PIERRE SKINNY SCARF

BY STEPHEN WEST

This textured skinny scarf is a quick knit filled with simple stitch patterns. Begin at the wingtip with an I-cord cast on. Increases at one edge gradually shape the little shawl followed by decreases. The long skinny shape is very fast to knit and the shifting stitch patterns make for a motivating knitting experience. Hold one strand of DK weight West Wool Tandem together with a coordinating color of West Wool Glowhair, our lace weight mohair silk. Once you make it, you will be itching to cast on another color for your friend. The gratifying pace of this project makes it perfect for gift knitting!
