PATTERN INFORMATION

Lenny Cat is an intermediate project, worked in a continuous spiral. To keep track of the rounds you may use a stitch marker or safety pin to mark the beginning of a round.

The head, body and legs are worked in a single piece. Lenny Cat also has 3 accessories: a hat, a scarf and a pair of boots.

Remember that it's always advisable to give the entire pattern a read before starting crocheting and, most importantly, be patient with yourself!

Do not cut the yarn.

THE LEGS

To make the legs, divide the work identifying 4 stitches for the front central space between the legs, 4 stitches for the back and 14 stitches for each leg (you may find it useful to use stitch markers). If the legs don't line up nicely with the head, crochet a few more sc on the body or undo them. Join the last stitch for the leg on the back side to the front side, working a single crochet stitch (this sc will be the first stitch of the leg). Now the stitches of the first leg are joined in the round. Continue working the first leg:

Rnd 45 – 66: sc in all 14 st [14]

Stuff the body and leg firmly.

Rnd 67: dec 7 times [7]

Fasten off, leaving a long tail. Using a tapestry needle, weave the yarn tail through the front loop of each remaining stitch and pull tight to close. Weave in the yarn end.

SECOND LEG

Rejoin the color (88) in the fifth unworked stitch at the back of round 44. This is where we start the first stitch of the second leg. Leave a long starting yarn tail.

Rnd 45: sc in all 14 st. When you reach the 14th stitch of the leg, sc in first st to join the round.

Rnd 46 – 67: repeat the pattern for the first leg. Add more stuffing if needed. Using a tapestry needle, sew the 4 stitches between the legs closed.
