

SPOILER ALERT!

SPOILER ALERT CLUE 3

BY STEPHEN WEST

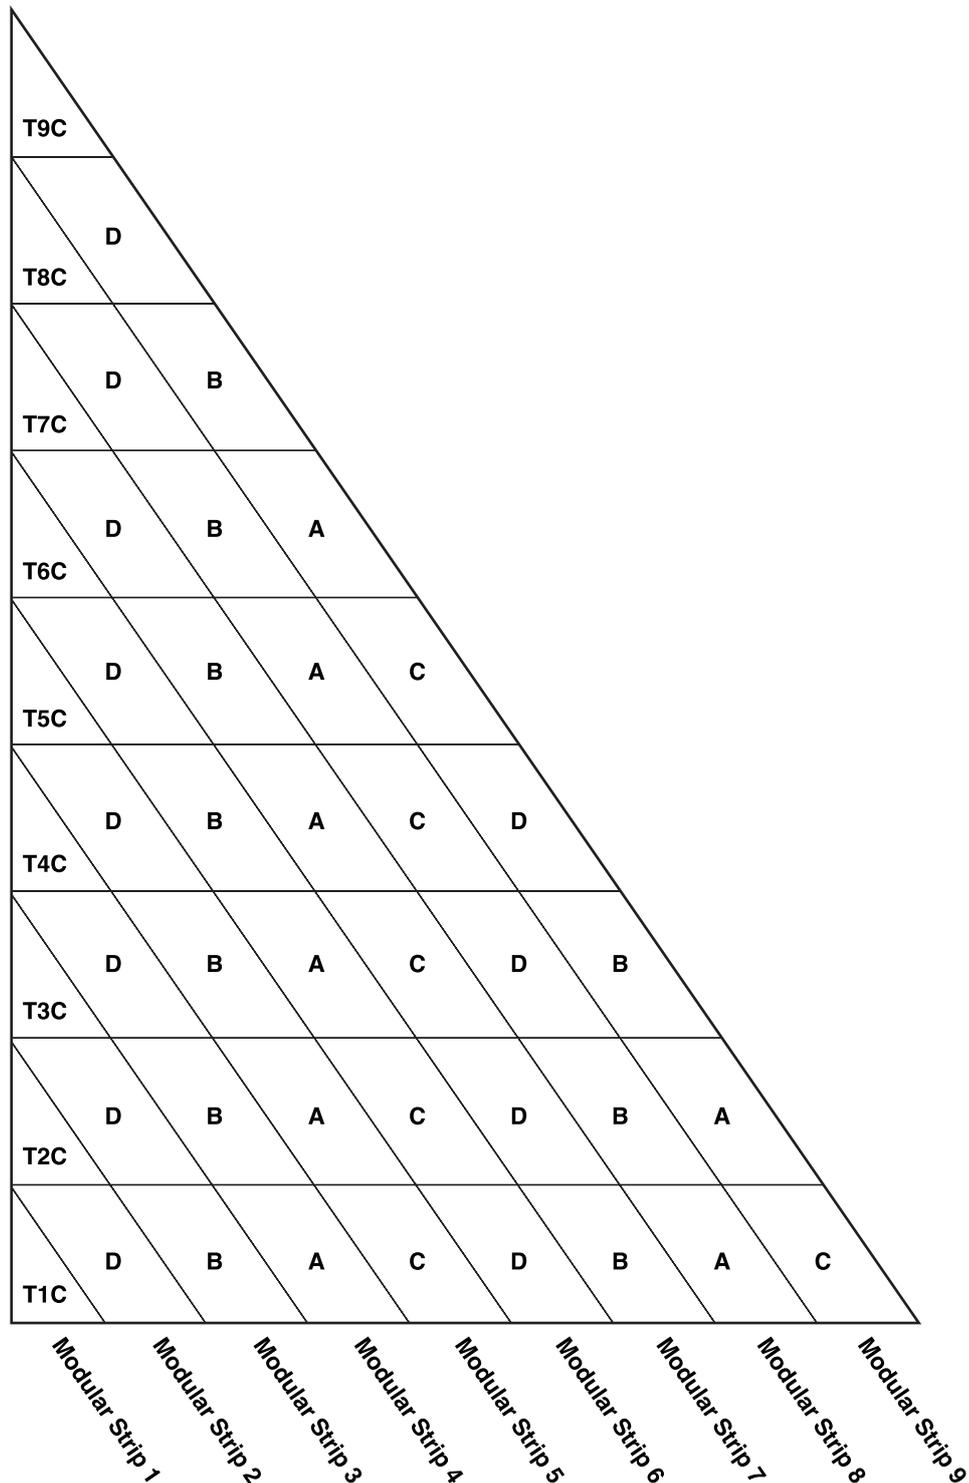

SECTION 3

Use this illustration to help visualize your color placement. This is a fun garter stitch modular section to customize with color. Try holding one strand of mohair together with any color for some fluffy color blocks. You can also replace any section with a new color pop for a random colorful accent.

T1C = Triangle 1 using Color C

T2C = Triangle 2 using Color C

The letter in each parallelogram represents the recommended color to use in the instructions. This section begins with Modular Strip 1, then Modular Strip 2, etc...

Watch this week's video tutorial to assist with CLUE 3. Clue 3 includes instructions for Section 3 & Section 4.
