Thank you to all the amazing crochet designers and enthusiasts who have inspired and encouraged me to believe that I too can make beautiful objects. The thrill of creating projects and then using them (but mostly giving them away), fills my soul with joy.

I want to acknowledge Tinna Thorudottir Thorvaldar for her amazing tutorials that taught me how to crochet in the mosaic style and for her infectious laugh that kept me coming back for more. Please check out her work at <https://tinnacrochet.com>

Tinna's tutorials can be found on YouTube via the following links:

It takes a village to create a pattern, especially one this big, and my village is filled with the most amazing people. A big thank you to my number one supporter, Russell Larkin, who continues to keep me fed and supplied with endless cups of tea, allowing me more time to do my thing. To Deidre, Phil and Karen you are my gentle critics, editors, colour consultants and advisors. A huge thank you to the most amazing testers Lynden Boehm, Wendy Emmen, Marg McAlister and Shenaj Mustafa, you are incredibly talented and awesome women.

Mosaic Bookcase - In The Round	65

MOSAIC BOOKCASE is a fun and easy pattern for book lovers everywhere. Surprisingly easier than it looks, this pattern allows you to create your very own one-of-a-kind Mosaic Bookcase.

The Bookcase pattern is made up of a series of charts, these charts can be arranged in any order or combination so you can create your own library design in the colours of your choosing.

Bookcases are great repositories for more than just books, so in this extended version of the pattern is the original charts plus some of those curiosities. There are charts for toys, vases, ornaments, plants and even the cat. To personalise it even more you can add an initial or short book title using the templates and alphabet provided.

To better balance your bookcase, many of the charts have a reversed option; providing you with even more options to stack your shelves. Time to get creative, the options are almost endless.

For a smaller project I have included a shorter version of the original nine charts which are worked in the round. These can be used to make a cushion, bag or covers for your tablet or laptop. They work up quickly, making them the perfect project for a gift. The instructions for working in the round can be found from page 65.

Take a look at the online tutorial to help guide you through the pattern;

<https://youtu.be/UbqNCvdXnps>

YARN & COLOURWAY

You will need at least three contrasting colours, Colour A for the background, Colour B for the books and a third colour for the shelves and bookcase (the border).

You can use any weight yarn, with the corresponding hook size, to make your Bookcase, however the size of your project and the amount of yarn required will differ from the details below. The yarn required to complete your project will be dependent on the weight yarn you use, and which charts you choose to use in your design.

For the original pictured Bookcase throw I used a DK weight (8 ply) yarn from Bendigo Woollen Mills:

-  Hook size
 - o 4mm hook for the body of the throw
 - o 3.5mm hook for the double border
-  Colour A (background)
 - o 970m of Rustic Graphite
-  Colour B (books)
 - o 1,120m of Classic Silver
-  Double border and shelves
 - o 600m of Classic Mineral Mix

For the pictured Bookcase - Extended Version, I also used a DK weight (8 ply) yarn from Bendigo Woollen Mills:

-  Hook size
 - o 4mm hook for the body of the throw
 - o 3.5mm hook for the double border
-  Colour A (background)
 - o 1,075m of Luxury Blue Denim
-  Colour B (books)
 - o 1,075m of Luxury Ghost
-  Double border and shelves
 - o 760m of Luxury Shadow

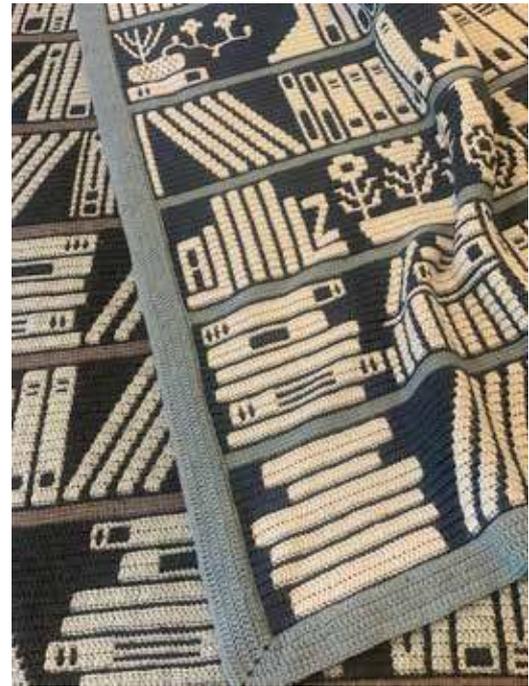

SIZE

The throw for the original Bookcase, including the double border, measures 104cm(W) x 135cm(L).

