 33) sts rem.

Rep these 2 rows 1 (2, 1, 2, 1, 2, 2, 1) times more—15 (17, 20, 22, 25, 27, 30, 32) sts rem.

Continue in St st without further shaping until piece measures 13 (16, 20, 24, 26, 28, 30, 32)" [33
(40.5, 51, 61, 66, 71, 76, 81.5) cm] from CO edge (uncurl edge to measure correctly), ending with a
WS row completed.

Next row (RS): BO rem 15 (17, 20, 22, 25, 27, 30, 32) sts.

Mark beg of armhole by measuring 6 (7½, 9, 10, 11, 12, 13, 14)" [15 (19, 23, 25.5, 28, 30.5, 33, 35.5)
cm] down from each shoulder and tying a spare scrap of yarn around edge st.

Sew shoulder seams together using backstitch (see page 159) or grafting (see page 160).

Sleeves

With RS facing, pick up 48 (60, 72, 80, 88, 96, 104, 112) sts between front and back armhole markers on one side of body.

Beg with WS row, work in St st for 5 (9, 11, 11, 11, 11, 9, 3) rows.

Sleeve Decreases

Dec row (RS): K1, k2tog, knit to last 3 sts, ssk, k1—46 (58, 70, 78, 86, 94, 102, 110) sts.

Rep dec row every 4th row 10 (14, 18, 20, 24, 26, 28, 32) times more—26 (30, 34, 38, 38, 42, 46, 46) sts.

Work even until sleeve measures 9 (12, 15, 17, 18½, 19½, 20½, 22)" [23 (30.5, 38, 43, 47, 49.5, 52, 56) cm], ending with a WS row completed.

Cuff

Row 1 (RS): *K2, p2; rep from * to last 2 sts, k2.

Row 2 (WS): P2, *k2, p2; rep from * to end of row.

Rep rows 1 and 2 until cuff measures 2 (2, 2½, 2½, 2½, 2½, 3, 3)" [5 (5, 6.5, 6.5, 6.5, 6.5, 7.5, 7.5) cm]. BO in patt.

Work second sleeve same as first.

Neck

Return back neck sts to needle, join new yarn at right edge (as worn) of back neck, and, with 16" [40 cm] circular needle, knit across 20 (24, 26, 30, 32, 36, 38, 42) sts from back neck. Pick up and k10 (12, 14, 14, 16, 16, 18, 18) sts along left side of neck. Place 12 (14, 14, 16, 16, 18, 20, 22) front neck sts on needle and knit across sts. Pick up and k10 (12, 14, 14, 16, 16, 18, 18) sts along right side of neck—52 (62, 68, 74, 80, 86, 94, 100) sts.

Pm to note beg of rnd and join in a circle, being careful not to twist sts. Knit every rnd for 2 (2, 2, 2½, 2½, 2½, 3, 3)" [5 (5, 5, 6.5, 6.5, 6.5, 7.5, 7.5) cm]. BO loosely.

Finishing

Block all pieces to size, according to yarn manufacturer's instructions.

If you did not use the intarsia method, add initial with duplicate st (see page 157).

Sew side and sleeve seams using mattress st (see page 160).

Weave in all rem ends.

MRS. WEASLEY'S BAG OF STITCH WITCHERY

*Designer - Alison Stewart-Guinee ☉
Pattern Rating - Ordinary Wizarding Level*

Here's the bag that Molly reaches for as she heads out of the Burrow. It is big enough to hold everything a witch on the go might need: wand, clock (for keeping track of loved ones), and, of course, knitting. Although the pattern looks complicated, a little stitch witchery makes this piece a joy to knit. The color-work sections are knit as four separate panels in slipstitch patterns. This means only one strand of yarn is in use at any given time. The panels are joined together with a variation of a three-needle bind-off, and from there, stitches are picked up and knitted in the round to form the base and the top edge of the bag. Voila . . . no seams—it's like magic!

Instructions

Center Front and Back Panels

Note: Make two panels the same—one for the back and one for the front.

CO 45 sts with color C. Purl 1 row. Then work as follows:

Row 3: With color A, k1, *sl 1 wyib, sl 1 wyif, sl 1 wyib, k5; rep from * to end of row, ending last rep with k1 instead of k5.

Row 4: With color A, k1, *sl 1 wyif, sl 1 wyib, sl 1 wyif, k1, p3, k1; rep from * to last 4 sts, sl 1 wyif, sl 1 wyib, sl 1 wyif, k1.

Rows 5 and 6: With color C, rep rows 1 and 2.

Rows 7 and 8: With color D, rep rows 3 and 4.

Rows 9 and 10: With color A, rep rows 1 and 2.

Rows 11 and 12: With color C, rep rows 3 and 4.

Rep these 12 rows 9 times more. Do not BO sts; instead, cut yarn, leaving an 8" [20.5cm] tail, and transfer work to a holder.

Note: The sts on the holders will form the foundation round of the facing at the top edge of the bag.

Side Panels

Note: Make two side panels the same.

CO 65 sts with color A. Then work as follows:

Row 1 (RS): With color C, k2, *[k1, yo, k1] in the next st, k3; rep from * to end of row, ending last rep with k2 instead of k3—97 sts.

Row 2: With color A, p2, *sl 3 wyif, p3; rep from * to end of row, ending last rep with p2 instead of p3.

Row 3: With color A, k1, *k2tog, sl 1 wyib, ssk, k1; rep from * to end of row—65 sts.

Row 4: With color C, p4, *sl 1 wyif, p3; rep from * to last st, p1.

Row 5: With color C, k4, *[k1, yo, k1] in the next st, k3; rep from * to last st, k1—95 sts.

Row 6: With color A, p4, *sl 3 wyif, p3; rep from * to last st, p1.

Row 7: With color A, k3, *k2tog, sl 1 wyib, ssk, k1; rep from * to last 2 sts, k2—65 sts.

Row 8: With color C, p2, *sl 1 wyif, p3; rep from * to end of row, ending last rep with p2 instead of p3.

Rep rows 1–8 until the length of this panel matches that of the center panels. Do not BO sts. Cut yarn, leaving an 8" [20.5 cm] tail, and place sts on a holder.

Note: The sts on the holders will form the foundation round of the facing at the top edge of the bag.

Gauge

21 sts and 24 rows = 4" [10 cm] in slip st pattern using size 5 [3.75 mm] needles

Finished Size

Height: 11" [28 cm]

Width: 18½" [45.5 cm]

Base: 6" x 17" [15 cm x 43 cm]

Stitch Guide for This Project

Garner Stitch Worked in Rounds

Rnd 1: Knit.

Rnd 2: Purl

Rep rnds 1 and 2.

Note: This pattern uses some crochet techniques. For instructions on how to accomplish the basic crochet stitches, please see the appendix "Special Knitting Techniques."

Note: While seams are usually worked on the inside of the work, the little ridge formed by binding off on the outside of the piece mimics the garter st pattern nicely and is preferable in this case.

Finishing

Weave in all rem loose ends.

Unlined Bag

Fold facing over at the turning ridge and whipstitch (see page 160) sew into place.

Note: If omitting the lining, consider sewing ribbon or bias tape into the facing of your bag for added strength and to ensure that the weight of the handles doesn't stretch out your knitting.

Lined Bag (Optional)

The sample bag shown here is lined with quilted fabric and heavy-weight interfacing. This gives the bag added stability and helps the sides hold their shape.

Before you can line the bag, you need to measure the bag's width (from side to side), height (from the turning ridge of the base to the turning ridge of the facing), and depth (the short side of the base).

The lining for this bag is not square, so it's a good idea to make a template for it. The width at the top of the bag is less than that at the bottom, so you need to make a template that is the height of your bag. Use the width measurement for the top edge of your template. The bottom edge of your template should measure the total of the width plus the depth. Thus, the sides of the template angle in from bottom to top.

Cut out two thicknesses of lining and interfacing using the template. Remember to add a ½" [1.3 cm] seam allowance when cutting the sides and the bottom of the lining (no seam allowance is needed for the top). Sandwich the lining such that the lining fabric is together, with RS facing each other and the interfacing on the outside. Sew around the three sides, forming a pocket, with an opening at the top. Press the seam allowances open. Shape the lining base into a rectangle by bringing the bottom corners of the pocket up onto the side seams and tacking them in place. To determine how high to position the corners, divide the bag's depth measurement in half. The resulting number is the level at which each corner should be positioned. For instance, if the depth of your bag is 6" [15 cm], position the bottom corners 3" [7.5 cm] up the side seam from the base. Sew the lining in place. Turn the bag right-side-out so the lining is inside the bag. Sew the top of the lining to the top edge of the bag (along the side of the turning ridge). Fold the bag facing over the raw edge of the lining and sew in place.

To help maintain the bag's shape at its base, make an insert by cutting a piece of stiff interfacing to size and, if desired, covering it by sewing on a sleeve of the lining fabric.

Handles

Use embroidery floss to sew handles to the bag and facing.

Left Front

Using color A, CO 50 (55, 60) sts.

Work in St st until piece measures $12\frac{1}{2}$ (13, $13\frac{1}{2}$)" [31.5 (33, 34.5) cm] or desired length from CO edge, ending with a WS row completed.

Armhole Shaping

Begin armhole shaping as follows:

Next row (RS): BO 8 (9, 10) sts, knit to end of row—42 (46, 50) sts.

Next row (WS): Purl.

Continue armhole shaping as follows:

Row 1 (RS): K2, ssk, knit to end of row—41 (45, 49) sts.

Row 2 (WS): Purl.

Rep last 2 rows 6 (7, 9) times more—35 (38, 40) sts.

Work even until front measures 18 (19, 20)" [45.5 (48.5, 51) cm] from CO edge, ending with a RS row completed.

Neck Shaping

Next row (WS): BO 7 (8, 8) sts at neck edge, purl to end of row—28 (30, 32) sts.

Continue neck shaping as follows:

Row 1 (RS): Knit to last 4 sts, k2tog, k2—27 (29, 31) sts.

Row 2 (WS): Purl.

Rep last 2 rows 7 (8, 8) times more—20 (21, 23) sts.

Work even in St st until armhole measures $8\frac{1}{2}$ (9, $9\frac{1}{2}$)" [21.5 (23, 24) cm], ending with a WS row completed.

Special Techniques for This Project

2-dc Cluster

[Yo, insert hook into next st, yo, and draw up a loop, yo and draw through 2 loops] in each of next 2 sts, yo and draw through all 3 loops on hook.

3-dc Cluster

[Yo, insert hook into next st, yo and draw up a loop, yo and draw through 2 loops] in each of next 3 sts, yo and draw through all 4 loops on hook.

5-dc Cluster

[Yo, insert hook into next st, yo and draw up a loop, yo, and draw through 2 loops] in each of next 5 sts, yo and draw through all 6 loops on hook.

5-tr Cluster

[Yo twice, insert hook into next st, yo and draw up a loop, (yo, draw through 2 loops) twice] in each of next 5 sts, yo and draw through all 6 loops on hook.

Rep last 2 rows 7 (8, 8) times more—20 (21, 23) sts.

Work even in St st until armhole measures 8½ (9, 9½)" [21.5 (23, 24) cm], ending with a RS row completed.

Shoulder Shaping

Shape shoulders as follows:

Row 1 (WS): BO 7 (7, 8) sts, purl to end of row—13 (14, 15) sts.

Row 2 (RS): Knit.

Rep last 2 rows once more—6 (7, 7) sts.

BO rem 6 (7, 7) sts.

Sleeves

Note: To work the sleeves, start with the upper cap, working from the center out. Then work the lower cap section in rows, beginning several rows below the beginning of armhole shaping, proceeding upward toward the upper cap. This section is seamed to the upper cap later, after completion. Finally, work the sleeve from the lower cap down to the wrist, in rounds. When working the sleeves, it is much easier to weave in the ends as you go than to wait until the end. Believe me, you'll thank yourself later!

Upper Cap Section

Note: When instructed to join new yarn color, cut yarn of previous color, leaving 8" [20.5 cm] tail, and fasten off, unless instructed otherwise.

With color E and crochet hook ch 6 and join into rnd with sl st.

Rnd 1: Ch 3, then work 14 dc into center of rnd, sl st to top of ch-3 to join—15 dc, including ch 3.

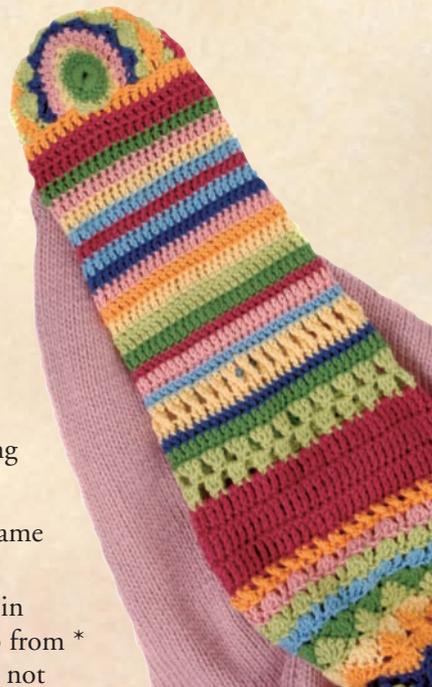

Rnd 2: Join color F to top of ch-3 of previous rnd. Ch 2, sc in each dc, sl st to top of ch-2 to join—15 sc.

Rnd 3 (RS): Join color H to top of 4th sc from ch-2. Ch 3, then work [1 dc in each sc] 11 times, leaving rem 4 sts unworked—12 dc, including ch-3. Do not turn work.

Note: From this point, you'll be working in rows, always joining new yarn at the far end and working with the RS facing.

Row 4 (RS): Join color B to top of ch-3. Ch 3 then 1 dc in same st, work 2 dc in each dc—24 dc. Do not turn work.

Row 5: Join color C to top of ch-3. Ch 4, *skip next st, 1 dc in next dc, ch 1, then dc into previous (skipped) dc, ch 1; rep from * 11 times more, dc into last dc—26 dc, including ch-3. Do not turn work.

Row 6: Join color F to 3rd ch of ch-4. Ch 3, work 2 dc into same st, *skip 2 sts, sc into next ch-1, skip 2 dc, 5dc into next ch-1; rep from * 4 times more, work 3 dc in last st—5 whole shells plus 2 half shells. Do not turn work.

Row 7: Join color G to top of ch-3. Ch 2, *skip 2 dc, 5 dc in next st, skip 2 dc, sc in next st (center of 5 dc in previous row); rep from * 5 times more, sc into last dc (top of last half shell)—6 shells. Do not turn work.

Row 8: Join color F to top of ch-2. Ch 3, work 2-dc cluster, ch 2, *sc into next st, work 5-dc cluster, ch 2; rep from * to end. Do not turn work.

Row 9: Join color I to top of ch-3. Ch 3, work 1 dc in each st to end of row. Turn work.

Row 10 (WS): Continuing with I, ch 3, work 1 dc in each dc to end of row. Turn work.

Row 11 (RS): Join color C to top of ch-3. Ch 3, work 1 dc in each dc to end of row.

Lower Cap Section

With color E ch 64 (68, 74).

Notes: You will be using the lower edge of this base ch later, when you begin working on the remaining lower part of the sleeve. Again, when instructed to join new yarn color, cut yarn of previous color, leaving an 8" [20.5 cm] tail, and fasten off, unless instructed otherwise. And always join new yarn at the far end and work with RS facing, unless otherwise instructed.

Row 1: Work 1 dc in 4th ch from end, 1 dc each ch to end—62 (66, 72) dc, including ch-3.

Row 2: Attach color F with sl st to top of ch-3. Ch 3, 1 dc in each dc to end.

Row 3: Attach color H with sl st to top of ch-3. Ch 3, 1 dc in each dc to end.

Row 4: Attach color G with sl st to top of ch-3. Ch 3, 1 dc in each dc to end of row.

Row 5: Attach color B with sl st to top of ch-3. Sl st across next 4 dc, sc in next st, 1 dc in next st and dc in each dc until 6 sts remain, dc in next st, sc in next st, sl st across rem 4 sts to end—54 (58, 64) sts.

Row 6: Attach color C with sl st to sc of previous row. Sl st across next 2 dc, sc in next st, 1 dc in next st, dc in each dc until 4 sts remain, sc in next st, sl st across remaining 3 sts—48 (52, 58) sts.

Row 7: Attach color D with sl st to sc. Ch 3, 1 dc in each dc across row, skip rem sc—46 (50, 56) sts.

Row 8: Attach color I with sl st to 2nd dc. Ch 3, 1 dc in each dc across row, skip last dc—44 (48, 54) sts.

Row 9: Attach color D with sl st to 3rd dc. Ch 3, 1 dc in each dc across row, skip last 2 dc—40 (44, 50) sts.

Row 10: Attach color H with sl st to 2nd dc. Ch 3, 1 dc in each dc across row, skip last dc—38 (42, 48) sts.

Row 11: Attach color B with sl st to 2nd dc. Ch 3, 1 dc in each dc across row, skip last dc—36 (40, 46) sts.

Row 12: Attach color E with sl st to 1st dc. Ch 3, 1 dc in each dc to end of row.

Row 13: Attach color I with sl st to 1st dc. Ch 3, 1 dc in each dc to end of row. Turn work.

Row 14: Continuing with color I, ch 3, 1 dc in each dc to end of row. Turn work for sizes L and XL and follow instructions below for L and XL.

For size M, continue with *All Sizes*, below.

Sizes L and XL Only

Row 15: Continuing with color I, ch 3, 1 dc in each dc to end. Turn work.

For size L, continue with *All Sizes*, below.

Size XL Only

Row 16: Continuing with color I, ch 3, 1 dc in each dc to end of row.

All Sizes

Rows 15 (16, 17): Cut yarn I and fasten off. Attach color G with sl st to 1st dc. Ch 3, 1 dc in each dc to end of row. Cut yarn and fasten off.

Weave in ends.

Place the circular portion of the cap top over the top of the last row [row 15 (16, 17)] of the lower cap so that it can be seen, the edges of the rem two side sections of the upper cap placed under the last row worked of the lower cap. With threaded tapestry needle, sew upper and lower caps together securely.

Sew side seams together.

Lower Cap to Wrist

With RS facing, turn the work upside-down, so the lower edge of the base ch is ready for you to begin the next rnd.

