

SIZE/STR	A	B	C	D
XS	24cm	46cm	10 - 17cm	11cm
S	25cm	46cm	10 - 17cm	11cm
M	26cm	48cm	10 - 17cm	11cm
L	27cm	49cm	10 - 17cm	11cm
XL	28cm	50cm	10 - 17cm	11cm
2XL	30cm	50cm	10 - 17cm	11cm
3XL	32cm	52cm	10 - 17cm	11cm

ABBREVIATIONS:

K: Knit

P: Purl

RS: Rightside

WS: Wrongside

St(s): Stitches

SM: Stitchmarker

K2tog: Knit 2 stitches together as one

BODY

Cast on (128) 136 (146) 162 (172) 188 (202) st(s) on round needles 4 mm.

Place a SM at the start of the round, and after (64) 68 (73) 81 (86) 94 (101) st(s).

Work ribbed (K1, P1) until the bodice measures 12 cm.

The increase for a fitted bodice starts at the next round.

Work ribbed until there is 1 st(s) left until the SM, increase 1, K1, move SM, K1, increase 1. Do the same for the next SM.

Increase like this every 3 cm in total 5 times = 20 st(s) increased.

The increased new stitches are always knit (not purled), so the ribbing will not be true in the sides.

Continue with the ribbing for the rest of the jumper, so knit over knit-stitches and purl over purl-stitches.

You now have (148) 156 (166) 182 (192) 208 (222) st(s).

Continue until the bodice measures (24) 25 (26) 27 (28) 30 (32) cm or to your wanted length, and cast off 8 st(s) on each sides for sleeves. (4 st(s) on each side of the SM).

You now have (132) 140 (150) 166 (176) 192 (206) st(s) in total, (66) 70 (75) 83 (88) 96 (103) st(s) on each side.

SLEEVES

Cast on (34) 36 (36) 40 (42) 44 (48) st(s) on circular needles 3,5mm.

Work ribbed (K1, P1) for 11cm. Place a stitchmarker at the start of the round - this marks the underarm and start.

The ribbing is now done. Change to circular needles 4mm, and knit stockinette whilst increasing (10) 10 (10) (10) 12 (12) 14 stitches evenly throughout the first round.

Continue in stockinette, and when the sleeve measures 30cm, increase like this; K1, increase 1, knit until there is 1 stitch left before the SM, increase 1, K1. This is done every (2) 2 (2) 2 (1,5) 1 (1) cm a total of (6) 6 (7) 8 (10) 12 (14) times.

You now have (58) 58 (62) 66 (74) 80 (90) st(s) on the sleeve.

Knit until the sleeve measures (46) 46 (48) 49 (50) 50 (52) cm or until wished sleeve length. Cast off 8 stitches for the underarm (4 on each side of the SM).

You now have (50) 50 (54) 58 (66) 72 (82) st(s) on the sleeve.

Knit another sleeve the same way.

RAGLAN

The sleeves will now be knit onto the same needles as the bodice.

Work ribbed until the first cast-off armhole st(s), and knit the first sleeve onto your needles in stockinette. Repeat for the next cast-off armhole st(s).

Place SMs at each divide between sleeve and bodice = 4 in total.

Continue knitting the increased st(s) in the sides with knit-stitches, as these will later be «eaten up» by the raglan.

Work in the round for 4 rounds - the body ribbed and the sleeves in stockinette.

At the next round the raglan decrease starts;

Work ribbed until there are 2 st(s) left before the first SM. Slip 1 st(s), K1, put the slipped stitch over the knit one, move the SM, K2 together.

Knit stockinette out the sleeve until there are 2 st(s) left before the second SM – repeat the raglan decrease. Work ribbed until the second sleeve and repeat.

The st(s) on the outside of each SM are always knit (not purled) regardless of the ribbing of the bodice.

The next round is knit without any decreases. Remember to knit the st(s) on the outside of each SM in knit-stitches.

PUFF-SLEEVES & NECKLINE

When you've knit the raglan decrease (6) 6 (6) 6 (7) 7 (7) 7 (7) times (6/7 rounds with raglan decrease, 6/7 rounds without = 12/14 rounds in total), the shaping for puff-shoulders start. While doing this, continue doing the raglan decrease.

The increase for puff-shoulders is done by placing 3 SMs inside each sleeve.

Place 1 SM in the middle of the sleeve, then one SM 3st(s) on the left of the middle SM, and one SM 3st(s) on the right of the middle SM.

Knit until there is 1 st(s) left before the first puff-SM, increase 1, K1, move SM, increase 1. Repeat for the other two puff-SM, then for the next sleeve. Remember to continue with the raglan.

The next round is worked with no puff-shoulder increases. The puff-sleeve increases are knit a total of total of (6) 6 (6) 6 (7) 8 (8) times, whilst continuing with the raglan decrease. (6 round with puff-sleeve increase, 6 rounds without = 12 rounds in total. 7 = 14. 8 = 16).

Once the puff-sleeve increase is done the puff-sleeve SMs can be removed. Work as before with the bodice ribbed and the sleeves in stockinette, with raglan, until there are (32) 34 (37) 41 (44) 46 (49) st(s) on the front of the bodice between the sleeves.

On the next round with raglan-decrease the sleeves are to be ruched by knitting 2 and 2 st(s) together (k2tog) like this;

Work ribbed until there are 2st(s) left before the first SM, slip 1 st(s), K1, put the slipped stitch over the knit one, move the SM, *k2tog, k2tog* until there are 2st(s) left, slip 1 st(s), K1, put the slipped stitch over the knit one, move the SM, K2 together.

Repeat for the other sleeve.

Video-tutorial for ruching: https://www.youtube.com/watch?v=-1ge0v_TmAA&t=1s

Work the next round without any ruching or raglan-decreases.

Work the next round with the same ruching technique as before. Remember raglan. The ruching is now done.

From the now on the raglan changes slightly, and is only to be done on the INSIDE of the sleeves, not on the bodice. Work ribbed until the first SM, move it, K2 together. Knit until 2 st(s) before the second SM, slip 1 st(s), K1, put the slipped stitch over the knit one, move the SM. Repeat at the next sleeve.

The next round is worked with no decreases, same as before.

Do this new raglan-decrease 3 times (3 round with decrease, 3 rounds without = 6 rounds in total).

From now on the jumper is worked back and forth to create the keyhole opening at the back of the neck.

All stitches are now worked ribbed – including the sleeves.

Find the middle of the backpiece, and work ribbed until you reach this point.

Turn your work around and work ribbed the other way.

If the ribbing doesn't add up with the sleeves simply K2 together where needed to make it so – a stitch to or from at this point in the process doesn't matter.

Work ribbed back and forth until you've knit 10cm from the start of the keyhole opening.

This creates a half-high neckline, but if you want a higher neckline continue for as many cm as desired.

The brown jumper is knit with this neck-length, and the cream is knit with 7cm extra length for the neckline.

A buttonhole is now made; Work ribbed until 4 st(s) remain, yarn over needle, K2 together (Knit or purl depending on the ribbing), and rib the last 2 st(s).

Work 2 rounds ribbed, and cast off all st(s) on the 3rd round.

ALMOST DONE!

Fasten all loose threads, sew the underarms together and sew on a button at the back of the neck.

I hope you'll be happy with your Rowena Jumper!
