URBAN KNIT

MODERN NORDIC PATTERNS

"MY SMILE SAYS IT ALL."

My Helsinki – the tiny capital of Finland – is made of old buildings and pastel shades, dark tones of wet winters, foggy greys of misty mornings by the seaside, and browns and greens of forests and reeds.

It might be snowing in May during sakura time. You might need woollen socks on summer nights. And you might want to wrap yourself in a huge shawl as you stand on windswept rocks gazing at ferries on their way to Stockholm.

My urban Helsinki is soft, tangible and full of warmth. The same goes for what we wear –

without compromising on fashion. It's slow fashion that we make for ourselves with our own hands. We seamlessly match the garments we make with everyday street fashion, and the most flattering question we makers can ever hear is: "how cool is that, where did you buy it?".

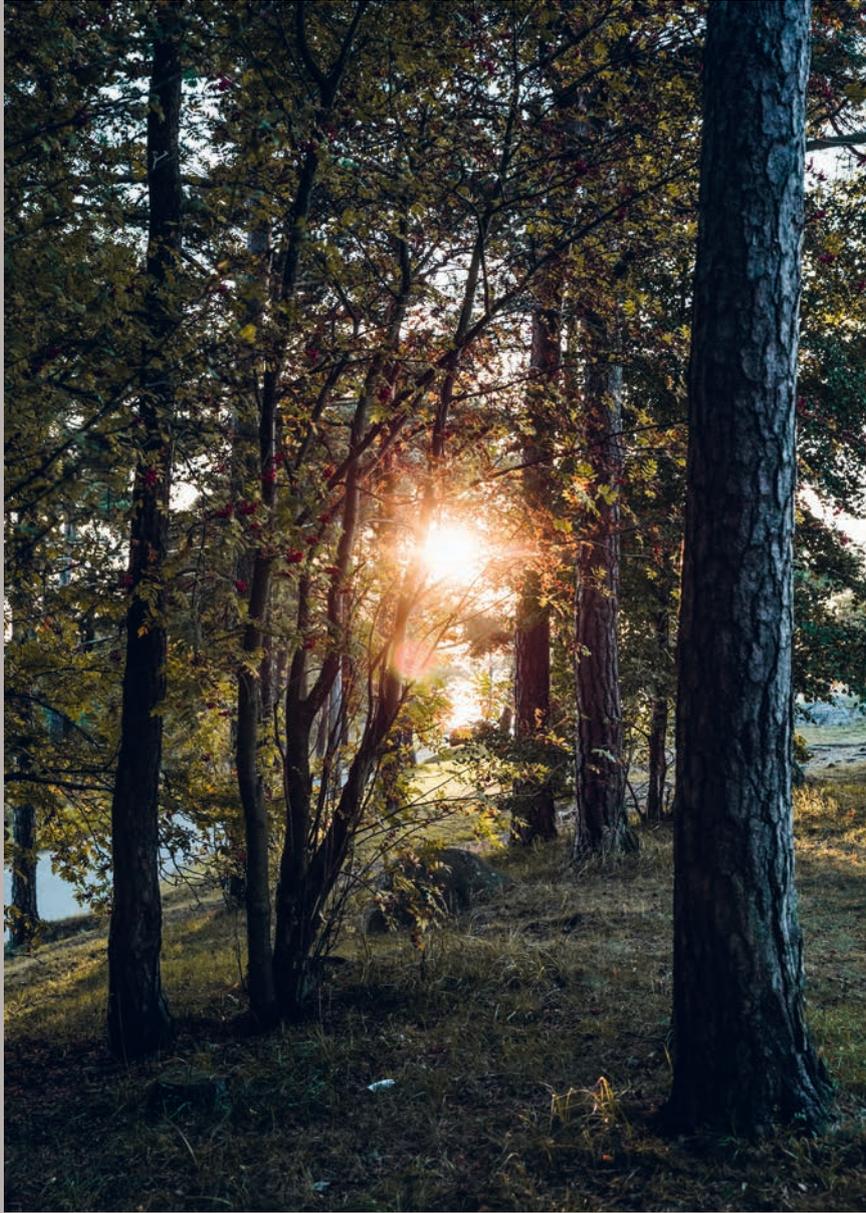

That big smile on my face says that I made it. And it makes me so proud.

Urban Knit is dedicated to makers who love aesthetics, crave some me-time and want to make sustainable choices. Choose quality, consume less and create your own style.

*With a big hug,
Leeni*

ABOUT THE PATTERNS

MAGIC LOOP

All the sock and mitten patterns are written for a long circular needle, the magic loop method, but you can work them with double-pointed needles too. In that case, needle 1 corresponds to DPNs I and II and needle 2 to DPNs III and IV. The beginning of the round is on the side, not on the back, unless otherwise mentioned.

All socks and mittens are worked with modern methods from toe to cuff and from fingers to wrist.

Also the sleeves are worked with the magic loop. If you prefer PDNs, you need ones.

CASTING ON AND BINDING OFF

Most of the sweaters and hats are cast on with the long tail tubular cast-on method because it is flexible and gives a really finished look for the garment. You can use your preferred method, but cast on loose enough so the edge is stretchy.

Most of the sweaters and socks are bound off with the tubular bind-off method to keep the perfected look. It takes time - but is definitely worth it. You can use your preferred method: for socks use a stretchy method and sweaters you can bind off as established ribbing. Note that in that case the bind-off edge won't look the same as in the pictures.

YouTube is full of great tutorials if you want to learn more.

CHANGING THE YARN

You can change the yarn for your preferred type. Try to find yarn that has as many metres/yards in 100 grams as in the pattern or combine thinner yarns with a heavier one. Note that changing the yarn material changes the look of the garment. For example, the *Syli* cardigan looks totally different when worked with a fluffy merino and heavier alpaca blend. If you find a pattern that suits you and becomes your favourite, you can vary it up simply by changing the wool.

THE CHARTS

All the charts are read from bottom up and right to left. Note that in some patterns, only every second row is shown. Work the rows between as instructed in the pattern.

