Need More Sweater

Need More Sweater! Once you knit it, you will need more. Need More Sweater!
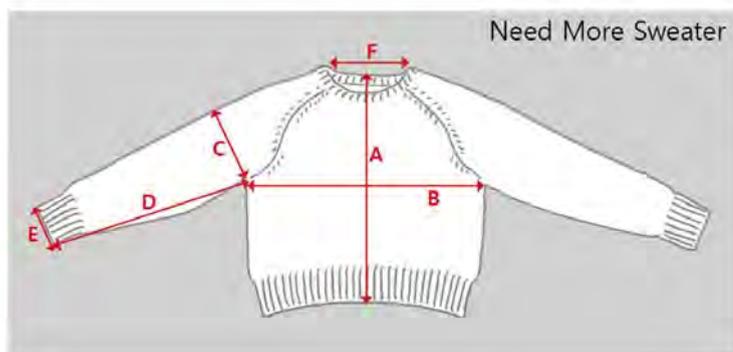

The Need More Sweater is a basic round-neck top-down sweater that applies the stretch method and fake seam form of a ready-to-wear knit to its design. Since it increases the shoulders in a mixed form between saddle shoulder and raglan, I decided to call it the Saglan technique :)
The body is designed with a slightly cropped length, and the sleeves are designed with a length that covers the back of the hand. You can also adjust it to your desired length.

PROCESS

1. First, knit the neckband in a round with a long-tail cast-on method and finish it with a tapestry needle.
2. Pick up the stitches from the beginning of the neckband, and work from the top to the bottom with increasing stitches.
3. Separate the sleeves, knit the body in the round, and finish by knitting the rib hem.
4. Finish by knitting both sleeves and the rib of the sleeves.
*The reason for knitting the neckband separately first is to strengthen the neckline and minimize looseness.

※ There may be an error of 1~3cm depending on the measurement method.

SIZES

XS/S/M/L/XL: Based on size (85/90/95/100/105), the chest circumference is approximately (96/101/106/112/117) cm, and the recommended positive ease is approximately 11 to 12 cm. The total length from the center of the back of the neck is approximately (48/50/53/56/59) cm.

YARN

Fingering weight yarn (100g/400m), approximately (290/300/310/320/330)g or (1160/1200/1240/1280/1320)m. *The sample in the photo was worked with 2 strings of Previl by Somsom knit (I used Beige color for size M, and Cinnamon brown color for size XL).

NEEDLES

4 mm (main needle) / 3 mm (ribbing needle)

GAUGE

24 sts X 36 rows = 10 X 10 cm (4 X 4 in) in stockinette stitches with knit in the round on 4 mm needles after blocking.
28 sts X 44 rows = 10 X 10 cm (4 X 4 in) in 2x2 rib on 3 mm needles after blocking. (Reference for rib)

NOTIONS

BoM (Beginning of round marker), 8 separator markers for sleeves (4 inner sleeve markers, 4 outer sleeve markers (recommend to divide with 2 back markers, 1 right side marker, 1 left side marker)), removable markers, cables od 40/60/80/100 cm, stitch holders or extra cables for separating sleeves, knitting needles, tapestry needle, cable needle.

NEED TO KNIT TWO increase instruction NTK2(wrong-side NTP2)

https://youtu.be/kRyx1y4Y8x0

The following is an explanation of the NEED TO KNIT TWO increase method. The NEED TO KNIT TWO increase method was designed by NeedKnits, and the copyright belongs to NeedKnits. Since this method is the most important point of the NeedMore Sweater, it is recommended that you practice until you become familiar with the method. The NEED TO KNIT TWO Method (NTK2) is performed in two phases; the increase and the twist are considered one set. Check the increase and twist indicated in the design carefully and knit according to the method below. (NTP2 is also described for cases where it must be knitted on the wrong side when knitting short rows.)