The pattern has a 40 stitch repeat so the width of your project can be any multiple of 40, then add 3 stitches for the border stitches and to balance the pattern. The height of each repeat is 31 rows.

The pictured throws are four repeats wide and six repeats high.

You can change the size of your project by simply increasing or decreasing the number of charts you use. More information is provided in the Getting Started section on page 7.

GAUGE

17 stitches and 17 rows = 10cm (blocked).

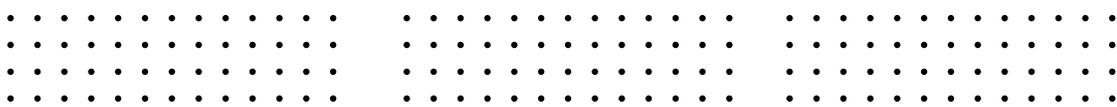

While gauge is not important for your project, knowing your tension will assist with the quantity of yarn required. Remember tighter tension is better for mosaic crocheting.

DOUBLE BORDER

The double border provides the perfect frame for your Bookcase as well as hiding all the tails and ends. In the pictured original throw, I created the double border by completing three rounds of double crochet and then joined the front and back sides together with a slip stitch. For the extended version, I made the border a little larger by completing four rounds of double crochet.

If you are new to this method, check out the various YouTube video tutorials. The link to Tinna's tutorial is provided on the inside cover.

BOOKCASE THROW DESIGN

You can stack your bookcase in any order you choose. You can simply follow one of the layouts listed below or you could curate your own.

To create your own layout, first decide how wide you want your project as this will determine how many charts you will need per shelf and your number of starting chains. The length of your project is determined by how many shelves you choose to complete. To make it longer, you can always add another shelf before starting the double border.

To create the original pictured throw:

Bottom shelf:

Charts: 1, 2, 3 & 4

Second shelf: 3 rows of single crochet to create the shelf

Charts: 5, 6, 7 & 8

Third shelf: 3 rows of single crochet to create the shelf

Charts: 9, 1, 2 & 3

Fourth shelf: 3 rows of single crochet to create the shelf

Charts: 4, 5, 6 & 7

Fifth shelf: 3 rows of single crochet to create the shelf

Charts: 8, 9, 1 & 2

Top shelf: 3 rows of single crochet to create the shelf

Charts: 3, 4, 5 & 6

To create the extended version pictured throw:

Bottom shelf:

Charts: 1, 1, 7 & 9

Second shelf: 3 rows of single crochet to create the shelf

Charts: 2, 8, 5 & 3 (Reversed)

Third shelf: 3 rows of single crochet to create the shelf

Charts: Bonsai (Reversed), Vases, Flowerpot & Bookends A - Z

Fourth shelf: 3 rows of single crochet to create the shelf

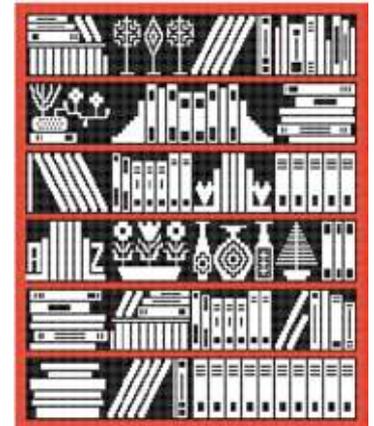

Charts: 1, Bookends Love Heart, 8 & 4

Fifth shelf: 3 rows of single crochet to create the shelf

Charts: 3, Bookend Right, Bookend Left & Ikebana

Top shelf: 3 rows of single crochet to create the shelf

Charts: 6, 7, Standing Ornaments & 5 (Reversed)