ABBREVIATIONS

BO = bind off

BOR = beginning of round

BRLL2DEC = left leaning brioche decrease for 2 sts: slip 1 st k-wise, k2tog, pass the slipped one over the knitted ones. (2 sts decreased)

BRRL2DEC = right leaning brioche decrease for 2 sts: slip 1 st k-wise, k1, pass the slipped one over the knitted one, slip that st back to the left needle, pass the second stitch over that, slip the st back to the right needle. (2 sts decreased)

BRK = brioche knit st: Knit the st together with its yarn over (used in brioche st)

BRP = brioche purl st: Purl the st together with its yarn over (used in brioche st)

CDD = central double decrease: slip 2 sts at the same time onto the right needle k-wise, k1, pass the slipped sts over the knitted one

CO = cast on

DS = German double stitch: with yarn in front slip the st onto the right needle p-wise. Tighten the yarn over the needle and pull it until the st looks like a double st. When acrossing it work it as a single st as in the pattern.

EST = established

K = knit

K2TOG = knit 2 sts together (1 st decreased)

KFB = knit into the front and back of st (1 st increased)

M1LP = make 1 left by purling: with left needle pick up the bar between the stitch you have just worked from front to back, then stitch and purl it through the back loop (1 st increased)

M1R = make 1 right: with left needle pick up the bar between the stitch you have just worked

from back to front, then stitch and knit it (1 st increased)

M1RP = make 1 right by purling: with left needle pick up the bar between the stitch you have just worked from back to front, then stitch and purl it (1 st increased)

SPECIAL TECHNIQUES USED IN THIS BOOK

TURKISH CAST-ON

Take your circular needle and place the needles next to each other. Attach a slip knot to your working yarn and place it onto the bottom needle. Then just wind the yarn around both needles as many times as instructed in the pattern. Those loops are going to be your stitches.

NEEDLE 1: Now pull the bottom needle out of the loops the way the loops stay on the cable. Start using the magic loop method and knit the loops on the top needle.

NEEDLE 2: Turn your work as you would in the magic loop method: slide the other needle and knit the loops waiting on cable. *Note: There's a slip knot as the 1st st on this needle. Slide it off the needle - don't knit it.*

Now you have sts waiting on both needles, on the top and the bottom needle. Begin to work the pattern.

LONG TAIL TUBULAR CAST-ON

1X1 RIBBING

Make a slip knot on your needle (this will be counted into the stitch number). Your tail of yarn is on the front and the working yarn on the back. Tighten the yarns as pictured and place your needle in the centre.

STITCH 1 (PURL): Beginning from centre, move your needle above the working yarn to the back, dip it under the yarn that is coming from your index finger and move the needle back to the centre. Then move the needle above the tail that is coming from your thumb, move it under the tail, make a loop also under the working yarn and come back to the centre. Stitch 1, a purl stitch, looks like this on your needle.

STITCH 2 (KNIT): Move your needle in front of the tail that is coming from your thumb, dip it under the tail between the yarns, move the needle above the working yarn and then dip the needle under the tail back to the centre. 2, a knit stitch, looks like this on your needle.

Alternate stitches 1 and 2 until stitch 1 (purl st) is your last one and you have the required number (the slip knot is counted in).

Hold the stitches tight and turn the work.

SET-UP ROW 1: *K1 tbl, slip 1 wyif*, repeat *-*. Turn the work.

SET-UP ROW 2: *K1, slip 1 wyif*, repeat *-*.

Now you can join in the round.

IF YOU NEED AN ODD NUMBER OF STS:

Begin casting on from stitch 2.

2X2 RIBBING

You need one more set-up row to change 1x1 to 2x2 ribbing.

SET-UP ROW 3: *K1, cross 2 next sts: insert your right needle to the second st (it's a knit st) p-wise on the front side, slip it to the right needle, place the purl st back to the left needle, slip the knit st back from the right to the left needle, knit it, p2*, and work the row in this manner.

TUBULAR BIND-OFF

FOR 1X1 RIBBING

You need a tapestry needle and the tail of your working yarn. For a sock, 1 m/1,1 yds is enough, for sweaters you need approx. 2,5-3 m/2,7-3.2 yds.

You always sew the 1st and the 2nd st and move your needle knitwise or purlwise depending on your position. Then you leave the st on the needle or slip it off. Sewing is easy but "knitting" the 2nd st might seem a little trickier. It's not really: you just come between the 1st and 2nd st from the backside and "knit" the 2nd st. *Note: Always begin from the knit stitch. If it's not the first one, work your way there.*

SET-UP:

STEP 1: 1st st purl on.

STEP 2: 2nd st knit on.

REPEAT:

STEP 1: 1st st knit off.

STEP 2: 2nd st purl on.

STEP 3: 1st st purl off.

STEP 4: 2nd st knit on.

When you have only 2 sts left on your left needle, repeat steps 1 to 4, but on steps 2 and 4 sew to your finished BO selvage.

FOR 2X2 RIBBING

You need to work a set-up row to change 2x2 ribbing to 1x1 ribbing. *Note: Begin from 2 knit sts. If they're not the first ones, work your way there.*

SET-UP ROW: K1, cross 2 next sts: insert your right needle to the second st (it's a purl st) p-wise on the backside, slip it to the right needle, place the knit st back to the left needle, slip the purl st back from the right to the left needle, purl it, k1, p1*, and work the row in this manner.

Then bind off as in 1x1 ribbing.

Valu is a simple and super relaxed pattern with defined details. It celebrates Scandinavian design and shines the limelight on luxurious yarn. A popping shoulder seam gives the pattern a modern edge while accentuating the shoulders and ensuring the neckline won't hang too loose. The V-shape body makes sure the hem isn't too wide. *Valu* means flowing and draping in Finnish, reflecting its shape when worn. *Valu* also means a base to build on – the sweater is intended as a staple in your wardrobe. You can choose neutral colours or use the simple pattern as a canvas for contemporary speckled yarn. On the shoulders, you can show off your favourite colour or match the speckles. If you don't fancy a popping colour, you could use the main colour for the shoulder seams.

#VALUSWEATER

YOU NEED

YARN: 350, 370 (400, 430, 470, 510) g La Bien Aimée Merino Singles (100 % merino - 366 m / 400 yds / 100 g), colour Cassiopeia. For popping shoulder seams 10, 10 (15, 15, 15, 15) g Hedgehog Fibres Skinny Singles (100 % merino - 366 m / 400 yds / 100 g), colour Graphite.