-Increase rows-
NTK2R increase rows (increase on the right side of the "M")
M1L, k1, M1L, k1

NTK2L increase rows (increase on the left side of the "M")
k1, M1R, k1, M1R

NTP2R increase rows (increase on the left side of the "M" on WS: it comes out the same shape as NTK2R increase on the RS.)
p1, M1PL, p1, M1PL

NTP2L increase rows (increase on the right side of the "M" on WS: it comes out the same shape as NTK2L increase on the RS.)
M1PR, p1, M1PR, p1

-Twist rows-
NTK2R Twist rows (twist on the right side of the "M")
[Slip 1 st to a cable needle and hold to back of work, k1]*2, knit 2 sts on the cable needle

NTK2L Twist rows (twist on the left side of the "M")
[Slip 1 st to a cable needle and hold to front of work, k1]*2, knit 2 sts on the cable needle

NTP2R Twist rows (twist on the left side of the "M" on WS: it comes out the same shape as NTK2R twist on the RS.)
[Slip 1 st to a cable needle and hold to back of work, p1]*2, purl 2 sts on the cable needle

NTP2L Twist rows (twist on the right side of the "M" on WS: it comes out the same shape as NTK2L twist on the RS.)
[Slip 1 st to a cable needle and hold to front of work, p1]*2, purl 2 sts on the cable needle
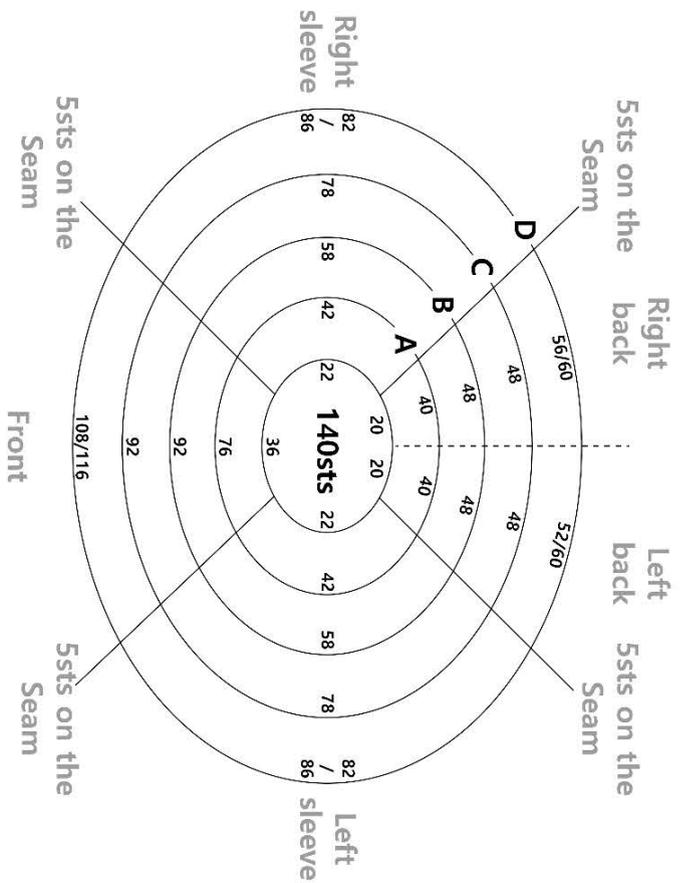

