

Night Court Cowl

This cowl is inspired by the symbol of the Night Court from the series A Court of Thorns and Roses. The inside of the cowl is inspired by Fayre's tattoo as High Lady. I hope you enjoy this pattern, as it is my first. If you are here because you like the design but are not a fan of the books, just be aware people may recognize it and ask if you are a fan!

Materials:

- ❖ Size 2.75 mm and 2.50 mm knitting needles.
- ❖ 5 stitch markers.
- ❖ Approximately 370 yards (87 grams) of main color and 140 yards (33 grams) of contrast color in a sock weight yarn. I used Malabrigo Ultimate Sock Yarn in the colorways Under the Sea and Natural. (Any sock yarn should be fine if you can hit gauge)

Gauge:

2.75 mm: 34 st and 41 rows = 4" (10 cm)

2.50 mm: 37 st and 47 rows = 4" (10 cm)

Finished Size:

22 inches around (56 cm)

7.5 inches tall (9 cm)

Notes:

This pattern is worked in the round, with larger needles first, then smaller needles. If a float is more than 4 stitches long the color chart will tell you how many stitches that float will be. I recommend using a different colored stitch marker between repeats of color charts, as the counts only go to the end of the chart, not taking into account the repeats. Hold the contrast color dominate.

After both color charts are completed you can either cast off, fold the inside down, and sew the bottom together, or knit them together by picking up stitches from the bottom, like a folded neckband. The inside color chart is worked with the roses UPSIDE DOWN so that when you fold the inside down it is right side UP.

Instructions:

With the Main Color and larger size needles (2.75 mm), cast on 180 sts, place stitch marker, and join in the round.

Knit 15 rows in Main Color.

Knit the Symbol of Night Court color chart (chart A). This chart repeats 2 times around.

Knit 6 rounds in Main Color.

Switch to smaller size needles (2.50 mm).

Knit Feyre's Tattoo color chart (Chart B).

Folded Cast Off: Fold the cowl together with Feyre's Tattoo on the inside, pick up one stitch from the bottom, knit the next stitch, then cast off both the stitch you picked up and the previous stitch from the needles. (Very similar to finishing a sweater with a folded neckband.)

Sewn Together Finishing: Cast off, fold cowl together with Feyre's Tattoo on the inside, and sew the bottom of the two patterns together.

Symbol of the Night Count (Clant CC)