NEEDLES: 2.75 mm (US2) and 3.75 mm (US5) circular needles and DPNs if you don't magic loop, 4 mm (US6) DPNs for shoulder tubes.

NOTIONS: 2 st markers (1 different for BOR), 4 safety pins or locking st markers, tapestry needle, waste yarn.

GAUGE: 24 sts x 33 rnds = 10 cm / 4" of stockinette st using 3.75 mm (US5) needles.

POPPING SHOULDER TUBE

With your popping colour and 4 mm (US6) DPNs CO 8 sts. Join in round. Knit in total 48, 54 (60, 66, 72, 78) rounds of tube. It's easiest with 3 DPNs: 1 needle for the frontside, 1 for the backside and 1 for knitting. Leave the sts on hold on 2 safety pins or locking st markers, 1 on both sides. Repeat on the second shoulder tube.

LEFT BACK SHOULDER

Begin to work with the first tube. Turn it in your hands so *the live sts are on the right side and your cast-on edge is on the left*. The live sts will be the sleeve edge and your cast-on edge your neckline.

With your main colour and a 3.75 mm (US5) needle, pick up and knit 48, 54 (60, 66, 72, 78) sts from the long side above the tube. Begin next to the live sts. When picking up the stitches, pick up

the whole st = one leg from the topside and one leg from bottom side.

Start shaping the shoulder seam with short rows.

SHORT ROW 1 (WS): P5, w&t.

SHORT ROW 2 (RS): K to 1 last st, M1L, k1.

SHORT ROW 3 (WS): P to last wrap, ssp the wrap and the st, p5, w&t.

SHORT ROW 4 (RS): K to 1 last st, M1L, k1.

You have 50, 56 (62, 68, 74, 80) sts. Break the yarn. Leave the shoulder piece on hold.

RIGHT BACK SHOULDER

Now take your second shoulder tube and place it in your hands, so *the live sts are on the left side and your cast-on edge is on the right*. The live sts will be the sleeve edge and the cast-on edge your neckline.

Read the section before beginning: With your main colour and a 3.75 mm (US5) needle, pick up and knit 48, 54 (60, 66, 72, 78) sts from the long side above the tube. Begin next to the cast on edge *but work with a long tail of your working yarn*. Pick up the whole st = one leg from the topside and one leg from bottom side. After picking up the sts, slide your circular needle to the beginning and continue from here with your working yarn.

Start shaping the shoulder seam with short rows and your working yarn.

SHORT ROW 1 (RS): K5, w&t.

SHORT ROW 2 (WS): P to 1 last st, M1Rp, p1.

SHORT ROW 3 (RS): K to last wrap, ssk the wrap and the st, k5, w&t.

SHORT ROW 4 (WS): P to 1 last st, M1Rp, p1. You have 50, 56 (62, 68, 74, 80) sts.

JOINING BACK SHOULDERS

Now join the back shoulders. You're now on WS with your right shoulder. CO 44, 44 (44, 44, 44, 44) sts with your preferred method (for example the crochet cast-on method, cable cast-on method or backwards loop method). Join the left shoulder piece that is waiting on hold and place it WS facing you.

SHORT ROW 1 (WS): P to last wrap, ssp the wrap and the st, p5, w&t.

SHORT ROW 2 (RS): K to last wrap, ssk the wrap and the st, k5, w&t.

Repeat rows *1 and 2* 4, 5 (6, 7, 8, 9) more times.

Purl the next row to the end and pick up the last wrap by ssp.

You have 144, 156 (168, 180, 192, 204) sts.

UPPER BACK TO ARMHOLE

Continue working flat in stockinette st. On 1st RS row pick up the last wrap by ssk. When you have worked 7.5, 5.5 (5.5, 5.5, 5.5, 5.5) cm / 3, 2.25 (2.25, 2.25, 2.25, 2.25)" from shoulder back seam measured from armhole edge, begin to decrease the body to get its V-shape.

DECREASE ROW (RS): K1, k2tog, k to 3 last st, ssk, k1.

Work in stockinette st for 7.5, 5.5 (5.5, 5.5, 5.5, 5.5) cm / 3, 2.25 (2.25, 2.25, 2.25, 2.25)" and repeat the decrease row.

Work in this manner until you have 13.5, 14.5 (14.5, 15, 16, 18) cm / 5.25, 5.75 (5.75, 6, 6.25, 7)" from shoulder back seam. You have 142, 152 (164, 176, 188, 198) sts. Break yarn.

RIGHT FRONT SHOULDER

With your main colour and 3.75 mm (US5) needle, pick up and knit 48, 54 (60, 66, 72, 78) sts from the other edge of the right shoulder tube. Begin next to the live sts. Pick up the whole stitch as earlier.

Start shaping the shoulder seam with short rows.

SHORT ROW 1 (WS): P5, w&t.

SHORT ROW 2 (RS): K to end.

SHORT ROW 3 (WS): P to last wrap, ssp the wrap and the st, p5, w&t.

SHORT ROW 4 (RS): K to end.

Repeat short rows *3-4* 1, 1 (1, 1, 1, 1) more time.

SHORT ROW 5 (WS): P to last wrap, ssp the wrap and the st, p5, w&t.

SHORT ROW 6 (RS): K to 1 last st, M1L, k1.

Repeat short rows *5 and 6* 3, 4 (5, 6, 7, 8) more times.

SHAPING ROW 1 (WS): P to end. (On 1st row pick up the last wrap by ssp.)

SHAPING ROW 2 (RS): K to 1 last st, M1L, k1. Continue shaping rows *1 and 2* 4, 3 (2, 1, 0, 0) more times.

You have 57, 63 (69, 75, 81, 88) sts. Break yarn. Leave the shoulder sts on hold.

LEFT FRONT SHOULDER

With your main colour and 3.75 mm (US5) needle, pick up and knit 48, 54 (60, 66, 72, 78) sts from the edge of the left shoulder tube: work with a long tail of your working yarn, begin from the neckline cast-on edge and after picking the sts, slide the needle to the beginning of the RS. Now continue with your working yarn.

Start shaping the shoulder seam with short rows with your working yarn.

SHORT ROW 1 (RS): K5, w&t.

