Mosaic crochet rules

- **Overlay mosaic crochet** is worked on **right side (RS) only**.
- **Each round** is made with **one color. YarnA and YarnB are alternated** in each round. Switch to next color at the end of rnd: make joining ss in back loop of first stitch with next rnd color, tighten all loops.
- **Sc (empty blocks on charts):** made in stitches from prev round through back loop only. Abbreviation *BL (back loop)* or *blo (back loop only)* are skipped to simplify instructions.
- **Dc, dc- increases and decreases:** drop down stitches, made in stitches from corresponding color rnd (2nd rnd down) and through front loop only. Abbreviation *FL (front loop)* or *flo (front loop only)* are skipped to simplify instructions.
- **1st st of each mosaic rnd:** **sc** is made in back loop of pr st, **dc** is made in front loop of st from corresponding color rnd (2nd rnd down).
- **Last ss of each mosaic rnd** is made with next rnd color in back loop of 1st st.
- Use **invisible join technique** for rounds that start and end with dc (Videos section).

Pattern notes

- Sweater is made in rounds, from the bottom up, on the right side only. Start with a hem band followed by a straight section, an increasing section, sleeve openings, a decreasing section, short back rows, and a neck band. Sleeves are started from the sleeve openings, and finished with bands.
- Some sections of the pattern apply to all sizes, some are size-specific. You are directed to a different page to continue making a chosen size.
- Charts show only the front side of the sweater from the hem band up to the short back rows, from the left side to a few stitches after the leaf and should be used along with written instructions.
- **Charts 1-5** are located at the end of the file: size S on p. 30, size M/L on p. 31, size XL on p. 32, size 2X on p. 33, size 3X on p. 34. See **Chart key** on p. 29.

Foundations for arm openings are made from a separate skein of yarn. If you have one, pull up a lp and pass A-skein through the loop, tighten. Do not fasten off. You will continue using the same skein after completing arm opening foundations.

Left arm opening foundation: From a separate skein of YarnA reserve approx 56 (60, 64, 68, 72)cm/ 22 (23 5/8, 25 1/4, 26 3/4, 28 3/8)" tail for fnd, fold and join the fold in back loop of last sc from pr. Make 42 (46, 50, 54, 58)sts of fnd cord, ss blo in *marked in pr st/* 43rd (47th, 51st, 55th, 59th) st counting from beg of pr. Fasten off. Do not remove sleeve m until after Rnds 1 and 2 of left sleeve.

Right arm opening foundation:

Pm (sleeve m) in to next sc from *right side st* (3rd sc of sc3inc). Starting with side sc count 43 (47, 51, 55, 59) sts backwards and **pm (sleeve m)** in last dc. Reserve the same length tail as above for fnd, fold and join the fold in back loop of marked dc, make 42 (46, 50, 54, 58) sts of fnd cord, ss blo in marked sc. Fasten off. Do not remove sleeve m's until after Rnds 1 and 2 of right sleeve.