To create the children's pictured throw:

Bottom shelf:

Charts: Excavator, 9 & 4

Second shelf: 3 rows of single crochet to create the shelf

Charts: 4, 6 & Teddy Bear

Third shelf: 3 rows of single crochet to create the shelf

Charts: Bookends Love Heart, 1 & 3

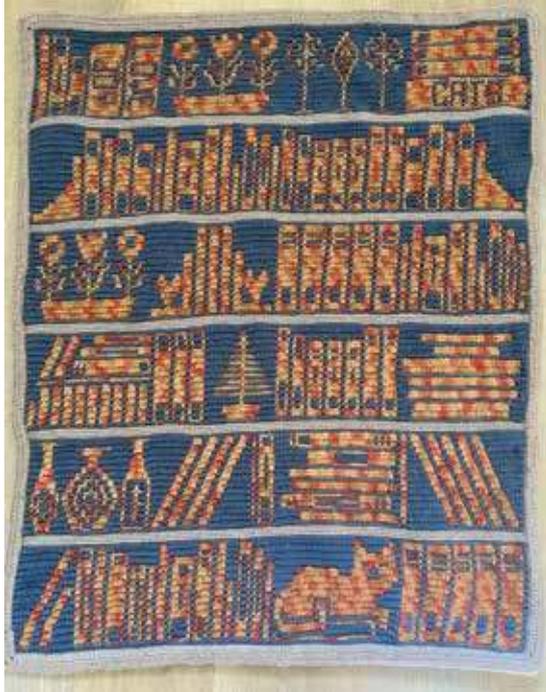

Fourth shelf: 3 rows of single crochet to create the shelf

Charts: 2, Cat & Bookends A-Z

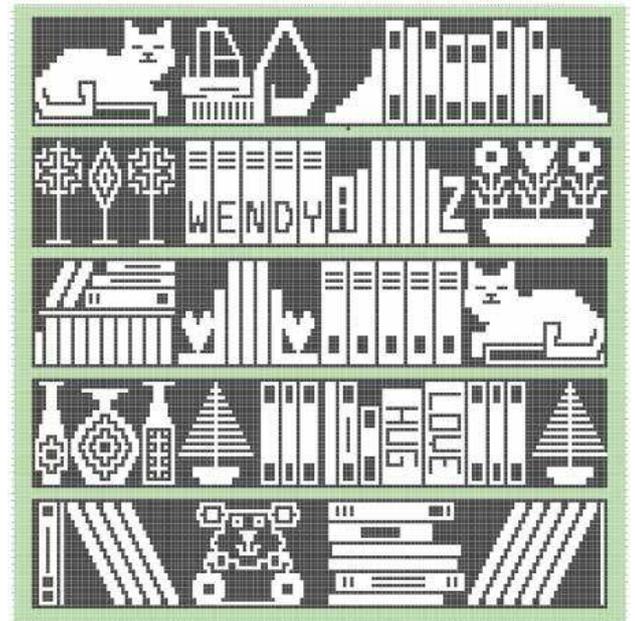

For design ideas and inspiration check out the fabulous work of the pattern testers.

PATTERN NOTES

-  The shelves are created by completing three rows of single crochet in the border colour.
-  The border makes the bottom shelf so there is no need to add this to the body of the throw.
-  When you have completed your repeats, to finish the body of the throw complete one extra row of single crochet in Colour A making your last shelf 32 rows, not 31 like the others. While not essential it does provide more of the background colour to show through on the top shelf and makes the slip stitch round of the border a little bit easier.

GETTING STARTED

To make the pictured Bookcase: use Colour A and chain 163 stitches, then add an extra chain so you can start working in the second chain from the hook. You should always have a total of 163 stitches. Start working the charts from Row 1.

Alternatively, listed below are the starting chains and row composition for different size projects.