SHORT ROW 2 (WS): P to end.

SHORT ROW 3 (RS): K to last wrap, ssk the wrap and the st, k5, w&t.

SHORT ROW 4 (WS): P to end.

Repeat short rows *3 and 4* 1, 1 (1, 1, 1, 1) more times.

SHORT ROW 5 (RS): K to last wrap, ssk the wrap and the st, k5, w&t.

SHORT ROW 6 (WS): P to 1 last st, M1Rp, p1.

Repeat short rows *5 and 6* 3, 4 (5, 6, 7, 8) more times.

SHAPING ROW 1 (RS): K to end. (On 1st row pick up the last wrap by ssk.)

SHAPING ROW 2 (WS): P to 1 last st, M1Rp, p1. Continue shaping rows *1 and 2* 4, 3 (2, 1, 0, 0) more times.

You have 57, 63 (69, 75, 81, 88) sts.

JOINING THE FRONT SHOULDERS

Now join the front shoulders. You're now on WS with your left shoulder. CO 30, 30 (30, 30, 30, 28) sts with the same method as for the backside. Join to the right shoulder piece that is waiting on hold. Its WS is also facing you. P to end. You have 144, 156 (168, 180, 192, 204) sts.

UPPER FRONT TO ARMHOLE

Continue working flat in stockinette st just as for the back: decrease at the same ratio on the same rows as for the back.

Work until you have 13.5, 14.5 (14.5, 15, 16, 18) cm / 5.25, 5.75 (5.75, 6, 6.25, 7)" from shoulder front seam. You have 142, 152 (164, 176, 188, 198) sts.

JOINING THE BODY

Now start working in round with both pieces. Knit the front piece, PM, k the back piece, place BOR-M. You have 284, 304 (328, 352, 376, 396) sts.

At the same time: Continue decreasing evenly at the same ratio as mentioned earlier, after every 7.5, 5.5 (5.5, 5.5, 5.5, 5.5) cm / 3, 2.25 (2.25, 2.25, 2.25, 2.25)".

DECREASE ROUND: K1, k2tog, k to last 3 sts before M, ssk, k1, SM, k1, k2tog, k to last 3 sts before BOR-M, ssk, k1, slip BOR-M.

Work in stockinette and decrease until you have done a total of 6, 9 (9, 9, 9, 9) decreases from the shoulder seam. Work another 7.5, 5.5 (5.5, 5.5, 5.5, 5.5) cm / 3, 2.25 (2.25, 2.25, 2.25, 2.25)" of stockinette st. You have 264, 276 (300, 324, 348, 372) sts and approx. 52.5, 55 (55, 55, 55, 55) cm / 21, 22.5 (22.5, 22.5, 22.5, 22.5)" of fabric measured from the shoulder seam next to the armhole.

HEM

Change to a 2.75 mm (US2) needle. Purl 1 rnd, knit 1 rnd and purl 1 more rnd. Turn to WS.

BO the hem with the I-cord method. Take some waste yarn and provisionally CO 3 sts to your left needle. You can also use the reverse loop CO method, as it's easy to unravel.

Then knit the 3 sts you just cast on with your

working yarn. Slip them back to the left needle.
K2, k2tog tbl, slip 3 sts back to the left needle.
Repeat until you have 3 sts left on your right
needle.

Now unravel your waste yarn and pick up 3 sts
there. Use the kitchener stitch to close the gap.

NECKLINE

Now finish the neckline, so you see how the
sweater fits. The neckline may still look too wide
but finishing it off will tighten the line.
Start from the right shoulder seam and pick
up and knit approx. 118 sts with a 2.75 mm (US2)
needle and main colour. To get the right ratio: on
bias sections (where the increases are), pick
up approx. 2 sts of every 3 rows. On the back
and frontside, pick up every st. On popping
shoulder seams, pick up 3 sts per shoulder
seam. Remember to go through the top
and bottom side of the shoulder piece with the
needle.
Purl 1 round. Then turn to WS and BO with the
I-cord method.

SLEEVES

With your 3.75 mm (US5) needle and main
colour, pick up and knit 66, 68 (68, 72, 78, 86) sts
beginning from underarm. Place a BOR-M. On
the shoulder seams, work 4 top sts + 4 bottom
sts at the same time.

*Work in stockinette for 3.5, 3.5 (3.5, 3, 2.5, 2.5)
cm / 1.5, 1.5 (1.5, 1.25, 1, 1)" , work a decrease
round.

DECREASE ROUND: K1, k2tog, k to last 3 sts
before BOR-M, ssk, k1.*

Repeat *-* 8, 8 (8, 9, 11, 13) more times.

You have 48, 50 (50, 52, 54, 58) sts. Work in
stockinette st until you have approx. 34, 34 (34,
34, 34, 36) cm / 13.5, 13.5 (13.5, 13.5, 13.5, 14.25)"
of fabric from underarm or the length preferred.

Change to a 2.75 mm (US2) needle. Purl 1 row,
knit 1 row, purl 1 row. Turn to WS and BO with the
I-cord method.

FINISHING

Give the sweater a good soak to make it
drapey and flatten the hem. Block to the given
measurements.

KALLIO

SIZES: KIDDO (ADULT)

PICTURED IN ADULT SIZE

Kallio is a thin hat that even suits the Finnish summer. The black speckles in the dark grey yarn remind of granite, while the urban style comes straight from Kallio, the coolest district in Helsinki.

You can fold the edge twice or three times - you choose!

#KALLIOHAT

THE STITCH PATTERN LOOKS BETTER WHEN THE SOCK IS NOT TOO STRETCHY - GO FOR ONE SIZE LARGER THAN USUAL

PICTURED IN SIZE L

Get into the rhythm of tiny bobbles and calm your mind.

The Sees socks are enjoyable to work: they are mostly worked in stockinette stitch, but after some rounds you just repeat the serene mantra. Shiny and silky yarn makes them so delicate you'll want to wear them at home paired with a glossy sequin skirt. Yes, handmade socks are the perfect match!

#SEESOCKS

YOU NEED

YARN: 80 (85) 90 g Ikke Silky Merino (50 % merino, 50 % silk - 400 m / 437 yds / 100 g), colour Grey.

NEEDLE: 2.25 mm (US1) circular needle.