Note: Again, when instructed to join new yarn color, cut yarn of previous color, leaving 8" [20.5 cm] tail, and fasten off, unless instructed otherwise.

Rnd 1 (RS): Working across the lower edge of the base ch, attach color I with sl st to first ch (color E row of lower cap section). Ch 2 (for height only, do not count as st), 1 hdc in first ch, then hdc in each ch across, sl st to top of ch-2 to join in rnd—62 (66, 72) hdc.

Rnd 2: Attach color B with sl st to top of ch-2. Ch 3 (do not count as st), 1 dc in first hdc, then 1 dc in each hdc to end of rnd, sl st to top of ch-3 to join in rnd.

Rnd 3: Attach color D with sl st to ch-3. Ch 2, hdc first st, hdc in each dc to end of rnd, sl st to top of ch-2 to join in rnd.

Rnd 4: Join color H to ch-2. Ch 5 (does not count as dtr), *skip first st, dtr into next st, dtr into previous skipped st; rep from * to end of rnd, sl st to top of ch-5 to join—62 (66, 72) dtr.

Rnd 5: Attach color C with sl st to ch-5. Ch 2 (does not count as hdc), 1 hdc in first st, hdc in each dtr to end of rnd, sl st to top of ch-2 to join in rnd—62 (66, 72) hdc.

Rnd 6: Attach color E with sl st to ch-2. Ch 3 (counts as 1 dc), work 1 (0, 0) dc into first st, then 1 dc in each hdc, sl st to top of ch-3 to join in rnd—63 (66, 72) dc including ch-3.

Rnd 7: Attach color F with sl st to ch-3. Ch 3 (does not count as st), *work 3-dc cluster, ch 3; rep from * to end of rnd, ch 3, sl st to top of beg ch-3 to join in rnd—21 (22, 24) clusters.

Rnd 8: Continuing with color F, ch 6, *work 3-dc cluster in next ch-3 space, ch 3; rep from * end of rnd, working last rep as 3-dc cluster in next ch-3 space, sl st to 3rd ch of ch-6 to join.

Rnd 9: Attach color I with sl st to 3rd ch of ch-6. Ch 4 (does not count as st), 1 tr in each st, *at the same time* increasing 2 (2, 0) sts evenly spaced to end, sl st to top of ch-4 to join in rnd—65 (68, 72) tr.

Rnd 10: Continuing with color I, ch 4, 1 tr in each st, *at the same time* increasing 1 (2, 0) sts evenly spaced to end, sl st to top of ch to join in rnd—66 (70, 72) tr.

Rnd 11: Continuing with color I, ch 4, 1 tr in each st, *at the same time* increasing 2 (2, 0) sts evenly spaced to end, sl st to top of ch to join in rnd—68 (72, 72) tr.

Rnd 12: Attach color G with sl st to ch-4. Ch 3, *skip 1 st, dc in next st, ch 1, dc in previous skipped st; rep from * to end of rnd, sl st to top of ch-3 join in rnd (1 dc in each st)—68 (72, 72) dc.

Rnd 13: Attach color B with sl st to ch-3. Ch 4, *skip 1 st, 3-dc shell in next st, skip 1 st, 1 dc in next st; rep from * to end of rnd, sl st to 3rd ch of ch-4 to join in rnd—17 (18, 18) shells.

Rnd 14: Attach color F with sl st to ch-3. Ch 4, *skip 1 st, 3-dc shell in next st, skip 1 st, 1 dc in next st; rep from * to end of rnd, sl st to 3rd ch of ch-4 to join in rnd.

Rnd 15: Attach color D with sl st to ch-3. Ch 4, *skip 1 st, 3-dc shell in next st, skip 1 st, 1 dc in next st; rep from * to end of rnd, sl st to 3rd ch of ch-4 to join in rnd.

Rnd 16: Attach color E with sl st to 3rd ch of ch-4. Ch 3 (does not count as st), *skip 2 sts, sc in next st, skip 2 sts, 5-dc shell in next st; rep from * to end of rnd, sl st to top of ch-3 to join in rnd—11 (12, 12) shells.

Rnd 17: Attach color F with sl st to ch-3. Ch 1, *ch 2, 5-dc cluster, ch 2, sc in next st; rep from * to end of rnd, sl st to ch 1 to join in rnd—11 (12, 12) clusters.

Rnd 18: Attach color H with sl st to ch-1. Ch 3, *skip 2 sts, sc in next st, skip 2 sts, 5-dc shell in next st; rep from * to end of rnd, sl st to ch-3 to join in rnd—11 (12, 12) shells.

Rnd 19: Attach color G with sl st to ch-3. Ch 1, *ch 2, 5-dc cluster, ch 2, sc in next st; rep from * to end of rnd, sl st to ch-1 to join—11 (12, 12) clusters.

Rnd 20: Continuing with color G, ch 1, *5 dc in joining st of cluster on row below, skip 2 sts, sc in next st; rep from * to end of rnd, sl st to ch-1 to join in rnd—11 (12, 12,) shells.

Rnd 21: Attach color C with sl st to ch-1. Sc in each st to end, sl st to ch-1 to join in rnd—66 (72, 72) sc.

Rnd 22: Continuing with color C, ch 4 (counts as 1 dc, ch 1), *skip next st, dc in next st, ch 1; rep from * to end of rnd, sl st to 3rd ch of ch-4 to join in rnd—66 (72, 72) sts).

Rnd 23: Attach color F with sl st to ch-3. Ch 1, *skip 2 sts, 5 tr in next st, skip 2 sts, sc in next st; rep from * to end of rnd, sl st to ch-1 to join in rnd—11 (12, 12) shells.

Rnd 24: Attach color G with sl st to ch-1. Ch 3, skip 1 st, sc in next st, *5 dc in next st, sc in next st, skip 1 st, 3 dc in next st, skip 1 st, sc in next st; rep from * to end of rnd, work last rep as 5 dc in next st, sc in next st, skip 1 st, 3 dc in next st, sl st to ch-3 to join in rnd—110 (120, 120) sts.

Rnd 25: Attach color I with sl st to ch-3. Ch 1, sc to end, sl st to ch-1 to join in rnd.

Rnd 26: Attach color B with sl st to ch-1. Ch 1, *skip 2 sts, 5 dc in next st, skip 2 sts, sc in next st, skip 1 st, 5 tr in next st, skip 1 st, sc in next st; rep from * to end of rnd, sl st to ch-1 to join in rnd—22 (24, 24) shells.

Rnd 27: Attach color C with sl st to center dc of dc-shell from previous pattern. Ch 4 (counts as 1 tr), *5-tr cluster, ch 3, sc in next st, ch 3; rep from * to end of rnd, sl st to top of ch-4 to join in rnd—22 (24, 24) clusters.

Rnd 28: Attach color E with sl st to top of ch-4. Ch 3 (counts as 1 dc), 4 dc in same st, *skip 2 sts, sc in next st, skip 2 sts, 5 dc next st; rep from * to end of rnd, sl st to top of ch-3 to join in rnd—30 (32, 32) shells.

Rnd 29: Attach color F with sl st to center of shell from previous rnd. *Ch 2, 5-dc cluster, ch 2, sc in next st; rep from * to end of rnd, sl st to top of ch-2 to join in rnd.

Rnd 30: Attach color I with sl st to ch-2. Ch 1, sc in each st increasing evenly across row to 248 sts for all sizes, sl st to ch-1 to join in rnd.

Rnd 31: Attach color G with sl st to ch-1. Ch 3, dc in each st, sl st to top of ch-3 to join in rnd.

Rnd 32: Attach color I with sl st to ch-3. Ch 1, sc in each st, sl st to ch-1 to join in rnd.

Rnd 33: Attach color B with sl st to ch-1. Ch 3 (counts as 1 dc), 1 dc in same st, 2 dc in each st to end, sl st to top of ch-3 to join in rnd—498 dc.

Rnd 34: Attach color H with sl st to ch-1. Ch 3 (counts as 1 dc), 4 dc in same st, *skip 2 sts, sc in next st, skip 2 sts, 5-dc shell in next st; rep from * to end of rnd, sl st to top of ch-3 to join in rnd—84 shells.

Rnd 35: Attach color E with sl st to center of shell from previous rnd. *Ch 2, 5-dc cluster, ch 2, sc in next st; rep from * to end of rnd, sl st to top of ch-2 to join in rnd.

Rnd 36: Attach color D with sl st to ch-2. Ch 4 (counts as 1 tr), 4 tr in same st, *skip 1 st, sc in next st, skip 1 st, 5 tr in next st; rep from * to end of rnd, sl st to top of ch-4 to join in rnd—135 shells.

Rnd 37: Attach color C with sl st to ch-4. Ch 1, loosely sc in each st, sl st to ch-1 to join in rnd. Cut yarn and fasten off.

Note: You might consider using a larger hook for rnd 37, the last rnd, to prevent curling.

Finishing

Weave in all rem ends.

Block sweater pieces to measurements, following yarn manufacturer's instructions.

Seam shoulders together with backstitch (see page 159) and seam sides together with mattress st (see page 160).

Space buttons evenly down left front and attach.

Starting at right side of front neck and using color F, sc all the way around neckline, then down left front, around bottom, and across the back. Continue sc up the right front, adding ch 7 loop for each buttonhole, coordinating each 7-ch loop with button positioning on left front.

Attach sleeves to armholes using backstitch, making sure to line up bottom of armhole to bottom of sleeve cap. Ease in extra sleeve cap fabric toward the top, making it slightly gathered, and seam flat section of lower cap.

Weave in all rem ends.

Materials

- Classic Elite *LaGran Mohair* (76.5% mohair, 17.5% wool, 6% nylon, 90 yd. [82 m] per 42 g ball): #6513 Black (yarn A), 1 ball, and Classic Elite *Inca Marl* (100% alpaca, 109 yd. [100 m] per 50 g skein): #1122 Nightingale (yarn B), 2 skeins
- Or any combination of yarns, from sport- to worsted-weight yarn, about 90 yd. [82 m] of yarn A and 175 yd. [160 m] of yarn B
- About 4 yd. [3.5 m] of scrap similar-weight yellow yarn for beak
- US 7 [4.5 mm] needles
- US 7 [4.5 mm] double-pointed needles
- Stitch markers
- Tapestry needle
- Polyfill stuffing
- 2 buttons, $\frac{5}{8}$ " [1.5 cm] in diameter

Gauge

16 sts and 20 rnds = 4" [10 cm] in St st using size 7 [4.5 mm] needles, with both yarns held together

Note: Gauge isn't important on this project. If you use thinner yarns, your owl will be a bit smaller; if you use thicker yarns, your owl will be a bit larger. Adjust the needle size to suit your yarn choice and just have fun with him!

ERROL

Designer - Andi Smith for knitbrit.com • Pattern Rating - Ordinary Wizarding Level

This furry little friend was inspired by Errol, the very tired, quite disheveled, but completely lovable old owl belonging to the Weasleys. As Errol is a bit of an odd bird, this project is an ideal way to use up odd balls of yarn tucked away in your stash. Try using fuzzy or loopy novelty yarns and stuff him unevenly for a wacky Errol truly worthy of the Weasleys. Or knit him in a beautiful feathery white yarn, stuff him fully, and turn him into Hedwig. He's quick to make and could soon be winging his way to you or delivering a copy of *Daily Prophet* to your nearest and dearest. You could knit your own owlery full of multicolored, multisized owls!

Instructions

Knitting begins at the bottom of the body and progresses up to the neck edge.

Body

Holding together one strand each of yarn A and yarn B, use the long-tail cast-on method to CO 16 sts.

Row 1 (and all other WS rows): Purl.

Row 2 (RS): K1f&cb into each st—32 sts.

Row 4: Knit.

Row 6: K7, k1f&cb, pm, k1f&cb, k14, k1f&cb, pm, k1f&cb, k7—36 sts.

Row 8: *K to st before marker, k1f&cb, slip marker, k1f&cb; rep from * once more, k to end—40sts.

Rep the last 2 rows 2 times more—48 sts.

Rep the last 2 rows 2 times more—32 sts.

Next row: *K2tog; rep from * to end of row, removing markers as you go—16 sts.

Next row: Purl.

Cut yarn, leaving an 8" [20.5 cm] tail, and thread tail through rem sts to close top.

Base

Holding together one strand each of yarn A and yarn B, use the long-tail cast-on method to CO 16 sts.

Row 1 (RS): K1f&b, knit to last st, k1f&b—18 sts.

Row 2 (WS): Purl.

Rep the last 2 rows 3 times more—24 sts.

Decrease as follows:

Row 1: Ssk, knit to last 2 sts, k2tog—22 sts.

Row 2: Purl.

Rep the last 2 rows 3 times more—16 sts.

BO rem 16 sts.

Wings

Holding together one strand each of yarn A and yarn B, use the long-tail cast-on method to CO 7 sts.

Row 1 (WS): P1b&f, purl to last st, p1b&f—9 sts.

Row 2 (RS): Knit.

Rep the last 2 rows 2 times more—13 sts.

Beg with a purl row, work 5 rows even in St st.

Decrease as follows:

Row 1: Ssk, knit to last 2sts, k2tog—11 sts.

Rows 2–4: Beg with a purl row, work 3 rows even in St st.

Rep the last 4 rows 3 times more—5 sts.

Next row: Ssk, knit to last 2sts, k2tog—3 sts.

Next row: Sl 1, p2tog, pssso—1 st.

Cut yarn, leaving an 8" [20.5 cm] tail, and thread tail through rem st.

Make second wing the same.

Talons

With dpn and one strand of yarn B, CO 6 sts.

Work 2" [5 cm] of I-cord for the leg.

Next row: K1f&b into each st and slide sts to opposite end of needle—12 sts.

Divide for talon toes:

Next row: Knit across first 4 sts only, holding rem 8 sts in reserve for other two toes.

With a third dpn, knit 1¼" [3 cm] I-cord. Cut yarn, leaving an 8" [20.5 cm] tail, thread through sts, and pull tightly.

Return to the dpn holding the 8 sts in reserve, join a new strand of yarn, and knit next 4 sts. Work I-cord for second talon toe and finish as for first. Rep with rem 4 sts on original dpn.

Working with each talon toe individually, thread the tail at the end of the toe through the center of the 4 st I-cord until it reaches the leg, thread through to the outside of the leg, and sew a stitch into the leg base so that the toe curls up a little. Thread the tail back to the inside of the leg. Run tail up through the center and cut. Rep for the rem 2 toes. Weave in the ends at the center of talon, closing the hole between the toes as you go. Leave the tail at the CO end of the leg intact for attaching to the body.

Make second talon the same.

Beak

Using a scrap of yellow yarn, CO 6 sts.

Row 1: K1f&cb, knit to last st, k1f&cb—8 sts.

Row 2: Purl.

Row 3: Rep row 1—10 sts.

Work in St st for 3 rows. Continuing in St st, BO 1 st each end every row until 2 sts remain.

Cut yarn, leaving an 8" [20.5cm] tail, thread through last 2 sts, and fasten off securely.

Finishing

Turn the body inside-out and, starting at the bottom, sew the seam along the center of the back, using mattress st (see page 160), up to about 2" [5 cm] from the top.

With RS together, sew the base onto the CO edge of the body. To position the base properly, the CO and BO edges (the two flat sides) of the base should be centered and aligned with the front and back of the body, and the two rounded edges of the base aligned with the sides of the bird. Turn right-side-out, loosely stuff the body with polyfill, and sew the rest of the back seam.

Turn the head inside-out and sew the seam at the center back. Turn right-side-out and gently stuff with polyfill. Matching back seams, attach the open part of the head to the body and sew securely.

Sew CO edge of each wing to one side of bird where head and body meet.

Attach the beak in the lower center of the head, sewing the edges of the beak together to close it into a cone shape, and weave in loose ends.

Using a long strand of yarn B, insert tapestry needle from the back of the neck through to about 1" [2.5 cm] on one side of the top of the beak. Thread one of the buttons on as an eye and sew down securely. Without cutting the yarn, move the needle through the head to the other side of the beak and attach the second button, then take the tapestry needle through the head and back down to the back of the neck. Tie a secure knot with both strands and fasten securely.

Weave in ends.

Note: Remember that Errol's anything but perfect; your owl will improve the more he is squished and rumpled.

Make as many more hands as you like.

contrasting colored scrap yarn, baste a line extending each ray out from the plate edge to the blue border. Using color C, sew a single line of chain st along each of these eight rays from the center circle to the blue borders. Remove scrap yarn.

Place a pin every 1" [2.5 cm] along each ray. Using the pins as a guide, work two further rows of chain st in a braided pattern in color C, as follows: Starting in the center of the first chain st of a ray, and using the photo as a guide, chain 5 sts in a curve that ends at the next pin. Take the yarn *under* the straight ray and continue in chain st to the next pin, working the fifth chain st *over* the ray. Continue in this manner along the entire ray, working over and under the existing ray and removing the pins as you go. Work a second set of chain sts the same way as the first but beginning on the other side of the straight ray. Weave this line of chain sts by working them *over* the previous under stitch and *under* the previous over stitch when crossing the straight ray.

Using color C, work chain st in a straight line 1" [2.5 cm] inside the edge of the center panel all the way around. Then work the two braided rows described above around that straight chain.

With color D, use chain st to embroider the destinations in the eight clock sections. If you choose to follow the description in the books, use the following destinations: home, work, school, traveling, lost, hospital, prison, and mortal peril. To make sure each word is centered in its section, count how many letters are in the word and work the middle (or middle two) letters first, then each of the letters around them.

Note: It might be useful to use your computer to print the words out in a font of your choice; however, a freehand lettering style works very well and adds your own personal touch.

Weave in all ends.

Using color D, tack down the hand(s). If you wish to be able to move the hand(s) around from time to time, tack 1 stitch at the bottom of each hand, anchoring it to the center. This way, it will be able to move around much like the hand of a clock.

Backing and Batting (Optional)

If desired, add a fabric backing and batting. To add a fabric backing, measure the length and width of the blanket. You will need a piece of batting cut to the same measurements as the blanket and a piece of fabric 1" [2.5 cm] larger all around. *Note:* You should prewash and iron the fabric to avoid shrinkage or dye accidents.

Lay the blanket face down on a flat surface, ensuring that it is square at the corners and not stretched. Place the batting on top and then the fabric, face up, on top of the two layers. Pin all three layers securely, then turn the fabric edges between the batting and the blanket. Using the sewing thread, stitch the edges, making sure to go through all three layers. A running stitch, backstitch, or blanket stitch can be used.

