Thank you to all the participants of our Ravelry group's first-ever Mystery KAL. Our group is PatchworksByDebi, and we love colorwork! The following knitters played along, knitting the mystery design. It was fun to read the guesses as the pattern developed. "I see a duck!" "I see a pond!" "No, I see a spaceship." "I see a submarine." In the end, our knitters saw this night-time winter scene, and we decided Etha's choice for the name is perfect. We give you *Moonshadow*.

And here are the knitters:

Follow CHART B (1 repeat per round) for 70 rounds, decreasing as indicated and switching to DPNs when necessary. (Each dec round has 2 decreases next to each other; k2tog for first dec at beginning of round, and ssk for second at end of round each time.) After round 70, with 12 sts on the needles, k2tog around 6 sts remain. Knit last six sts for 5 rounds; cut yarn leaving a tail several inches long. Move all sts from needles to tapestry needle, and pull tightly. Secure from the inside.