NOTIONS: Tapestry needle.

GAUGE: 34 sts x 47 rnds = 10 cm / 4" of stockinette st.

TOE

With Turkish cast-on method and magic loop, CO 10 (10) 12 loops. Knit needle 1 and 2 = 20 (20) 24 sts.

Begin to increase. Work both needles alike.

RND 1 (INC): *K1, M1R, k until 1 st left, M1L, k1.* Repeat *-* on the 2nd needle.

RND 2: Work stockinette st.

Repeat rounds 1 and 2 until you have 28 (30) 32 sts on each needle, 56 (60) 64 sts in total.

FOOT

On needle 1, the bottom side, work in stockinette st. On needle 2, the top side, work the st pattern.

NEEDLE 1: Knit across the needle.

NEEDLE 2. SIZE S: Work sts 3-30 of the chart. Repeat rnds 1-8.

NEEDLE 2. SIZE M: Work sts 2-31 of the chart. Repeat rnds 1-8.

NEEDLE 2. SIZE L: Work sts 1-32 of the chart. Repeat rnds 1-8.

Work until you have approx. 13-14 cm / 5-5.5" of fabric from cast-on edge (13 cm / 5" if you have a small foot and 14 cm / 5.5" if you have a longer foot).

GUSSET INCREASES

Continue with the established pattern but begin to increase some sts for the gusset at the same time on the bottom needle.

NEEDLE 1: M1R, knit across the needle, M1L.

NEEDLE 2: Work established pattern.

Repeat the increases 1 (2) 3 more times after 8 (6) 4 rounds.

You have 32 (36) 40 sts on needle 1, 28 (30) 32 sts on needle 2, 60 (66) 72 sts in total.

Continue with them until the fabric measured from CO is approx. 5 cm / 2" less than the desired length of the sole.

HEEL

Work the German short row heel with double sts on needle 1.

Set up: Slip 1 (2) 3 sts from both sides of needle 1 to needle 2 = 30 (32) 34 sts on needle 1.

Knit across needle 1. Turn to WS.

Make DS, p across the needle. Turn to RS.

R1. RS: Make DS, knit to next DS, turn.

Work in this manner until you have worked all your sts. On needle 1 make DS, work the last DS at the end of the needle and work needle 2 as established. You're on your BOR and you have 30 (32) 34 sts on needle 1, 30 (34) 38 sts on needle 2, 60 (66) 72 sts in total.

LEG

Then get into the same st pattern on the backside as on the front. See the repeat marked with black borders in the chart and continue the pattern in the same rhythm for the entire round. You need to check what round and st you need to begin with depending on your size and rnd.

Continue with the st pattern smoothly in round for approx. 12 cm / 4.75", work rnd 8 as your last rnd.

CUFFS

Match this ribbing above the repeat:
P1, k1 tbl, p1, k3, repeat *-* for entire round.
Work it for 3 cm / 1.25".

Uhuru Lite is a contemporary sweater with a unique look. Uhuru means the peak of mount Kilimanjaro in Tanzania, and see, there's a mountain standing on its peak on the back and mini peaks on the sleeves.

Uhuru Lite is a lighter version of the original *Uhuru* sweater pattern and meant to be a little slimmer. The pattern provides instructions for two kinds of necklines – a trendy funnel neck and basic crew neck if that's what you prefer. As a maker, you have the freedom to choose - go with your style!

#UHURULITESWEATER

YOU NEED

YARN: 270, 290 (320, 340, 370, 410, 430) g Hedgehog Fibres Sock yarn (90 % merino, 10 % nylon - 400 m / 440 yds / 100 g), colour Concrete.
Note: There are more metres/yards in a sock skein than in most merino single skeins.

NEEDLES: 2.75 mm (US2) and 3.5 mm (US4) circular needles and DPNs if you don't magic loop.

NOTIONS: 7 stitch markers (1 different for BOR), 1 removable stitch marker, tapestry needle, waste yarn or sleeve holders.

GAUGE: 24 sts x 32 rnds = 10 cm / 4" of stockinette st using 3,5 mm (US4) needle.

CAST ON

With your 2.75 mm (US2) needle, CO 96, 96 (104, 108, 116, 116, 116) sts using the long tail tubular cast-on method.

Join in round and place a BOR-marker to indicate the beginning of round.

FUNNEL NECK: Work *k1 tbl, p1* ribbing for 10 cm / 4".

CREW NECK: Work *k1 tbl, p1* ribbing for 2.5 cm / 1".

On your last round place 4 st markers: Work ribbing for 9, 5 (5, 3, 3, 3, 3) sts (left sleeve), PM, work ribbing for 39, 43 (47, 51, 55, 55, 55) sts (back), PM, work ribbing for 9, 5 (5, 3, 3, 3, 3) sts right sleeve), PM, work ribbing for 37, 41 (45, 49, 53, 53, 53) sts (front), place new BOR-M (=new BOR is placed 2 sts before the old one). Old BOR-M will be your left raglan seam marker from now on.

SHAPING THE NECKLINE

Change to 3.5 mm (US4) needle. Work German short rows flat to shape the neckline and begin the triangle on the backside.

Note: For the twisted ribbing triangle, you need to work ssk and k2tog a little differently than usual. You need to twist the st that stays on the top so the decrease matches with the twisted ribbing.

TWISTED SSK: Slip the 1st st purlwise, the 2nd st knitwise, slip them back onto the left needle, knit together through the back loops. Now the right st is twisted.

TWISTED K2TOG: Slip 2 sts onto the right needle purlwise, insert your left needle to the 1st st on the right needle from the right and slip it back onto the left needle (it's twisted now), also slip the 2nd st back onto the left needle without twisting it. Then k2tog. Now the left st is twisted.

SHORT ROW 1 (RS): Slip BOR-M, k to raglan-M, M1R, SM, k1, M1L, k to 1 st before M, M1R, k1, SM, M1L, kfb and PM between the 2 sts you just worked (=between front and back st), twisted ssk, *k1 tbl, p1 ribbing* to 3 sts before M, twisted k2tog, pfb and PM between the 2 sts you just worked (=between front and back st), M1R, SM, k1, M1L, k to 1 st before M, M1R, k1, SM, M1L, k1, turn.