Before removing the pins, using a large-eyed needle and coordinating yarn from the blanket, sew one stitch (in and out) of all three layers and tie securely on the back of the blanket every 6" [15 cm] or so throughout the blanket. This will anchor all three layers.

Diagon Alley

There's only one place to go to get all the things on your list from Hogwarts: Diagon Alley! It's got everything the young wizard needs—and needs to knit. These patterns come from all your favorite Diagon Alley shops, including a wizard cap and robe from Madame Malkin's, an exquisite invisibility shawl from Twillfit and Tattings, beautiful wand cozies from Ollivander's, and a jersey and socks from Quality Quidditch Supplies.

And don't forget, these items aren't just for young wizards going off to Hogwarts! There are adult sizes, too, so even Muggle parents can get in on the fun.

STUDENT WIZARD CAP

Designer - Alison Hansel • Pattern Rating - First Year

Every student at Hogwarts gets one! You can wear this tall, pointed hat like a floppy stocking cap or add the flexible boning to help it magically stand up on your head, just like the students' hats in the films. Knit in a super-soft and lightweight merino wool, this hat is comfortable enough to be a part of your everyday uniform and perfect for tossing in the air when your school wins the House Cup!

Instructions

With smaller circ needle, CO 100 (110, 120) sts, pm to note beg rnd, and join in a circle, being careful not to twist sts.

Brim

Work 12 rnds in St st. Purl next rnd to form turning ridge. Work 12 more rnds in St st.

Fold the first 12 rnds of hat to inside to make hem, leaving single purl rnd as bottom edging and lining up CO edge with sts on needle. Knit each st of the next rnd together with 1 st from CO edge.

Switch to larger circ needle and continue working in St st until piece measures 3½ (4, 4½)" [9 (10, 11.5) cm] from turning ridge.

Work Decreases

Note: When you have too few sts to continue working on the circular needle, switch to dpns.

Finishing

Cut yarn, leaving an 8" [20.5 cm] tail, and thread tail through rem sts to close top of hat. Weave in ends.

Block, if desired, according to yarn manufacturer's instructions.

Add Boning (Optional)

If desired, cut three or four strips of boning about ½" [1.3 cm] shorter than length of hat. Turn hat inside-out. With black sewing thread, whipstitch each boning strip vertically to the inside of the hat, spacing them evenly apart. Turn hat right-side-out again.

WIZARD ROBE

Designer - Heather Brack • Pattern Rating - Ordinary
Wizarding Level

To protect your house sweater from potion spills and accidental explosions, it is recommended that you wear a robe to class. This hand-knit version has a full, warm hood to protect your ears from the wind on the long walk to Care of Magical Creatures class or during Quidditch matches. The sleeves are very full but should not come too far past the wrist, to avoid being dragged through your cauldron. But just in case, the yarn is completely machine washable and much easier to care for than those Blast-Ended Screws!

INVISIBILITY SHAWL

Designer - Kerrie Allman • *Pattern Rating - Ordinary Wizarding Level*

A light and airy lace shawl inspired by Harry's invisibility cloak. Knit in a pale gray hand-dyed cashmere, it provides an almost invisible layer of warmth in a fiber as luxurious as the rare materials the wizarding world uses to make the cloaks. The lace pattern is quite simple, and there's no shaping, so this shawl would be a terrific first lace project for the adventurous beginning knitter.

Instructions

Note: To keep the edges flexible enough to stretch as the shawl is blocked, special cast-on and bind-off techniques are used.

Using the provisional cast-on method (see page 155), CO 80 (128) sts, leaving a tail about 60 (100)" [152 (254) cm] long, to bind off the CO edge later.

With larger needles, knit 2 rows in garter st, as described in the stitch guide.

Change to smaller needles and work 4 rows more in garter st.

Beg with row 1, work lace patt as described in the stitch guide until work measures about 40" [101.5 cm], or about 10" [25.5 cm] shorter than desired length, ending with row 3 of lace patt completed.

Work 5 rows in garter st.

Change to larger needles and knit 1 row.

Cut yarn, leaving a tail about 60 (100)" [152 (254) cm] long for binding off.

Finishing

Slip live sts onto scrap yarn twice the length of the shawl's width and tie scrap yarn ends together to prevent sts from escaping.

Block shawl by soaking in tepid water and then squeezing gently to remove excess water. Pin shawl to finished size measurements indicated or to desired measurements and allow to dry. When shawl is dry, return live sts to larger needle and BO with long tail, using ssk BO (see page 154).

Remove provisional CO, slipping sts onto larger needle. Using the long attached yarn tail, BO sts using ssk BO.

Weave in ends.

Bill's Dragon Skin Wand Case

This dragon skin wand case was a gift from Bill Weasley's dragon-expert brother Charlie. It's tough enough to protect the contents from many mishaps, and the optional belt loop allows it to be worn at your side, like a holster. The sample shown here is a Welsh Green dragon.

Instructions

CO 37 sts. Purl 1 row (this is a WS row).

Beg working dragon st, using either the chart or the stitch guide on page 53. Work rows 1–8 12 times (96 rows total), then shape point, beg with row 97, as follows:

Row 97: K1, *ssk, k2, k2tog, k2, m1, k1, m1, k2, ssk, k2, k2tog, k1; rep from * to end of row—33 sts.

Row 98 (and all other even-numbered rows): Purl.

Row 99: K1, *ssk, k2tog, k3, m1, k1, m1, k3, ssk, k2tog, k1; rep from * to end of row—29 sts.

Row 101: K1, *ssk, k2, k2tog, m1, k1, m1, ssk, k2, k2tog, k1; rep from * to end of row—25 sts.

Row 103: K1, *ssk, k2tog, k1, m1, k1, m1, k1, ssk, k2tog, k1; rep from * to end of row—21 sts.

Row 105: K1, *ssk, k5, k2tog, k1; rep from * to end of row—17 sts.

Row 107: K1, *ssk, k3, k2tog, k1; rep from * to end of row—13 sts.

Row 109: K1, *ssk, k1, k2tog, k1; rep from * to end of row—9 sts.

Row 111: K1, *sl 1, k2tog, pssso, k1; rep from * to end of row—5 sts.

Row 113: Ssk, k1, ssk—3 sts.

Cut yarn, leaving an 8" [20.5 cm] tail, and draw through rem sts.

Finishing

Belt Loop (Optional)

CO 12 sts. Work in moss st as described in the stitch guide (see page 53) until piece measures 2" [5 cm] in length, or ½" [1.3 cm] longer than belt width. BO sts in patt.

Materials

- Plymouth *Encore Worsted* (75% acrylic, 25% wool; 200 yd. [183 m] per 100 g ball), #174 Cranberry (color A), 4 (5, 6, 7) balls, and #1014 Butternut (color B), 1 (1, 2, 2) balls
- Or similar yarn that knits to specified gauge: worsted-weight wool or wool-blend yarn, about 800 (1,000, 1,200, 1,400) yd. [732 (914, 1,097, 1,280) m] of color A and 200 (200, 400, 400) yd. [183 (183, 366, 366) m] of color B
- US 6 [4 mm] needles
- US 7 [4.5 mm] needles
- US 7 [4.5 mm] 16" [40 cm] circular needle

QUIDDITCH SWEATER

Designer - Anne Bergeron • Pattern Rating - Ordinary Wizarding Level

Inspired by the house team uniforms in the Harry Potter movies, this sweater knits up quickly in double rib, making it a matter of some simple needle magic to support the house of your choice at the next Quidditch match. Made from a washable wool blend that comes in all the house colors, it should keep you warm and cozy on the pitch all season long, no matter which house you're cheering for!

Front

Using larger needles and color A, CO 94 (106, 118, 130) sts.

Work in double rib, as described in the stitch guide (see page 58), until front measures 11 (11½, 12, 12½)" [28 (29, 30.5, 31.5) cm] or desired length to stripe from CO edge, ending with a WS row completed.

Note: Stripe is worked for 4" before armhole beg on body and sleeves so it will match up when sweater is sewn together. Stretch rib slightly to width measurement before measuring for length.

Change to color B and work 4" [10 cm] in established rib patt, ending with a WS row completed—15 (15½, 16, 16½)" [38 (39, 40.5, 42) cm] or desired length from CO edge. Cut color B, leaving an 8" [20.5 cm] tail.

Begin Armhole Shaping

Maintaining established rib patt, join color A and work decreases as follows:

BO 4 sts beg next 2 rows—86 (98, 110, 122) sts.

BO 0 (2, 2, 3) sts beg next 2 rows—86 (94, 106, 116) sts.

BO 0 (0, 2, 2) sts beg next 2 rows—86 (94, 102, 112) sts.

Note: When binding off sts for shoulders, slip the first st of the BO to avoid the “stair step” effect. This leaves a smoother finished line at the shoulder.

BO 7 (7, 7, 8) sts beg next 2 rows (armhole edge), work in established patt across rem sts—7 (7, 7, 8) sts each side of neck.

BO rem sts beg next 2 rows.

Back

Work as for front, including armhole shaping but omitting neck shaping, until work measures 22 (23, 24, 25)" [56 (58.5, 61, 63.5) cm] from CO edge, ending with a WS row completed—78 (82, 86, 94) sts.

Shoulder Shaping

BO 7 (7, 8, 8) sts beg next 2 rows (armhole edge), work in established patt across row—64 (68, 70, 78) sts.

BO 7 (7, 7, 8) sts beg next 2 rows—50 (54, 56, 62) sts.

BO 7 (7, 7, 8) sts beg next 2 rows—36 (40, 42, 46) sts.

BO rem 36 (40, 42, 46) sts.

Sleeves

With smaller needles and color A, CO 53 (57, 61, 65) sts.

Work in single rib in rows, as described in the stitch guide (see page 58), until work measures 2½" [6.5 cm] in length from CO edge, ending with a RS row completed.

Next row (WS): Work in patt to last st, m1 purlwise (see page 58), p1—54 (58, 62, 66) sts.

Change to larger needles and beg working double rib, as described in the stitch guide (see page 58), beg with k2.

Using the backward loop CO method, inc 1 st each end every 5 rows 11 (13, 15, 17) times, working new sts into patt—76 (84, 92, 100) sts. *At the same time*, when sleeve measures about 11 (11½, 12½, 13)" [28 (29, 31.5, 33) cm] or desired length to stripe from CO edge, cut color A, leaving an 8" [20.5 cm] tail, and join color B. Work in color B for 4" [10 cm], ending with a WS row completed.

Note: Sleeve should measure about 15 (15½, 16½, 17)" [38 (39, 42, 43) cm] or desired length from CO edge to top of armhole beg.

Cut color B, leaving an 8" [20.5 cm] tail, and join color A.

Shape Cap

With color A, BO 4 sts beg next 2 rows—68 (76, 84, 92) sts.

BO 0 (2, 2, 3) sts beg next 2 rows—68 (72, 80, 86) sts.

BO 0 (0, 2, 2) sts beg next 2 rows—68 (72, 76, 82) sts.

Dec row (RS): K1, k2tog, work to last 3 sts, ssk, k1—66 (70, 74, 80) sts.

Rnd 3 (inc rnd): *K2, k1b into previous st, knit to 2 sts before end of needle 2, k1b into next st, k2; rep from * to end of rnd—26 (32, 38) sts.

Rnd 4: Knit.

Rep rnds 3 and 4 until you have worked a total of 12 inc rnds—66 (72, 78) sts. Tighten the original sts from your CO.

Foot

Work 3 rnds in St st.

Rnd 1: K16 (18, 20), cut color B and join color A, k50 (54, 58).

Rnd 2: K32 (38, 38), [p2, k4] 5 (5, 6) times, p2, k2.

Continuing with color A, rep rnd 2 until the sock measures $1\frac{7}{8}$ (2, $2\frac{1}{8}$)" [4.7 (5, 5.3) cm] shorter than total foot length.

Heel

Note: The heel is shaped using short rows, worked back and forth across the sole—over the sts that have been worked in St st thus far. The other half of the sts (those that have been ribbed) can be left on their needles or slipped onto scrap yarn for safekeeping. For instructions on how to wrap sts, yback, and yfwd, see *Special Techniques for This Project*, page 64.

Setup row (WS): With inside of St st sole facing you, join color B at the end of needle 2, p33 (36, 39). Do not cut color A.

Decrease the Heel

Row 1 (RS): K32 (35, 38), wrap next st, turn work.

Row 2 (WS): P31 (34, 37), wrap next st, turn work, yback (between 1st and 2nd sts).

Row 3: K30 (33, 36), wrap next st, turn work.

Row 4: P29 (32, 35), wrap next st, turn work, yback (between 2nd and 3rd sts).

Row 5: K28 (31, 34), wrap next st, turn work.

Finished Size

S (M, L)

Circumference at ball of foot (unstretched): $6\frac{3}{4}$ ($7\frac{1}{2}$, $8\frac{1}{4}$)" [17 (19, 21) cm]

Circumference at calf (unstretched): 6 (8, 8)" [15 (20.5, 20.5) cm]

Foot length: Customizable

Leg length: Customizable

Sample shown: Size M

Note: Whenever possible, length measurements should be made with the sock tried on. The ribbed fabric will stretch to 150%–200% of its relaxed width, decreasing the sock's length in the process. For this reason, many length measurements are provided in inches/centimeters rather than rows.

Work even in 4x2 rib patt with color A for 2½" [6.5 cm].

Next rnd: Change to color B and knit all sts.

Work even in 4x2 rib patt with color B for 1¼" [3 cm].

Next rnd: Change to color A and knit all sts. Cut color B.

Work even in 4x2 rib patt with color A for 1½" [4 cm].

BO very loosely, using larger needle, or use elasticized I-cord bind-off, as follows.

Elasticized I-Cord Bind-off (Optional)

To create an elastic top edge to prevent the socks from sneaking down, you can use this bind-off method instead of the standard BO. Cut yarn and join it at the *left needle* by threading it through the first st and knotting the yarn. CO 3 sts.

Using a larger dpn, k2, k2tog (with 1 newly cast-on st and 1 old st). *Slide these 3 sts to the other end of the dpn and, using the other dpn, k2, sl last st to smaller needle, k2tog.* Rep from * to * until all sts have been bound off and 3 sts remain on the dpn. Sl the first 2 sts over the most recent st (to which the yarn is attached), then cut yarn and knot it through the most recent st, leaving an 8" [20.5 cm] tail.

Using a tapestry needle and starting at the back of the sock, thread elastic cord through the small tubular casing formed by the I-cord bind-off. Knot ends of elastic together so that top of sock fits snugly but not too tightly. Lace the yarn tail from the BO back and forth over the knot to conceal it.

Finishing

If necessary, tighten the CO sts at the toe.

Weave in all rem ends.

Block, if desired, according to yarn manufacturer's instructions.

House Colors

Gryffindor, Ravenclaw, Hufflepuff, or Slytherin? Once the Sorting Hat has placed you, you need the proper uniform. These patterns will help you dress the part right. Here you'll find the ever-popular house scarf, along with matching hats, mittens, and socks. Of course, no uniform would be complete without the traditional v-neck house sweater. And while fashion-minded kids can knit themselves funky hip scarves, the more studious can whip up mini-scarves to use as bookmarks.

The signature striped scarves seen in the movies provide the stripe styles seen on most of the items in this section. And like the scarves, most of the other knits are worked in worsted-weight wool or wool blends, so you can choose one yarn you like best and use the patterns to knit an entire matching set. Recommendations are provided for color choices for all the houses, so no matter who you're rooting for on the Quidditch pitch, you can be dressed in your house colors from head to toe!

HOUSE SCARVES

Designer - Lauren Kent • Pattern Rating - First Year

When it comes to Harry Potter knits, these scarves are the standard. Offered in two styles—a wide stripe, stockinette stitch tube scarf based on the ones worn by Hogwarts students in the first two movies and a narrow stripe design, worked in rib, based on the scarves worn in the third and fourth movies—their look is signature Harry Potter. Cascade Yarns 220 is a great yarn for this project because it has wonderful stitch definition, is very economical, and comes in all the house colors!

Year 1-2 Scarf

This scarf has been the starting point for countless fans-turned-knitters over the years. How better to show your (or a friend's) house loyalty and fannish pride than with the original scarf? Nineteen bold regimental stripes grace this double-thickness scarf in a great first project—and because it's knit as a tube in the round, you don't even need to purl. If you're concerned with the washability of the scarf, try a wool/acrylic blend such as Plymouth *Encore Worsted*.

Instructions

With color A, CO 55 (70) sts, place marker to note beg rnd, and join in a circle, being careful not to twist sts.

Work in St st as described in the stitch guide, changing colors as described in the stripe pattern.

Complete 19 alternating stripes, ending with color A. BO all sts. Cut yarn, leaving an 8" [20.5 cm] tail.

Finishing

Weave in CO and BO tails only. Trim tails from color changes to 1½" [4 cm] long; they can be left loose on the inside of the scarf, as they won't be seen.

Block scarf, if desired, according to yarn manufacturer's instructions.

Add Fringe

There should be 11 fringe groups at each end of the scarf, 6 in color A and 5 in color B, alternating.

Cut 60 (84) pieces of color A and 50 (70) pieces of color B, each 15" [38 cm] long. (Or cut a piece of cardboard that is 7½" [19 cm] wide and wind the yarn around it. Then cut the yarn wraps at one edge.)

To make each fringe group, hold 5 (7) pieces of yarn together and fold them in half. Push crochet hook through both layers of knitting; catch the folded loops of yarn, and pull them through the knitting. With loop still on crochet hook, catch long ends of yarn and pull through loop to secure. Remove the hook, thread the cut yarn ends through the loops, and tighten the fringe.

Space the fringe groups evenly across the ends of the scarf, beginning and ending with color A.

When all the fringe has been tied, trim yarn ends to a uniform length.

Year 3–4 Scarf

If you're looking for a scarf that's a bit more incognito than the Year 1–2 scarf, this is the one for you. Introduced with the revamped uniforms of the third movie, this trapped bar scarf lets true fans know your house, while Muggles remain unaware. In place of the stockinette-tube construction of the first scarf, this is knit flat in single rib, which pulls in on itself to produce an equally cozy fabric. This new scarf is larger than its predecessor, so adults may want to consider the smaller size unless they want a film-accurate piece.