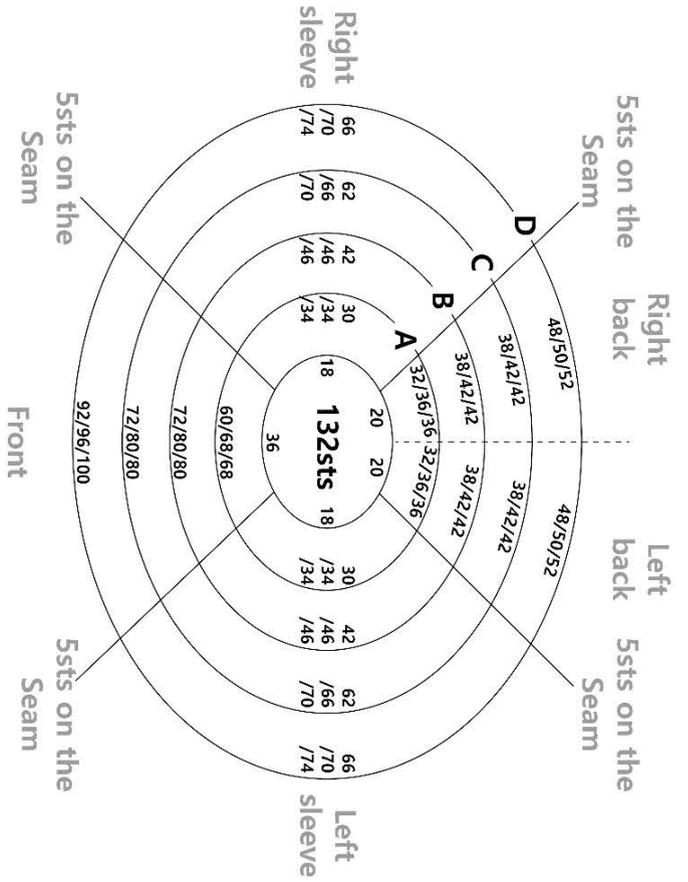

Work in flat: NTK2R(increase)-NTP2R(twist) / NTK2L(increase)-NTP2L(twist)
            NTP2R(increase)-NTK2R(twist) / NTP2L(increase)-NTK2L(twist)
Work in the round: NTK2R(increase)-NTK2R(twist) / NTK2L(increase)-NTK2L(twist)

It will be a set as above.

Cast on

Use the long tail cast on method with 4mm needles and cast on (132/132/132/140/140) stitches.

Knit neckband

Switch to 3 mm needles. Join in the round and make sure it's not twisted. Add BoM on it. Knit the neckband in the round as suggested below.

-Size XS/S/M only-

Knit 9 rows, or 2cm of rib neckband.

-Size L/XL only-

Knit 11 rows, or 2.5cm of rib neckband.

Break the yarn and leave the yarn tail about 3 times of the neck circumference.

Bind off with a 2x2 rib tubular bind off method. (Reference video:)

Pick up stitches on neckband

Switch to 4 mm needles again.
Pick up stitches from the cast-on edge of the neckband. Pick up between stitches.
Total (132/132/132/140/140) stitches are picked up.

Set up rows - Row 1 (work in the round)

Knit the set up row as a cylinder. At this time, knit and purl in the order below and add the markers.
Ensure that the purl stitch that goes into the false seam is connected to the purl stitch of the neckband.
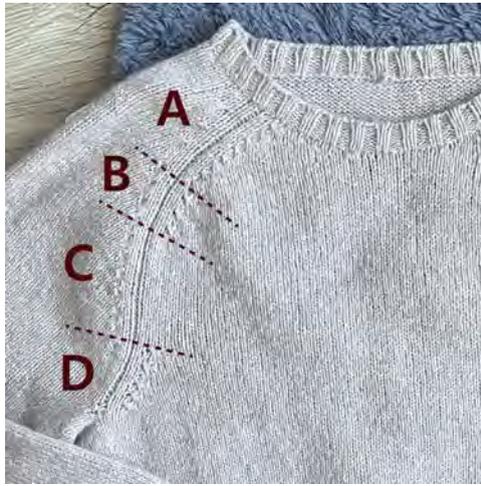

-Size XS/S/M only-

"BoM", (right back part) k20, **"M"**, k2, k1, k2, **"M"**, (right sleeve part) k18, **"M"**, k2, p1, k2, **"M"**, (front part) k36, **"M"**, k2, p1, k2, **"M"**, (left sleeve part) k18, **"M"**, k2, p1, k2, **"M"**, (left back part) k20.

-Size L/XL only-

"BoM", (right back part) k20, **"M"**, k2, p1, k2, **"M"**, (right sleeve part) k22, **"M"**, k2, p1, k2, **"M"**, (front part) k36, **"M"**, k2, p1, k2, **"M"**, (left sleeve part) k22, **"M"**, k2, p1, k2, **"M"**, (left back part) k20.

