When work measures about 3¼″ [8 cm] dec 4 sts as foll: in an odd rnd of Diagonal Patt omit incs, and cont skp across the last 2 sts of each diagonal panel = 60 sts. On foll rnd work each motif as foll: P14, sl1p wyib, K14, sl1p wyib. In odd rnds P13 for P14, and K13 for K14, then M1p tbl or M1k tbl and skp. When work measures about 6¼″ [16 cm] dec 4 sts as foll: in an odd rnd of Diagonal Patt omit incs, and work skp across the last 2 sts of each diagonal panel = 56 sts. On foll rnd work each motif as foll: P13, sl1p wyib, K13, sl1p wyib. Then in odd rnds P12 for P13, and K12 for K13, then M1p tbl or M1k tbl and skp. When work measures 8″ [20 cm] work thumb gusset as foll: across 1st diagonal panel with K sts M1k tbl before and after the 11th st = 3 gusset sts. K all inc sts. To widen the gusset M1k tbl before and after the inc sts on every 2nd rnd 7 times and K incs = 17 gusset sts after 15th rnd from start of gusset.
Work 2 rnds, then bind off the 17 sts of gusset, and on foll rnd cast on 1 over those bound off and take into Diagonal Patt. When work measures 11″ [28 cm] from cast-on work another ¾″ [2 cm] Rib Patt, then bind off all sts. Work both arm warmers alike.
