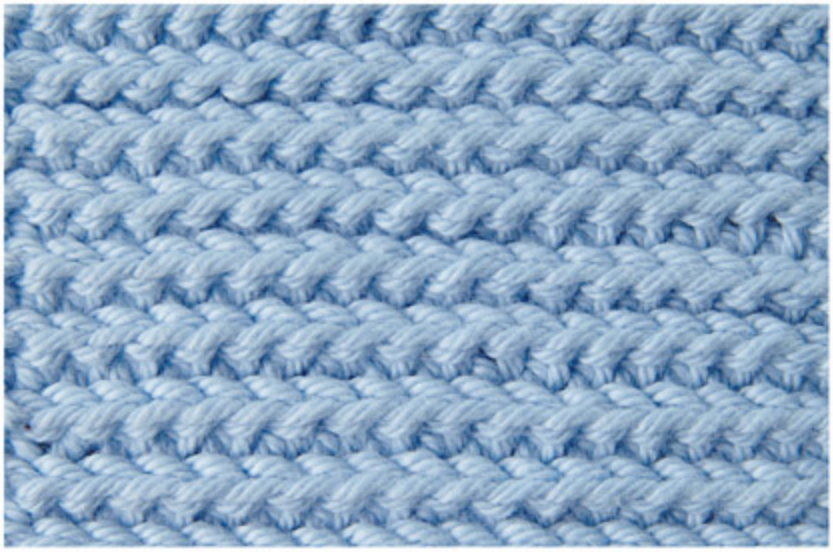
# BASIC STITCH PATTERNS

## Variations with Basic Stitches

### 001 SLIP STITCH RIDGES +1 [any st ct + 1 beg-ch]



Work in rows, following the chart. Work Rows 1–4 once, and then repeat Rows 3 and 4 for pattern.

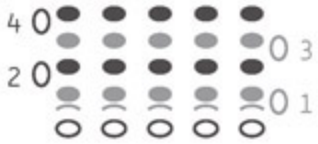


**Chart Key**

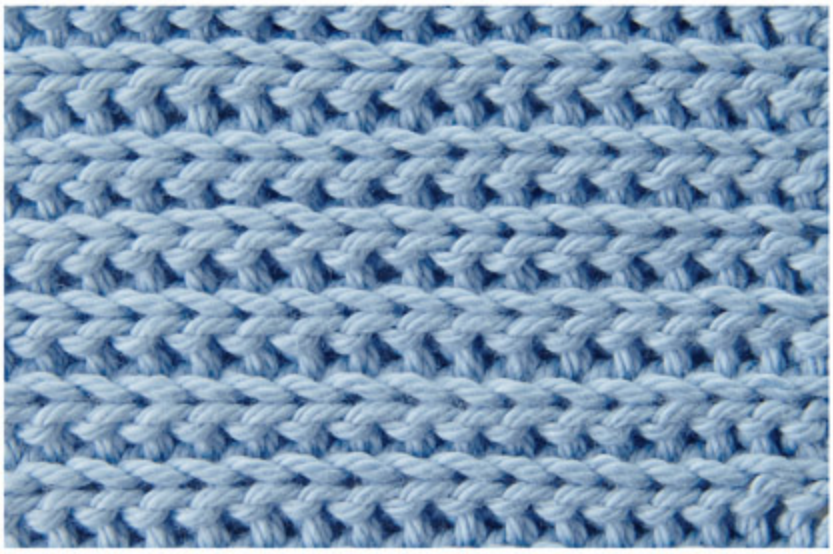
| | |
|---|---|
| o | Chain 1 |
| ● | 1 slip stitch into the slip stitch of the previous row, which is tilted toward the back |
| ◡ | 1 slip stitch through the back loop of the beginning chains only |

## 002 V-RIDGE LOOK

+1 **[any st ct + 1 beg-ch]**



Work in rows, following the chart. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

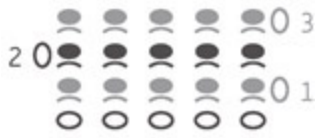


**Chart Key**

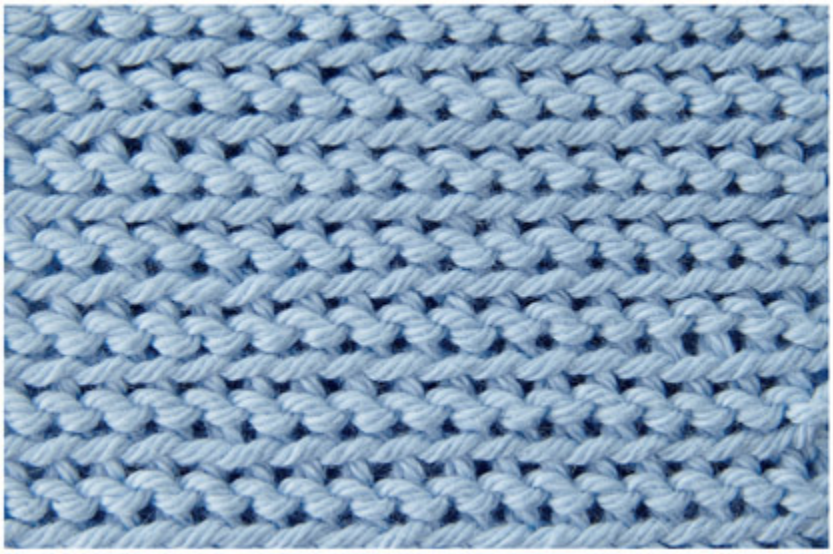
| | |
|---|---|
| o | Chain 1 |
| ⌒ | 1 slip stitch through the back loop of the beginning chains only, and from Row 2 on, through the back loop of the slip stitches of the previous row only, which are tilted toward the back and pointing upward |

# 003 KNIT-LOOK GARTER STITCH

+1 **[any st ct + 1 beg-ch]**



Work in rows, following the chart. Work Rows 1-4 once, and then repeat Rows 3 and 4 for pattern.

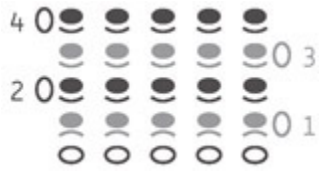


**Chart Key**

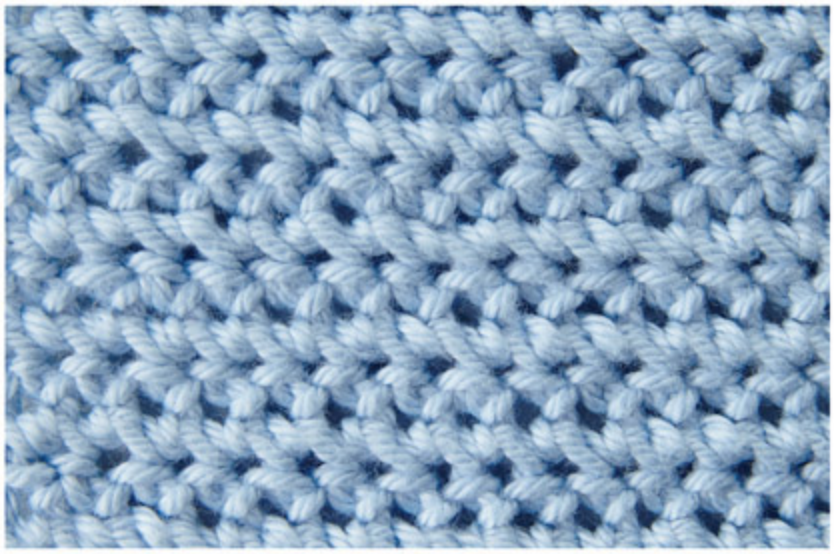
- Chain 1
- 1 slip stitch through the back loop of the beginning chains only
- 1 slip stitch through the front loop only, which is located directly at the edge of the crocheted piece and pointing upward

## 004 CORD-LOOK TEXTURE +1 [any st ct + beg-ch]



Work in rows, following the chart. Work Rows 1–4 once, and then repeat Rows 3 and 4 for pattern.

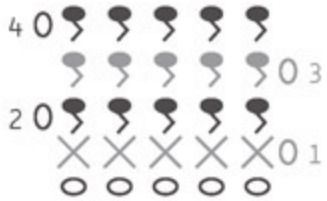


**Chart Key**

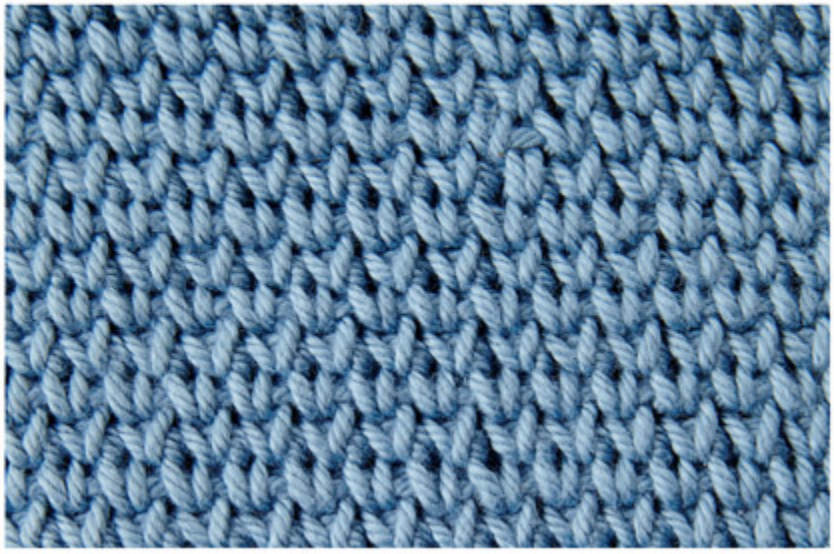
| | |
|---|---|
| o | Chain 1 |
| X | 1 single crochet |
| ʃ | 1 twisted slip stitch through the back loop only: Insert hook from back to front under the back loop, with working yarn located behind the crochet hook. (Tip: First grasp the back loop with the tip of the hook from below, and then insert the hook all the way through to the front.) Draw the working yarn through and immediately pull it through the sloop on the hook. The stitch will turn out twisted. |

## 005 FLAT SINGLE CROCHETS

+1 **[any st ct + 2 beg-ch]**



Work in rows, following the chart. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

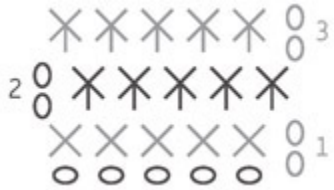


**Chart Key**

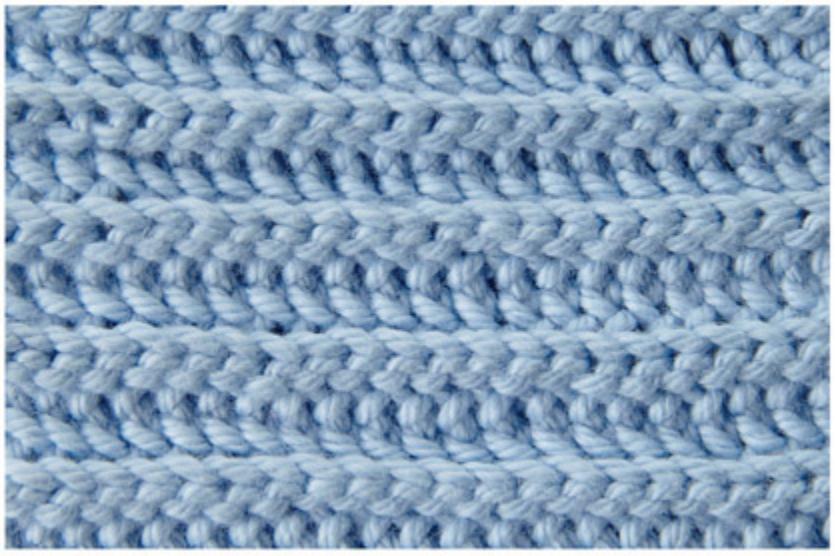
| | |
|---|---|
| o | Chain 1 |
| X | 1 single crochet |
| ✳ | 1 flat single crochet: Insert the hook into the body of the single crochet of the previous row, directly underneath the horizontal loop located under the loop of the stitch—this spot is between 2 strands of the stitch that are converging like the legs of an upside-down V. Draw the working yarn through the two loops on the hook to finish working the single crochet. |

## 006 BROAD SLIP STITCH RIDGES

+1 **[any st ct + 1 beg-ch]**



Work in rows, following the chart. Row 1 is a WS row. Work Rows 1–4 once, and then repeat Rows 3 and 4 for pattern.

The more loosely the slip stitches are worked, the easier it will be to insert the hook into the stitch. For Row 1 with single crochets, use a smaller hook size to prevent the edge from stretching.

In the final row of the crocheted piece, work regular slip stitches.

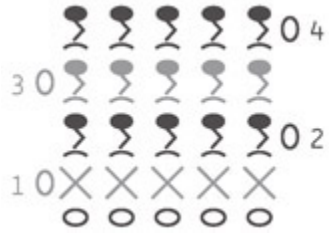


**Chart Key**

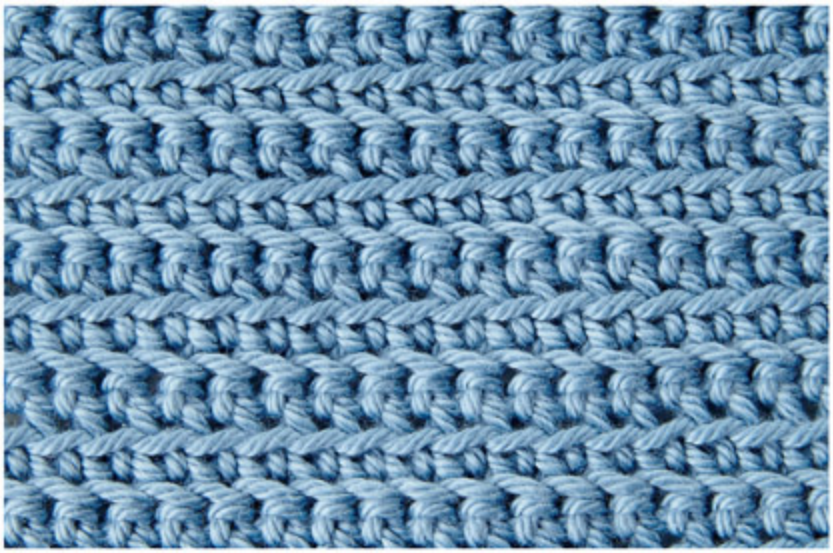
| | |
|---|---|
| o | Chain 1 |
| × | 1 single crochet |
| ʃ | 1 twisted slip stitch through the back loop only: Insert hook from back to front under the back loop, with working yarn located behind the crochet hook. (Tip: First grasp the back loop with the tip of the hook from below, and then insert the hook |

all the way through to the front.) Draw the working yarn through and immediately pull it through the loop on the hook. The stitch will turn out twisted.