Body

Use the German short rows method, knit on the RS, purl on the WS and make the DS. Depending on the shape, knit with stockinette stitches in the round and add a fake seam with purl in the middle.

The sample in the photo is a size M. Saglan knitting is working with 4 phases, and the increases are different in each phase. So it is recommended that you fully understand the Saglan process before proceeding.

Back yoke (Increase Section A)

Increase Section A repeats one set of NTK2 around the "M" for every 3 rows for the back and front and every 6 rows for the sleeves.

Caution: Since the Increase Section A is worked with short rows, please refer to the "Description of each size of the Increase Section A" under the table below (Table A-1~6 below describes the repeating pattern of Increase Section A based on knitting in the round. When the short rows of Increase Section A are completed, please refer to this **only to check** if the results are the same as repeating steps A-1 to 6 below a total of (3/4/4/5/5) times).

Row A-1: [knit to M, "M", k2, p1, k2, "M"]*4, "knit to BoM.
Row A-2: [knit to 2 sts before the M, **NTK2R(increase)**, "M", k2, p1, k2, "M", knit to M, "M", k2, p1, k2, "M", **NTK2L(increase)**]*2, knit to BoM.
Row A-3: [knit to 4 sts before the M, **NTK2R(twist)**, "M", k2, p1, k2, "M", knit to M, "M", k2, p1, k2, "M", **NTK2L(twist**)]*2, knit to BoM.
Row A-4: [knit to M, "M", k2, p1, k2, "M"]*4, knit to BoM.
Row A-5: [knit to 2 sts before the M, **NTK2R(increase)**, "M", k2, p1, k2, "M", **NTK2L(increase)**, knit to 2 sts before the M, **NTK2R(increase)**, "M", k2, p1, k2, "M", **NTK2L(increase)**]*2, knit to BoM.
Row A-6: [knit to 4 sts before the M, **NTK2R(twist)**, "M", k2, p1, k2, "M", **NTK2L(twist)**, knit to 4 sts before the M, **NTK2R(twist)**, "M", k2, p1, k2, "M", **NTK2L(twist**)]*2, knit to BoM.

Increase Section A Description by Size

After the setup rows (row 1), all sizes from row 2 on the right to row 17 on the left side/row 18 on the right side are knitted in the same way.
The only difference is the length of the sleeves between XS/S/M and L/XL, so check carefully before knitting. From row 19 on the right side, follow the descriptions for each size.
The point where the DS for the front is irregular **in a zigzag pattern during the short rows. Be sure to check the location of the DS written in each row carefully.**
(It is recommended to watch the tutorial video to help you understand the principle.)

After the Increase Section D is finished, [60 sts for the right back, 5 sts for seam, 86 sts for the right sleeve, 5 sts for seam, 116 sts for the front, 5 sts for seam, 86 sts for the left sleeve, 5 sts for seam, 60 sts for the left back] are on the cable for size XL.

Body

After the Increase Section D is finished, the total number of stitches on the cable is (340/356/372/404/428).

It's about (67/72/78/82/87) rows or (18.5/20/21.5/22.7/24) cm total from the middle of the point where the stitches were picked up from the neck rib.

Divide sleeves

Now, knit 1 row to divide sleeves as shown below. At this time, remove all markers except the BoM.

[knit to M, "Remove M", k2, p1, **slip [2 seam st, "Remove M", (64/70/74/82/86) st, "Remove M", 2 seam st] on a stitch holder or an extra cable,** BLCO (16/18/20/18/16), p1, k2, "Remove M"]*2, knit to BoM.

After separating the sleeves, the total number of stitches on the body is (232/244/256/268/280). The separated stitches on the sleeves are (70/74/78/86/90) each.

Body continue

Now knit the body with stockinette in the round. All purl stitches that were used as false seams in the Saglan part are now knitted as knit stitches. Knit the body for (73/80/81/86/92) rows, or (20.5/22/22.5/23.8/25.5) cm. Or, knit by subtracting -7cm from the desired length.