Instructions

With color A, CO 57 (73) sts.

Work in single rib, as described in the stitch guide, on all rows, changing colors as described in the stripe pattern.

Work until the scarf has 14 pairs of color B bars and 15 larger color A stripes, ending with color A. BO all sts. Cut yarn, leaving an 8" [20.5 cm] tail.

Finishing

Weave in tails on WS of scarf.

Block scarf, if desired, according to yarn manufacturer's instructions.

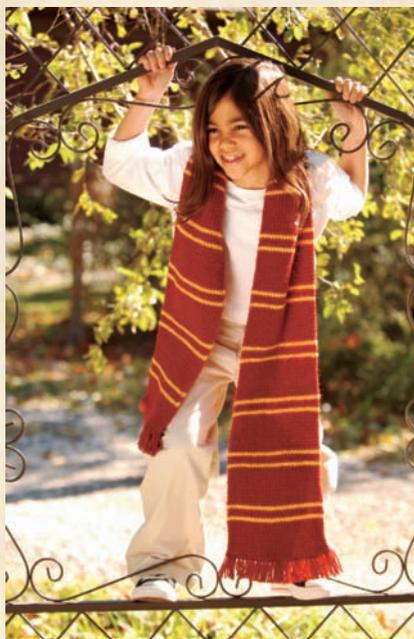

Add Fringe

Cut 112 (144) pieces of color A, each 6" [15 cm] long. (Or cut a piece of cardboard that is 3" [7.5 cm] wide and wind the yarn around it. Then cut the yarn wraps at one edge.)

To make each fringe group, hold 2 pieces of yarn together and fold them in half. With RS facing you, push crochet hook through the scarf, just above the CO/BO edge, at the leftmost column of purl sts; catch the folded loops of yarn and pull them through the knitting. Remove the hook, thread the cut yarn ends through the loops, and tighten the fringe. Rep at each purl "valley" across each end of the scarf.

When all the fringe has been tied, trim yarn ends to a length of about 1½" [4 cm].

Recommended Colors for Other Houses

Slytherin: Cascade Yarns 220 #8893 Forest Green (color A) and #8401 Light Gray (color B)

Ravenclaw: Cascade Yarns 220 #8886 Navy (color A) and #8401 Light Gray (color B) or #8886 Navy (color A) and #2415 Bronze (color B)

Hufflepuff: Cascade Yarns 220 #7827 Gold (color A) and #8555 Black (color B)

Stitch Guide for This Project

Single Rib (1x1 Rib) Worked in Rows

Row 1 (WS): Sl 1 pwise, *p1, k1; rep from * to end of row.

Row 2 (RS): Sl 1 pwise, *k1, p1; rep from * to end of row.

Rep rows 1 and 2 for patt, except for the first 2 rows after any color change. Work those 2 rows as follows:

Row 1 (WS): K1, *p1, k1; rep from * to end of row.

Row 2 (RS): P1, *k1, p1; rep from * to end of row.

Working the 2 rows after each color change this way prevents the selvedge sts from mismatching the rest of the row.

Stripe Pattern

Work 19 (29) rows color A, *2 rows color B, 4 rows color A, 2 rows color B, 20 (30) rows color A; rep from * to end of scarf.

Note: To reduce the number of ends to weave in, carry the non-working color up the side while working the shorter stripes by catching it between stitches.

Materials

- Plymouth Encore Worsted (75% acrylic, 25% wool; 200 yd. [183 m] per 100 g ball), #999 Burnt Sienna (color A), 1 skein, and #1014 Butternut (color B), 1 skein
- Or similar yarn that knits to specified gauge: worsted-weight wool or wool-blend yarn. The following amounts are based on the largest size:
Beanie, Wide Stripes version: about 65 yd. [60 m] each of color A and color B
Beanie, Narrow Stripes version: about 115 yd. [105 m] of color A and 15 yd. [14 m] of color B
Beret, Wide Stripes version: about 80 yd. [73 m] of color A and 70 yd. [64 m] of color B
Beret, Narrow Stripes version: about 145 yd. [132 m] of color A and 20 yd. [18 m] of color B

HOUSE HATS

Designer - Alison Hansel • *Pattern Rating - First Year*

A boy's beanie and a girl's beret to show off your school colors! They may not be magic, but these easy-to-knit hats will keep you warm and in style at the same time. The beanie has paired decreases at the crown for a more masculine and contemporary look, and the beret offers a feminine alternative to the standard hat shape. They're both knit in a practical and machine-washable acrylic/wool yarn that comes in all the Hogwarts house colors, so you can pick your house and your stripes and have house-head all winter long!

Beanie

Instructions

With smaller needles and color A, CO 84 (96, 108) sts, pm to note beg rnd, and join in a circle, being careful not to twist sts.

Edging

Work in single rib, as described in the stitch guide, for 6 rnds.

Body

Change to larger needles and work desired stripe patt in St st, beg with color B for Wide Stripes pattern and continuing with color A for Narrow Stripes pattern. Work in this manner until hat measures 5 (5½, 6)" [12.5 (14, 15) cm] from CO edge.

Next rnd: *K21 (24, 27); pm, rep from * to end of rnd—4 markers in place.

Decrease for Top

Change to dpns when too few sts remain to continue on circ needle.

Rnd 1: *K2tog, k17 (20, 23), ssk; rep from * to end of rnd—76 (88, 100) sts.

Materials

- Cascade 220 Superwash (100% superwash wool, 220 yd. [201 m] per 100 g ball):

Narrow Stripes version: #855 Maroon (color A), 1 skein, and #821 Marigold (color B), 1 skein

Wide Stripes version: #801 Army Green (color A), 1 skein, and #816 Gray (color B), 1 skein

- Or similar yarn that knits to specified gauge: worsted-weight wool or wool-blend yarn:

Narrow Stripes version: About 100 (140, 180) yd. [91.5 (128, 164.5) m] of color A and 4 yd. [3.5 m] of color B

Wide Stripes version: About 50 (70, 90) yd. [45.7 (64, 82) m] each of colors A and B

- US 5 [3.75 mm] double-pointed needles, set of 5
- Stitch markers
- Tapestry needle

HOUSE MITTENS

Designer - Alison Hansel • *Pattern Rating - First Year*

House stripes for your hands! Mittens are a great intro project for knitting in the round. And the classic stripes look awesome on a mitten. The yarn used here is 100% superwash wool that comes in all the Harry Potter colors and more. Knitting the worsted-weight yarn on US 5 [3.75 mm] needles makes these mittens nice and cozy to keep those hands warm at Quidditch matches this fall!

Right Mitten

With color A, CO 32 (40, 48) sts, distribute stitches so that there are 8 (10, 12) sts on each of four dpns, and join in a circle, being careful not to twist sts.

Cuff

Work in single rib, as described in the stitch guide, following desired stripe pattern, for 1½ (2, 2½)" [4 (5, 6.5) cm].

Continuing in desired stripe pattern, work 2 rnds St st.

Increase for Thumb Gusset

Rnd 1: Needles 1 and 2: knit all sts; needle 3: k7 (9, 11), pm, k1f&b; needle 4: k1f&b, pm, k7 (9, 11)—34 (42, 50) sts.

Rnds 2, 3, 5, and 6: Knit.

Rnd 4: Needles 1 and 2: knit all sts; needle 3: k7 (9, 11), slip marker, k1f&b, k1; needle 4: k1, k1f&b, slip marker, k7 (9, 11)—36 (44, 52) sts.

Rnd 7: Needles 1 and 2: knit all sts; needle 3: k7 (9, 11), slip marker, k1f&b, k2; needle 4: k2, k1f&b, slip marker, k7 (9, 11)—38 (46, 54) sts.

Continue in this manner, increasing on needle 3 and needle 4 every third row, until 6 (7, 8) increases have been completed and there are 14 (16, 18) thumb sts between markers—44 (54, 64) sts.

Stripe Patterns

Wide Stripes

*Work 10 rnds color A, 10 rnds color B; rep from * for rest of sock.

Note: Carry yarn not in use upward at beg of each rnd for leg and foot. Cut color B yarn when working heel section and rejoin when color B stripes begin after heel.

Narrow Stripes

Work setup rnds as indicated in instructions, then *work 16 rnds color A, 2 rnds color B, 3 rnds color A, 2 rnds color B; rep from * for rest of sock.

Note: Carry color A yarn upward at beg of rnd when working color B stripe sections, but cut color B yarn when working each set 16 rnds of color A and when working the heel.

work—until all 24 (28, 32, 36) sts have been worked and 14 (16, 18, 20) heel sts rem.

Note: The last two rows for all sizes end with k2tog or p2tog, as the final sts are incorporated into the heel triangle.

Gusset

Begin working in the round again. Pick up 12 (14, 16, 18) sts along nearest side of heel flap (needle 1), k24 (28, 32, 36) instep sts (needles 2 and 3), and pick up 12 (14, 16, 18) sts along second side of heel flap (needle 4). K7 (8, 9, 10) sts (half of the heel sts) onto needle 4 just used and pm in the last st to denote end of rnd. Slip the other 7 (8, 9, 10) heel sts onto needle 1. You should now have 19 (22, 25, 28) sts on each of needles 1 and 4 and 12 (14, 16, 18) instep sts on each of needles 2 and 3—62 (72, 82, 92) sts total. Continue following chosen stripe pattern.

Note: The rnd just worked counts as your 6th rnd of color A for the Wide Stripes sequence or 9th rnd of color A for Narrow Stripes.

Gusset Decreases

Rnd 1 (dec rnd): Needle 1: knit to last 3 sts, k2tog, k1; needles 2 and 3: knit across all instep sts; needle 4: k1, ssk, knit to end of rnd—60 (70, 80, 90) sts.

Rnd 2: Knit.

Maintaining stripe patt, rep rnds 1 and 2 until 12 (14, 16, 18) sts rem on needles 1 and 4—48 (56, 64, 72) sts.

Foot

Continue in St st, without decreasing, until foot measures about 1¼ (1¾, 2¼, 2¾)" [3 (4.5, 5.5, 7) cm] shorter than desired length.

Note: The final Narrow Stripes repeat may not be complete for all sizes. The toe of the Narrow Stripes sock is worked in color A only. For Wide Stripes pattern, continue following stripe sequence as given.

Toe Decreases

Rnd 1 (dec rnd): Needle 1: knit to last 3 sts, k2tog, k1; needle 2: k1, ssk, knit to end; needle 3: knit to last 3 sts, k2tog, k1; needle 4: k1, ssk, knit to end of rnd—44 (52, 60, 68) sts.

Rnd 2: Knit.

Rep rnds 1 and 2 until 7 sts rem on each needle—28 sts. Then rep rnd 1 only until 4 sts rem on each needle—16 sts.

After completing the last rnd, remove marker, k4 sts from needle 1 onto needle 4, and slip 4 sts from needle 3 onto needle 2. At this point, there are 8 sts on needle 4 and 8 sts on needle 2.

Finishing

Cut yarn, leaving an 8" [20.5 cm] tail, and thread through tapestry needle. With the 16 sts divided on two parallel needles, use Kitchener stitch (see page 161) to graft toe together. Weave in ends.

Block, if desired, according to yarn manufacturer's instructions.

Make second sock the same.

HOUSE SWEATER

Designer - Amber Daniels-Cook ☾

Pattern Rating - Ordinary Wizarding Level

A traditional v-neck school jumper with house color detailing, just like in the movies! This sweater is perfect for sending your little (or big) wizards off to school. The yarn is a classic machine-washable wool, and the flexible sizing of this sweater means everyone can have one—as long as Mrs. Weasley shares her knitting spells with you, of course!

Back

With color A and smaller needles, CO 69 (73, 79, 93, 103, 113, 123, 133) sts. Work in single rib, as described in the stitch guide, until rib measures 2" [5 cm] or desired length from CO edge, ending with a WS row completed.

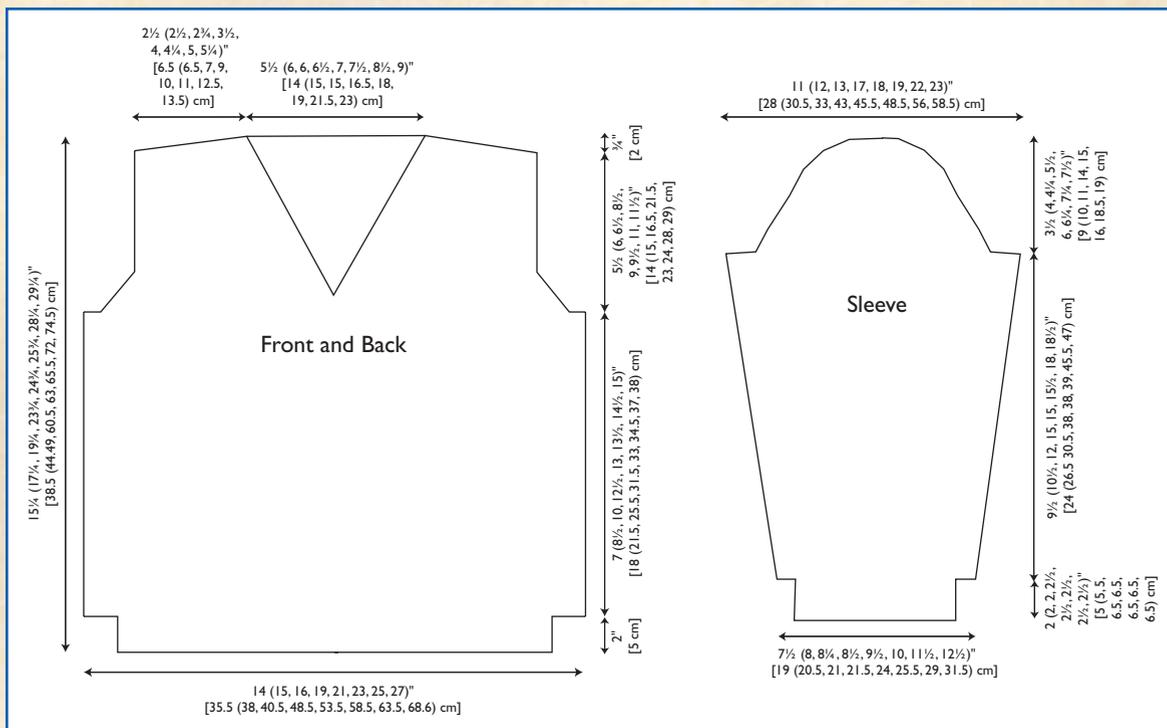

Next row (RS): Knit, increasing 9 (9, 9, 11, 13, 13, 15, 15) sts, spaced evenly across row—78 (82, 88, 104, 116, 126, 138, 148) sts.

Next row (WS): Switching to larger needles, purl.

Continuing in St st, work house stripes over the next 6 rows, changing colors as described in the stripe pattern (see page 87). Cut colors B and C, leaving 8" [20.5 cm] tails.

Continuing with color A only, work even in St st until piece measures 9 (10½, 12, 14½, 15, 15½, 16½, 17)" [23 (26.5, 30.5, 37, 38, 39, 42, 43) cm] or desired length from CO edge, ending with a WS row completed.

Row 7 (RS): K1, k2tog, knit to center marker, drop yarn, slip marker, attach another ball of yarn and work to last 3 sts, ssk, k1—31 (32, 35, 41, 46, 50, 57, 61) sts each side of marker.

Continue working the neck shaping according to the following directions for your size.

Note: Both sides of the front neck are worked at the same time, each with a separate ball of yarn.

Two Smallest Sizes Only

Row 8 (WS): Purl to 3 sts before center marker at neck opening, ssp, p1, drop yarn, slip marker, pick up yarn for other side of neck, p1, p2tog, purl to end—30 (31) sts each side of marker.

Row 9 (RS): K1, k2tog, knit to 3 sts before center marker at neck opening, k2tog, k1; at other neck edge k1, ssk, knit to last 3 sts, ssk, k1—28 (29) sts each side of marker.

Rows 10 and 11: Rep rows 8 and 9—25 (26) sts each side of marker.

With armhole shaping completed, continue neck shaping as follows:

Row 12 (WS): Rep row 8—24 (25) sts.

Row 13 (RS): Knit to 3 sts before neck opening, k2tog, k1; at other neck edge k1, ssk, knit to end—23 (24) sts each side of marker.

Rows 14–17: Rep rows 12 and 13 two times more—19 (20) sts each side of marker.

Row 18 (WS): Purl across both sides of neck.

Row 19 (RS): Rep row 13—18 (19) sts each side of marker.

Row 20: Rep row 18.

Rep rows 19 and 20 another 4 (6) times—14 (13) sts rem each side.

Work even in St st until front measures same as back to beg of shoulder shaping, ending with a WS row completed—14 (13) sts each side.

Six Largest Sizes

Row 8 (WS): Purl to center marker, drop yarn, slip marker, pick up yarn for other side of neck, purl to end.

Row 9 (RS): K1, k2tog, knit to 3 sts before center marker at neck opening, k2tog, k1; at other neck edge k1, ssk, knit to last 3 sts, ssk, k1— – (–, 33, 39, 44, 48, 55, 59) sts each side of marker.

Rep rows 8 and 9 another – (–, 2, 3, 4, 5, 5, 6) times— – (–, 29, 33, 36, 38, 45, 47) sts each side of marker.

With armhole shaping completed, continue neck shaping as follows:

Next row (WS): Rep row 8.

Next row (RS): Knit to 3 sts before neck opening, k2tog, k1; at other neck edge k1, ssk, knit to end— – (–, 28, 32, 35, 37, 44, 46) sts each side of marker.

Rep last 2 rows – (–, 12, 6, 4, 6, 7, 5) times more— – (–, 16, 26, 31, 31, 37, 41) sts each side of marker.

Next 3 rows: Beg with WS row, work even in St st on both sides of marker.

Next row (RS): Knit to 3 sts before neck opening, k2tog, k1; at other neck edge k1, ssk, knit to end— – (–, 15, 25, 30, 30, 36, 40) sts each side of marker.

Rep last 4 rows – (–, 0, 6, 8, 7, 9, 11) times more— – (–, 15, 19, 22, 23, 27, 29) sts each side of marker.

Work even in St st until front measures same as back to beg of shoulder shaping, ending with a WS row completed—14 (13, 15, 19, 22, 23, 27, 29) sts each side.

