PATTERN INFORMATION

Luna Cockatoo is an intermediate project, worked in a continuous spiral. To keep track of the rounds you may use a stitch marker or safety pin to mark the beginning of a round. The head and the body are worked in a single piece. Luna Cockatoo also has 1 accessory: a wreath that she uses as a nest. Remember that it's always advisable to give the entire pattern a read before starting crocheting and, most importantly, be patient with yourself!