Three charts wide equals 123 stitches. Each row will be made up of:

-  border stitch = 1
-  first chart = 40 stitches (only the stitches between the red lines)
-  second chart = 40 stitches (only the stitches between the red lines)
-  third chart = 41 stitches (40 stitches plus the stitch after the red line)
-  border stitch = 1

Four charts wide equals 163 stitches. Each row will be made up of:

-  border stitch = 1
-  first chart = 40 stitches (only the stitches between the red lines)
-  second chart = 40 stitches (only the stitches between the red lines)
-  third chart = 40 stitches (only the stitches between the red lines)
-  forth chart = 41 stitches (40 stitches plus the stitch after the red line)
-  border stitch = 1

Five charts wide equals 203 stitches. Each row will be made up of:

-  border stitch = 1
-  first chart = 40 stitches (only the stitches between the red lines)
-  second chart = 40 stitches (only the stitches between the red lines)
-  third chart = 40 stitches (only the stitches between the red lines)
-  forth chart = 40 stitches (only the stitches between the red lines)
-  fifth chart = 41 stitches (40 stitches plus stitch after the red line)
-  border stitch = 1

Six charts wide equals 243 stitches. Each row will be made up of:

-  border stitch = 1
-  first chart = 40 stitches (only the stitches between the red lines)
-  second chart = 40 stitches (only the stitches between the red lines)
-  third chart = 40 stitches (only the stitches between the red lines)
-  forth chart = 40 stitches (only the stitches between the red lines)
-  fifth chart = 40 stitches (only the stitches between the red lines)
-  sixth chart = 41 stitches (40 stitches plus the stitch after the red line)
-  border stitch = 1

MOSAIC CROCHET BASICS (working flat)

- Only two stitch types are used – single crochet and double crochet.
- The single crochet stitches create the horizontal lines and the double crochet stitches create the vertical lines of the pattern.
 - Single crochet stitches go into the back loop of the next available stitch.
 - Double crochet stitches go into the front loop of the next available stitch one row below the row you normally work into.
 - Each row has a single crochet border stitch at the beginning and end of each row.
 - The beginning of each row starts with pulling the yarn through both loops and securing it with one chain, then one single crochet, also through both loops of the same stitch.
 - Each row ends with one single crochet through both loops of the last available stitch, then one chain, cut the yarn and pull through the last chain to secure.
 - Each row is worked with just one colour, and you cut the yarn at the end of each row.
 - You continuously work each row on the front side (right side of your work) from right to left (or left to right if you are lefthanded).
 - Each stitch is worked into the next available stitch, meaning there is only one stitch going into each available stitch.

If you are new to mosaic crochet or just in need of a refresher, please have a look at the tutorial links on the inside cover.

If you are feeling adventurous and would like to try some special stitches, the Ikebana pattern uses stitches beyond the usual single crochet and double crochet normally found in mosaic crochet. A photo tutorial of these stitches can be found on page 62.

BLOCKING

To block or not to block! I'm a big convert to blocking as it gives your project a smarter finish, provides a lovely drape and straightens up your work from its natural lean to the left (or right if you're lefthanded). There is also something incredibly satisfying about having the project laid out on the dining room table for a day or two while it dries.

I use the spray method of blocking by pinning the throw into shape on blocking boards, spraying it with water until wet to the touch and then leaving it to dry.

C H A R T S

Chart legend (US terminology)

A	Colour A
B	Colour B
1	Row number
X	Double crochet
○	Single crochet
∅	Border stitch
	Repeat this section of the pattern

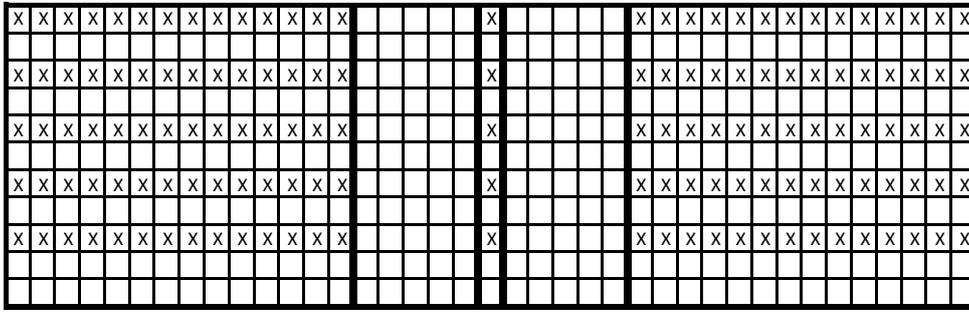

Working from right to left, the first column of each chart displays the row number, and the second column shows what colour to use.