SHORT ROW 2 (WS): DS, p to M, SM, p to M, SM, p to M, SM, *ribbing section: knit all the k sts, purl tbl all the p sts to next M*, SM, p to M, SM, p to M, SM, p2, turn.

SHORT ROW 3 (RS): DS, k to raglan-M, M1R, SM, k1, M1L, k to 1 st before M, M1R, k1, SM, M1L, k to M, M1L, SM, p1, twisted ssk, *ribbing section: knit tbl all the k sts, purl all the p sts to 3 sts before next M*, twisted k2tog, p1, SM, M1R, k

to M, M1R, SM, k1, M1L, k to 1 st before M, M1R, k1, SM, M1L, k to 1 st over your last DS (work that normally as k st), turn.

SHORT ROW 4 (WS): DS, p to M, SM, p to M, SM, p to M, SM, *ribbing section: knit all the k sts, purl tbl all the p sts to next M*, SM, p to M, SM, p to M, SM, p to 1 st over your last DS (work it normally as p st), turn.

Repeat short rows *3 and 4* 6, 6 (6, 7, 7, 7, 7) more times. Make a DS, k to BOR-marker. You have 160, 160 (168, 180, 188, 188, 188) sts. 25, 21 (21, 21, 21, 21, 21) sts for each sleeve, and 55, 59 (63, 69, 73, 73, 73) sts for both front and back.

THE TRIANGLE

Continue working in round. Continue with the increases and the twisted ribbing triangle on the backside. On the first round work the last DS's when you cross them.

RND 1 (RS, INC): SM, k to M, M1R, SM, k1, M1L, k to 1 st before M, M1R, k1, SM, M1L, k to M, M1L, SM, p1, twisted ssk, *ribbing section: knit tbl all the k sts, purl all the p sts to 3 sts before next M*, twisted k2tog, p1, SM, M1R, k to M, M1R, SM, k1, M1L, k to 1 st before M, M1R, k1, SM, M1L, k to BOR-M.

RND 2 (RS, NO INC): SM, k to M, SM, k to M, SM, k to M, *ribbing section: knit tbl all the k sts, purl all the p sts to M*, SM, k to M, SM, k to M, SM, k to BOR-M.

Repeat rounds *1 and 2* 8, 10 (12, 13, 15, 15, 15) more times.

Note: In the triangle, you need to work cdd a little differently than usual. You need to twist the centre st. Slip 2 sts onto the right needle purlwise, insert your left needle to the 1st st on the right needle from the right and slip it back onto the left needle (it's twisted now). Slip also the 2nd st back without twisting it. Then slip both onto the right needle knitwise at the same time. Knit the next st, pass 2 sts over it. Now you see the centre st on the top of all that is twisted.

RND 1 (RS, INC): SM, k to M, M1R, SM, k1, M1L, k to 1 st before M, M1R, k1, SM, M1L, k to M, M1L, SM, p1, twisted cdd, p1, SM, M1R, k to M, M1R, SM, k1, M1L, k to 1 st before M, M1R, k1, SM, M1L, k to BOR-M.

RND 2 (RS, NO INC): SM, k to M, SM, k to M, SM, k to M, SM, p1, k1 tbl, p1, SM, k to M, SM, k to M, SM, k to BOR-M.

Now you have finished the triangle. You have 240, 256 (280, 300, 324, 324, 324) sts in total, 75, 83 (91, 99, 107, 107, 107) sts on both body sections and 45, 45 (49, 51, 55, 55, 55) sts on both sleeves.

CONTINUE WITH THE YOKE

Continue with the yoke and the increases. Continue also with the twisted ribbing with your 3 centre sts on the backside. Otherwise continue working in stockinette st.

RND 1 (RS, INC): SM, k to M, M1R, SM, k1, M1L, k to 1 st before M, M1R, k1, SM, M1L, k to M, SM, p1, k1 tbl, p1, SM, k to M, M1R, SM, k1, M1L, k to 1 st before M, M1R, k1, SM, M1L, k to BOR-M.

RND 2 (RS, NO INC): SM, k to M, SM, k to M, SM, k to M, SM, p1, k1 tbl, p1, SM, k to M, SM, k to M, SM, k to BOR-M.

Repeat rounds *1 and 2* 12, 14 (15, 17, 19, 25, 30) more times. You have 344, 376 (408, 444, 484, 532, 572) sts.

SEPARATE BODY AND SLEEVES

Remove BOR-M, knit to your left raglan seam marker, place new BOR-M there, remove your raglan marker.

Place the stitches until the next M on hold, RM, knit to M, SM, p1, k1 tbl, p1, SM, k to M, SM, place the stitches until the next M on hold, RM, knit to BOR-M.

You have 202, 226 (246, 270, 294, 318, 338) sts on body and 71, 75 (81, 87, 95, 107, 117) sts on both sleeve holders.

BODY

Work with body stitches. Continue with stockinette st but remember to work 3 centre sts on the backside as established: p1, k1 tbl, p1.

Work until you have 29, 30 (31, 31, 33, 34, 35) cm / 11.5, 11.75 (12.25, 12.25, 13, 13.5, 13.75)" of fabric from underarm.

HEM

Change to 2.75 mm (US2) needle. Work *k1 tbl, p1* ribbing for 6 cm / 2.25". Note: Match the purl sts and twisted knit sts to centre back line. You may need to begin with purl st depending on your size.

BO by using tubular bind-off method.

SLEEVES (BOTH ALIKE)

With your 3.5 mm (US4) needle, pick up the 71, 75 (81, 87, 95, 107, 117) sts on hold + 2 sts underarm to minimize the gap. Place a BOR-M between the extra sts to indicate the beginning of round.

Work in stockinette st and on your first round decrease those extra sts.

SIZES XS, S, M, L AND XL:

*Work in stockinette st for 3.5, 3 (2.5, 2.5, 2, -, -) cm / 1.5, 1.25 (1, 1, 0.75, -, -)".

DECREASE ROUND: K1, k2tog, work in stockinette st until 3 sts left, ssk, k1.*

Repeat *-* 9, 10 (13, 13, 16, -, -) more times. You have 51, 53 (53, 59, 61, -, -) sts.