Shoulder Shaping

Row 1 (RS): BO 5 (5, 5, 7, 8, 8, 9, 10) sts at shoulder edge, knit across both sides of neck—9 (8, 10, 12, 14, 15, 18, 19) sts rem on shoulder with BO.

Row 2 (WS): BO 5 (5, 5, 7, 8, 8, 9, 10) sts at each shoulder edge, purl across both sides of neck—9 (8, 10, 12, 14, 15, 18, 19) sts rem on each shoulder.

Rows 3 and 4: BO 5 (4, 5, 6, 7, 8, 9, 10) sts beg at shoulder edge, then work in patt to end—4 (4, 5, 6, 7, 7, 9, 9) sts rem each shoulder.

Rows 5 and 6: BO rem sts beg at shoulder edge.

Cut both yarns, leaving 8" [20.5 cm] tails.

Sleeves

With color A and smaller needles, CO 37 (39, 41, 43, 47, 49, 57, 63) sts.

Work same as body rib for 2 (2, 2, 2½, 2½, 2½, 2½)" [5 (5, 5, 6.5, 6.5, 6.5, 6.5) cm].

Row 1 (RS): Knit, increasing 5 (5, 5, 5, 5, 7, 7, 7) sts spaced evenly across row—42 (44, 46, 48, 52, 56, 64, 70) sts.

Row 2: (WS): Changing to larger needles, purl.

Note: When instructed to work RS increases, work them as follows: K1, m1, knit to last st, m1, k1.

Continuing in St st, work the stripes over the next 6 rows, changing colors as described in the stripe pattern. Cut colors B and C, leaving 8" [20.5 cm] tails. Continue in color A only.

At the same time, inc 1 st each side every 6 (6, 6, 4, 4, 4, 4, 4) rows 4 (8, 11, 17, 20, 18, 23, 18) times—50 (60, 68, 82, 92, 92, 110, 106) sts.

Inc 1 st each side every 8 (8, 8, 6, 6, 6, 6, 6) rows 5 (3, 2, 6, 4, 6, 6, 10) times—60 (66, 72, 94, 100, 104, 122, 126) sts.

Work even until sleeve measures 11½ (12½, 14, 17½, 17½, 18, 20½, 21)" [29 (31.5, 35.5, 44.5, 44.5, 45.5, 52, 53.5) cm] or desired length from CO edge, ending with a WS row completed.

Cap Shaping

BO 5 (6, 6, 8, 9, 10, 9, 10) sts beg next 2 rows—50 (54, 60, 78, 82, 84, 104, 106) sts.

Next row (dec row—RS): K1, k2tog, knit to last 3 sts, ssk, k1—48 (52, 58, 76, 80, 82, 102, 104) sts.

Next row (WS): Purl.

Rep last 2 rows 4 (4, 5, 6, 7, 8, 8, 9) times more—40 (44, 48, 64, 66, 66, 86, 86) sts.

Note: Continue to work RS dec rows as before and work WS dec rows as follows: P1, ssp, purl to last 3 sts, p2tog, p1.

Dec 1 st each side every row 10 (11, 11, 14, 12, 10, 16, 13) times—20 (22, 26, 36, 42, 46, 54, 60) sts.

Dec 1 st each side every 2nd row 0 (1, 1, 4, 5, 6, 7, 9) times—20 (20, 24, 28, 32, 34, 40, 42) sts.

BO 2 (2, 3, 3, 4, 4, 5, 5) sts beg next 4 rows—12 (12, 12, 16, 16, 18, 20, 22) sts.

BO rem 12 (12, 12, 16, 16, 18, 20, 22) sts.

Make second sleeve the same.

Neckband

Backstitch (see page 159) or graft (see page 160) front to back at each shoulder. With RS facing, join color A and use circ needle to pick up 30 (34, 34, 36, 38, 42, 48, 50) sts from back neck, pick up 26 (29, 32, 43, 47, 49, 56, 61) sts along left neck edge, pm, m1 (this will be the center st), pm, pick up 26 (29, 32, 43, 47, 49, 56, 61) sts along right neck edge, and pm to denote the end of the rnd—83 (93, 99, 123, 133, 141, 161, 173) sts.

Rnd 1: Work in single rib to within 2 sts of first center marker, ssk, slip marker, k1, slip marker, k2tog, work in single rib to end of rnd.

Rnd 2: Work in established rib patt to within 2 sts of first center marker, ssk, slip marker, k1, slip marker, k2tog, work in established rib patt to end of rnd.

Rep rnd 2 until band measures 1 (1, 1, 1¼, 1¼, 1¼, 1½, 1½)" [2.5 (2.5, 2.5, 3, 3, 3, 4, 4) cm] from pick-up rnd. At this point, either remove markers, BO in rib patt, and cut yarn, leaving an 8" [20.5 cm] tail for a single-layer neckband or continue as follows to create a facing.

Facing (Optional)

Next rnd (RS): Purl next rnd (to create a turning ridge).

Next rnd: Work in established rib (following same rib patt as in rnd before turning ridge) to first center marker, m1, slip marker, k1 (center st), slip marker, m1, work in established rib to end of rnd.

Rep last rnd, working the newly made sts into the established rib patt until facing measures same as neckband and st count is the same as beg of neckband. BO all sts in rib patt. Cut yarn, leaving a 20" [51 cm] tail.

Fold facing to WS at turning ridge and pin in place.

Thread tail into a tapestry needle and whipstitch (see page 160) facing to WS along the pick-up rnd, taking care not to pull too tight. Remove pins.

Finishing

Weave in all loose ends. Block all pieces to size, according to yarn manufacturer's instructions.

When dry, sew sleeve caps into armholes, easing to fit. Use mattress stitch (see page 160) to close sleeve and side seams.

Lightly steam seams to smooth out any puckers, if necessary.

- Tapestry needle

Gauge

20 sts and 36 rows = 4" [10 cm] in garter st, using size 6 [4 mm] needles

Note: Gauge isn't terribly important in this simple scarf. You can easily adjust the number of stitches for a different gauge yarn: Cast on more stitches to use a finer yarn or fewer stitches to use a heavier yarn.

Finished Size

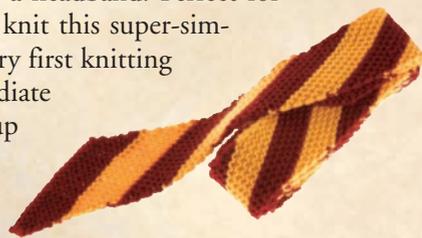

Width: 2" [5 cm]

Length: About 60" [152.5 cm] or desired length

HIP HOUSE SCARF

Designer - Alison Hansel • Pattern Rating - First Year

For the hip Harry Potter fan: It's a skinny scarf, it's a tie, it's a belt, you could even wear it as a headband. Perfect for the beginning knitter, you can knit this super-simple garter stitch scarf as your very first knitting project. Or if you're an intermediate knitter, you can charm one up lickety-split before the next movie premiere. It's what all the cool Hogwarts students are wearing!

Instructions

With color A, CO 20 sts. Continuing with color A, beg following desired stripe pattern (see page 95) and work rows as follows:

Row 1 (WS): Knit.

Row 2 (RS): K2tog, knit to last st, k1f&b.

Rep rows 1 and 2, switching to color B and back to color A as described in the stripe pattern (see page 95), until scarf is approximately 60" [152.5 cm] long or desired length, ending with 10 rows of color A for Wide Stripes pattern or 14 rows of color A for Narrow Stripes pattern.

With color A, BO all stitches. Cut yarn, leaving an 8" [20.5 cm] tail.

Finishing

Weave in ends.

Block according to yarn manufacturer's instructions to prevent the scarf from curling.

Note: Although a garter stitch scarf would normally not curl, the bias shape of this scarf tends to create a slight spiral curl.

Stripe Patterns

Wide Stripes

*Work 10 rows in color A, 10 rows in color B; rep from * for entire scarf, ending scarf with 10 rows of color A.

Narrow Stripes

*Work 14 rows in color A, 2 rows in color B, 2 rows in color A, 2 rows in color B; rep from * for entire scarf, ending scarf with 14 rows color A.

Note: Cut the yarn at each color change for both stripe sequences as both sides of the scarf will be visible. This makes for more ends to weave in but a much neater-looking scarf.

Recommended Colors for Other Houses

Slytherin: Cascade 220 Superwash #801 Army Green (color A) and #816 Gray (color B)

Ravenclaw: Cascade 220 Superwash #813 Blue Velvet (color A) and #828 Bronze or #816 Gray (color B)

Hufflepuff: Cascade 220 Superwash #815 Black (color A) and #820 Lemon (color B)

Materials

Worsted-Weight Version

- Brown Sheep Nature Spun Worsted (100% wool, 245 yd. [224 m] per 100 g ball), #200 Bordeaux (color A), 1 ball, and #308 Sunburst Gold (color B), 1 ball
- Or yarn that knits to specified gauge: worsted-weight wool or wool-blend yarn:
Wide Stripes version: About 16 yd. [14.5 m] each of color A and color B
Narrow Stripes version: About 22 yd. [20 m] of color A and 7½ yd. [7 m] of color B
- US 7 [4.5 mm] double-pointed needles

DK-Weight Version

- Jamieson's Double Knitting (100% wool, 82 yd. [75 m] per 25 g ball), #168 Clyde Blue (color A), 1 ball, and #1190 Burnt Umber (color B), 1 ball
- Or yarn that knits to specified gauge: DK-weight wool or wool-blend yarn:
Wide Stripes version: About 17¾ yd. [16 m] each of color A and color B
Narrow Stripes version: About 25 yd. [23 m] of color A and 6 yd. [5.5 m] of color B
- US 5 [3.75 mm] double-pointed needles

HOUSE BOOKSCARVES

Designer - Laura Miller • Pattern Rating - First Year

A large, woolly scarf isn't always practical for every climate or every season. You can make this mini version to mark your place as you reread Harry's adventures any time of the year. The Laceweight version is the perfect weight for a bookmark, but instructions are provided for two other gauges, so you can use leftovers from another House Colors project to make your bookscarf. They also make quick and simple gifts for all the Harry Potter fans in your life!

Instructions

Note: These instructions are written for the Worsted-Weight version, with changes for the DK-Weight and Laceweight versions given in parentheses. When only one number is given, it applies to all versions.

CO 16 (18, 32) sts in color A onto dpns. Divide sts as evenly as possible among needles, pm to note beg rnd, and join in a circle, being careful not to twist sts.

Work desired stripe pattern (as directed on page 98) in St st.

Note: Following the scarves in the movies, the newer, Narrow Stripes Hufflepuff scarves begin and end with yellow, so colors A and B are switched in the Narrow Stripes version for that house only. Thus, color A is yellow, and color B is black. Other house colors remain the same for both versions.

All Versions

When stripe pattern is complete, BO all sts. Cut yarn, leaving an 8" [20.5 cm] tail.

Trim tails from color changes to 1½" [4 cm] long; they can be left loose on the inside of the scarf, as they won't be seen. Leave tails from CO and BO to be incorporated into fringe.

Finishing

Flatten tube, aligning beg of rnd (where jog from color change occurs) carefully along one side edge.

Finished Size

Length (not including fringe):
about 7–7½" [18–19 cm]

Width: 1½" [4 cm]

Note: Finished size will vary slightly, depending on chosen gauge and stripe pattern.

The Magic of Giving

Knitting for others plays a very special role in the Harry Potter series. Mrs. Weasley gives Ron a maroon sweater every year, Ron gives it to Dobby, Dobby knits for Harry, and Hermione takes up knitting for all the house-elves! With these patterns, you can share with all these characters the joy of knitting for others.

Take a peek into Dobby's sock drawer (just don't expect to find any matching socks!), charm up a tiny elf hat, or discover the magic of felting by making Hermione's Magic Knitting Bag. You can play Mrs. Weasley and make mini-Weasley sweater ornaments for everyone at Christmas. And, in case you get into trouble, you can even knit yourself a scarf full of healing Phoenix tears.

- Dobby's Socks 100
- Elf Hats 110

DOBBY'S SOCKS

Designer - Alison Hansel

Pattern Rating - Ordinary Wizarding Level

Here are four single mismatched socks for kids, inspired by our favorite sock collector. There's a boy's ribbed sock based on Dobby's very first sock from Harry, a stripy girl's sock based on the mysterious pink-and-orange sock he pairs with it, and a pair with broomsticks and Snitches, just like those he knits for Harry for Christmas. Solid-color, short-row heels give these socks a neat look and provide a crisp contrast to set off the patterning on the leg and foot. And don't worry; each pattern also includes larger sizes, in case you want to knit some for yourself, too!

Note: The number of skeins and yardage given for these socks are what you need to make a matching pair. If you want to knit a mismatched pair like Dobby, you need only half this yardage amount for each sock.

Special Techniques for This Project

RS Wrap

Slip next st pwise, bring yarn to front between needle tips, slip st back to left needle, and bring yarn to the back between needle tips.

WS Wrap

Slip next st pwise, bring yarn to back between needle tips, slip st back to left needle, and bring yarn to the front between needle tips.

Knit Wrapped St

Insert right needle kwise into wrap(s) below st and then into the st on the needle and knit them together.

Note: When knitting a stitch together with its wrap(s), you may find it easier to pull the yarn through the st on the needle first and then, using the left needle tip, pull the wrap(s) off the right needle.

Purl Wrapped St

Insert the right needle into the wrap(s) below the st from behind (into the back of the loops) and lift the wrap(s) up onto the left needle. Purl the wrap(s) together with the next st.

Rep rows 3 and 4 until wraps have been removed from all 25 (29, 33, 37) heel sts.

Foot

K12 (14, 16, 18) and pm to mark new beg of rnd.

Begin working in the round again, working all heel/sole sts in St st and continuing ribbing as established over 23 (27, 31, 35) instep sts. Continue until foot measures about 1½ (1½, 1¾, 1¾)" [4 (4, 4.5, 4.5) cm] shorter than desired foot length.

Toe

The short-row toe is worked just as the short-row heel but over 24 (28, 32, 36) sts—the 12 (14, 16, 18) sts before the beg of the rnd and 12 (14, 16, 18) sts after the beg of the rnd.

Row 1 (RS): K11 (13, 15, 17), RS wrap next st, and turn.

Row 2 (WS): P22 (26, 30, 34), WS wrap next st, and turn.

Row 3: Knit to 1 st before first wrapped st, RS wrap next st, and turn.

Row 4: Purl to 1 st before first wrapped st, WS wrap next st, and turn.

Rep rows 3 and 4 until there are 8 (9, 10, 11) wrapped sts on each side and 8 (10, 12, 14) unwrapped sts in the center.

Widen the Toe

Row 1 (RS): K8 (10, 12, 14), to the first wrapped stitch, knit wrapped st, RS wrap next st (it will now have two wraps around it) and turn.

Row 2 (WS): P9 (11, 13, 15), to the first wrapped stitch, purl wrapped st, WS wrap next st (it will now have two wraps around it) and turn.

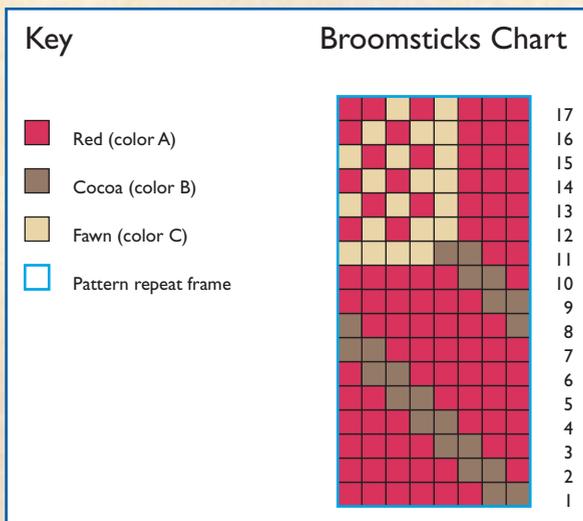

Row 3: Knit to first double-wrapped stitch, knit wrapped st, RS wrap next st, and turn.

Row 4: Purl to first double-wrapped stitch, purl wrapped st, WS wrap next st, and turn.

Rep rows 3 and 4 until wraps have been removed from all 24 (28, 32, 36) sts.

When toe is complete, place all 24 (28, 32, 36) toe sts on one needle. Place rem 24 (28, 32, 36) sts from instep on second needle.

You can adjust the leg length by working a different number of chart repeats or by working more/fewer solid color rows before, between, or after the motifs.

Work in St st for 4 rnds. Then, referring to chart (see page 105), continue in St st and work patt as follows:

Rnds 1–17: *Work 8 sts of chart; rep from * to end of rnd.

Toddler Size Only

For Toddler size only, after rnd 17 is completed, cut yarns B and C and go to *Decrease: For All Sizes*, page 106.

All Sizes Except Toddler

After rnd 17 is completed, continue for all sizes except Toddler as follows:

Rnds 18–20: With color A, knit.

Rnds 21–37: Work last 4 sts of chart, *work 8 sts of chart; rep from * to last 4 sts, work first 4 sts of chart.

Child S and Child L/Women S Only

For Child S and Child L/Women S sizes only, after rnd 37 is completed, cut yarns B and C and go to *Decrease: For All Sizes*, page 106.

Gauge

34 sts and 44 rnds = 4" [10 cm]
in St st using size 1 [2.25 mm]
needles

Note: When working the motifs on the leg, be careful not to strand yarn too tightly across the back, or your gauge will be affected, and the sock may be too tight to wear.

Finished Size

**Toddler (Child S, Child L/
Women S, Women L/Men S)**

Leg circumference: 6½ (7½, 8½,
9½)" [16.5 (19, 21.5, 24) cm]

Note: Because of the stranded colorwork, these socks have very little stretch.

Leg length (from cuff to bottom of heel): About 5 (7, 7, 9)" [12.5 (18, 18, 23) cm] or desired length

Foot length: About 5 (7½, 8¾, 10)" [12.5 (19, 22, 25.5) cm] or desired length

Rnds 41–57: Rep rnds 1–17.

Cut yarns B and C and go to *Decrease: For All Sizes*, below.

Decrease: For All Sizes

Continuing with color A only, decrease sts as follows:

Rnds 1 and 3: Knit.

Rnd 2 (dec rnd): *K12 (14, 16, 18), k2tog; rep from * to end of rnd—52 (60, 68, 76) sts.