Remember each row is worked with just one colour.

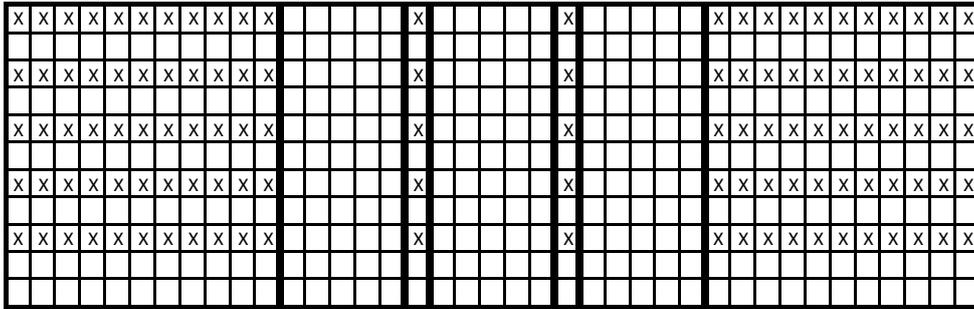

The section outlined in red is the part of the pattern you repeat.

The legend for the special stitches used in the Ikebana chart can be found next to chart on page 25.

Ikebana Abbreviations (US Terms)

SSR	Slanted stitch to the right
SSL	Slanted stitch to the left
DCDSC	DC decrease – ends with SC above the last stitch
SCDCD	DC decrease – starts with SC above the first stitch
2DCT	2 DC in the same stitch
SK	Skip this stitch

See photo pictorial for these stitches on page 62.

IKEBANA SPECIAL STITCHES PHOTO TUTORIAL

Slanted stitch to the right (SSR)

DC into the front loop one stitch to the right (as with a standard DC you work one row below the row you normally work into).

Slanted stitch to the left (SSL)

DC into the front loop one stitch to the left (as with a standard DC you work one row below the row you normally work into).

2 DC in the same stitch (2DCT)

Work 2 DC into the same stitch. As with a standard DC you work one row below the row you normally work into.

Skip this stitch (SK)

Skip this stitch.

DC decrease (DCDSC) - ends with SC above the last stitch

As with a standard DC you work one row below the row you normally work into

Start a DC in the lower row and work the stitch until you have 2 loops left on your hook.

Yarn over and start your next DC in the next stitch, working the stitch until you have 3 loops left on your hook.

Yarn over and pull through all 3 loops.

Finish with SC directly above the last stitch.

IKEBANA

DC decrease (SCDCD) – starts with SC above the first stitch

SC in the next stitch and start a DC directly below it. As with a standard DC you work one row below the row you normally work into.

Work the stitch until you have 2 loops left on your hook. Yarn over and start your next DC in the next stitch.

Work the stitch until you have 3 loops left on your hook

Yarn over and pull through all 3 loops.

ZigZ Crochet

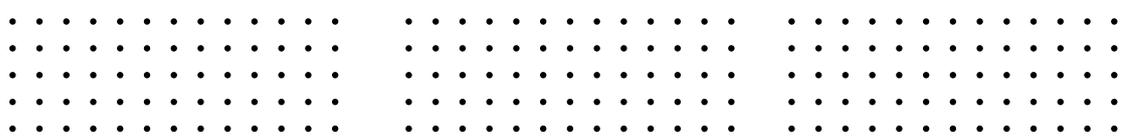

By Wendy Thompson of Zigz Crochet

MOSAIC BOOKCASE IN THE ROUND

Mosaic Overlay Pattern using US Terminology

MOSAIC BOOKCASE CUSHION

The cushion is worked in the round, and the pattern can be used for making cushions, bags or covers for your tablet or laptop. The charts have been modified, and the border stitches removed, making it simpler to follow.

