**Yarn:**

**A** – Malabrigo Mechita (150 Azul Profundo) - 170g (385m/100r)

**B** – Lang Yarns Mille Colori Baby (0053) – 200g (190m/50r)

**Size:** wide - 35cm. / long - 150 cm. or optional

**Needles:** 2,25mm - double pointed needles; 2,25 -2,5 - circular needles.

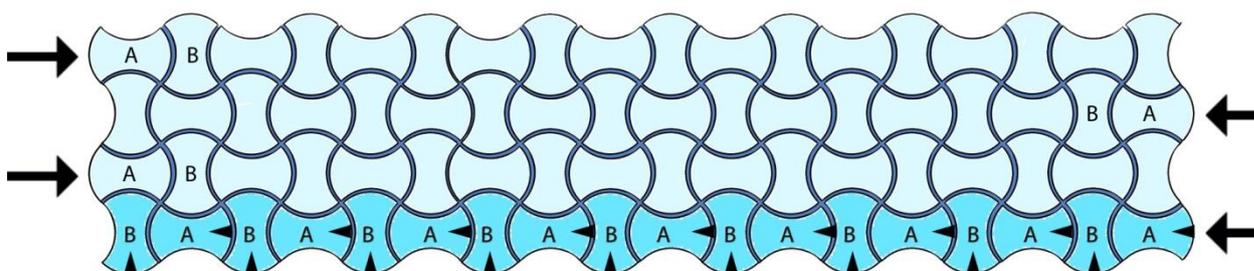

**Gauge:** 24sts and 28 rows = 10 cm x 10 cm

**Note:** Cowl is knitted end to end to any size you desire. It is blocked before the two ends. You can even leave it open as a long scarf, if that's what you fancy.

Although it is written for fine yarn, it can easily be made with any weight yarn you like.

Four similar parts (Schematic 1) that connected I-cords them. Selvedge stitches are already included in this stitch count. Do not add any additional selvedge stitches. In wrong side YO of the previous row knit crossed stitch to avoid holes in the knitted cloth. Do not confuse "turn", "w/o turning"! This project seems complicated, but when you understand the knitting principle, it'll become easy and fun.
