

SINDRA TWEED JUMPER

SIZES:

(XS-S-M-L-XL-XXL-XXXL)

MEASUREMENTS:

Total length: 50-52-53-54-57½-58½-60½cm

Sleeve length: 41-42-43-44-45-46-47cm

Chest width: 42-45-48-51-58-64-68cm

NEEDLES:

Circular needles nr. 2.5: 40cm (or Double pointed needles)

Circular needles nr. 3.5: 40cm/80cm

TENSION:

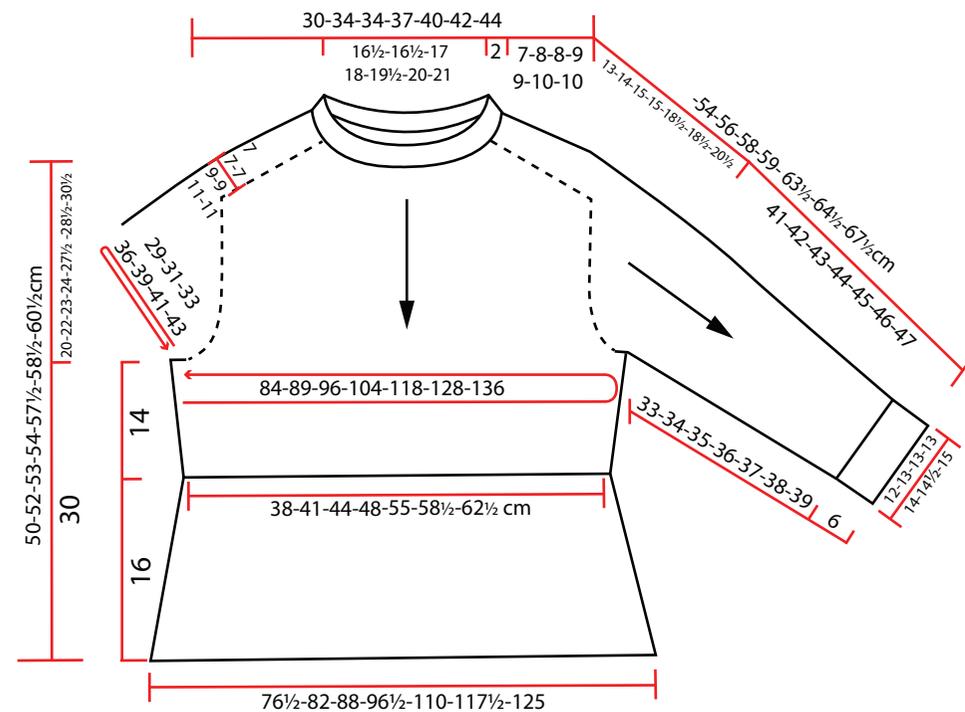

10x10cm: 22 stitches across and 30 rows in height in stockinette stitch

YARN:

DROPS Soft Tweed - 04 Cookie dough

(550-600-650-700-750-850-900g)

loops&lipstick

WORK OVERVIEW:

- The work is knitted from the top down with a saddle shoulder.
- The neck and the yoke are worked in the round on a circular needle.
- Stitches are increased for the saddle shoulder, then for the sleeves, and finally for the yoke.
- The yoke is divided into front and back piece and sleeves.
- The front and back piece are worked in the round on the circular needle from the top down.
- The sleeves are worked in the round on double pointed needles or a short circular needle from the top down.

NECK:

The first thing you do is cast on stitches and knit the neck:

- Cast on 92-92-96-100-108-112-116 stitches on double-pointed needles or a circular needle size 3.5 mm.
- Changing to a circular needle size 2.5 mm.
- Then continue in ribbing, knit 1, purl 1, working in the round for about 2,5 cm.
- Change to circular needle size 3.5 mm.
- Knit 1 round while increasing 12-12-12-20-20-24-28 stitches evenly distributed, by making yarn overs on the needle. On the next round, knit the yarn overs twisted so that no holes appear.

You now have 104-104-108-120-128-136-144 stitches on the needle.