Body rib

Now, change to 3 mm needles and knit 31 rows, or 7 cm long 2x2 rib. Bind off with a 2x2 rib tubular bind off method.

Sleeves

The sleeves of the NeedMore sweater are designed to be longer than the basic fit and cover the back of the hand.

(The sample in the photo was made to fit over the back of the hand, as in the original.)

If you want the sleeves to cover the back of the hand, knit it as is. If you want to knit it as a basic fit, decrease it by -1 row in "Decrease every * rows" for each size.

(Ex. It is decreased every 8th row for size M. If you want the sleeves to cover the back of the hand, keep the design as is, and if you want to knit it with a basic fit, decrease it in every 7th row.)

Or, calculate and adjust the spacing of the rows where the decrease is made according to your gauge.

The left and right sleeves are knitted in the same way.

Pick up (16/18/20/18/16) stitches between BLCO stitches and knit for the Row 1 of the sleeve.

Refer to the video to prevent the gap between the stitches picked up from BLCO and the stitches on the sleeves.

(**https://youtu.be/v520BPtYp0Q**)

Since pick stitches up between stitches, you will pick up (17/19/21/19/17) stitches in the armhole area.

Place a sleeve center marker to indicate the center of the sleeve after picking up (9/10/11/10/9) stitches, and then pick up the remaining (8/9/10/9/8) stitches.

Once you picked them all up, there are a total of (87/93/99/105/107) stitches on the needle.

From the next row, the 1 st before the center sleeve marker is knitted as a purl. This is to add fake seams to the sleeves.

The sleeves are decreased as described below.

-Size XS only-

> Rows 1~9: knit in the round to 1 st before the M, p1.
> Row 10: k2, **SSK**, knit in the round to 5 sts before the M, **K2tog**, k2, p1.

Decrease 2 sts every 10th row, 12 times in total, for a total of 24 stitches. There are now 63 stitches left.

Afterwards, knit 5 more rows in the round, and then the decrease starts.

Knit 3 sts first, then **K2tog** the next 2 sts. Afterwards, knit 7 sts and repeat **K2tog** for the next two stitches 6 times. Knit the remaining stitches in the same way as the previous row until the sleeve center marker.

Knit 2 more rows.

There are now 56 stitches left. The total number of rows from the point where the armhole stitches are picked up is approximately 128 rows or 35.5cm.

-Size S only-

> Rows 1~8: knit in the round to 1 st before the M, p1.
> Row 9: k2, **SSK**, knit in the round to 5 sts before the M, **K2tog**, k2, p1.

Decrease 2 sts every 9th row, 14 times in total, for a total of 28 stitches. There are now 65 stitches left.

Afterwards, knit 3 more rows in the round, and then decrease starts.

Knit 5 sts and repeat **K2tog** for the next two stitches 9 times. Knit the remaining stitches in the same way as the previous row until the sleeve center marker.

Knit 2 more rows.

There are now 56 stitches left. The total number of rows from the point where the armhole stitches are picked up is approximately 132 rows or 36.5cm.

> Rows 1~7: knit in the round to 1 st before the M, p1.
> Row 8: k2, **SSK**, knit in the round to 5 sts before the M, **K2tog**, k2, p1.

Decrease 2 sts every 8th row, (16/17/18) times in total, for a total of (32/34/36) stitches. There are now (67/71/71) stitches left.

Afterwards, knit (4/3/3) more rows in the round, and then decrease starts.

Knit (4/5/5) st and repeat **K2tog** for the next two stitches (11/10/10) times. Knit the remaining stitches in the same way as the previous row until the sleeve center marker.

Knit 2 more rows.

There are now (56/61/61) stitches left. The total number of rows from the point where the armhole stitches are picked up is approximately (135/142/150) rows or (37.5/39.5/41.5)cm.

Sleeve rib

Now, change to 3 mm needles and knit 31 rows, or 7 cm long 2x2 rib.

-Size L/XL only-

P2tog the last 2 stitches of the first row of rib.

Bind off with a 2x2 rib tubular bind off method.