## 007 RIDGED LINES

**[any st ct + 1 beg-ch]**



Work in rows, following the chart. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

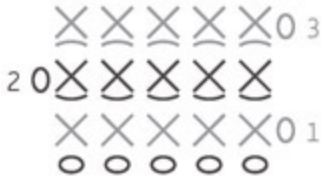


**Chart Key**

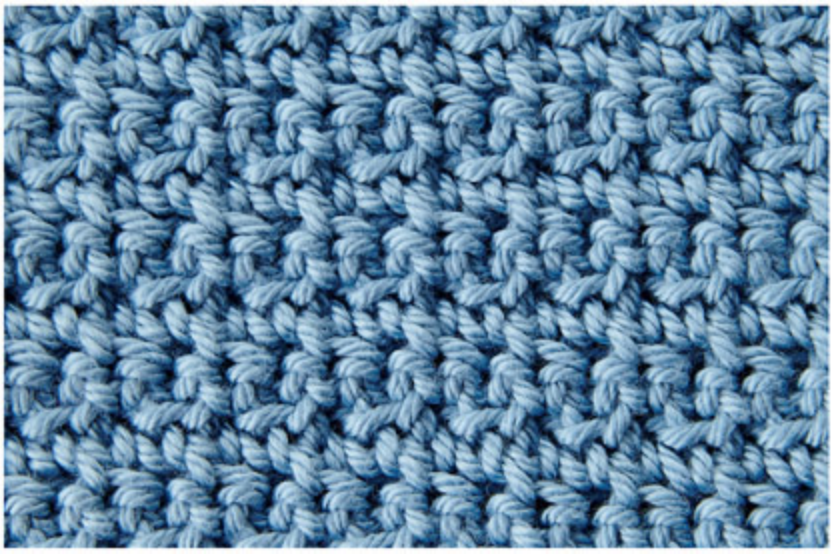
- Chain 1
- 1 single crochet
- Flo-sc: 1 single crochet through the front loop only
- Blo-sc: 1 single crochet through the back loop only

## 008 CURLY STRIPES

**[odd st ct + 1 beg-ch]**



Work in rows, following the chart. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

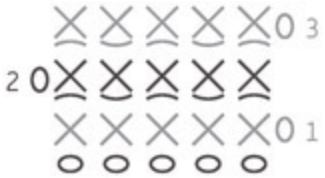


**Chart Key**

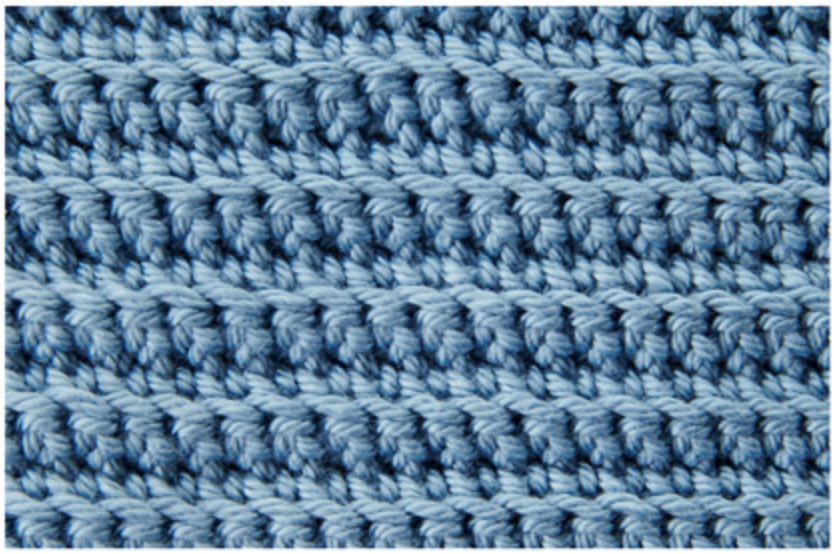
| | |
|---|---|
| o | Chain 1 |
| X | 1 single crochet |
| X | Flo-sc: 1 single crochet through the front loop only |
| X | Blo-sc: 1 single crochet through the back loop only |

## 009 SINGLE CROCHET RIDGES

**[any st ct + 1 beg-ch]**



Work in rows, following the chart. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern

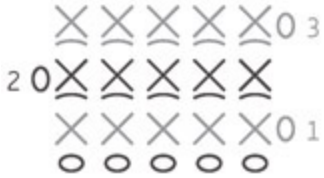


**Chart Key**

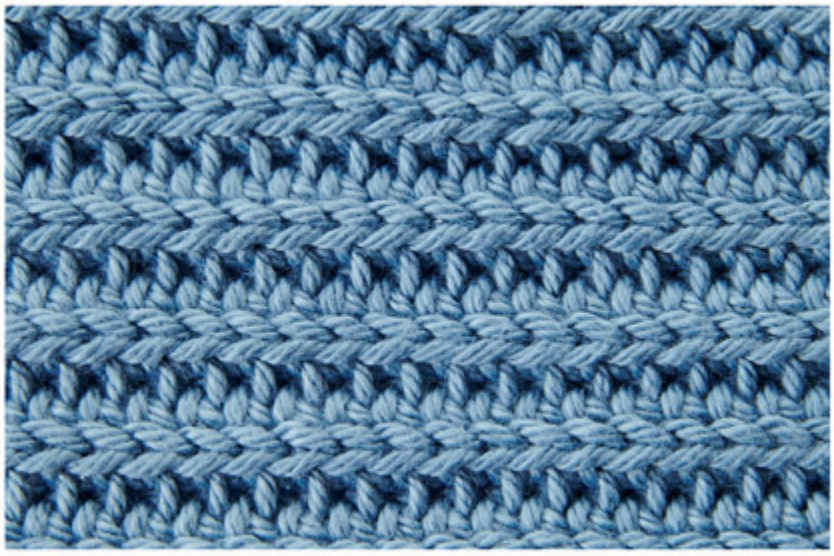
| | |
|---|---|
| o | Chain 1 |
| X | 1 single crochet |
| X | Blo-sc: 1 single crochet through the back loop only |

## 010 HORIZONTAL V-STITCH RIDGES

**[any st ct + 1 beg-ch]**



Work in rows, following the chart. Work Rows 1–4 once, and then repeat Rows 3 and 4 for pattern.

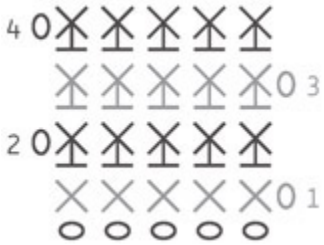


**Chart Key**

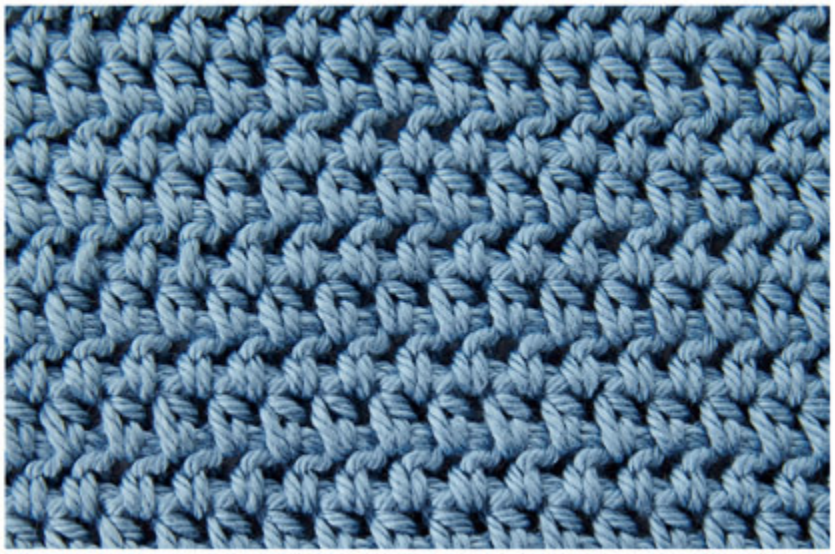
| | |
|---|---|
| o | Chain 1 |
| X | 1 single crochet |
| ⊥ | 1 single crochet, inserting the hook the following way: On the right side of the fabric, insert the hook through the horizontal loop underneath the front loop of the stitch with the crochet hook from the bottom to the top, draw the working yarn through, and then finish working the single crochet. |

## 011 STAGGERED HALF DOUBLE CROCHETS

**[any st ct + 2 beg-ch]**



Work in rows, following the chart. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

From Row 2 on, half double crochets are worked in the space between half double crochets of the previous row; the last half double crochet of every row is worked between the half double crochet and the turning chain.

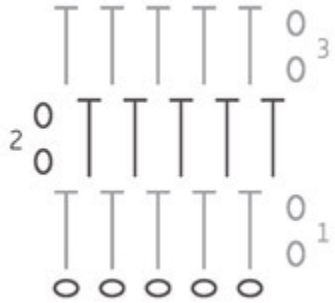


**Chart Key**

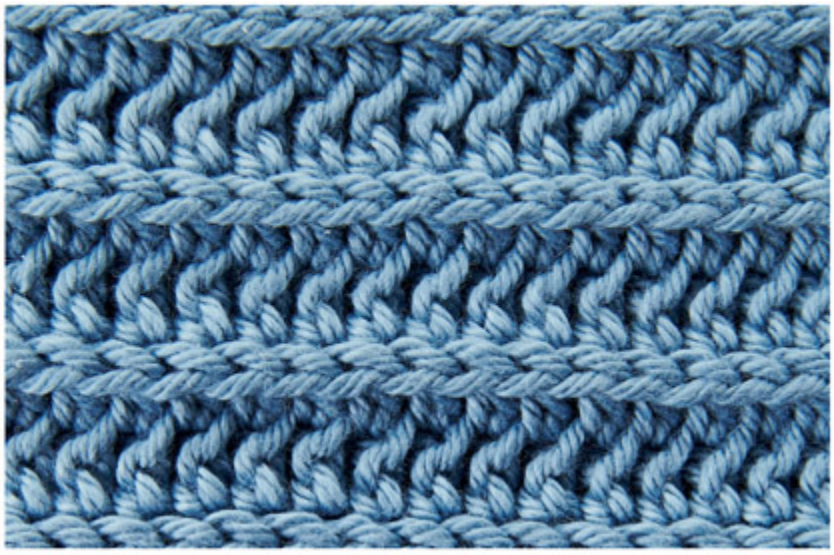
| | |
|---|---|
| o | Chain 1 |
| T | 1 half double crochet |

## 012 RIDGES WITH HALF DOUBLE CROCHETS

**[any st ct + 2 beg-ch]**



Work in rows, following the chart. Work Rows 1–4 once, and then repeat Rows 3 and 4 for pattern.

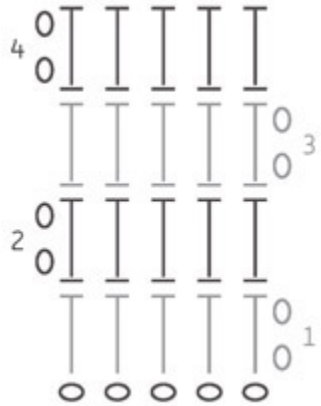


**Chart Key**

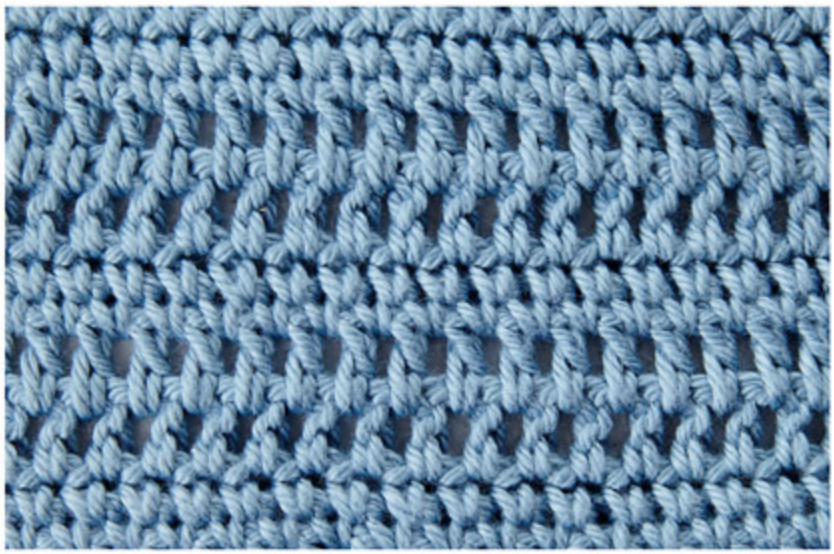
| | |
|---|---|
| o | Chain 1 |
| T | 1 half double crochet |
| T | 1 half double crochet, inserting the hook the following way: Yarn over hook once, on the right side of the fabric, insert the hook through the horizontal loop underneath the front loop of |

the stitch from the bottom to the top, draw the working yarn through, and then finish working the half double crochet.

## 013 COMBINED STRIPES

**[any st ct + 3 beg-ch]**



Work in rows, following the chart; Row 1 is a WS row. Work Rows 1–6 once, and then repeat Rows 3–6 for pattern.

In Rows 2 and 6, work the double crochets from the space between the double crochets of the previous row.

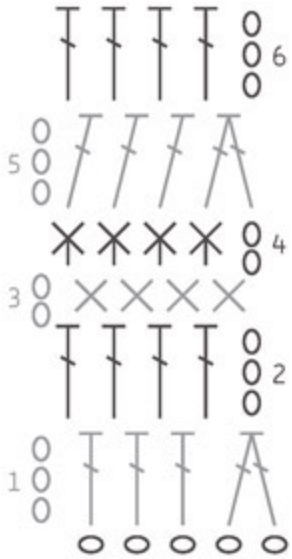


**Chart Key**

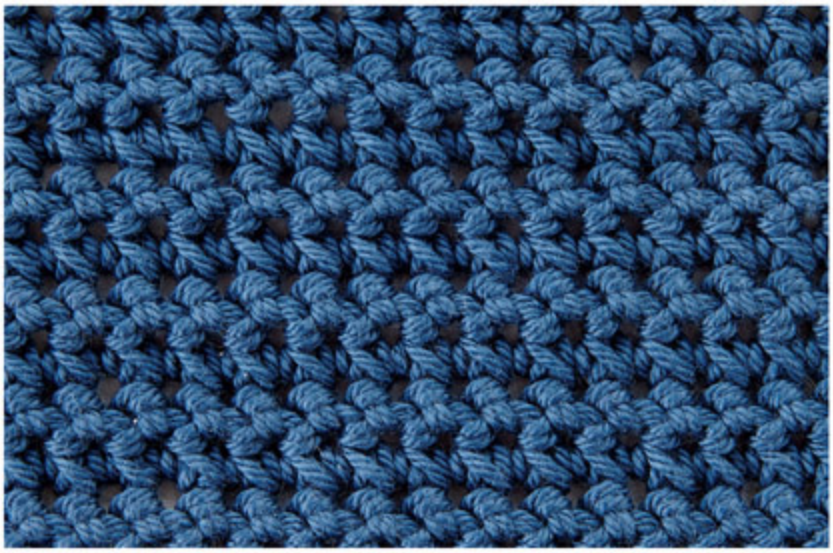
| | |
|---|---|
| | Chain 1 |
| | 1 single crochet |
| | 1 flat single crochet: Insert the hook into the body of the single crochet of the previous row, directly underneath the horizontal loop located under the loop of the stitch—this spot is between 2 strands the of the stitch that are converging like the legs of an up side-down V. Draw the working yarn through, and then finish working the single crochet. |
| | 1 double crochet |
| | Dc2tog: Double crochet 2 stitches together |

## 014 KNOT STITCH IN ROWS

**[any st ct + 1 beg-ch]**



Work in rows, following the chart. Work Rows 1–4 once, and then repeat Rows 3 and 4 for pattern.