Now you shall place 5 stitch markers without knitting the round:

- Start at the center back, and count 17-18-19-20-22-22-24 stitches (half of the back piece).
- Place the 1st marker.
- Count 16-16-16-20-20-24-24 stitches (shoulder stitches).
- Place the 2nd marker.
- Count 34-36-38-40-44-44-48 stitches (front piece).
- Place the 3rd marker.
- Count 16-16-16-20-20-24-24 stitches (shoulder stitches).
- Place the 4th marker.
- Count 17-18-19-20-22-22-24 stitches (half of the back piece).
- Place the 5th marker (centre back). This marker can preferably be in a different colour so that it is not confused with the markers used for the increases.

Let these 4 markers follow the work — increases will be made at the first 4 markers.

NECKLINE:

Work short rows from mid-back as follows:

- ROW 1 (right side): Knit and increase for saddle shoulder (read description to the right), at the first 2 marker-stitches (2 stitches increased), turn when you have knitted 4 stitches past marker-stitch 2.
- ROW 2 (wrong side): Purl and turn when you have worked 4 stitches past the last marker-stitch.
- ROW 3 (right side): Knit and increase for saddle shoulder at all marker-stitches (4 stitches increased), turn when you have knitted 4 stitches past the previous turn.
- ROW 4 (wrong side): Purl and turn when you have purled 4 stitches past the previous turn.
- ROW 5 (right side): Knit and increase for saddle shoulder at the first 2 marker-stitches (2 stitches increased), knit to mid-back.

When the neckline is finished, continue with the yoke as described below.

YOKE:

Now you will knit the yoke, with shoulder, sleeve and yoke increases.

Don't forget to check your tension! 😊

Saddle shoulder increases:

Increase before the marker (the new stitch will lean to the right):

- With the left needle pick up the strand between 2 stitches from the previous row from the back and knit into the front of it.

Increase after the marker (the new stitch will lean to the left):

- With the left needle pick up the strand between 2 stitches from the previous row from the front and knit into the back of it.

Now you will work 22-24-24-27-27-30-30 rounds in which 4 stitches for the saddle shoulder are increased on each round. When working a yoke with a saddle shoulder, only the front and back piece will be increased. The number of stitches for the shoulders remains unchanged.

On the next round 4 stitches for the saddle shoulder are increased as follows:

- Increase 1 stitch before the 1st marker.
- Increase 1 stitch after the 2nd marker.
- Increase 1 stitch before the 3rd marker.
- Increase 1 stitch after the 4th marker.

When you are finished you have 188-200-204-228-236-256-264 stitches on the needle, and the work measures approx. 7-8-8-9-9-10-10cm from the neckline in the front.

Sleeve increases:

Now you shall only increase for the sleeves, and the number of stitches for the front and back piece remains unchanged. You will increase every other round.

- Work 1 round stocking stitch.
- On the next round 4 stitches for the sleeves are increased as follows:
 - Increase 1 stitch after the 1st marker.
 - Increase 1 stitch before the 2nd marker.
 - Increase 1 stitch after the 3rd marker.
 - Increase 1 stitch before the 4th marker.

Repeat 17-17-18-17-18-17-18 times, which corresponds to 34-34-36-34-36-34-36 rows.

When you are finished you have 256-268-276-296-308-328-336 stitches on the needle, and the work measures approx. 18-19-20-20-21-21-22cm from the mid front marker at the neck. If the work measures less than this, continue knitting as before without increases until the correct measurement is reached.

Yoke increases:

Now you will increase both on the front piece, back piece and the sleeves. You will increase every other round.

- Work 1 round stocking stitch.
- On the next round increase 1 stitch on each side of each marker (= 8 stitches increased):
 - Work until 1 stitch remains before the 1st marker, increase 1 stitch, knit 1 stitch, slip the marker onto the right needle, increase 1 stitch.
 - Work until the 2nd marker, increase 1 stitch, slip the marker onto the right needle, knit 1 stitch, increase 1 stitch.
 - Work until 1 stitch remains before the 3rd marker, increase 1 stitch, knit 1 stitch, slip the marker onto the right needle, increase 1 stitch.
 - Work until the 4th marker, increase 1 stitch, slip the marker onto the right needle, knit 1 stitch, increase 1 stitch.

