SIZES

Female – size EU 38 - 40

MATERIALS

Fingering / sock weight yarn

The first sample socks were knitted using – Mini Sterk from Du store alpakka and Malabrigo sockyarn – www.houseofyarnnorway.no

The second pair of socks were knitted using Sandnes Sisu from Sandnesgarn of Norway

2-color socks Approx 80-90 g of main color (MC) and 40 g of contrasting color (CC)

3-color socks Approx 40 g of each color.

Any sockyarn that fits the gauge can be used.

Feel free choosing different color combinations.

GAUGE

33 sts and 36 rnds = 10 cm/4"

NEEDLES

EUR 2, 2.25 or 2.5 mm (US = 0, 1 or 1.5)

Needle size is just a suggestion. I recommended a slightly bigger needle size for the colorwork and a smaller one for cuff, heel and toe.

Colorwork knitting

When knitting stranded colorwork, be consistent with the strand orientation. MC – background color should always cross above CC in the back of your work. CC – dominant color – should always cross below MC in the back of your work.

“Floats”

Twist the strands at the back of your work. I recommend this;

- Knit 4 sts, twist the two strands, knit the next 3 or 4 sts, then twist the strands again.