To make a knot stitch, crochet 2 adjoining single crochets together. For every subsequent knot stitch, insert the hook first into the second insertion point of the previous knot stitch. From Row 2 on, always work the single crochet at the end of the row into the second insertion point of the last knot stitch.

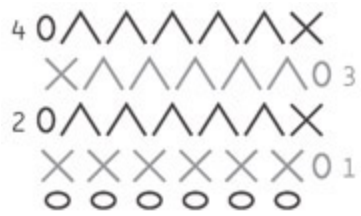


**Chart Key**

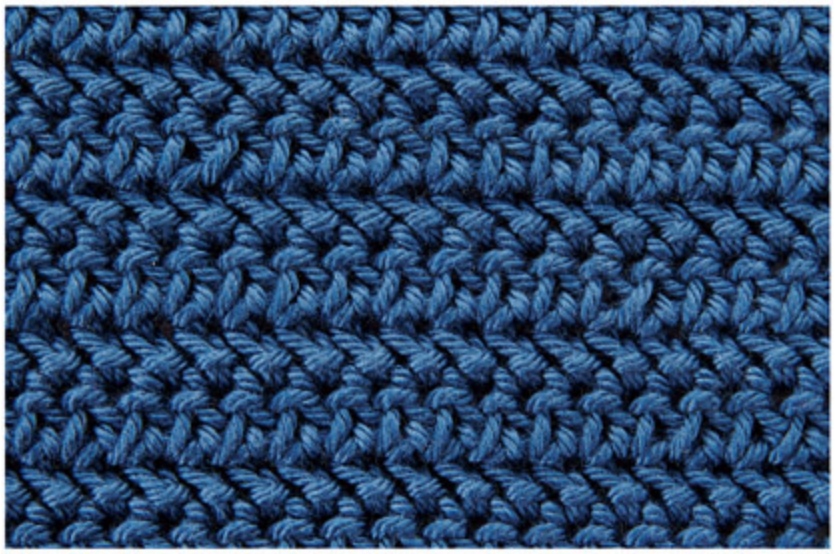
- Chain 1
- 1 single crochet
- Sc2tog: Single crochet two stitches together

## 015 KNOTTED DOUBLE CROCHET

**[any st ct + 2 beg-ch]**



Work in rows, following the chart. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

Since knotted double crochet has less height than regular double crochet, 2 turning chains (beginning chains) are sufficient.

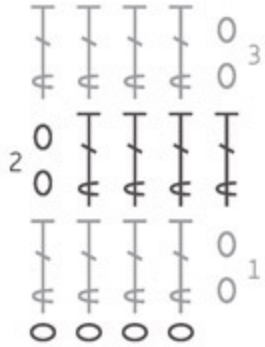


**Chart Key**

| | |
|---|---|
| o | Chain 1 |
| ⊥ | 1 knotted double crochet: Yarn over hook once, insert hook, draw the working yarn through, and, directly afterward, pull it through the first loop on the hook, too. Now, crochet the 2 loops on the hook off together. |

## 016 KNOTTED HALF DOUBLE CROCHET

**[any st ct + 1 beg-ch]**

Work in rows, following the chart. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

Since knotted half double crochet has less height than regular half double crochet, 1 turning chain (beg-ch) is sufficient.

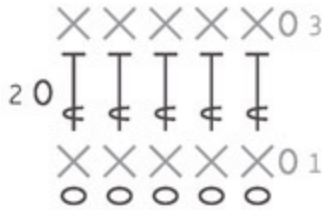

**Chart Key**

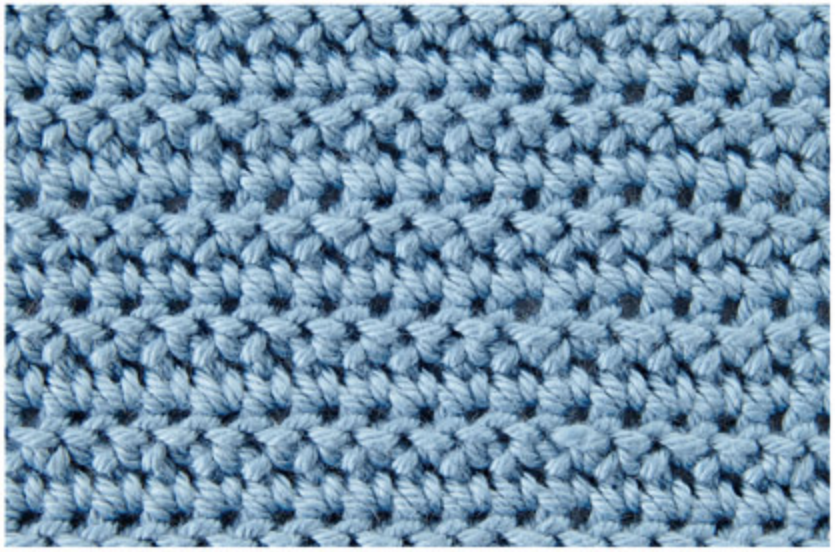
| | |
|---|---|
| o | Chain 1 |
| × | 1 single crochet |
| ⫲ | 1 knotted half double crochet: Yarn over hook once, insert hook through stitch and draw the working yarn through all 3 loops on hook |

## 017 TWISTED SINGLE CROCHET

**[any st ct + 1 beg-ch]**



Work in rows, following the chart. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

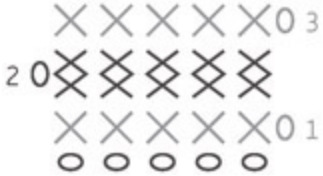


**Chart Key**

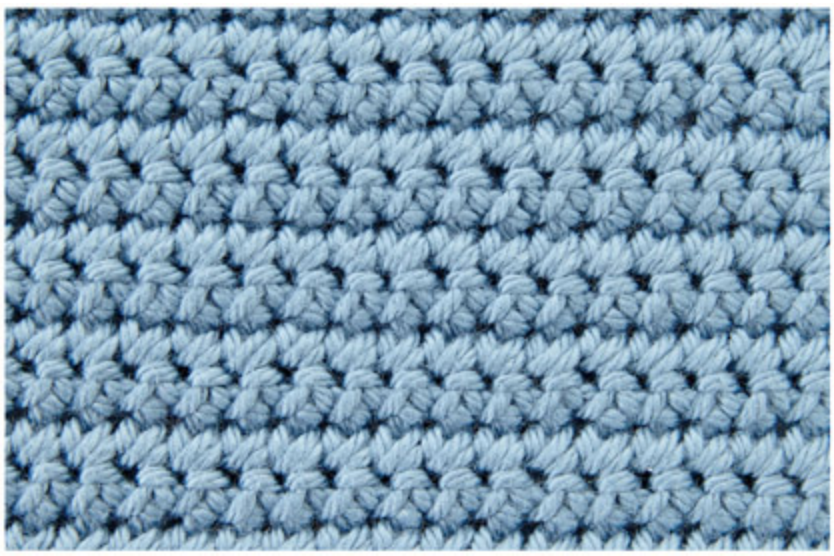
| | |
|---|---|
| o | Chain 1 |
| X | 1 single crochet |
| ⧖ | 1 twisted single crochet: Insert the hook from the back to the front into the stitch (i.e., the hook goes through under both loops, with the working yarn behind the hook). Draw the working yarn through, and then pull it out to the height of the working loop. Crochet the 2 loops on the hook off together as for a regular single crochet. |

## 018 TWISTED SINGLE CROCHET, MODIFICATION

**[any st ct + 1 beg-ch]**



Work in rows, following the chart. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

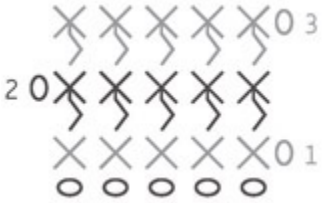


**Chart Key**

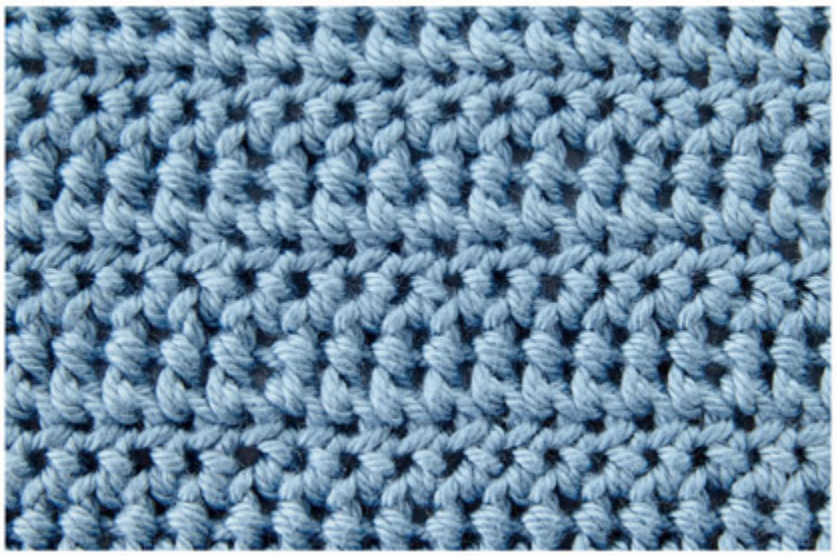
| | |
|---|---|
| o | Chain 1 |
| X | 1 single crochet |
| | 1 twisted single crochet: Bring the hook behind the working yarn. Now, insert the hook into the stitch from back to front (i.e., the hook goes through under both loops, with the working yarn in front of the hook). Draw the working yarn through, and then pull it out to the height of the working loop. Crochet the 2 loops on the hook off together as for a regular single crochet. |

## 019 TWISTED HALF DOUBLE CROCHET

**[any st ct + 2 beg-ch]**



Work in rows, following the chart. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

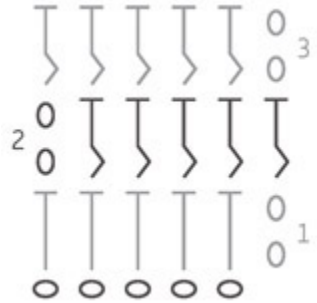


**Chart Key**

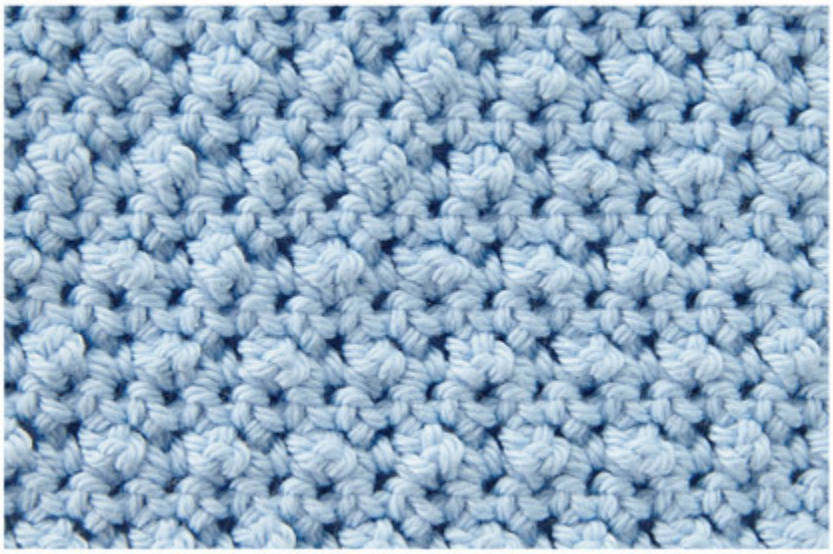
| | |
|---|---|
| o | Chain 1 |
| T | 1 half double crochet |
| ⟩ | 1 twisted half double crochet: Yarn over hook once, insert the hook into the stitch from back to front (i.e., the hook goes through under both loops, with working yarn located behind the hook). Draw the working yarn through. Draw the working yarn through once more, pulling it through all 3 loops on the hook at once. |

## 020 GRITTY ALLOVER PATTERN

**[odd st ct + 1 beg-ch]**



Work in rows, following the chart. Work Rows 1–5 once, and then repeat Rows 2–5 for pattern.

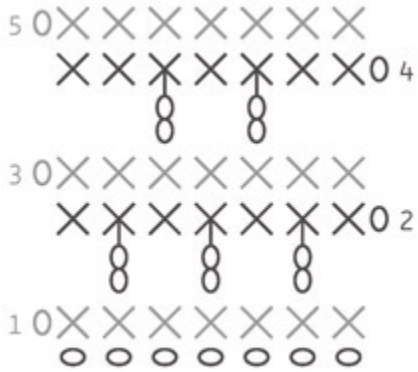


**Chart Key**

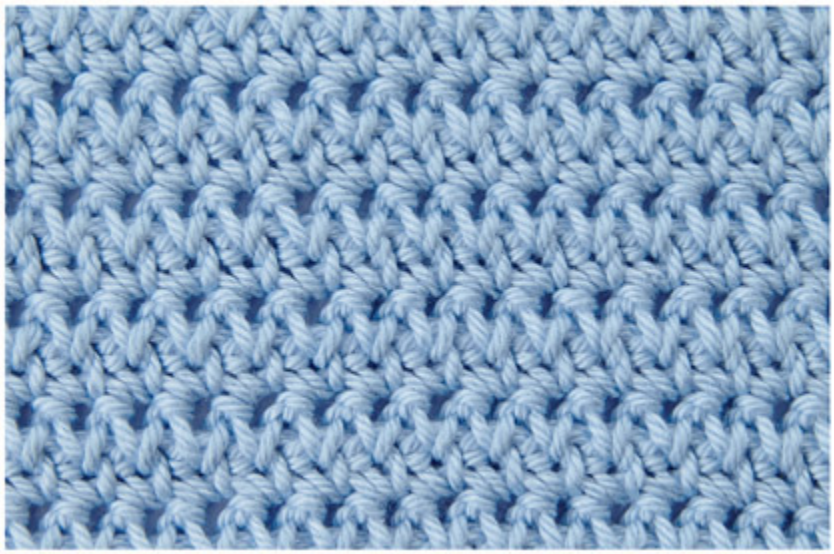
| | |
|---|---|
| o | Chain 1 |
| X | 1 single crochet |
| X | 1 twice extended single crochet: Insert the hook into the stitch, draw the working yarn through.* Draw the working yarn through once more, pulling it through the first loop on the hook; repeat from* once. Draw the working yarn through again, pulling it through the 2 loops on the hook. As soon as |

the next single crochet has been completed, the resulting chain of stitches will fold over forward.

## 021 ZIGZAG PATTERN

**[any st ct + 2 beg-ch]**



Work in rows, following the chart. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

In Row 2, the elongated single crochets are always worked into the body of the previous row stitch. For this, insert the hook directly underneath the horizontal loop located under the top loop of the stitch. The last stitch of the row is worked between the last elongated single crochet of the previous row and the turning chain.

In Row 3, the elongated single crochets are worked into the stitch of the previous row.