If you need to, work in stockinette st until you have 35 cm / 13.75" of fabric from underarm or 13 cm / 5" less than desired length.

Jump to Sleeve triangle instructions.

SIZES 2XL AND 3XL:

*Work in stockinette st for -, - (-, -, -, 2, 1.5) cm / -, - (-, -, -, 0.75, 0.5)".

DECREASE ROUND: K1, ssk, work in stockinette st until 3 sts left, k2tog, k1.*

Repeat *-* -, - (-, -, -, 16, 22) more times. You have -, - (-, -, -, 73, 71) sts. Work in stockinette st until you have 35 cm / 13.75" of fabric from underarm.

Note: Proceed now to Sleeve triangle instructions but you still have -, - (-, -, -, 3, 1) more decreases to repeat. Work them at the same ratio while working the sleeve triangle.

SLEEVE TRIANGLES

Place a removable marker to the centre stitch.
Start working the ribbing triangle.

SIZES 2XL AND 3XL: Remember to decrease with the established ratio -, - (-, -, 3, 1) more times. You'll have -, - (-, -, -, 67, 69) sts.

RND 1: K to 2 sts before centre st, k2tog, M1Rp, k1 tbl (the centre st), M1Lp, ssk, k to BOR-M.

RND 2: K to 1 st before centre st, p1, k1 tbl, p1, k to BOR-M.

CUFFS

Change to 2.75 mm (US2) needle.
Work *k1 tbl, p1* ribbing. Note: Match the sts on the triangle on the top of the sleeve, so depending on your size, you need to begin with k or p st. You have an odd number of sts, so on the 1st round decrease 1 st by working the 2 last sts together (=k2tog or p2tog). You have 50, 52 (52, 58, 60, 66, 68) sts.

LEG CIRCUMFERENCE APPROX. 18 (18.5) 20 CM / 7.25 (7.5) 8"

PICTURED IN SIZE M

The pastel buildings and sculptural facades of my home hoods in Töölö (pronounced *Toeloe*) make the mind wander. What did life look like here generations before us? The *Toeloe* socks pay homage to old-time aesthetics. The petite cables are reminiscent of ornamental windows, but the techniques are contemporary – needless to say, the socks are worked toe up.

RND 2: Knit.

Repeat rounds 1 and 2 until you have 29 (31) 33 sts on each needle, 58 (62) 66 sts in total.

FOOT

On needle 1, the bottom side, work in stockinette st. On needle 2, the top side, work the st pattern.

NEEDLE 1: Knit across the needle.

NEEDLE 2 FOR SIZE S: Work the 1st rnd of the chart beginning from the 2nd st and finishing on the 30th st.

NEEDLE 2 FOR SIZE M: Work the 1st rnd of the chart.

NEEDLE 2 FOR SIZE L : K1, work the 1st rnd of the chart, k1.

Note that in size S, don't cross the first and last sts on rounds 1 and 21, just knit them tbl.

Work until you have approx. 8-9 cm / 3.25-3.5" of the sole of the foot left.

GUSSET INCREASES

Continue with the established stitch pattern on the top side.

At the same time: On needle 1 *M1R, knit across the entire sole, M1L*. Repeat *-* on every 2nd rnd 12 (13) 14 more times. You have 84 (90) 96 sts in total, 55 (59) 63 sts on the bottom side and 29 (31) 33 sts on the top.

HEEL

Work the heel on needle 1.

The heel is worked with 29 (31) 31 centre sts in all sizes from the bottom. Place removable st markers to separate them from the other sts - you'll have 13 (14) 16 sts on both sides.

R1 (RS): K 13 (14) 16 sts, SM, k 27 (29) 29 sts, w&t.

R1 (RS): Sl1 p-wise, k 27 (29) 29, ssk, turn.

R2 (WS): Sl1 p-wise, p 27 (29) 29, p2tog, turn.

Repeat rows 1 and 2 10 (12) 13 more times. In size M you decrease all the flap sts, in sizes S and L you'll have 1 st left on both sides of the heel.

NEXT ROUND (RS):

NEEDLE 1: Sl1 p-wise, knit across the needle.

NEEDLE 2: Work a pattern rnd. *Tip: If you see a gap between needles, you can close it by picking up the right leg of the 1st st on one round below and working it together with the 1st st.*

You have 60 (62) 66 sts in round.

LEG

From now on, start working *k1 tbl, p1* ribbing on the backside, in sizes M and L also on the front with the edge sts. *Note: Depending on your size, you need to check if the first st is k or p st.*

On needle 2, work the pattern as established.

Continue with the leg until you have worked st pattern 4-6 times as preferred and rnds 1-3 once more (the last rnd shown as grey in the chart).

Then work *k1 tbl, p1* ribbing for 10 rnds as established.

BIND OFF

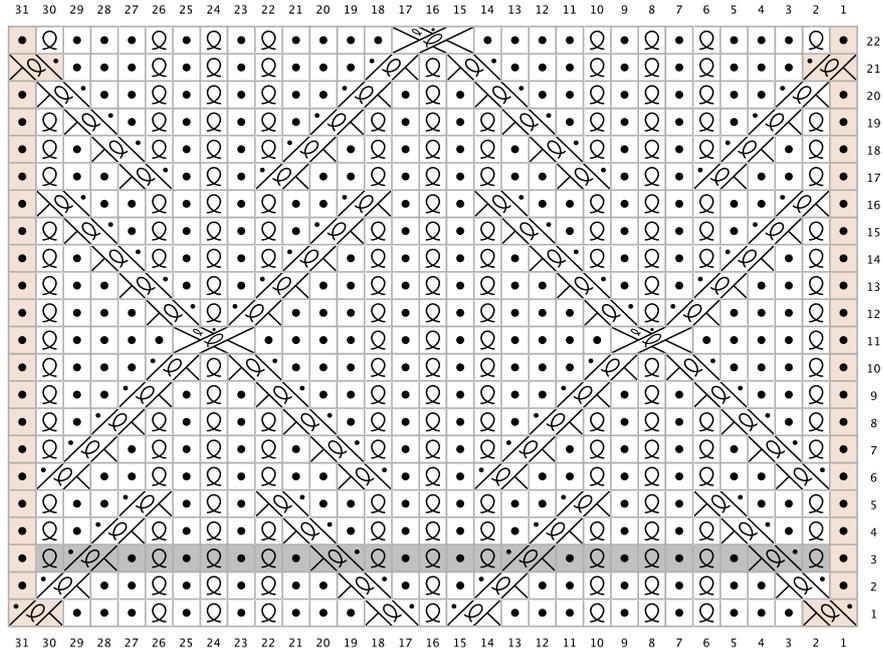

BO with the tubular bind-off method. *Note: Begin from a knit st.*

SECOND SOCK

Work as the first one.