Repeat this 3-4-5-6-10-11-13 times, which corresponds to 6-8-10-12-20-22-26 rows.

When you are finished you have 280-300-316-344-388-416-440 stitches on the needle, and the work measures approx. 20-22-23-24-27½ -28½-30½ cm from the mid front marker at the neck. If the work measures less than this, continue knitting as before without increases until the correct measurement is reached.

DIVIDING THE WORK:

Now the work is divided into front piece, back piece and sleeves.

Begin at the 1st marker:

- Knit across the first 42-45-47-52-59-64-68 stitches (half the back piece).
- Place the following 56-60-63-68-75-79-83 stitches on a thread for the sleeve.
- Cast on 8-8-10-10-10-12-12 new stitches under the sleeve.
- Knit 84-90-95-104-119-129-137 stitches (front piece).
- Place the following 56-60-63-68-75-79-83 stitches on a thread for the sleeve.
- Cast on 8-8-10-10-10-12-12 new stitches under the sleeve.
- Knit the last 42-45-48-52-60-65-69 stitches (half the back piece).

The front and back piece and sleeves are then worked separately. From here the work is measured.

FRONT AND BACK PIECE:

You now have 184-196-210-228-258-282-298 stitches on the needle.

- Place 1 marker in the middle of the 8-8-10-10-10-12-12 stitches under the sleeve on both sides. Later, stitches will be decreased on each side of each marker.
- Continue in stocking stitch in the round.
- When the work measures 4 cm from the division, decrease 1 stitch on each side of each marker (4 stitches decreased per round).
- Repeat these decreases every 3 cm a further 3 times.

You now have 168-180-194-212-242-258-274 stitches on the needle.

- Continue in stocking stitch until the work measures 14 cm from the division (about 1 cm from the last decrease). The work should now measure to the waist, if it doesn't; continue knitting until it does. (There are about 16 cm left to the finished length.)

Now it's time to make the ruffled edge:

- Knit 1 round in stocking stitch, evenly doubling the number of stitches (168-180-194-212-242-258-274):
 - Knit 1 stitch
 - Make 1 increase
 - Repeat to the end of the round.

You now have 336-360-388-424-484-516-548 stitches on the needle. This number can be divided by 4, which you need to knit the ruffle.

- Work in rib, Knit 3 (K3), Purl 1 (P1), in the round for 16 cm. The work should now measure to just below the hip, if it doesn't; continue knitting until it does
- Cast off; Knit 1 (K1), Purl 1 (P1)..

The jumper now measures approx. 51-53-54-55-58½-59½-61½ cm from the shoulder down.

SLEEVES:

Place the 56-60-63-68-75-79-83 stitches from the thread on one side of the work onto double-pointed needles or a short circular needle size 3.5.

- Pick up 1 stitch in each of the 8-8-10-10-10-12-12 stitches that were cast on under the sleeve.
- Place 1 marker in the middle of the 8-8-10-10-10-12-12 stitches under the sleeve on both sides. Stitches will later be decreased on each side of each marker.

You now have 64-68-73-78-85-91-95 stitches on the needle.

- Work in stocking stitch in the round.
- When the work measures 3 cm from the division, decrease 2-2-1-2-1-1-1 stitches at the marker under the sleeve.
- Then decrease 1 stitch on each side of the marker every 4-4-3½-3½-2½ -2½-2 cm, 7-7-9-9-12-13-15 times.

You now have 48-52-54-58-60-64-64 stitches on the needle This number can be divided by 4, which you need to knit the edge.

- Continue in stocking stitch until the work measures 36-37-38-39-40-41-42cm from the division. The sleeve should now measure to just above the wrist bone, if it doesn't; continue knitting until it does. (There are about 6 cm left to the finished length.)
- Work in rib, Knit 3 (K3), Purl 1 (P1), in the round for approximately 6 cm, before casting off.
- Cast off; Knit 1 (K1), Purl 1 (P1).

The sleeve measures approximately 42-43-44-45-46-47-48cm from the division.

Knit the second sleeve in the same way.