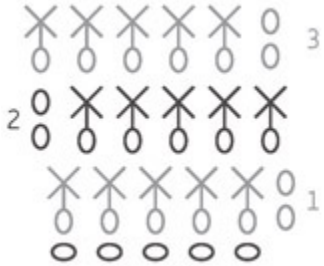


**Chart Key**

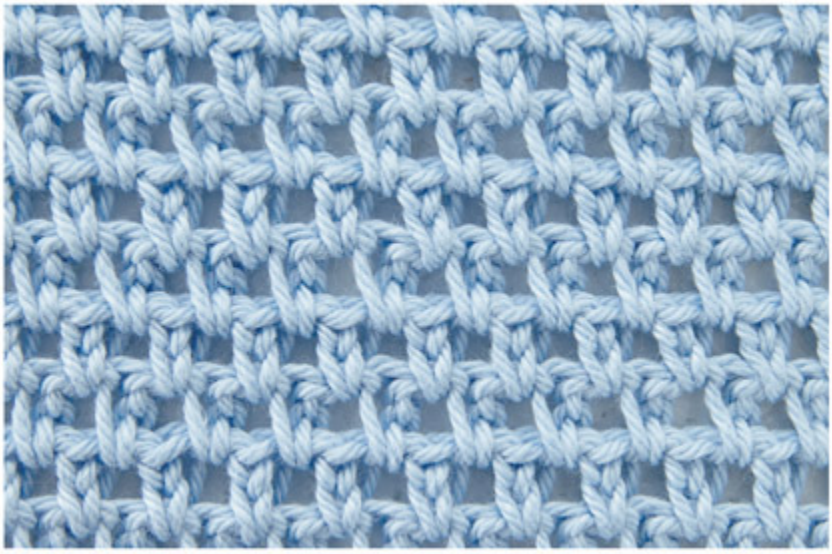
Chain 1

1 elongated single crochet: Insert the hook into the stitch, draw the working yarn through. Draw the working yarn through once more, pulling it through the first loop on the hook. Draw the working yarn through both loops on the hook.

## 022 STAGGERED MESH PATTERN

**[odd st ct + 2 beg-ch]**



Work in rows, following the chart. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

In Rows 2 and 3, always work the elongated single crochet in the chain space of the previous row, around the chain.

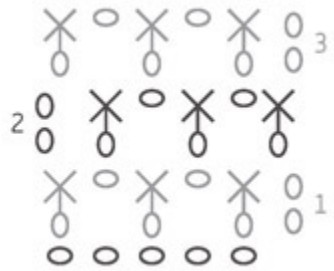


**Chart Key**

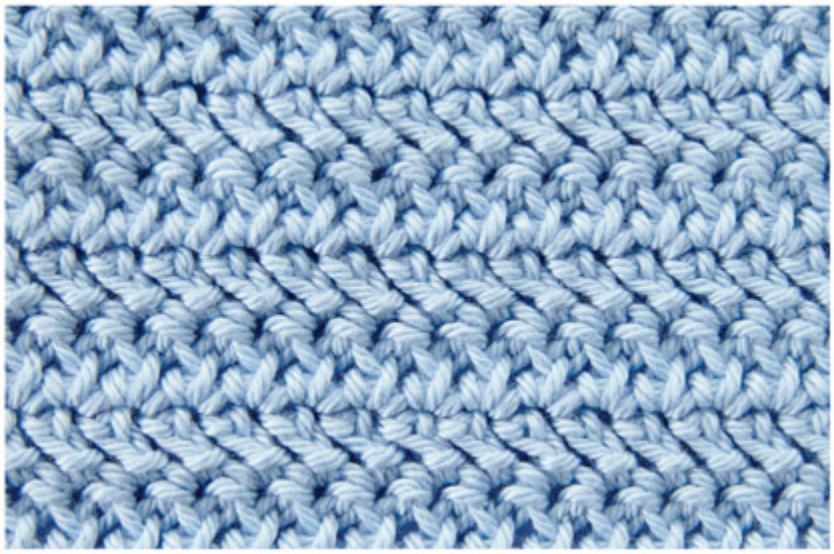
Chain 1

1 elongated single crochet: Insert the hook into the stitch, draw the working yarn through. Yarn over, draw through the first loop on the hook; yarn over, pull it through both loops onthe hook.

## 023 HERRINGBONE PATTERN

**[any st ct + 2 beg-ch]**



Work in rows, following the chart. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

For this stitch type, an elongated single crochet is combined with a yarn over hook once, which will drape itself around the base of the stitch when crocheted off. At the end of the row, work the combined stitch around the turning chain.

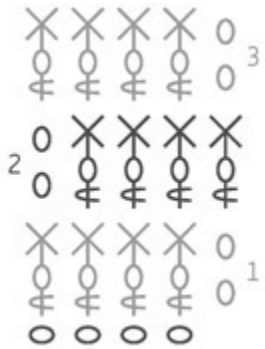


**Chart Key**

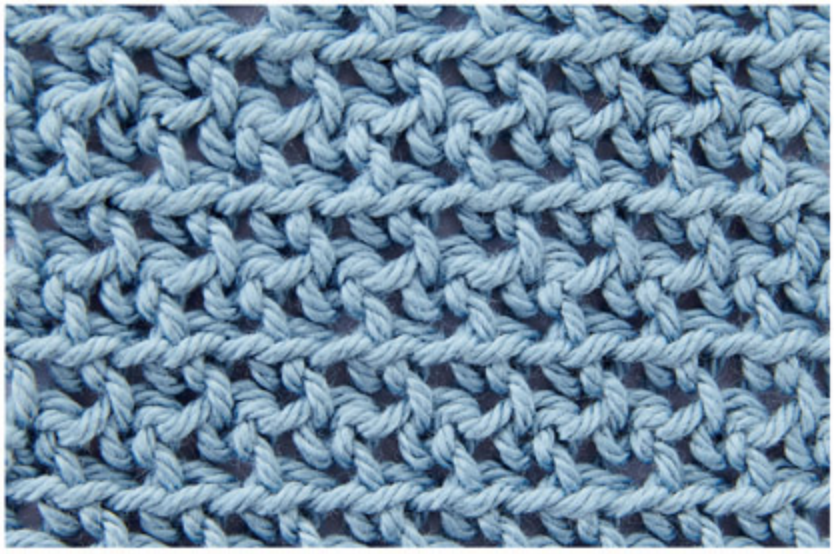
| | |
|---|---|
| o | Chain 1 |
| | 1 combined stitch: Yarn over hook once, insert the hook into the stitch, draw the working yarn through, and directly afterward pull it through the first loop on the hook, too. Yarn over the hook; pull it through the first loop on the hook. Yarn over the hook, and now, pull it through both loops on the hook. |

## 024 SWIRL PATTERN

**[odd st ct + 1 beg-ch]**



Work in rows, following the chart. Begin every row with the stitches before the pattern repeat, repeat the marked pattern repeat (2 stitches wide) widthwise, and end with the stitches after the pat tern repeat. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

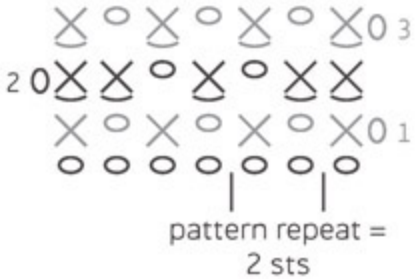


**Chart Key**

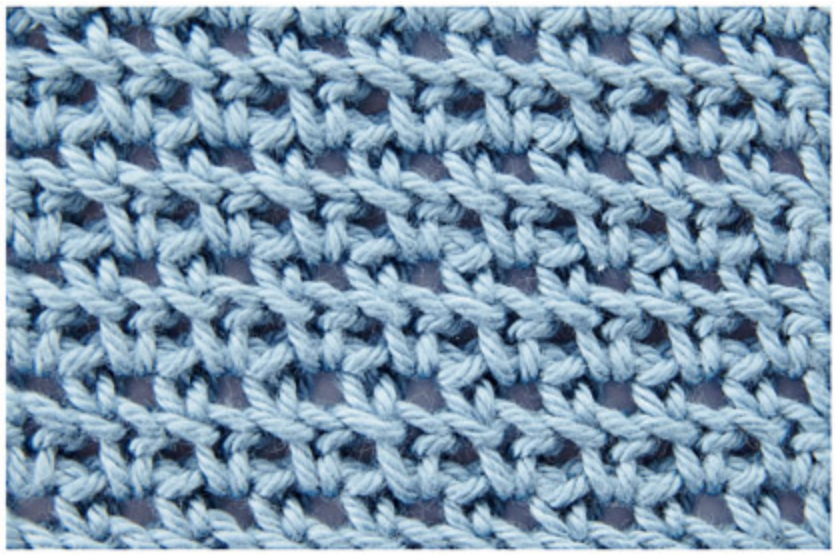
| | |
|---|---|
| o | Chain 1 |
| X | 1 single crochet |
| ⊠ | Flo-sc: 1 single crochet through the front loop only |

## 025 PEARL EYELETS

**[odd st ct + 1 beg-ch]**



Work in rows, following the chart. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

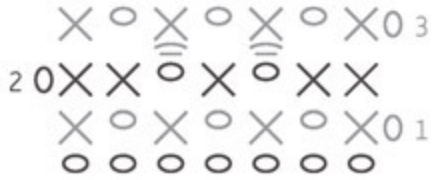


**Chart Key**

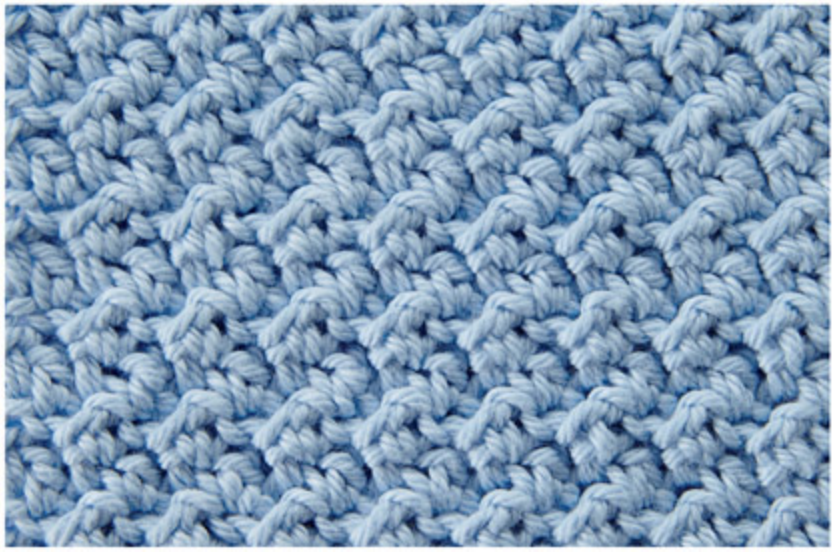
| | |
|---|---|
| o | Chain 1 |
| X | 1 single crochet |

Work 1 single crochet into the chain, inserting the hook under the back loop of the chain and the horizontal ridge

## 026 ALLOVER TEXTURE

**[odd st ct + 3 beg-ch]**



Work in rows, following the chart. Begin every row with the stitches before the pattern repeat, repeat the marked pattern repeat (2 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

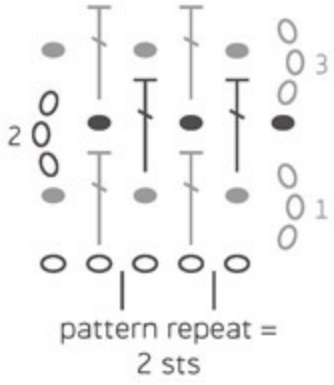


**Chart Key**

Chain 1

1 slip stitch

1 double crochet

## 027 LITTLE COMBS

**[odd st ct + 1 beg-ch]**

Work in rows, following the chart. Begin every row with the stitches before the pattern repeat, repeat the marked pattern repeat (2 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

In Row 2, always work 2 half double crochets in the chain space of the previous row, around the chain. In Row 3, work the single crochets between pairs of half double crochet.

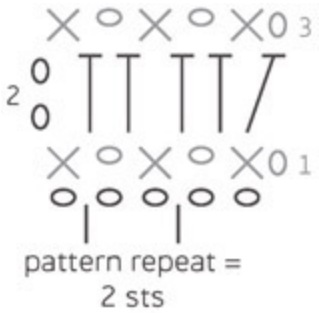

**Chart Key**

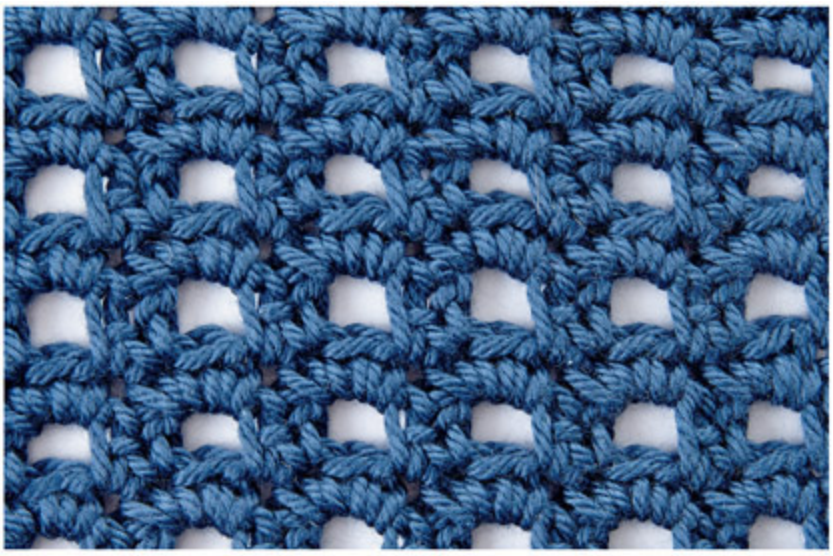
| | |
|---|---|
| o | Chain 1 |
| × | 1 single crochet |
| T | 1 half double crochet |

## 028 BLOCK MESH

**[multiple of 3 + 1 beg-ch]**



Work in rows, following the chart. Begin every row with the stitches before the pattern repeat, repeat the marked pattern repeat (3 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–4 once, and then repeat Rows 3 and 4 for pattern. In Row 3, always work 3 single crochets in the chain space of the previous row, around the chain. In Row 4, work the single crochet into the first and last single crochet of the group of 3.

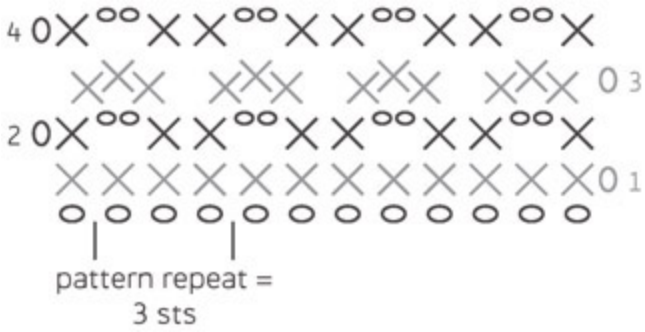


**Chart Key**

| | |
|---|---|
| o | Chain 1 |
| X | 1 single crochet |

## 029 STAGGERED BLOCK MESH

**[multiple of 3 + 1 beg-ch]**

Work in rows, following the chart. Begin every row with the stitches before the pattern repeat, repeat the marked pattern repeat (3 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern. In Rows 2 and 3, always work 2 single crochets in the chain space of the previous row, around the chain.