YARN & COLOURWAY

You will need at least two contrasting colours, Colour A for the background and Colour B for the books. For the pictured Bookcase cushion I used a DK weight (8 ply) yarn from Bendigo Woollen Mills:

- Hook size
 - o 4mm hook

- Yarn
 - o 240m of Luxury Bermuda (Colour A)
 - o 460m of Luxury Cream (Colour B)
 - o Noting I swapped Colour A and Colour B for the middle shelf

SIZE

The cushion measures 50cm x 50cm.

The pattern has a 40 stitch repeat so the width of your project can be any multiple of 40. When working in the round you do not add the additional stitches for the border. The height of each repeat when working in the round is 27 rows. The pictured cushion is four repeats wide and three repeats high.

GAUGE

17 stitches and 17 rows = 10cm (blocked). While gauge is not important for your project, knowing your tension will assist with the quantity of yarn required. Remember tighter tension is better for mosaic crochet.

CUSHION DESIGN

As with the Mosaic Bookcase throw, you can choose how many shelves you want and how you want them stacked. To create the pictured cushion, I completed the following:

Bottom shelf: Charts 1, 2, 3 & 4

Middle shelf: Charts 5, 6, 7 & 9

Top shelf: Charts 9, 3, 1 & 2 plus one additional row of Colour A (the background colour).

Unlike the throw, the middle shelf colours (A & B) have been reversed. This has eliminated the need for the cushion to have shelving and therefore a third coloured yarn is not required.

GETTING STARTED

Using Colour A, chain 160 stitches, then add an extra chain so you can start working in the second chain from the hook. Work a single crochet (SC) into each chain and finish by joining into a circle with a slip stitch into the back loop of your first SC (making sure your work isn't twisted).

You should always have a total of 160 stitches for each round.

Start working the charts or written instructions from Row 1.

MOSAIC CROCHET BASICS (WORKING IN THE ROUND)

Mosaic crochet in the round is great for making cushions, bags or covers for your tablet or laptop. It eliminates the need for border stitches at the beginning and end of each row which gets rid of all the tails and ends.

- 🧶 Each new row starts by joining to the previous row with a slip stitch and then a chain.
- 🧶 The join for each new row is made with the upcoming colour and is inserted into the previous row's chain (not the slip stitch).
- 🧶 Take extra care when joining the first chains that your work isn't twisted.
- 🧶 Only two stitch types are used – single crochet and double crochet.
- 🧶 The single crochet stitches create the horizontal lines and the double crochet stitches create the vertical lines of the pattern.
- 🧶 Single crochet stitches go into the back loop of the next available stitch.
- 🧶 Double crochet stitches go into the front loop of the next available stitch one row below the row you normally work into.
- 🧶 Each stitch is worked into the next available stitch, meaning there is only one stitch going into each available stitch.

If you are new to working in the round or just in need of a refresher, please have a look at the tutorial links on the inside cover.

BLOCKING

To block or not to block! I'm a big convert to blocking as it gives your project a smarter finish, provides a lovely drape and straightens up your work from its natural lean to the left (or right if you're lefthanded). There is also something incredibly satisfying about having the project laid out on the dining room table for a day or two while it dries.

I use the spray method of blocking by pinning the work into shape on blocking boards, spraying it with water until wet to the touch and then leaving it to dry.

CHART LEGEND & ABBREVIATIONS (US TERMINOLOGY)

A	Colour A
B	Colour B
1	Row number
X	Double crochet
	Single crochet

Working from right to left, the first column of each chart displays the row number and the second column shows what colour to use. Remember each row is worked with just one colour.

ABBREVIATIONS

-  SC – Single crochet
-  DC – Double crochet
-  A – Colour A
-  B – Colour B