Rnd 4 (dec rnd): *K11 (13, 15, 17), k2tog; rep from * to end of rnd—48 (56, 64, 72) sts.

Heel

The short-row heel is worked in color A over 24 (28, 32, 36) sts—the 12 (14, 16, 18) sts before the beg of the rnd and the 12 (14, 16, 18) sts after the beg of the rnd. Work short-row heel following the instructions for the short-row *toe* for Harry's Sock, page 102.

Foot

When heel is complete, k12 (14, 16, 18) and pm to mark new beg of rnd.

Begin working in the round again, continuing in St st, until foot measures about 1½ (1½, 1¾, 1¾)" [4 (4, 4.5, 4.5) cm] shorter than desired foot length.

Toe

Work short-row toe the same as the short-row toe for Harry's Sock, page 102.

Finishing

When toe is complete, finish sock as directed for Harry's Sock, page 103.

ELF HATS

Designer - Alison Hansel • Pattern Rating - First Year

Inspired by Hermione's extracurricular knitting endeavors, here are three unique and quirky hats for the little house-elves in your life! Perfect for the adventurous beginning knitter and little heads in need of uncommon toppers, these are knit in a large gauge and a colorful superwash yarn. One ball of the main color is just enough to make the smallest size (for babies or, when worn slightly above the ears, even toddlers)!

Tea Cozy Crown

Dobby would feel like a king in a tea cozy hat like this one. This easy-to-knit hat is worked flat in garter stitch. The magic is in the seaming at the top.

Instructions

With color A, CO 64 (72, 80) sts, leaving a 10" [25.5 cm] tail for seaming.

Work in garter st, as described in the stitch guide, for 17 (21, 25) rows.

Drop color A (do not cut), switch to color B, and work 6 rows in garter st.

Cut color B, leaving tail to weave in later, pick up color A again, and work 19 (23, 27) rows in garter st.

Cut color A, leaving tail to weave in later, and rejoin color B.

BO all sts with color B. Cut yarn, leaving a 24" [61 cm] tail for seaming top.

Finishing

Fold hat in half with RS facing you. (*Note:* The side that shows three color B stripes—two thin and one thick—as shown in the photos, should be on the outside.) Using color B strand still attached at end of BO row, whipstitch first and last 8 (9, 10) sts of BO edge together on the RS so that sts are visible.

Count out next 16 (18, 20) sts of BO edge along one side. Fold those sts in half and, continuing in color B, whipstitch together. Bring yarn to inside of hat and weave in underneath those sts just sewn together to bring yarn back to center opening. Rep from * to * once more, then fold last 16 (18, 20) BO sts in half and whipstitch together.

Bring yarn through center opening and weave in all ends except tail from CO. With CO tail threaded on tapestry needle, sew side seam and weave in end.

Block, if desired, according to yarn manufacturer's instructions.

Materials for Gryffindor Common Room Cap

- Classic Elite *Bazic Wool* (100% superwash wool; 65 yd. [60 m] per 50 g ball): #2958 Barn Red (color A), 1 (2, 2) balls, and #2925 Sunflower (color B), 1 ball
- Or similar yarn that knits to specified gauge: heavy worsted/Aran-weight wool or wool-blend yarn, about 65 (90, 112) yd. [59 (82, 102) m] of color A and 12 yd. [11 m] of color B
- US 8 [5 mm] 16" [40 cm] circular needle for sizes M and L
- US 8 [5 mm] double-pointed needles

Note: For size S, which is too small to work on a 16" [40 cm] circular needle, you can use either double-pointed needles or a 11½" or 12" [29 or 30.5 cm] circular needle and double-pointed needles.

- Stitch marker
- Tapestry needle
- Stitch holder or spare double-pointed or circular needle to hold triangles

Gryffindor Common Room Cap

Liberating the Hogwarts house-elves, one cap at a time! Don't stay up too late at night knitting these delightful wizard-style hats for the elves in your house.

Instructions

Make Triangles

With color B, CO 1 st.

Row 1: K1f&b—2 sts.

Row 2: K1f&b, knit to end—3 sts.

Rep row 2 until you have 10 (12, 14) sts. Cut yarn, leaving an 8" [20.5 cm] tail to weave in later, and slip triangle onto stitch holder or spare needle.

Make two more triangles with color B. Make three triangles with color A. Do not cut yarn when finished with the last color A triangle.

Join Triangles

Place all triangles on circular needle behind the triangle already on the needle, arranging each like the beg color A triangle, with final yarn tail to the right in position to knit next row. Alternate one color A triangle, one color B triangle, and so on, ending with a color B triangle. You should have a total of 60 (72, 84) sts.

Beginning next round at right edge of last color A triangle and using color A yarn still attached, knit across all sts. When you return to the first color A triangle, pm, join in a circle, being careful not to twist sts, and purl 1 rnd.

Continuing with color A, work in St st until hat measures 2¾" [7 cm] from triangle joins (purl round).

Decrease for Top

Changing to dpns when there are too few sts to continue on circ needle, work decreases as follows:

Finishing

Cut yarn, leaving an 8" [20.5 cm] tail. Thread tail through rem sts to close top of hat.

Weave in ends.

Block, if desired, according to yarn manufacturer's instructions.

Materials

- Cascade 220 (100% wool; 220 yd. [201 m] per 100 g skein): #8555 Black (color A), 4 skeins, and #9467 Cornflower (color B), 3 skeins
- Or similar yarn that knits to specified gauge: worsted-weight wool or other yarn that felts, about 1,540 yd. [1,410 m] total

Note: This bag is a great project to use up all your woolly leftovers from other projects. As long as the yarns you choose are either at least 60% wool (preferably 100% wool) or, in the case of novelty yarns, carried with a wool yarn, the bag will felt successfully. Keep in mind that superwash wool yarn is specially treated so that it does not felt.

- 3 yd. [2.75 m] crochet cotton or other yarn that will not felt
- US 15 [10 mm] 24–32" [60–80 cm] circular needle
- US 11 [8 mm] 24–32" [60–80 cm] circular needle
- US J [6 mm] crochet hook
- Stitch markers
- Tapestry needle
- 2 yd. [1.83 m] nylon webbing for strap (available in sewing and craft stores)
- Sewing needle
- Strong nylon (upholstery) thread

HERMIONE'S MAGIC KNITTING BAG

Designer - Shannon Okey • Pattern Rating - First Year

This striped bag is big enough to hold your knitting projects for all your favorite house-elves, as well as your schoolbooks, lunch, magic wands . . . you name it! It's knit almost entirely in the round, which means next to no purling, and then it's felted for durability. This pattern is very flexible: You can knit it as a schoolbag in your house colors, or using leftovers from

other projects, and you can adjust the size easily. Make up your own stripe pattern, and watch the felting process magically transform it!

Instructions

Note: The bag flap is knit first in rows, then stitches are cast on to form the bag body, which is knit from the top down, in rounds. Once the bag body is done, stitches are bound off on all but one edge, and the bag bottom is knit back and forth in garter st. After the bottom is sewn closed, the bag is felted in the washing machine. Straps are added after the felting.

Flap

With larger needle and color A, CO 75 sts. Beginning with a RS row, work St st in rows until piece measures 20" [51 cm]. End with a RS row completed.

Bag Body

Turn flap so that the WS is facing and pm. Using cable cast-on (see page 154), CO 35 sts, pm, CO 75 sts, pm, CO 35 sts, pm—220 sts.

Note: The last marker placed is the beginning of the round. You may want to use a different color or style of stitch marker here.

Turn work back to RS and join in a circle, being careful not to twist sts.

Work St st in rnds, following stripe pattern on page 118 or switching colors every few rows according to your own stripe plan until the bag body

Stripe Pattern

Work 7 rnds color B, 8 rnds color A, 7 rnds color B, 8 rnds color A, 7 rnds color B, 4 rnds color A, 2 rnds color B, 4 rnds color A, 4 rnds color B, 6 rnds color A.

Note: Have fun making up your own stripe sequence. Start with a swatch to try out your own ideas. Be sure to felt your swatch to see what it will look like when the bag is finished. Use more colors, make more stripes, whatever!

the bag body. Count 35 sts across a side panel from one corner and crochet into that vertical line of stitches. Count 75 sts across the front from that vertical line and crochet down that vertical line of stitches.

To keep the bag flap from deforming during the felting process, whipstitch the front of the bag flap to the front of the bag body using crochet cotton or another yarn that will not felt and big stitches that will be easy to pick out later.

Felting

Set your washing machine to heavy-duty or similar cycle (hot wash, cold rinse), place your knitted bag in the washer inside a zippered lingerie bag or zippered pillowcase to keep lint from collecting in your washing machine, and wash with a little dish soap or laundry detergent to felt. Watch the bag during the initial agitation cycle. If you can still see individual stitches, reset the machine to go through a second agitation cycle. (Don't let the cold rinse water hit it yet!) When the bag has felted completely and you cannot see the individual stitches any longer, allow it to go through the cold rinse cycle.

Remove the whipstitching from the flap and stuff the bag with an appropriately sized cardboard box, newspaper, or plastic bags to shape it while it dries.

When the bag is dry, trim any loose yarn ends.

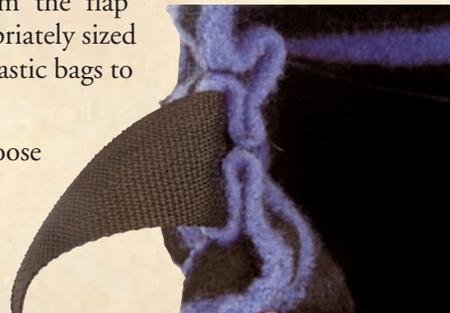

Adding a Strap

Cut nylon webbing to the strap length you prefer.

Center one end of strap on one side of bag and stitch it in place with strong nylon thread and a sewing needle. Bring top edges of side panel tog over strap, folding fabric from both sides of strap over the strap to cover it. (This creates a gusset.) Stitch into place. Stitch corners of bag to corners of fabric covering strap.

Repeat for the other end of the strap.

Note: Now that your fabric is felted, the stitches are no longer “live”—that is, if you cut the fabric, it won't unravel. If your flap is longer than you want it to be, you can trim it with scissors to any length you want. Fill the bag with newspaper or plastic bags before you trim so that you can accurately see how the flap will fall.

Pick up 12 sts between markers along right edge and work second sleeve the same as the first.

Fold cuffs to RS.

Finishing

Neckband

Place 6 back neck sts on one dpn. Join new yarn at right side of back neck and knit across. With second dpn, pick up 4 sts down left side of neck. Place 4 front neck sts on third dpn and knit across. With fourth dpn, pick up 4 sts up right side of neck—18 sts. Work 3 rnds in St st. BO sts loosely. Cut yarn, leaving an 8" [20.5 cm] tail, and weave in all rem ends.

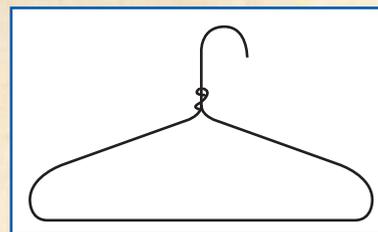

Roll neck edge to RS.

Initial

With color B, work desired initial in duplicate st (see page 157) on sweater front (see chart for initials on page 120).

Hanger

With wire cutter, cut a piece of wire approximately 9" [23 cm] long. Bend wire over knitting needle or finger about 2½" [6.5 cm] from one end. Continuing along wire, bend again about 3" [7.5 cm] further, forming a triangle. Wrap first, shorter end around second, longer end where they cross at the top of the triangle. Trim short end and crimp with pliers so it won't snag the sweater. Bend remaining long end straight,

then bend once over knitting needle or finger to form hanger hook. Trim end with wire cutters. Place the sweater on the hanger and hang the hanger from a tree branch.

Other Recommended Colors

For Ron: Jamieson's Double Knitting #239 Purple Heather (color A) and #1190 Burnt Umber (color B)

For Weasley twins: Jamieson's Double Knitting #165 Dusk (color A) and #1190 Burnt Umber (color B)

Materials for Golden Snitch Balls

- Jamieson's Double Knitting (100% Shetland wool, 82 yd. [75 m] per 25 g skein), #1190 Burnt Umber, 1 skein
- Or similar yarn that knits to specified gauge. About 3½ yd. [3 m] per Snitch
- US 3 [3.25 mm] double-pointed needles
- Polyester fiberfill or scrap yarn for stuffing
- Tapestry needle
- About 15" [38 cm] clear craft cord [.8 mm], per ornament

Finished Size

Width: 1" [2.5 cm]

Length: 1½" [4 cm]

Note: With a larger gauge yarn, you can make larger Snitch balls or with a finer gauge yarn, you can make even smaller ones.

Rnd 14: *K1, k2tog, k1; rep from * to end of rnd—9 sts.

Rnd 15: *K1, k2tog; rep from * to end of rnd—6 sts.

Finishing

Finish stuffing Snitch to desired fullness. Cut yarn, leaving an 8" [20.5 cm] tail, and thread tail through rem sts to close top of Snitch.

Cut a piece of clear craft cord approximately 15" [38 cm] long and thread through rem sts. Tie knot in cord, trim ends, and pull cord so that ends are hidden in last sts. Thread cord loop and yarn tail together on tapestry needle, insert into bottom of Snitch, and pull up through the center and out the top of Snitch.

Note: Pulling the ends through to the top helps give the bottom a nice rounded shape.

Tie two yarn ends together to form knot, trim ends, and bury knot in body of Snitch. Use the plastic cord loop to hang the Snitch from a tree branch.

PHOENIX TEARS SCARF

Designer - Heather Brack • Pattern Rating - First Year

Phoenixes are full of powerful magic: Their tail feathers are used to make wands, and their tears have healing powers. This scarf represents the life of a phoenix, starting in drop-stitch flames, with the magical tail feathers and phoenix tears at the other end. It's knit in a fabulously silky and fiery yarn, as wonderful to knit with as it is to wear. Make one for yourself or share the magic of the phoenix with someone else!

Instructions

Note: Scarf is knit in three sections, beginning with the flames, then the center, and finally the plumage.

Flame Section

With yarn A, CO 15 sts. Knit 1 row.

Work dropped wraps st, as described in stitch guide, for 18" [45.5 cm]. Do not cut yarn.

Center Section

Join yarn B and, holding yarn A and yarn B together, work in garter st for 35" [89 cm].

Cut yarn A, leaving yarn B attached to work.

Plumage

There are two types of plumage on this scarf: three tail feathers and two curly plumes with phoenix tears. Begin with the tail feathers.

Tail Feathers

Note: You need to work with yarn B held double, so either split the skein into two equal balls, by weight, or wind it into a center-pull ball and use both the inside and outside ends.

Join second strand of yarn B and, holding the two strands of yarn B together, knit first 3 sts for the first tail feather. Place rem 12 sts on stitch holder or scrap yarn. Continue to work same 3 sts in garter st for 13" [33 cm].

Next row: K3tog, cut yarn, leaving an 8" [20.5 cm] tail, and pull tail through last st.

With double strand of yarn B, knit next 9 sts from holder, continuing to hold last 3 sts in reserve. Work in garter st for 9" [23 cm].

Row 1: K2tog, knit to end of row.

Rep row 1 until 1 st rem. Cut yarn, leaving an 8" [20.5 cm] tail, and draw tail through last st.

With double strand of yarn B, work third tail feather over final 3 sts in same manner as first tail feather.

Curly Plumes with Phoenix Tears

Using yarn A, CO 80 sts.

Rows 1 and 2: *K2tog; rep from * across row—40 sts.

Rows 3 and 4: Knit.

BO tightly.

Cut a 10" [25.5 cm] length of yarn A and tie a knot about 3" [7.5 cm] from one end. Slip a bead onto the yarn and down to the knot and then tie another knot so the bead is held firmly in place. *Slip another bead down to the last knot made, then tie another knot to hold the second bead firmly in place; rep from * once more (3 beads total).

Make tassel: Wrap yarn A around the palm of your hand about 6 times (or around a piece of cardboard cut to make loops about 3½" [9 cm] to 4" [10 cm] long). Break yarn, leaving at least an 8" [20.5 cm]

tail. Use the 3" [7.5 cm] long end of the beaded string to tie the top of the loops, then wrap the 8" [20.5 cm] tail around the strands several times about ½" [1.3 cm] from top of loops to secure the strands and form a tassel. Cut the ends of the tassel and trim them to an even length.

Tie the beaded strand securely to one end of the curly plume: Weave in ends.

Make a second curly plume the same as the first.

Finishing

Sew the curly plumes in the gaps between the straight plumes and weave in all rem ends.

Home at Hogwarts

It may be colder at Durmstrang, but cozy knits are still a winter necessity at Hogwarts! Every young wizard could use some casual sweaters, hats, and mittens for after class or for weekend trips to Hogsmeade. All these patterns were inspired by the extraordinary knits created for the characters' ordinary daywear in the films. There's Harry's traditional red cable sweater, Hermione's hat and mittens from Hogsmeade, Ron's incredible Animal Crackers lion hat, and his latest and greatest initial sweater from home.

The best part: True fans will recognize them as genuine Harry Potter garb, but Muggles will never know!

Continue neck decreases and *at the same time* begin shoulder decreases, as follows:

Row 1 (WS): BO 8 (8, 8, 10, 12) sts, work to last 3 sts, k2tog, k1—19 (21, 25, 29, 33) sts.

Row 2 and all other RS rows: Work in patt.

Row 3: BO 8 (8, 8, 10, 12) sts, work to last 3 sts, k2tog, k1—10 (12, 16, 18, 20) sts.

Row 5: BO 6 (6, 8, 10, 10) sts, work in patt to end of row—4 (6, 8, 8, 10) sts.

Row 7: BO rem 4 (6, 8, 8, 10) sts.

Sleeves

With smaller needles, CO 46 (60, 60, 74, 74) sts and work in single rib for 2 (2, 2, 2½, 2½)" [5 (5, 5, 6.5, 6.5) cm], ending with a WS row completed.

Switch to larger needles and work first 6 rows of cable rib patt.

Begin sleeve increases:

Note: Increasing 1 st in from the edge while keeping the first and last sts in St st maintains an even edge along the sleeve for easier seaming. When incorporating new sts into cable rib patt, do not count these first and last knit sts as part of the pattern.