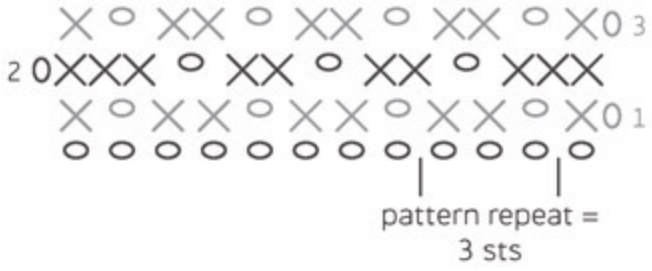

**Chart Key**

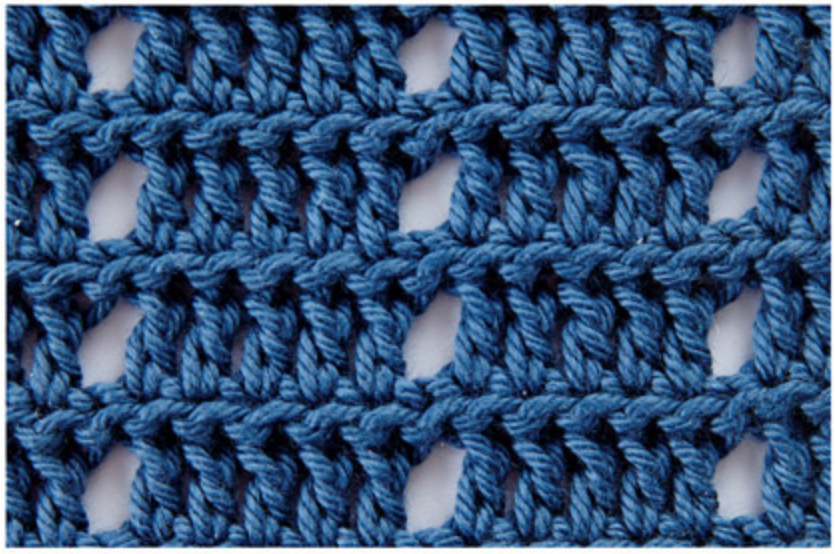
| | |
|---|---|
| o | Chain 1 |
| X | 1 single crochet |

## 030 RIDGES AND BANDS

**[multiple of 6 + 3 beg-ch]**



Work in rows, following the chart. Begin every row with the stitches before the pattern repeat, repeat the marked pattern repeat (6 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

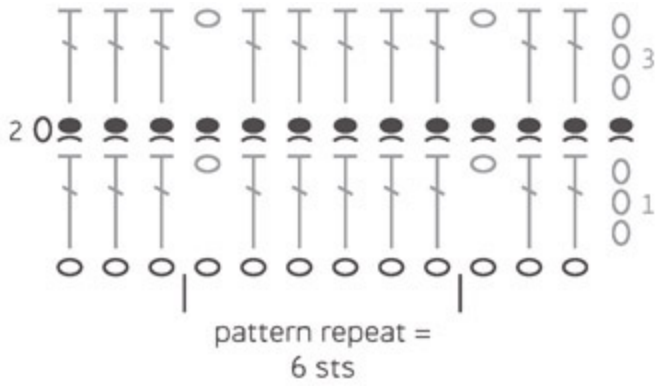


**Chart Key**

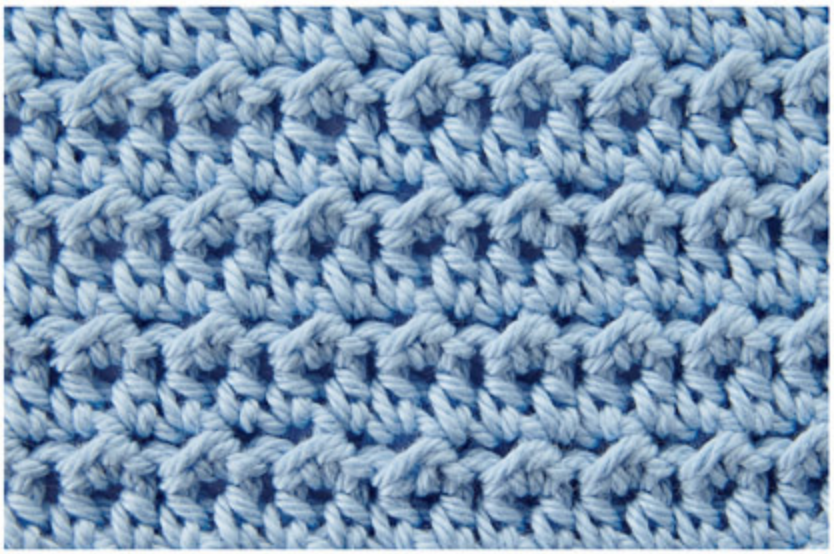
| | |
|---|---|
| O | Chain 1 |
| ● | Blo-sl St: 1 slip stitch through the back loop only |
| T | 1 double crochet |

## 031 WAVES AND FURROWS

**[odd st ct + 2 beg-ch]**



Work in rows, following the chart. Begin every row with the stitches before the pattern repeat, repeat the marked pattern repeat (2 sts wide) widthwise,

and end with the stitches after the pattern repeat. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

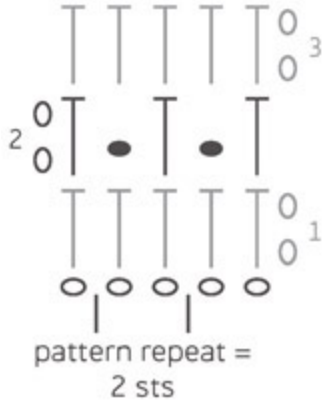


**Chart Key**

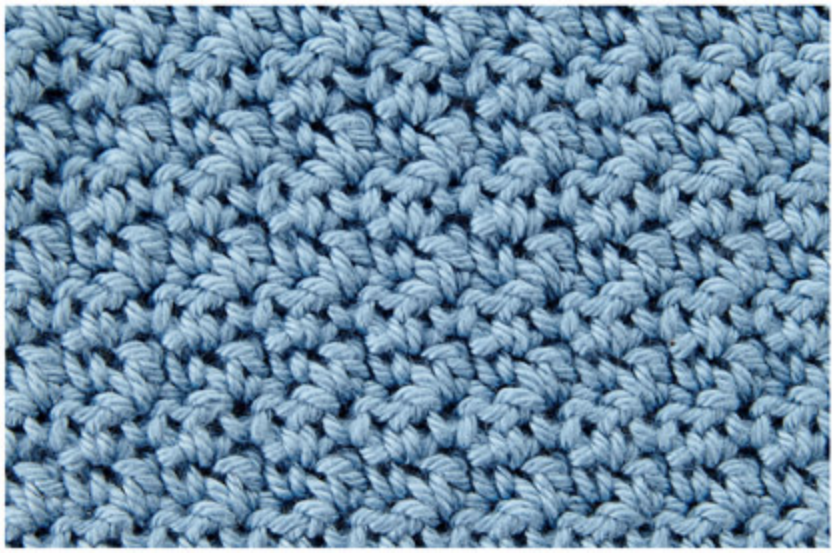
- Chain 1
- 1 slip stitch
- 1 half double crochet

## 032 SIMPLE TEXTURED PATTERN

**[even st ct + 1 beg-ch]**



Work in rows, following the chart. Begin every row with the stitches before the pattern repeat, repeat the marked pattern repeat (2 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

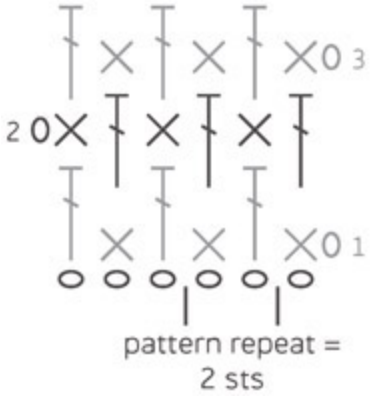


**Chart Key**

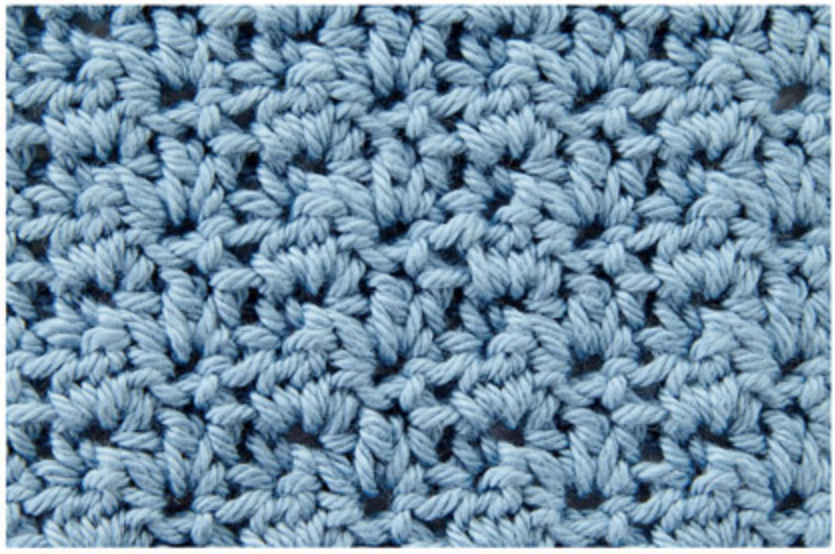
| | |
|---|---|
| o | Chain 1 |
| × | 1 single crochet |
| T | 1 double crochet |

## 033 DOUBLE CROCHET TRIO

**[multiple of 4 + 1 ch + 1 beg-ch]**



Work in rows, following the chart. Begin every row with the stitches before the pattern repeat, repeat the marked pattern repeat (4 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

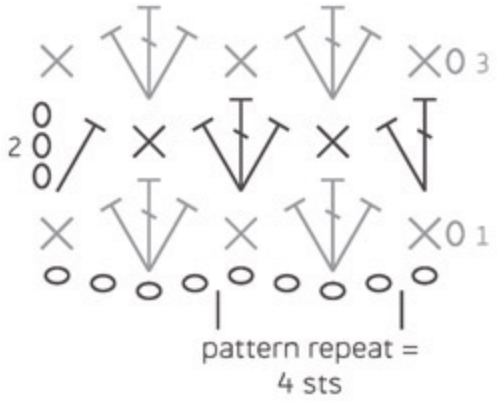


**Chart Key**

| | |

## 034 STAGGERED PAIRED STITCHES

**[multiple of 4 + 3 ch + 1 beg-ch]**

Work in rows, following the chart. Begin every row with the stitches before the pattern repeat, repeat the marked pattern repeat (4 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

From Row 2 on, always work single crochets between pairs of double crochets, always work double crochets into the first single crochet of a single crochet pair.

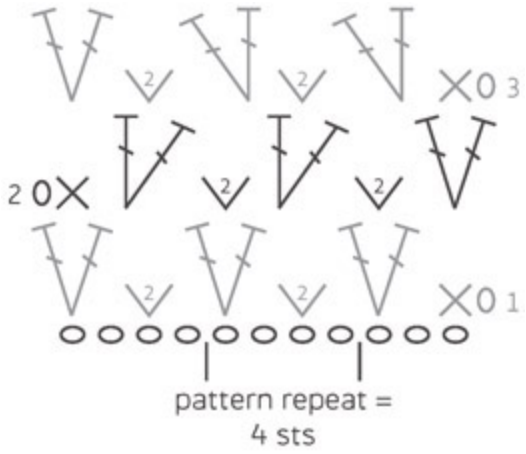

**Chart Key**

| | |
|---|---|
| o | Chain 1 |
| X | 1 single crochet |
| 2 | Sc2-in-1: 2 single crochets into the same stitch |
| V | Dc2-in-1: 2 double crochets into the same stitch |

## 035 FISH SCALE PATTERN

**[even st ct + 1 beg-ch]**

Work in rows, following the chart. Begin every row with the stitches before the pattern repeat, repeat the marked pattern repeat (2 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

The treble crochets worked in WS rows will bulge out toward the back, which makes them pop out on the right side of the fabric.

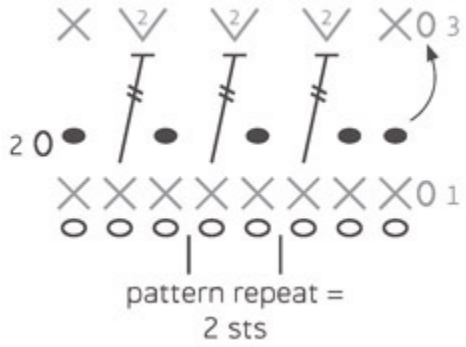

**Chart Key**

| | |
|---|---|
| ○ | Chain 1 |
| ● | 1 slip stitch |
| × | 1 single crochet |
| V2 | Sc2-in-1: 2 single crochets into the same stitch |

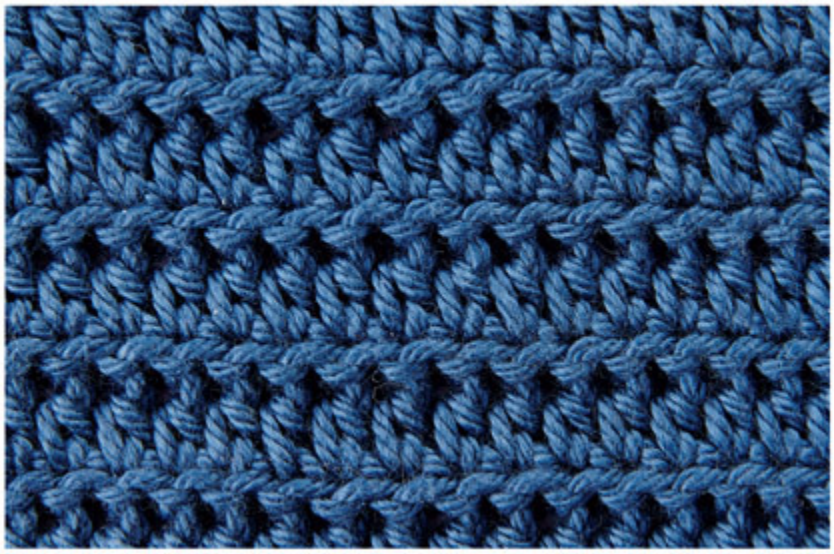
## 040 BROAD HORIZONTAL RIDGES



**[any st ct + 2 beg-ch]**

Work in rows, following the chart. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

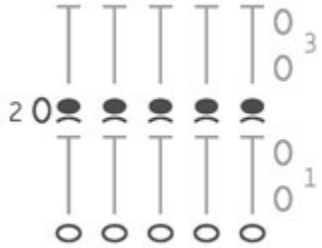


**Chart Key**

- Chain 1
- Blo-sl st: 1 slip stitch through the back loop only
- 1 half double crochet

## 041 BUD PATTERN

**[even or odd st ct + 1 beg-ch]**

Work in rows, following Crochet Chart 1 (or 2). Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

Always work both the single crochet and the double crochet together into 1 chain of the beginning chain, and from Row 2 on, work into every double crochet of the previous row.

Working the stitch pattern from Crochet Chart 1 (odd stitch count) results in wavy side edges. Working from Crochet Chart 2 (even stitch count) will give you straight side edges.

## 153 PUFFS WITH FANS

**[multiple of 8 + 5 ch + 3 beg-ch]**

Work in rows, following the chart. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (8 sts wide) widthwise, and end

with the stitches after the pattern repeat. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

From Row 2 on, work the 5 double crochets in the chain space of the previous row and always work the half double crochet–puffs into the fifth double crochet of the previous row. When the desired height has been reached, at the end of the final row, work a double crochet instead of the treble crochet.

## 155 3-LOOP STARS AND ROWS OF DOUBLE CROCHETS

**[multiple of 2 + 1 ch + 3 beg-ch]**

Work in rows, following the chart; Row 1 is a WS row. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (2 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–4 once, and then repeat Rows 3 and 4 for pattern.

To work the star at the beginning of the row, pull the first loop through the second chain counted from the hook. In Row 3, work the two double crochets into the same insertion point in the center of the star (i.e., in the spot where the loops converge).

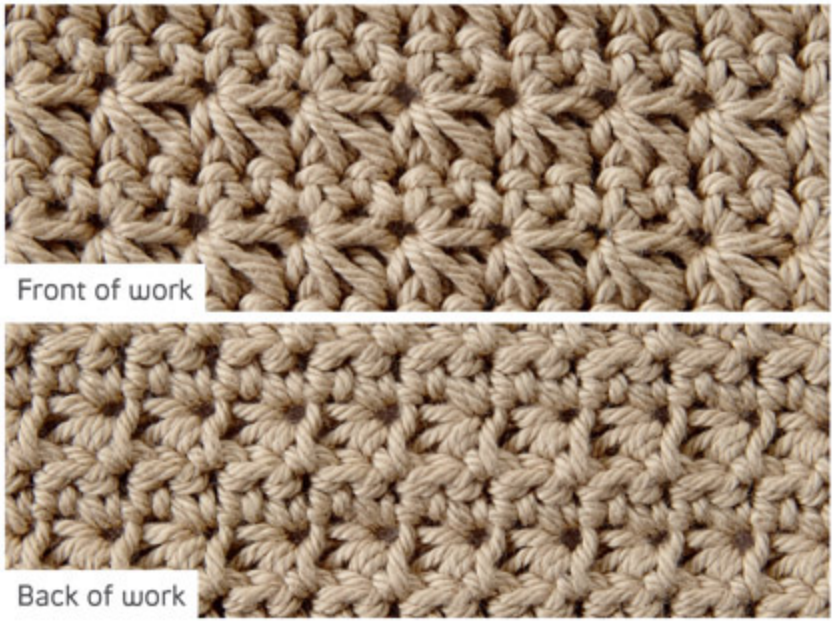
For the second and third loops, pull 1 loop each through the next 2 stitches of the previous row. Draw the working yarn through all 4 loops on the hook at once.

# 156 SMALL STAR PATTERN

**[multiple of 2 + 1 beg-ch]**



Work in rows, following the chart; Row 1 is a WS row. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (2 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

In Row 3, work the first single crochet into the second chain from the hook, which is the spot where the loops of the star converge.

In the back of the work, vertical lines that partition the stitch pattern into small boxes can be seen.

4-loop-star: Pull the first loop through around the horizontal strand of the chain on the back of the work (this is the strand that holds the loops of the star together). Pull the second loop through the last insertion point of the previously worked star. Pull the third and fourth loops through the next 2 stitches of the previous row. Draw the working yarn through all 5 loops on the hook at once.

## 157 LARGE STAR PATTERN

**[multiple of 2 + 1 beg-ch]**

Work in rows, following the chart; Row 1 is a WS row. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (2 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

Pull the third loop through the last insertion point of the previously worked star. Pull the fourth and fifth loops through the next 2 stitches of the previous row. Draw the working yarn through all 6 loops on the hook at once. |

## 158 STAR STITCH IN ROUNDS

**[odd st ct]**

Work in rounds, following the chart. Join the beginning chain into the round by working 1 slip stitch into the first chain stitch of the beginning chain. Begin with the stitches before the pattern repeat, and then repeat the marked pattern repeat (2 sts wide) widthwise. Join Round 1 with 1 slip stitch into the first single crochet; join all following rounds with a slip stitch into the top chain of the beginning chain. Repeat Round 3 for pattern. With every new round worked, stitches will slant slightly to the right.

To work the star at the beginning of the round, pull the first and second loops through the first and third chains from the hook of the beg-ch; then pull the third and fourth loops through 2 stitches of the previous round, and pull the yarn through all 5 loops on the hook at once.

Pull the third and fourth loops through the next 2 stitches of the previous round. Draw the working yarn through all 5 loops on the hook at once.

4-loop-star in Round 3: Pull the third loop through only around the back loop of the stitch and the fourth loop around the chain (= center of the star).

# Bobble and Nupp Patterns

## 159 BOBBLE COLUMNS

**[multiple of 5 + 4 ch + 2 beg-ch]**

Work in rows, following the chart; Row 1 is a WS row. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (5 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–3 once, and then repeat Rows 2 and 3 for pattern.

## 160 PINEAPPLE SPIKE BOBBLES

**[multiple of 4 + 1 ch + 1 beg-ch]**

The stitch pattern features bobbles stacked directly atop each other on a single crochet background. Work in rows, following the chart; Row 1 is a WS row. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (4 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–7 once, and then repeat Rows 2–7 for pattern.

For the first double crochet, yarn over hook once, insert hook into the stitch 2 rows below, draw the working yarn through, and then lengthen the loop to a height just above the top edge of the current row and then yarn over and pull the yarn through the first 2 loops on the hook at once. Work 5 more double crochets the same way into the same insertion point. After you complete these steps, you will have 1 loop for each double crochet plus the working loop on your hook. Draw the working yarn through all 7 loops on the hook at once. The chain worked after this will hold the converging loops together; it will be skipped in the following row.

## 161 DRAGON SPIKES

Work in rows, following the chart; Row 1 is a WS row. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (4 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–5 once, and then repeat Rows 2–5 for pattern.

Draw the working yarn through all 6 loops on the hook at once. Push the scale through to the front of the fabric under the joined top. When crocheting over this spot in the following WS row, work 1 single crochet around the joined top, with the scale pointing to the back. |

## 162 SLANTED BOBBLES

**[multiple of 18 + 2 + 2 beg-ch]**

This stitch pattern features bobbles in staggered groups of 3 on a half double crochet background. Work in rows, following the chart. In bobble rows, repeat the marked pattern repeat (18 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–5 once, and then repeat Rows 2–5 for pattern. In the final row of the crocheted piece, work half double crochets across (Row 6).

For the first double crochet, yarn over hook once, insert the hook under the top and behind the body of the half double crochet of the previous row located directly below it (so that the half double crochet arcs over the hook), draw the working yarn through, and then yarn over and pull the yarn through the first 2 loops on the hook at once. Work 4 more double crochets the same way, around the half double crochet; they will be located one below the other and completely encapsulate the base stitch. After completion of these steps, you will have 1 loop for each double crochet plus the working loop on your hook. Draw the working yarn through once more and pull it through all 6 loops on the hook at once.

## 163 DOUBLE CROCHET BOBBLES

**[multiple of 16 + 2 ch + 3 beg-ch]**

This stitch pattern features bobbles in staggered groups of 4, arranged on a background of [1 row double crochet, 1 row single crochet]. Work in rows, following the chart. In WS rows, repeat the marked pattern repeat (16 sts wide) widthwise and end with the stitches after the pattern repeat. Work Rows 1–9 once, and then repeat Rows 2–9 for pattern.

**BOBBLES IN CONTRASTING COLOR**

Bobbles can be worked in one or more contrasting color(s). Work in the main color to the position of the bobble, and then work the final step of the last single crochet in the bobble color, with yarns in front of the work. Work the bobble through the back loop of the next stitch only. After having worked the final step of crocheting the loops of the bobble together, take up the yarn in the main color again and pull it through the working loop; this creates 1 chain. Pull the working yarn taut, and then continue in the background pattern. When crocheting over the bobble spot later, always

work 1 double crochet through the second contrasting color loop of the stitch only, while skipping the first one.

the back on account of the lesser height of the background pattern stitches, so in the finished piece, it will end up on the RS of the crocheted fabric. Work a cluster of 5 double crochets into the same spot and crocheted off together: For each double crochet, yarn over hook once, insert the hook in the same spot again, draw the working yarn through, and then yarn over and pull the yarn through the first two loops on the hook at once. After completion of these steps, you will have 1 loop for each double crochet, plus the working loop on the hook. Draw the working yarn through all 6 loops on the hook at once. Pull the working yarn taut; the bobble will bulge out toward the back.

## 164 SPIKE STITCH BOBBLES

**[13 ch per motif]**

This stitch pattern features bobbles worked through the back loop of the stitch only, which are arranged into a diamond motif. Diamonds may be spaced at intervals according to personal preference. The bobble diamond

works as an individual motif, lined up either horizontally or vertically into a border, or as an allover pattern.

Work in rows, following the chart. Row 10 marks the heightwise middle of the diamond motif. To complete the upper half of the motif, after Row 11, work Rows 8–3 going backward (i.e., continue to stagger the bobbles, and with every bobble row, decrease the number of bobbles worked = Rows 12–17).

Work 4 more double crochets the same way around the same insertion point. After completion of these steps, you will have 1 loop for each double crochet plus the working loop on your hook. Draw the working yarn through all 6 loops on the hook at once.

## 165 MINI NUPPS IN A RIBBING PATTERN

**[multiple of 4 + 1 ch + 1 beg-ch]**

This stitch pattern features staggered nupps, which are always worked through the back loop of the stitch only, worked on a single crochet background. Work in rows, following the chart. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (4 sts wide) widthwise, and end with the stitches after the pattern repeat. ## 166 POPCORNS ON AN ARROW PATH

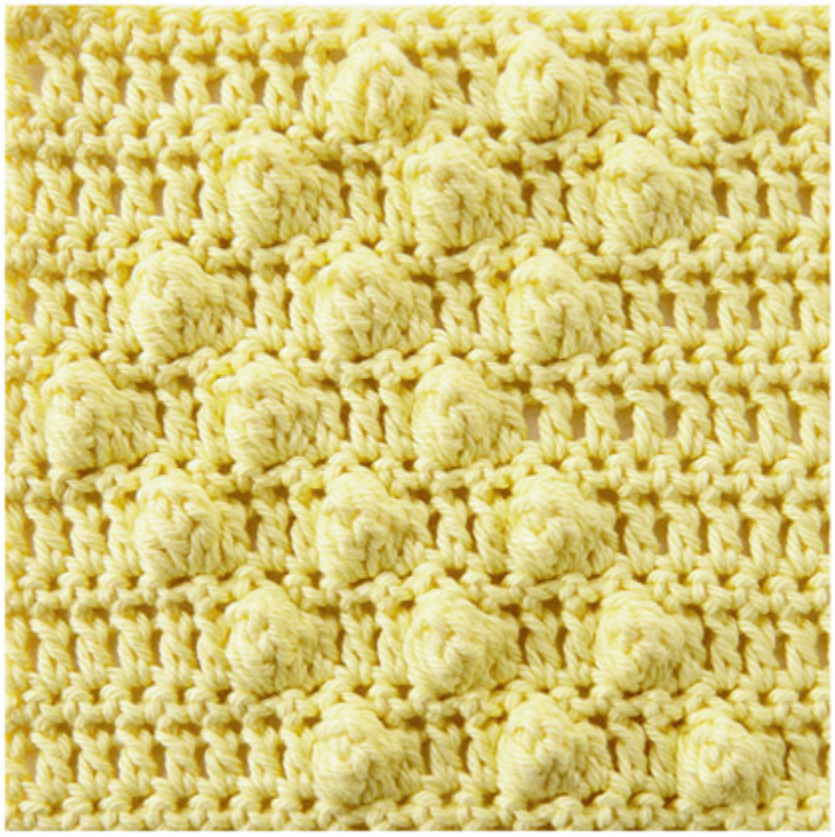
**[15 ch per arrow motif]**



This stitch pattern features bobbles arranged vertically into arrow motifs on a background of [1 row single crochet, 1 row double crochet]. Arrow motifs may be spaced at intervals according to personal preference.

Work in rows, following the chart; Row 1 is a WS row. Work Rows 1–15 once, and then repeat Rows 4–15 for pattern.

Remove the hook from the working loop, insert the hook from the front into the first double crochet, place the working loop on the hook again, and pull the yarn through the double crochet. This gathers the loops of the stitches together. Secure the bobble with a tightly worked chain. When crocheting over this spot in the following WS row, work 1 single crochet around the loop of the stitch after the bobble, skipping the single chain.

## 167 STAGGERED MAXI BOBBLES

**[multiple of 6 + 4 ch + 1 beg-ch]**

This stitch pattern features staggered bobbles on a background of [1 row single crochet, 1 row double crochet] alternating. Work in rows, following the chart. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (6 sts wide) widthwise, and end with the stitches after the pattern repeat. For the first stitch, insert the hook under the top and behind the body of the double crochet of the previous row located directly underneath (the double crochet should bulge out over the hook), pull the working yarn through, and complete the stitch. Work the remaining 4 stitches the same way around the body of the |

double crochet; they will be located one below the other and completely encapsulate the base stitch.

Step 2: Work 5 double crochets through the front loop only into the bobble stitches of the previous row; crochet them off together. The chain worked after this will hold the converging loops together. When crocheting over this spot in the following row, work 1 single crochet around the chain and 1 single crochet into the joined top of the bobble.

**[multiple of 8 + 1 ch + 1 beg-ch]**

Work in rows, following the chart; Row 1 is a WS row. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (8 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–5 once, and then repeat Rows 2–5 for pattern.

## 169 TWIRLY NUPPS

**[multiple of 16 + 2 ch + 1 beg-ch]**

This stitch pattern features a triangular arrangement of nupps on a background of single crochet. Work in rows, following the chart; Row 1 is a WS row. In RS rows, begin with the stitches before the pattern repeat, and then repeat the marked pattern repeat (16 sts wide) widthwise. Work Rows 1–9 once, and then repeat Rows 2–9 for pattern.

Insert the hook into the next stitch of the previous row, draw the working yarn through. Draw the working yarn through once more, and then pull the loop through all 3 loops on the hook at once. The crocheted chain loop will first self-adjust outward. When crocheting over this spot in the following WS row, nudge the crocheted chain loop to the back so that it ends up on the RS of the fabric. But before this, work 1 single crochet into the joined top of the 3 loops, as well as 1 single crochet directly into the single crochet after the chain loop. |

## 170 HONEYCOMB PATTERN

This stitch pattern features staggered bobbles on a single crochet background. Work in rows, following the chart. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (3 sts wide)

# 171 FUNNEL NUPPS

For the first stitch, insert the hook under the joined top and behind the body of the double crochet of the previous row located directly underneath so that the double crochet bulges out over the hook, pull the working yarn through, and complete the stitch. Work the remaining 4 stitches the same way around the body of the double crochet; they will be located one below the other and completely encapsulate the base stitch. In the following WS row, leave the nupp stitches unworked, instead working 2 double crochets into each skipped individual double crochet of the next-to-last row.

## 172 BOBBLES ON A DIAGONAL

**[multiple of 5 + 2 ch + 1 beg-ch]**

The stitch pattern features bobbles arranged in diagonal lines on a single crochet background. Work in rows, following the chart; Row 1 is a WS row. After completion of these steps, you will have 1 loop for each double crochet plus the working loop on your hook. Draw the working yarn through once more, pulling it through all 6 loops on the hook at once. |

## 175 FLORAL HEM BORDER

**[multiple of 8 + 1 ch + 1 beg-ch]**

The funnel-shaped nupp is open at the top and extends over 3 heightwise rows of the background pattern. It is worked mainly in 2 consecutive WS rows. This version is not a typical bobble, because the stitches are not gathered at the top and therefore don’t create a closed shape. However, because the overall appearance of this stitch is three-dimensional, it can still be considered a variation of the traditional bobble.