Row 1 (RS): K1f&b, work in patt to last 2 sts, k1f&b, k1—48 (62, 62, 76, 76) sts.

Rows 2 and 4 (WS): P5, work in patt to last 5 sts, p5.

Row 3: k5, work in patt to last 5 sts, K5.

Row 5: K1f&b, work in patt to last 2 sts, k1f&b, k1—50 (64, 64, 78, 78) sts.

Rows 6 and 8: P1, k1, work in patt to last 2 sts, k1, p1.

Row 7: K1, p1, work in patt to last 2 sts, p1, k1.

Row 9: K1f&b, p1, work in patt to last 2 sts, p1f&b, k1—52 (66, 66, 80, 80) sts.

Row 10 and 12: P1, k2, work in patt to last 3 sts, k2, p1.

Row 11: K1, p2, work in patt to last 3 sts, p2, k1.

Continue to increase in this manner, 1 st in from the edge, every 4th row 18 (18, 27, 27, 27) times more—88 (102, 120, 134, 134) sts.

Work even in patt until sleeve measures 15 (18, 22, 24, 25)" [38 (45.5, 56, 61, 63.5) cm] from CO edge or desired sleeve length. BO all sts in patt.

Make second sleeve the same.

Neckband

Block all pieces to size, according to yarn manufacturer's instructions.

Graft shoulder seams together (see page 160).

Join new yarn at right edge of back neck and with circ needle, pick up and k42 (54, 58, 60, 62) sts across back neck, 18 sts down left side of neck, 14 (24, 30, 32, 34) sts from front neck, and 18 sts up right side of neck—92 (114, 124, 128, 132) sts around neckline. Join in a circle and work in single rib for 8 rnds. BO all sts loosely in patt.

Finishing

Sew side and sleeve seams, using mattress stitch (see page 160), and weave in all ends.

Lightly steam seams to smooth out any puckers, if necessary.

HERMIONE'S CABLE AND BOBBLE HAT

Designer - *Lauren Kent* ☾

Pattern Rating - *Ordinary Wizarding Level*

Knit this Aran-style cabled hat, modeled after the one Hermione wore to Hogsmeade in *Prisoner of Azkaban*, for your next visit to Britain's only wizarding village. The cabling is thoroughly addictive; ambitious knitters may finish this hat in a single weekend! The alpaca/silk/merino yarn is soft and a tiny bit fuzzy against your forehead. It's perfect for snowball fights, long winter-time walks, or as the final touch on your Hermione costume.

Instructions

Brim

CO 96 sts onto circular needle. Pm to note beg rnd and join in a circle, being careful not to twist sts.

Materials

- ☾ Knit Picks Andean Silk (55% superfine alpaca, 23% silk, 22% merino wool; 96 yd. [88 m] per 50 g ball), #23781 Cranberry, 2 balls
- ☾ Or similar yarn that knits to specified gauge: worsted-weight wool or wool-blend yarn, about 180 yd. [165 m]
- ☾ US 7 [4.5 mm] 16" [40 cm] circular needle
- ☾ US 7 [4.5 mm] double-pointed needles
- ☾ Cable needle
- ☾ Stitch markers
- ☾ Tapestry needle

Gauge

21 sts and 31 rnds = 4" [10 cm] in St st using size 7 [4.5 mm] needles

Finished Size

Circumference: 20" [51 cm]

Circumference at brim: 17" [43 cm] in unstretched rib

Height: 9" [23 cm] with cuffed brim

Note: Measurements can be increased or decreased by blocking more or less vigorously.

Cut yarn, leaving an 8" [20.5 cm] tail. Thread tail through rem sts to close top of hat.

Finishing

Weave in ends.

Note: Blocking the hat will help to settle and even out the cables as well as allow you to stretch it to fit a larger head.

To block the hat, wash it according to the yarn manufacturer's instructions and press it in a towel to remove excess water. If you have something round that's slightly smaller than a human head—a large bowl, ball, or balloon, for example—put the hat on the object, being careful not to stretch it out of shape, and let it dry. Otherwise, fold the hat closed and pin to a blocking board or folded towel so that the stitches are opened but not stretched tight. When the hat is dry, remove it from the blocking surface, fold up the brim, and wear!

Thread tapestry needle with a strand of scrap yarn about 18" [45.5 cm] long and slip unworked sts from needle 3, along with all sts from needles 1, 2, and 4, onto scrap yarn using tapestry needle—14 sts rem. CO 2 sts at the end of needle 3 using backward loop cast-on. Divide these 16 sts evenly across three needles and join in a circle, being careful not to twist sts.

Right Thumb

Rnds 1–14: Knit.

Rnd 15: *K2tog; rep from *

Rnd 16: Rep rnd 15—4 sts.

Cut yarn, leaving an 8" [20.5 cm] tail. Thread tail through rem sts to close top of thumb.

Right Palm and Finger Area

Slip 38 held sts from scrap yarn back onto needles (8 sts on needle 3 and 10 sts each on needles 1, 2, and 4). Join yarn at palm side of thumb gusset (needle 3), being careful not to twist sts.

Note: The dpns are renumbered for the remainder of the project. The needle where yarn has been joined (previously needle 3) is now needle 1. Other needles are renumbered in order, so that the cable patt is now worked across needles 3 and 4.

Rnd 50: Needles 1 and 2: k18; needles 3 and 4: resume cable patt with rnd 9 across 20 sts, after cable patt, using needle 4, pick up 1 st in the thumb CO—39 sts.

Rnd 51: Using needle 1, pick up 3 more sts across the thumb CO, k18 across needles 1 and 2; needles 3 and 4: work cable patt rnd10, stopping before the last st of the patt (which would have been p1), using the last 2 sts on needle 4, p2tog—41 sts.

Rnd 52: Needles 1 and 2: k2, k2tog, k17; needles 3 and 4: work cable patt rnd 11—40 sts.

Rnd 85: K2tog, k1, k2tog, k2, [k2tog] 2 times, p2tog, k1, p2tog, ssk—11 sts.

Cut yarn, leaving an 8" [20.5 cm] tail. Thread tail through rem sts to close top of mitten.

Finishing

Weave in ends.

Note: Blocking the mittens will help to settle the cables and even out the slant of the zigzag cable, and it can also allow the mittens to fit larger hands (or smaller hands more loosely).

To block the mittens, wash them according to the yarn manufacturer's washing instructions and then press in a towel to remove excess water. Lay the mittens on a blocking board or folded towel and gently reshape them, tugging horizontally and vertically, as necessary, to increase their size. Resist the temptation to try on the mittens while they're still damp; doing so may stretch them out of shape.

Materials

- Rowan Big Wool (100% merino wool; 87 yd. [80 m] per 100 g ball), #43 Forest (color A), 1 ball, #37 Zing (color B), 1 ball, #16 Sugar Spun (color C), 1 ball, #08 Black (color D), 1 ball, and #24 Cassis (color E), 1 ball

Note: You can make two hats—one Child size and one Adult size—with one ball of each color.

- Or similar yarn that knits to specified gauge: super-bulky-weight wool or wool-blend yarn, about 87 yd. [80 m] each in 5 colors
- US 13 [9 mm] 16" [40 cm] circular needle
- US 13 [9 mm] double-pointed needles
- Stitch markers
- Tapestry needle

Gauge

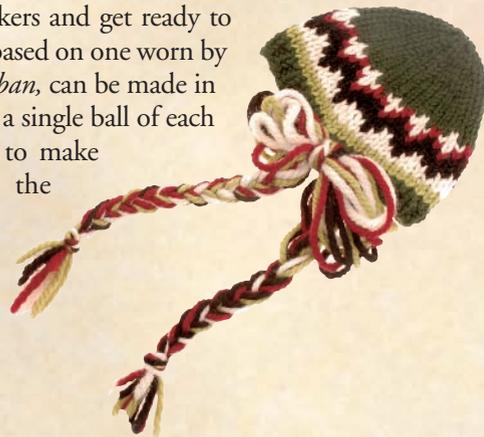

10 sts and 14 rnds = 4" [10 cm] in St st using size 13 [9 mm] needles

Note: Gauge will probably vary between colorwork and solid color areas, and it may be necessary to use a larger or smaller needle size for some sections in order to maintain gauge.

RON'S ANIMAL CRACKERS HAT

Designer - Eileene Coscolluela • *Pattern Rating - First Year*

Grab some magical animal crackers and get ready to roar! This fun and unusual hat, based on one worn by Ron Weasley in *Prisoner of Azkaban*, can be made in both child and adult sizes. With a single ball of each color, you'll have enough yarn to make one of each size, including the optional bow and braids. This project is great for a beginner wanting to learn colorwork; an advanced knitter can whip one up in an evening.

Instructions

With color A, CO 36 (48) sts, pm to note beg rnd, and join in a circle, being careful not to twist sts.

Brim

Work 3 rnds in single rib, as described in the stitch guide.

Hat Body

Work all 11 rnds of color chart on page 145.

Crown

As you decrease to shape the crown, change to dpns when too few sts rem to continue on circ needle.

Next rnd: Continuing with color A only, *k2, k2tog; rep from * to end of rnd—27 (36) sts.

Knit 4 (5) rnds.

Next rnd: *K2, k2tog; rep from * to last 3 (0) sts, k3 (0)—21 (27) sts.

Knit 2 (3) rnds.

Next rnd: *K1, k2tog; rep from * to end of rnd—14 (18) sts.

RON'S RAGG RAGLAN

Designer - Jenn Jarvis ◉ Pattern Rating -
Ordinary Wizarding Level

Mrs. Weasley's latest creation, we presume. Inspired by Ron's new initial sweater seen in *Goblet of Fire*, this funky update of the classic Weasley sweater sports raglan sleeves with button closures and a sewn-on initial. The super-soft marled Alpaca yarn makes the sweater a delight to wear while still giving it that Ragg look that says Weasley. The pattern is unisex, so the sweater should fit big kids, men, or women . . . just as well as any of Molly's sweaters ever do.

Body

Note: The sweater body is worked in the round up to the underarms. Then you put the body aside and work the sleeves in rows up to the armholes. Finally, all the pieces are brought together and the yoke is worked, partially in the round and then back and forth in rows once the sections for the button plackets are bound off.

CO 124 (136, 152, 168) sts onto circ needle. Pm to note beg rnd and join in a circle, being careful not to twist sts.

Work in double rib, as described in the stitch guide (see page 148), for 10 rnds.

Change to St st and work until body measures 15" [38 cm] from CO edge, ending last rnd 4 sts before marker at end of rnd.

Divide for front and back as follows:

Next rnd: *BO 8 sts, removing marker, and work until there are 54 (60, 68, 76) sts on right needle after BO section; rep from * to end of rnd—54 (60, 68, 76) sts each for front and back.

Cut yarn, leaving an 8" [20.5 cm] tail, and place sts on holders or scrap yarn for later.

Materials

- ◉ Misti Alpaca Chunky (100% baby alpaca, 108 yd. [99 m] per 100 g skein): #471 Black/Gray Moulinette, 8 (9, 11, 12) skeins
- ◉ Or similar yarn that knits to specified gauge: chunky-weight alpaca or wool yarn, about 780 (870, 980, 1,130) yd. [713 (796, 896, 1,033) m]
- ◉ US 9 [5.5 mm] 24" [60 cm] circular needle
- ◉ Stitch holders
- ◉ Stitch markers
- ◉ Tapestry needle
- ◉ ¼ yd. [23 cm] red velvet fabric
- ◉ Fusible interfacing (optional)
- ◉ 8 1" [2.5 cm] black buttons
- ◉ Gold and black thread
- ◉ Sewing needle

Gauge

15 sts and 20 rows = 4" [10 cm] in St st using size 9 [5.5 mm] needles

Stitch Guide for This Project

Double Rib (2x2) Worked in Rounds

Row 1: *K2, p2; rep from * to end.

Rep row 1.

Stockinette St (St st) Worked in Rounds

Knit all sts.

Double Rib (2x2) Worked in Rows Over a Multiple of 4 Sts Plus 2

Row 1: *K2, p2; rep from * to last 2 sts, k2.

Row 2: P2, *k2, p2; rep from * to end of row.

Rep rows 1 and 2.

Stockinette St Worked in Rows

Row 1 (RS): Knit.

Row 2 (WS): Purl.

Rep rows 1 and 2.

Double Rib (2x2) Worked in Rows Over a Multiple of 4 Sts

Row 1 (RS): K3, * p2, k2; rep from * to last st, k1.

Row 2 (WS): P3, * k2, p2; rep from * to last st, p1.

Rep rows 1 and 2.

Sleeves

CO 38 (38, 42, 42) sts. Work in double rib for 10 rows.

Work 2 rows in St st, beginning with a knit row.

Next row (inc row): K1, m1, knit to last st, m1, k1—(40, 40, 44, 44) sts.

Work this inc row every 18th (11th, 14th, 10th) row 3 (5, 4, 6) times more—46 (50, 52, 56) sts.

Work even until sleeve measures 17 (17, 18, 18)" [43 (43, 45.5, 45.5) cm] from CO edge, ending with a WS row completed.

BO 4 sts beg next 2 rows—38 (42, 44, 48) sts.

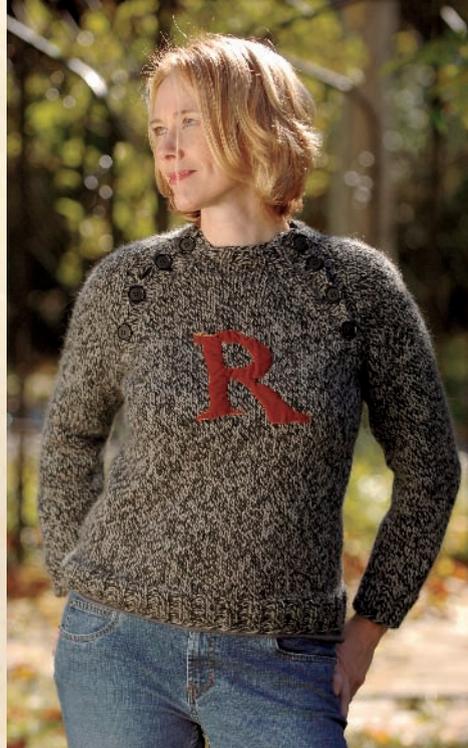

After completing first sleeve, cut yarn, leaving an 8" [20.5 cm] tail, and place sts on a holder.

Make second sleeve the same. After completing second sleeve, leave sts on needle. Do not cut yarn.

Yoke

Slip sts for front, right sleeve, and back onto circ needle after second sleeve. With yarn still attached to sleeve, k38 (42, 44, 48) sts of left sleeve, pm, k54 (60, 68, 76) sts of front, pm, k38 (42, 44, 48) sts of right sleeve, pm, k54 (60, 68, 76) sts of back, pm—184 (204, 224, 248) sts.

Join in a circle, being careful not to twist sts, and work 2 rnds in St st.

Decrease Yoke

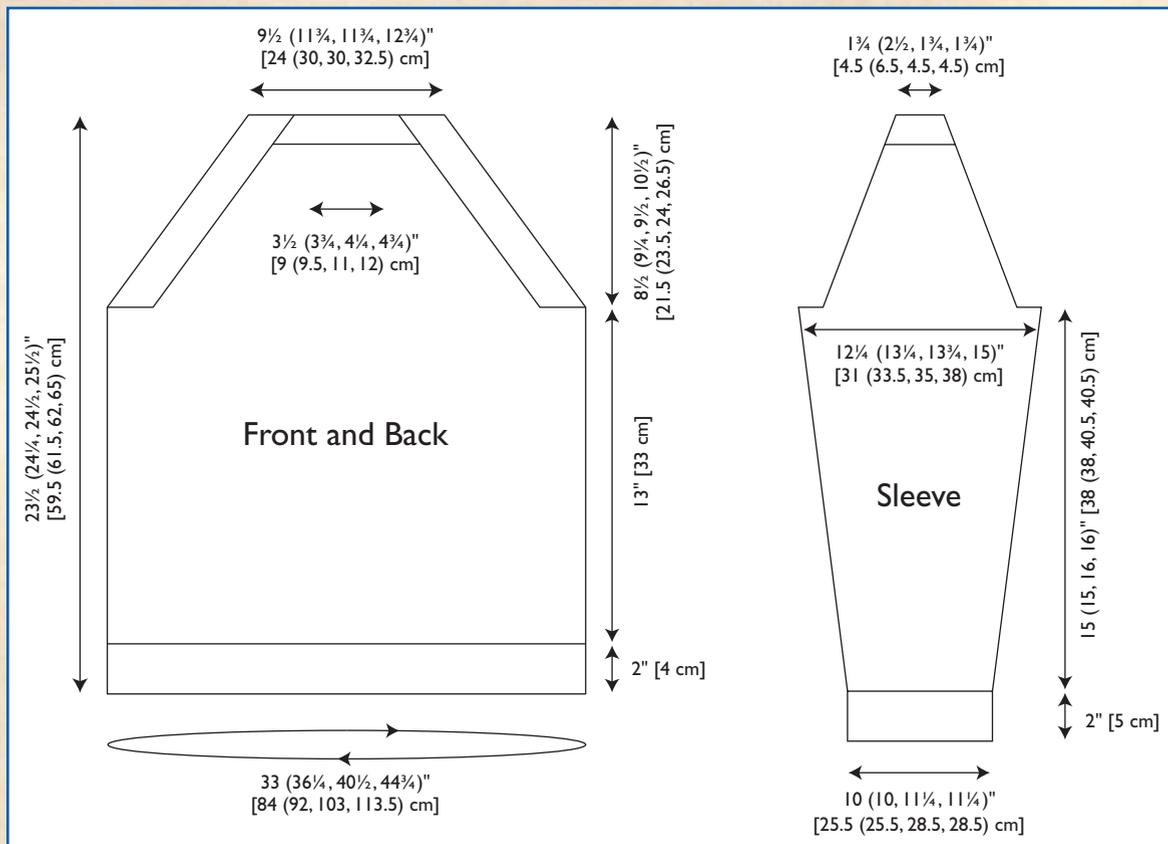

Begin yoke decreases as follows:

Next rnd (dec rnd): *K1, k2tog, knit to 3 sts before marker, ssk, k1, slip marker; rep from * to end of rnd—176 (196, 216, 240) sts.

Work 3 rnds even in St st.