Work in rows, following the chart. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (8 sts wide) widthwise, and end with the stitches after the pattern repeat. The border is finished after Row 8 is complete, after which you can either continue the background pattern of single crochets or work any other stitch pattern.

In Row 4, skip the individual chain that holds the loops of the double treble crochets together. In Row 5, work into the single crochet of the previous row and bridge the distance behind the nupp stitches with a single chain. In Row 7, work into the single crochet of the previous row and bridge the distance behind the nupp stitches with a chain of 3.

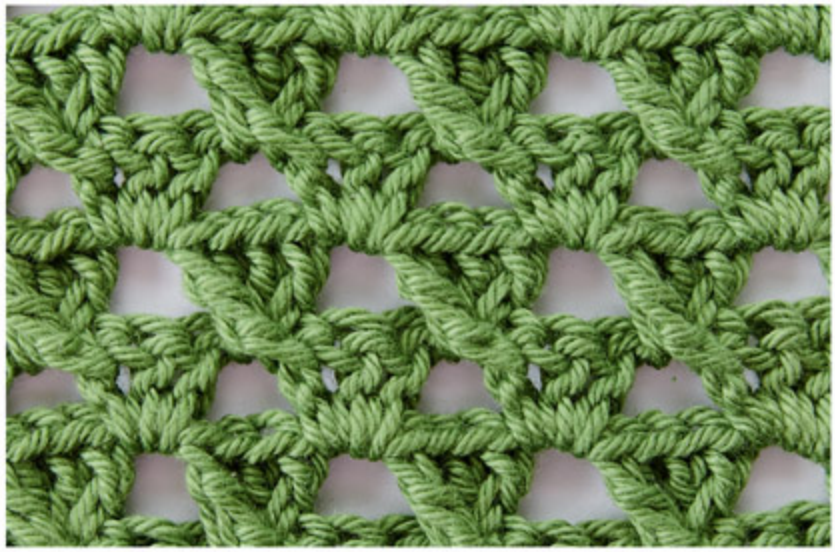
body of the first single crochet. For every following pair of crossed stitches, in the first row for the first single crochet always skip 1 chain of the beginning chain. From Row 2 on, when crossing 2 single crochets, for the first single crochet, always skip 1 stitch of the previous row and work the second single crochet into the skipped stitch and around the previously worked single crochet.

## 291 RAISED TRIANGLES

**[base row: multiple of 4 + 2 ch + 3 beg-ch]**



Work in rows, following the chart; Row 1 is a WS row. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (4 sts wide; or in Rows 2 and 4, 5 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–4 once, and then repeat Rows 3 and 4 for pattern.

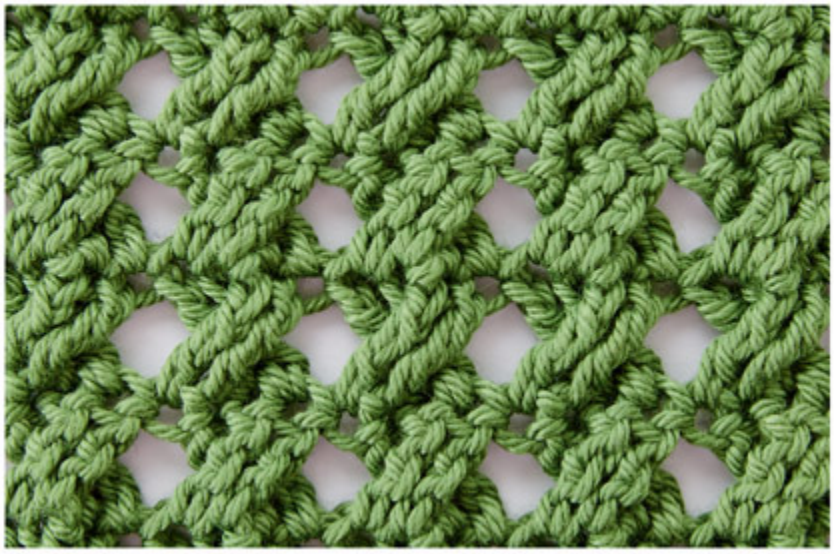
The second double crochet crosses the body of the first double crochet. For every following pair of crossed stitches, in Row 1, for the first double crochet, always skip 1 chain of the beginning chain. From Row 2 on, when crossing 2 double crochets, always insert the hook into the gap between stitches—the first double crochet after a pair of double crochets and the second double crochet going back in front of the pair of double crochets of the previous row so that it crosses the previously worked double crochet.

## 302 ALLOVER MINI CABLES

**[base row: multiple of 3 + 3 beg-ch]**



Work in rows, following the chart; Row 1 is a WS row. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (3 sts; or from Row 2 on, 4 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–4 once, and then repeat Rows 3 and 4 for pattern.

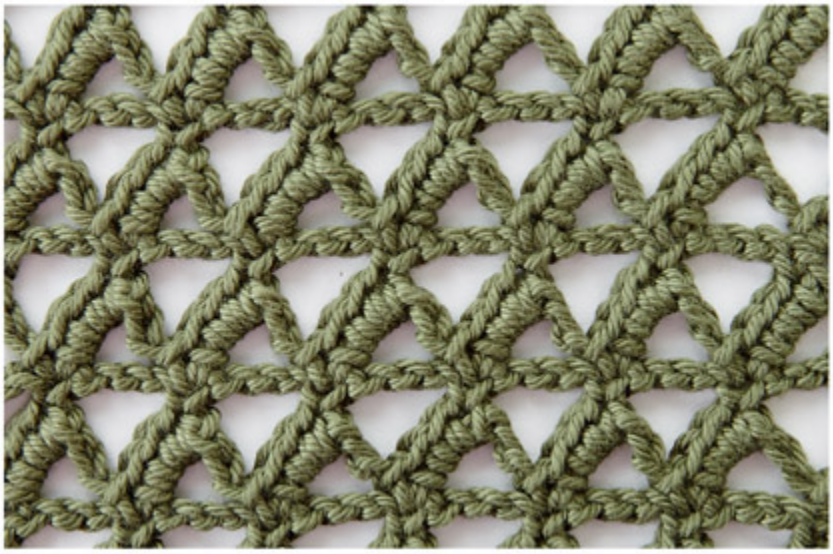
## 316 SPIKE ROWS

**[base row: multiple of 3 + 2 ch + 1 beg-ch]**



Work in rows, following the chart; Row 1 is a WS row. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (3 sts wide; or from Row 3 on, 4 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–7 once, and then repeat Rows 4–7 for pattern.

In Row 3, 5, and 7, work the single crochet into the single crochet at the point of the spike of the previous row.

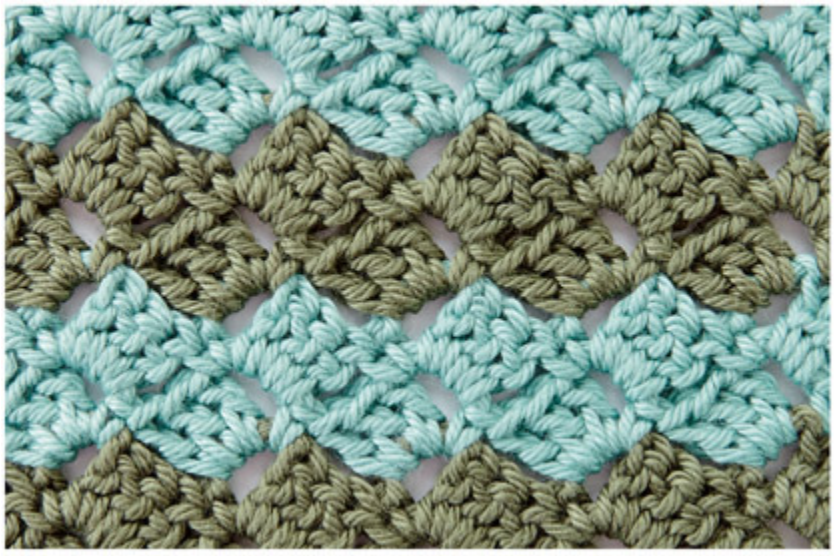
# 317 LOCKED DIAMOND PATTERN

**[multiple of 6 + 1 ch + 1 beg-ch]**



Work in rows, following the chart. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (6 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–4 once, and then repeat Rows 3 and 4 for pattern. To work the pattern as shown here, change color after every 2 rows, carrying unused colors at the edge.

From Row 2 on, work the single crochet into the chain space of the previous row, around the chain; only at the beginning of the row, work the single crochet into the joined top of the double crochets.

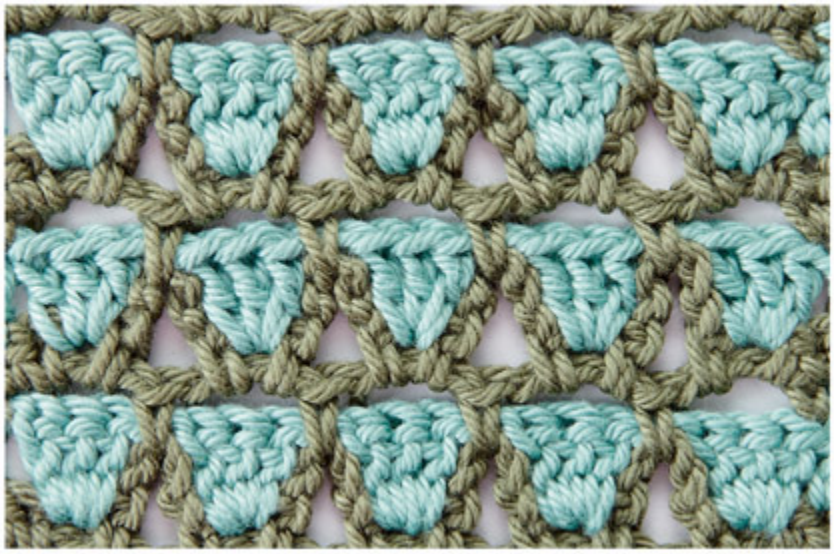
**[multiple of 4 + 1 ch + 1 beg-ch]**



Work in rows, following the chart. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (4 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–7 once, and then repeat Rows 2–7 for pattern. Change color as shown: Work 2 rows in color 1, and 1 row in color 2. Carry unused colors at the edge. Work individual

rows of double crochet in color 2 (see Rows 3 and 6) alternatingly on the RS and WS to avoid having to break the working yarn frequently.

At the end of Rows 3 and 5, pull the working loop longer, pass the skein of yarn through, and then pull the working yarn snug to secure the loop.

At the beginning of Rows 4 and Row 6, join the working yarn in the new color: Insert the hook either into the top chain of the turning chain or into the single crochet and pull the working yarn through.

Finish the crocheted piece by working the final row as shown in the chart.

## 322 EASY LOOP CABLE

**[multiple of 4 + 1 beg-ch]**

Work in rows, following the chart; Row 1 is a WS row. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (4 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–5 once, and then repeat Rows 2–5 for pattern, working the first 3 rows in color 1 and then alternating [2 rows in color 2, 2 rows in color 1]. Finish the crocheted piece by adding Final Rows a and b at the end.

Braiding the cable: Start at the bottom of the piece. Pull the crochet chain loops into one another row by row, using a crochet hook to aid if needed. First, twist the first loop to the left so that the beginning and end of the loop overlap, and then pull the second loop through the first loop from back to front and toward the top. Twist the passed-through loop to the left; then take up the next loop and pull it through, twist it, and so on. The chain loops will be secured during Final Row b.

The front post double crochets located in front lean to the left.

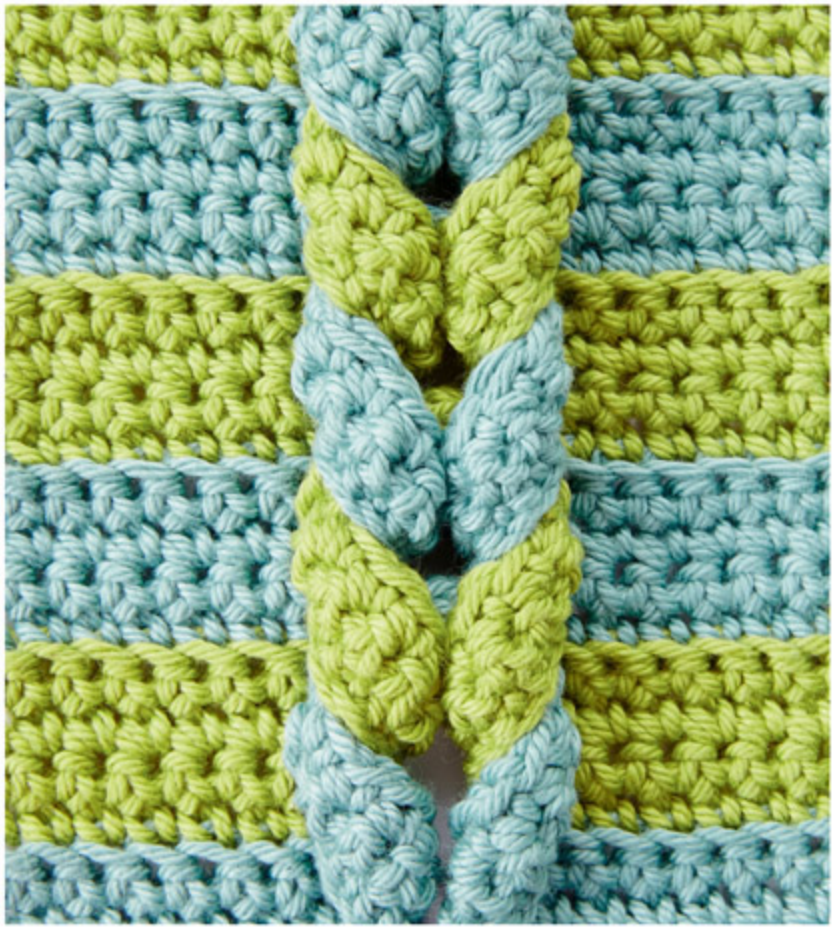
## 330 BRAIDED CHAINED CABLE

**[cable width = 6 base pattern sts]**



Work in rows, following the chart. Shown are the cable, and to the right and left of it, 5 stitches each of the main pattern. The background pattern can be worked over any number of stitches widthwise, keeping in mind that per cable, 6 stitches of the background pattern are covered up by the cable (3 stitches before and 3 stitches after the cable).

Cable loops: For each cable, during the first working step, loops are crocheted within the background pattern, each created by starting with a chain, and then working 3 rows of single crochet on top. Work Rows 1–8 once, and then repeat Rows 5–8 for pattern, changing colors after every 4 rows, always at the beginning of a new loop. Finish the crocheted piece by adding Final Rows a, b, c, and d at the end. During the second working step, the loops are braided.

Braiding the cable: Place the crocheted piece loop-side up. Fold the first loop at the bottom edge of the crocheted piece toward the back, as done when turning a collar, so that the bottom edge of the piece is in the back and the tops of the stitches in the last loop row point up.

Now, start braiding. Pull the second loop from back to front through the first loop, and immediately fold it to the back as done for the first loop. Pull the next loop through the second loop, fold it to the back, and so on until the whole cable has been braided. Temporarily secure the last loop with a safety pin; it will be fastened with a single crochet when working the Final Row e or adding an edging, or it can be sewn on.

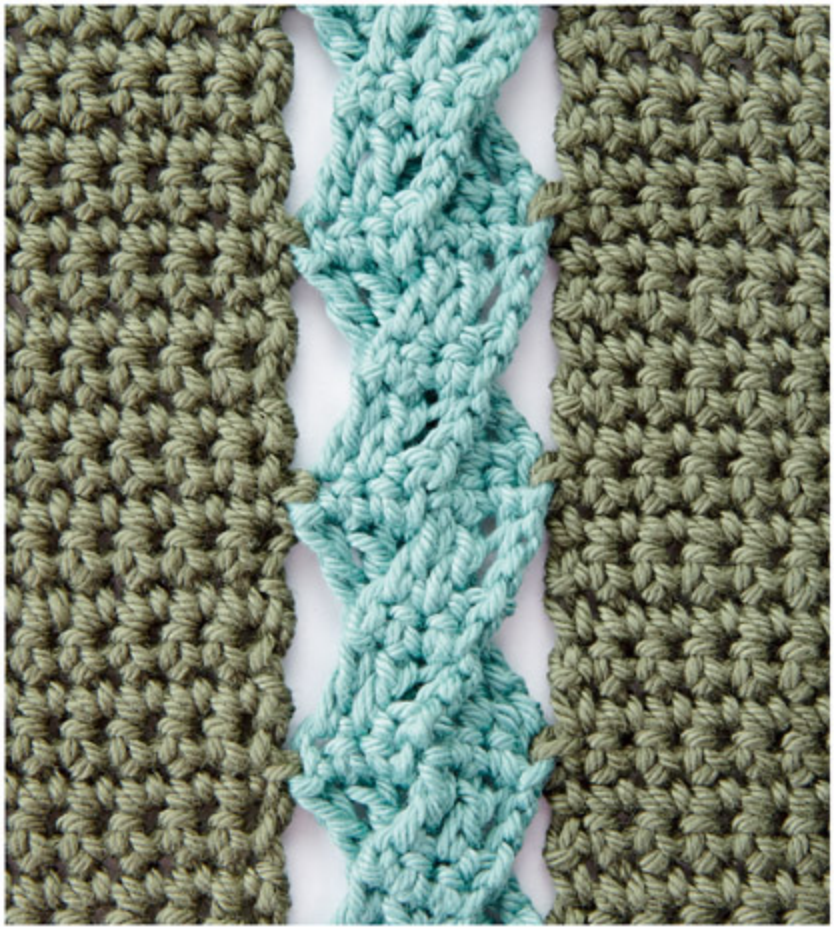
| | Fasten the cable loop with a single crochet: Insert the hook |

first into the stitch of the loop, and then into the stitch of the previous row, pull the working yarn through, and finish working the single crochet.

Bridging: In order to better show the cable loops, the chart has been drawn with spaces bridged by arrows. These spots do not require any action in the actual crochet work (i.e., Rows a—e after the last loop of the crocheted piece are always worked continuously, without interruption). This also applies to the beginning chain.

## 331 RIBBON CABLE

**[cable width = 6 base pattern sts]**



Work separately in individual segments A, B, and C. Work the cable strips (= Segment A) in rows from Chart 1. For a piece with several cable strips, work side strips (= Segments B and C) and any strips in between in rows

from Chart 2. The photo shows a cable created by crossing 2 crocheted strips, and to the right and left of it, 5 stitches each of the background pattern.

Cable bands: After Row 1 (WS), work over a total of 6 stitches wide in 2 separate strips of 3 stitches each. Work every strip from its own skein of yarn so that it can be worked to any length. For the first strip, repeat Rows 2 and 3 for pattern; for the second strip, join new working yarn in the middle of Row 1 and repeat Rows a and b for pattern.

Side or in-between panels: The base pattern can be worked over any number of stitches widthwise. Instead of single crochets, any other stitch or pattern can be used as long as it has the same regular rhythm to connect to the cable strip. Join to the cable strips at the beginning of a RS or WS row, always with RS facing, so all joining spots look the same. The strips are joined in every other single crochet row of the base pattern; before every join, strips are crossed. Sew the finished Segment B to the cable strip using the beginning tail.

## 332 CABLED WAVES

**[multiple of 7 + 1 ch + 2 beg-ch]**

Bands of 1 row of half double crochets are inserted into a background pattern with incorporated slits. This pattern can be used for crocheted pieces worked sideways, so cables run vertically. With horizontally worked cables, the pattern opens up and will look more airy. It can be worked with cable bands either in a contrasting color or all in one color.

Background pattern: Work in rows, following the chart. Begin with the stitches before the pattern repeat, repeat the marked pattern repeat (7 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–5 once, and then repeat Rows 2–5 for pattern.

Always work the half double crochets in the back loop of the chain of the previous row.

Bands: Work a row of foundation half double crochets as follows. You will need 10 half double crochets for every pattern repeat of the Background pattern plus 11 half double crochets each for the beginning and the end. Chain 4, yarn over hook once, insert the hook into the first chain worked, draw the working yarn through, and then grasp the working yarn again and pull it through the first loop on the hook. This creates 1 chain, which will be the base of the band. [Pull the yarn through 2 loops on the hook at once] twice to finish the first half double crochet. For the next half double crochet, yarn over hook once, insert the hook at the base of the half double crochet worked before, pull the working yarn through, chain 1, and

then finish the half double crochet. Continue this way until the desired length has been reached.

Finishing: Thread each band through the background fabric without twisting it, loosely intertwining the wavy hdc band with the background. Sew on the beginning and end of the band using the yarn tails.

## 333 BRAIDED LOOP CABLE

**[cable width = 4 base pattern sts]**

Work in rows, following the chart; Row 1 is a WS row. Shown are the cable, and to the right and left of it, 5 stitches of the background pattern. The background pattern can be worked over any number of stitches widthwise, keeping in mind that per cable, 4 stitches of the background pattern are covered up by the cable (2 before and 2 after the cable).

Cable loops: For each cable, during the first working step, loops are crocheted within the background pattern, each created by starting with a chain, and then working 1 row of double crochet. These double crochet loops are worked first in Rows 1 and 2, and then in every following second and third row of the background pattern. Work Rows 1–8 once, and then repeat Rows 3–8 for pattern. Finish the crocheted piece by adding Final Rows a, b, and c at the end. During the second working step, the double crochet loops are braided.

Braiding the cable: Place the crocheted piece loop-side up. Twist the first loop at the bottom edge of the crocheted piece to the right, so that the double crochet bands cross where they emerge. Now, start braiding. Pull the second loop from back to front through the first twisted loop, and immediately twist it to the right. Pull the next loop through the second loop, twist it, and continue until the whole cable has been braided. Temporarily secure the last loop with a safety pin; it will be fastened with a single crochet when you work the final row (see Final Row d) or add an edging, or it can be sewn on.

| 15 | Chain 15 (crochet loosely) |
| X | 1 single crochet |

Fasten the cable loop with a single crochet: Insert the hook first into the stitch of the loop and then into the stitch of the previous row, pull the working yarn through, and finish working the single crochet.

## 411 AIRY SHELL EDGING

**[multiple of 6 + 1 ch + 2 sts per corner + 1 beg-ch]**

Work in rows, following the chart; Row 1 is a WS row. If the edging is crocheted directly onto the main piece, the selvedge stitches of the crocheted or knitted main piece replace the beginning chain. Begin every row with the stitches before the pattern repeat, repeat the marked pattern repeat (6 sts wide) widthwise, and end with the stitches after the pattern repeat. Work the corners as shown. Work Rows 1 and 2 once.

## 412 CROWNED ARCED EDGING

**[multiple of 4 + 1 ch + 2 sts per corner + 1 beg-ch]**

Work in rows, following the chart. If the edging is crocheted directly onto the main piece, the selvedge stitches of the crocheted or knitted main piece replace the beginning chain. Begin every row with the stitches before the pattern repeat, repeat the marked pattern repeat (4 sts wide) widthwise, and end with the stitches after the pattern repeat. Work the corners as shown. Work Rows 1 and 2 once.

In Row 2, work the single crochets into the chain space, around the chain.

## 413 WAVE BORDER

**[multiple of 4 + 1 ch + 3 beg-ch]**

Work in rows, following the chart. If the edging is crocheted directly onto the main piece, the selvedge stitches of the crocheted or knitted main piece replace the beginning chain. Begin every row with the stitches before the pattern repeat, repeat the marked pattern repeat (4 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–3 once.

In Row 3, follow the direction of the arrows: Atop the double crochets of the previous row, always work *[4 double crochets, chain 4], join from the back with 1 single crochet into the base of the first double crochet, work 7 double crochets into the chain space of the chain arc, and then repeat from * for pattern.

**[multiple of 16 + 4 ch + 3 beg-ch]**

Work in rows, following the chart. If the edging is crocheted directly onto the main piece, the selvedge stitches of the crocheted or knitted main piece replace the beginning chain. Begin every row with the stitches before the pattern repeat, repeat the marked pattern repeat (16 sts wide) widthwise, ending either with a complete repeat or with the stitches after the repeat. Work Rows 1–8 once.

From Row 2 on, always work the double crochets into the chain space of the previous row, around the chain.

This border can be used as edging with flounce effect.

## 416 PINEAPPLE EDGING

**[multiple of 23 + 2 beg-ch]**

Work in rows, following the chart. If the edging is crocheted directly onto the main piece, the selvedge stitches of the crocheted or knitted main piece replace the beginning chain. Begin every row with the stitches before the pattern repeat, repeat the marked pattern repeat (23 sts wide) widthwise, and end with the stitches after the pattern repeat. Work Rows 1–11 once.

## SYMBOLS

Stitch pattern is worked in the round

For this stitch pattern, it is recommended to use a hook 1 mm larger than for other stitch patterns worked in the same yarn. This will prevent the crocheted fabric from turning out too dense, and it is also much easier to insert the crochet hook into stitches that are not too tight.

## ABOUT THE FOUNDATION CHAIN

At the beginning of most stitch patterns, numbers needed for calculating the length of the foundation chain are listed within square brackets. Most crocheted pieces start with this chain—the first pattern row will be worked into it.

If there are two or three numbers, the first number shows the width of the pattern repeat, which has to be repeated widthwise to continue the stitch pattern over the whole row. If a second number is listed, it states any additonal stitches needed, for instance, to divide a stitch pattern for working mirror-inverted. The last number is the number of chains needed to reach the height of the first stitch in the first row or in the first round. For example, [multiple of 3 + 1 beg-ch] means the number of chains in the foundation chain has to be a multiple of 3, plus 1 additional chain for height adjustment. The example [multiple of 4 + 1 ch + 3 beg-ch] means the number of chains has to be a multiple of 4, plus 1 additional chain for the stitch pattern, plus 3 additional chains for height adjustment.

The specific chain into which the first stitch at the beginning of the first row has to be worked is marked in the crochet chart.

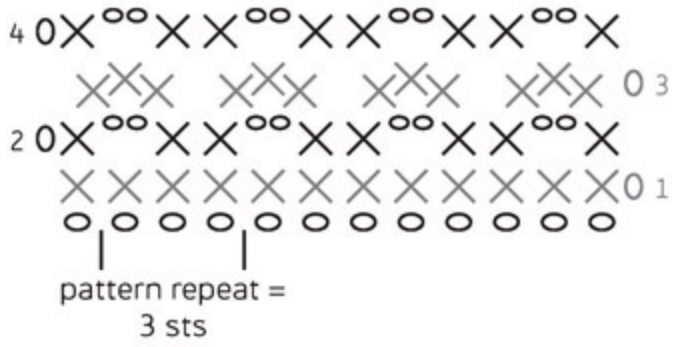
For motifs or pattern panels, the number of chains for the whole width is given.

## HOW TO READ THE WRITTEN INSTRUCTIONS

Square brackets within a stitch pattern description or Chart Key either contain a group of stitches, all to be worked into the same stitch, or show a sequence consisting of several stitches that has to be repeated multiple times.

## THE CROCHET CHART

A crochet chart represents the graphic expression of a stitch pattern. Every stitch in the pattern is assigned a specific symbol. It can show either rows or rounds, which are numbered at the sides or at the beginning of the round. How the symbols are arranged in relation to each other shows into which specific stitch another stitch has to be worked. Stitches are worked into the stitch of the previous row atop which they are shown in the chart (or into stitches in rows below as indicated in stitch key). If stitches are to be worked in the chain space of single chains or chain arcs (around the chain), the instructions will specifically mention this.



## HOW TO READ CROCHET CHARTS

Right-side (RS) rows are always read from right to left, wrong-side (WS) rows from left to right. Chart symbols are explained in the order in which they appear in the chart.

Arrows may be used to show the direction of work, or mark the spot in which the hook has to be inserted. Other special meanings will always be explained within either the written instructions or the Chart Key.

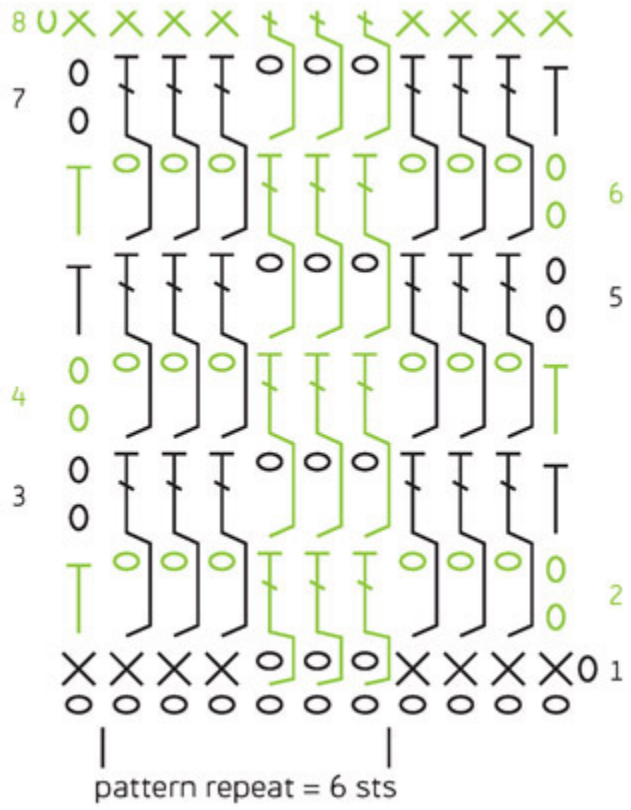
Two or more consecutive chains within the stitch pattern are called a “chain arc” in the pattern.

## CROCHET CHART SYMBOLS

As a basic rule, if symbols converge at the bottom, all of these stitches will be worked into the same stitch or spot (have a shared base). If symbols converge at the top, all these stitches are crocheted together (have a shared top). A symbol's shape—straight or curved—does not have different meanings, it just resembles the appearance of the stitch in the crocheted fabric; the symbol meaning and order of working steps are explained in the Chart Key.

For easier visualization, rows or rounds are shown in alternating black and gray so that the row flow can be easily followed; this is especially useful for patterns that feature intertwined or interlocking stitches. For some of the stitch patterns, actual color changes are shown in the chart, too.

Furthermore, stitch combinations within the same row or round also are shown in two colors to make them easier to read and apply to the actual crocheted piece.



## THE GAUGE SWATCH

Before starting any crochet project, work a gauge swatch. This is necessary to find out whether the chosen hook size matches the yarn and to evaluate how the crocheted fabric feels to the touch. A gauge swatch is essential for calculating stitch and row counts for an actual item.