Note: At this point, you divide the yoke into two unequal sections (the front panel makes up one section and, together, the back and sleeves make up the second section).

Next rnd (dec rnd): K1, k2tog, knit to 3 sts before marker, ssk, k1, remove marker, k1, BO next 4 sts for left front raglan seam, k1, k2tog, knit to 9 sts before next marker, ssk, k2, BO next 4 sts for right front raglan seam, remove marker, k1, k2tog, knit to 3 sts before marker, ssk, k1, slip marker, k1, k2tog, knit to 3 sts before final marker, ssk, k1—40 (46, 54, 62) sts on front section; 120 (134, 146, 162) sts on back section.

Cut yarn, leaving an 8" [20.5 cm] tail. Sl sts from first sleeve onto right needle so entire back section is together.

Work Front and Back

Work remainder of piece back and forth in rows, working front section (front panel only) and back section (back and both sleeves) at the same time, as follows:

Next row (WS): Attach yarn to back section, purl across, slipping markers; attach second ball of yarn to front section, purl across, turn.

Work 2 rows of each section even in St st.

Next row (RS): Front: k2, k2tog, knit to last 4 sts, ssk, k2—38 (44, 52, 60) sts; back: k2, k2tog, knit to 3 sts before marker, ssk, k1, slip marker, k1, k2tog, knit to 3 sts before marker, ssk, k1, slip marker, k1, k2tog, knit to last 4 sts, ssk, k2; turn—114 (128, 140, 156) sts (2 sts decreased on front; 6 sts decreased on back)

Next row (WS): Purl.

Rep last 2 rows 13 (14, 16, 18) times more, until 12 (16, 20, 24) sts rem for front and 36 (44, 44, 48) sts rem for back.

Work in double rib for 1" [2.5 cm]. BO all sts in patt.

Finishing

Graft bound-off underarm sts together (see page 160). Weave in ends.

Block, if desired, following yarn manufacturer's instructions.

Button Bands

With RS facing, pick up and k28 (32, 34, 36) sts along left raglan edge of back section. Work in St st for 4 rows. BO knitwise.

Sew top button 1" [2.5 cm] from top of band, sew bottom button 1" [2.5 cm] from bottom of band, and sew other buttons evenly between.

Rep for right back raglan edge.

Buttonhole Bands

With RS facing, pick up and k28 (32, 34, 36) sts along left front raglan edge. Purl 1 row.

Next row (RS—work buttonholes):

Knit across, working [yo, k2tog] buttonhole opposite each button on corresponding buttonband.

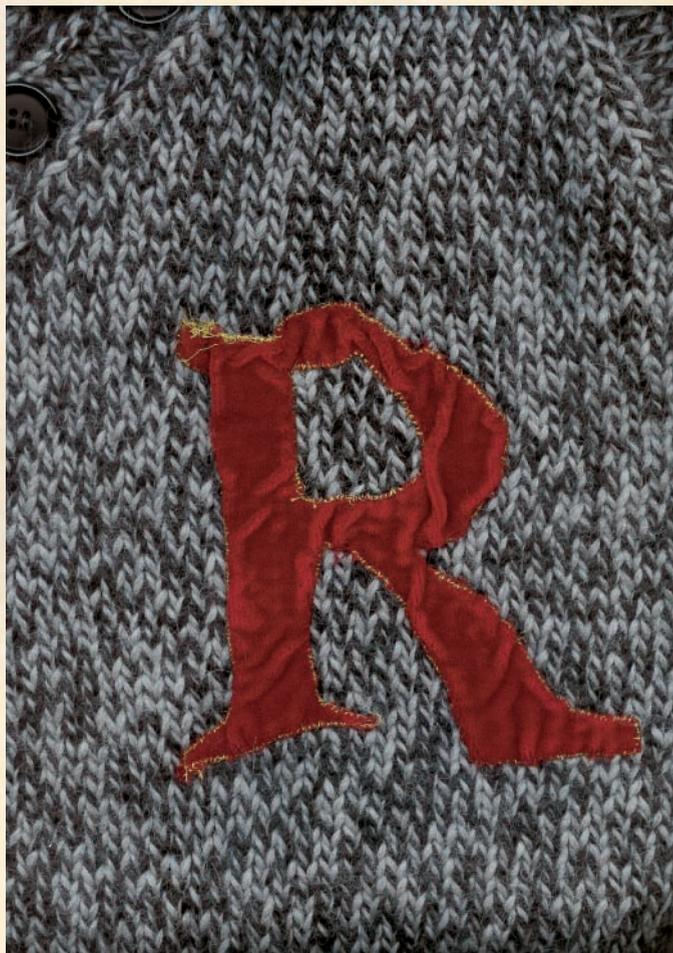

Work 2 more rows in St st. BO knitwise.

Sew bottom edge of buttonhole band to 4 BO sts on front raglan.

Rep for right front raglan edge.

Initial

Cut 7" [18 cm] square pieces of velvet and fusible interfacing. Iron together, following fusible interfacing instructions. Make template by drawing desired initial approx 6" [15 cm] square (or using a text editing program to create and print template). Cut out template, pin to fabric, and cut initial out of fabric. Outline initial with gold thread by hand or with sewing machine. Using photo for reference, whipstitch initial to front of sweater.

SPECIAL KNITTING TECHNIQUES

Binding Off

ssk BO (Slip, Slip, Knit Bind-off)

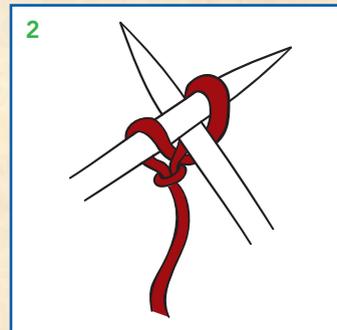

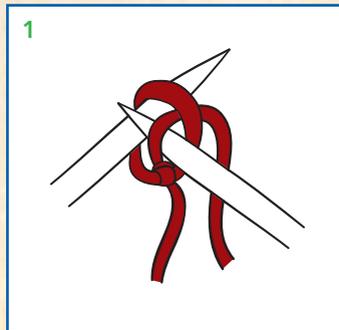

1. K2.
2. Inserting left needle through the front legs of both of these sts from left to right, knit both sts together from this position. 1 st rem on right needle.
3. Knit next st.

Rep steps 1–3 until 1 st rem on right needle. Thread yarn end through final st to secure.

Casting On

Cable Cast-on

1. Make a slipknot and place it on the needle held in the left hand.
2. With second needle, knit into this st. Do not slip st off left needle. Instead, transfer new loop from right needle to left.

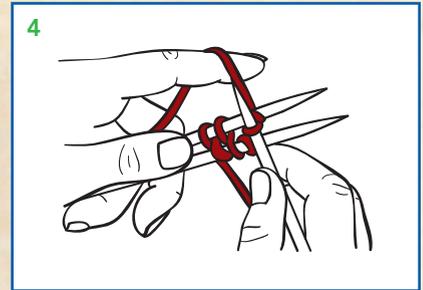

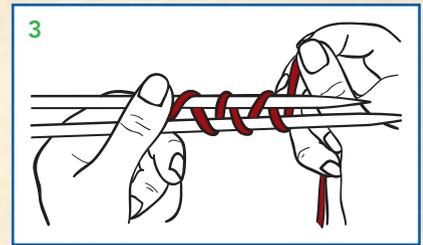

3. Insert right needle tip between last 2 sts on left needle.
4. Wrap and pull new loop through, placing it on left needle.

Rep steps 3 and 4 until desired number of sts have been cast on.

Figure-Eight Cast-on

1. Hold two dpns parallel to each other.
2. Place yarn between the needles, leaving a tail, and begin to wrap the working yarn around the needles in a figure eight—that is, up and over the top needle, then between the needles again, down and under the bottom one, and back between the needles.
3. Rep step 2 until you have the total number of desired CO sts, split evenly between the two needles.
4. With a third needle, knit the sts from the top needle.
5. With a fourth needle, knit the sts from the bottom needle.

Provisional Cast-on

1. With scrap yarn, make a slipknot and place it on a crochet hook.
2. Hold a knitting needle in left hand and bring working yarn below needle. With crochet hook above the needle, catch yarn, and bring it through the loop on the hook. This wraps 1 st around the needle.

Rep step 2 until desired number of sts have been cast on. Cut yarn, remove the loop from the hook, and pull the yarn through the loop. Use this end of the yarn to unravel the chain later. Begin knitting with yarn called for in the project.

Decreasing

ssk (Slip, Slip, Knit) Decrease

1. Slip 2 sts, 1 at a time, kwise, from left needle to right needle.
2. Insert left needle tip into front of both slipped sts and knit them together from this position.

ssp (Slip, Slip, Purl) Decrease

1. Slip 2 sts, 1 at a time, kwise, from left needle to right needle.
2. Insert left needle tip into front of both slipped sts and slip them back to the left needle in their turned position.
3. Purl both sts together through their back loops.

pssso (Pass Slipped Stitch Over)

1. Insert the right needle kwise into the next st on the left needle and slip it onto the right needle.
2. Knit the next st from the left needle.
3. Insert the left needle into the front of the slipped st and bring the slipped st over the knit st and off the needle.

Crochet Techniques

Chain Stitch

1. Make a slipknot, leaving a 6-inch tail, and slip it onto a crochet hook.
2. Holding the working yarn in your left hand and the hook in your right, wrap the working yarn around the hook from back to front so that the hook catches the yarn.
3. Pull the yarn from back to front through the slipknot. You have made 1 loop in a chain.

Rep steps 2 and 3 until the chain is the desired length. Cut the yarn, leaving a 6-inch tail, and pull it snugly through the last loop to finish the chain.

Single Crochet

1. Insert hook into work as directed by pattern.
2. Wrap yarn around hook from back to front, catch it with the hook, and pull it through work. (You now have 2 loops on the hook.)
3. Wrap yarn around hook and catch as before, then pull yarn through both loops on hook. (You now have 1 loop on the hook.)

Rep steps 1–3 as directed by pattern.

Double Crochet

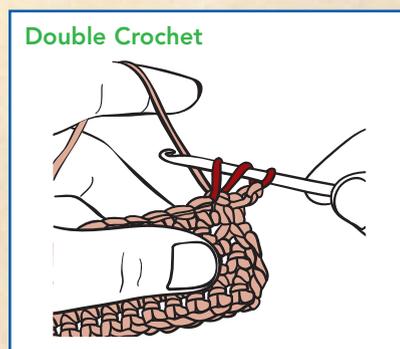

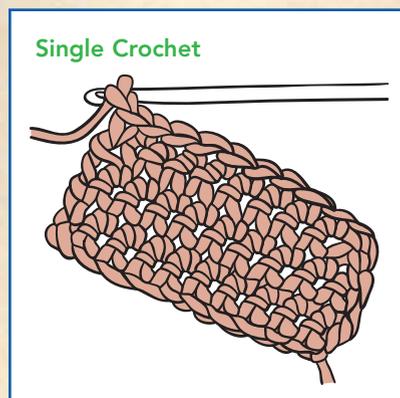

1. Wrap yarn around hook from back to front.
2. Insert hook into work as directed, wrap yarn, catch it with the hook, and pull it through work. (You now have 3 loops on the hook.)
3. Wrap yarn, catch it with the hook, and pull it through the first 2 loops on hook. (You now have 2 loops on the hook.)
4. Wrap yarn, catch it with the hook, and pull it through the final 2 loops on hook. (You now have 1 loop on the hook.)

Rep steps 1–4 as directed by pattern.

Half Double Crochet

1. Wrap yarn around hook from back to front.
2. Insert hook into work as directed, wrap yarn, catch it with the hook, and pull it through work. (You now have 3 loops on the hook.)
3. Wrap yarn, catch it with the hook, and pull it through all 3 loops on hook. (You now have 1 loop on the hook.)

Rep steps 1–3 as directed by pattern.

CONTRIBUTING DESIGNERS

Kerrie Allman designed her first knitted garment about five years ago and hasn't looked back since. When she is not busy knitting for her children or reading (Harry Potter, of course!), she is busy being the owner of two online stores (www.hipknits.co.uk and www.sewhip.co.uk), the editor of a free online knitting patterns magazine (www.magknits.com), and the publisher of a quarterly print magazine (yarnforwardmagazine.co.uk).

Anne Bergeron started knitting at the tender age of nine. Her projects have come a long way from that first pair of slippers made of the finest variegated acrylic yarn the 1970s had to offer. She has made countless sweaters for family and friends, and she even made some extra pocket money at university knitting sweaters that allowed her fellow students to fend off the rigors of the Montreal winter. In her high school years, she discovered another love, fantasy fiction, which made it inevitable that she would read and love the Harry Potter books as soon as she became aware of them. This in turn led to her coveting a Quidditch sweater such as the actors wore in the first Harry Potter film. Since one was not available for sale, she had to suck up her disappointment and make one of her own. Anne lives in the Montreal area with her husband, two children, and closets full of yarn scraps.

Heather Brack stayed up all night to finish knitting a Ravenclaw scarf to wear for the release of the *Goblet of Fire* movie. She designs knit and felted accessories for people and pets from her home in Cleveland, and she is the coauthor of *Felt Frenzy* (Interweave, 2007). She was pulled into the world of Harry Potter by her youngest sister, Kimberly, whom she has escorted to many midnight book release parties. Heather enjoys both the books and her knitting for the loving attention to detail they incorporate and the suspense of seeing things all come together in the end. She is especially pleased that this book has finally made Kim (now 18) express some interest in her knitting designs.

Eileene Coscolluela first met Harry Potter through a copy of *Harry Potter and the Chamber of Secrets* she obtained before its publication from a friend of a friend. She read it in a single night, read *Harry Potter and the Sorcerer's Stone* the next night, and has been hooked ever since! A Web developer and designer since 1993, she learned how to knit as an alternative to cross-stitching during a stint of unemployment in 2004. Currently, Eileene resides in Montclair, New Jersey, with her college sweetheart, Mike. Other than knitting and cross-stitching, she is an all-round geek, gamer, Web surfer, reader, foodie, and cinephile. She keeps a knitting journal at woolgathering.net.

Megan Curtis lives in Florida with her husband and two children. She started knitting in 2004 while she was pregnant, and it has snowballed into a true passion. Her interest in Harry Potter began with the books and increased tenfold when she saw the movies and drooled over the all the yummy knitted pieces in each film. You can find out more about her passions on her blog at tangled4life.livejournal.com.

Amber Daniels-Cook has been knitting since she was nine years old. In the past few years, she's taken her natural tendency to create patterns for herself and started to create patterns for others as well. She's thrilled to have been asked to participate in this book. She's an avid reader of all the Harry Potter books (multiple times) and owns the movies. If you catch her at the right time, you may even get her to admit her enormous admiration for Neville Longbottom, along with a few choice theories about his destiny!

Jenn Jarvis has been obsessed with knitting and Harry Potter for years. Her first Ron Weasley sweater is one of her most prized possessions, but it may be supplanted by this newest incarnation. Her infectious enthusiasm has brought many knitters (like Alison Hansel!) into the Potterhead fold and has introduced Potterheads into the world of knitting. Jenn is a knitting technical editor and designer whose works have been featured in *Vogue Knitting* and *knit.1* magazines. You can find Jenn at her blog, www.nipperknits.com.

A knitter since the age of eight, **Lauren Kent** first read the Harry Potter books at a friend's insistence in 2001, following her first year of study at New York University. She cast on for her first house scarf (a film Ravenclaw) the day after the *Sorcerer's Stone* movie opened and began running atypically.knit (knit.atypically.net) out of her dorm room the following spring. She also cofounded WizardTies.com with her mother, Jan, to offer movie-accurate trapped-bar ties to costumers and fans of all ages. Five years later, Lauren is a full-time computer nerd at D. E. Shaw & Co., an investment and scientific research firm in Manhattan. In what little spare time remains, she knits obsessively, takes photos at concerts, and contributes her technological wisdom to the Narrate Conferences series of Harry Potter symposia.

Laura Miller shares her home in San Diego, California, with her boyfriend, John, who is a patient listener to the trials and triumphs of knitting dilemmas and a grateful recipient of handknits. She learned to knit and crochet about 20 years ago in order to pass the time backstage between shows when she worked as a costumed character at a theme park. An avid bookworm, she began reading the Harry Potter books after seeing the first film and has been a big fan ever since. In an effort to pursue both of her favorite pastimes at the same time, she discovered that listening to the audiobook versions is another wonderful way to enjoy the series. She identifies the most with Hermione because of her love of learning and puzzling out answers. Keep track of Laura's adventures by visiting her blog at knittingwithlaura.blog-city.com.

Shannon Okey (knitgrl.com) is the author of several knitting and crafts books, including the *Knitgrl* series, *Spin to Knit*, *Felt Frenzy*, and *AlterNation*. She has appeared on many television shows, including *Knitty Gritty*, *Uncommon Threads*, and *Crafters Coast to Coast*; writes for publications such as *CRAFT*, *Yarn Market News*, and *Adorn*; teaches nationwide; and has a regular column in *knit.1* magazine. The bag she designed is named for Hermione because Shannon wishes she could charm needles into knitting for her, just like Miss Granger! Shannon lives in Cleveland, Ohio, with a gang of devious yarn-stealing furbeasts (not unlike house-elves).

As a Brit living in the United States, **Andi Smith** feels especially lucky that she has a son the same age as Harry and a mom who sent her a copy of the *Philosopher's Stone* as soon as it came out in the UK. The Harry Potter series of books have become an integral part of the Smith household and also the inspiration for many knitting projects over the years. Her stash of Hogwarts-themed yarn is rivaled only by her stash of Potter books from around the world. Andi is eagerly awaiting the final installment of the books—although she is unsure if she wants to discover the ending or find new things to knit!

A true fan of Harry Potter, **Alison Stewart-Guinee** has made several sets of wizards' robes, fashioned wands, and knitted various Harry Potter-inspired garments for her three children. Like Molly Weasley, she rarely leaves her Burrow without yarn and needles in tow. To share her obsession with sticks and string, Alison teaches knitting classes and considers it her mission to convince everyone with a desire that they, too, can learn to knit. Alison began writing patterns to service her knitting students and has recently begun to publish her designs. She is currently working on a line of fanciful knits for tots. When not knitting, she weaves a line of art-to-wear scarves, teaches craft workshops, bakes wedding cakes, and travels wherever and whenever possible.