[FROST IN JAPANESE]

SHIMO

SIZE: ADULT

Shimo means frost in Japanese – you can see flowers of frost in the stitch pattern. It's what Töölö Bay looks like in wintertime.

I love the way trendy silk mohair gives the hat an extra glow, but if you're not a fan, just skip it. The hat is snug to keep your head as warm as your heart. It gets super comfortable with use.

#SHIMOHAT

YOU NEED

YARN: 80 g Brooklyn Tweed Shelter (100 % wool - 128 m / 140 yds / 50 g), colour Snowbound and 20 g Isager Silk Mohair (75 % kid mohair, 25 % silk - 212 m / 232 yds / 25 g), colour 3M. The hat is worked holding together one strand of each yarn.

NEEDLES: 3.5 mm (US4) and 4 mm (US6) circular needles 40 cm / 16" and 3.5 mm (US4) DPNs or longer 3.5 mm (US4) and 4 mm (US6) needles for magic loop.

NOTIONS: 5 st markers (1 different for BOR).

GAUGE: 20 sts x 21 rnds = 10 cm / 4" of ribbing without stretching.

CAST ON

With your 4 mm (US6) needle and holding 2 strands together (1 woollen strand and 1 silk mohair strand), CO 80 sts with the long tail tubular cast-on method.

Join in round and place a BOR-marker to indicate the beginning of round. Work *k1 tbl, p1* ribbing for 9 cm / 3.5".

Turn the work inside out. Swap to 3.5 mm (US4) needle and work *k1 tbl, p1* ribbing for 7 cm / 2.75".

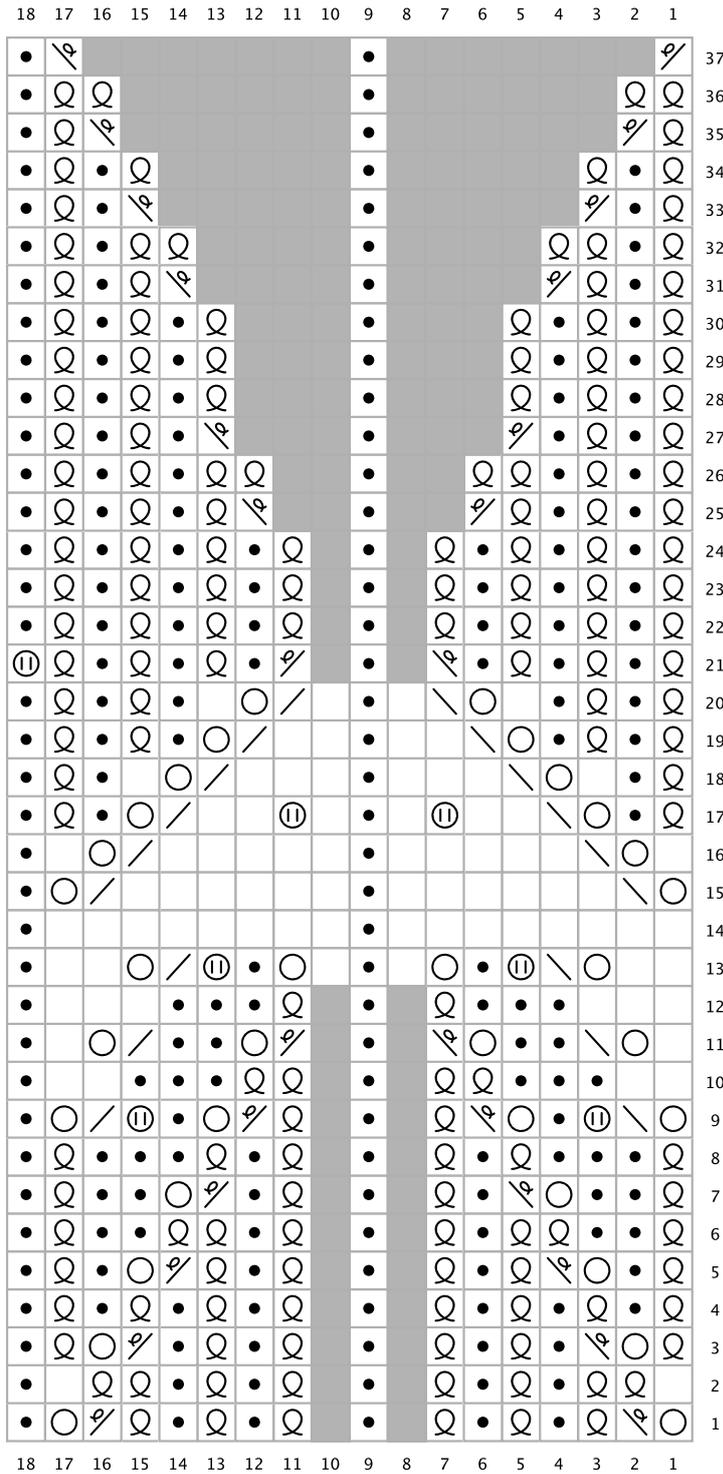

CHART

Place 4 st markers after every 16 sts, and begin to work with the chart. Work the chart 5 times in round, from round 1 to 22. You should have approx. 26 cm / 10.25" of fabric measured from CO edge. If you have less, repeat round 22 until you achieve the needed length. Then work rounds 23-37.

FINISHING

Pull the yarns through the last 20 sts twice and weave the ends tightly to WS. Soak the hat, let it dry. Trim the bobbles by pulling them out with a needle so they really pop. Fold the edge at 8 cm / 3.25".

TWISTED SSK: Slip the 1st st purlwise, the 2nd st knitwise, slip them back onto the left needle, knit together through the back loops. Now the right st is twisted.

TWISTED K2TOG: Slip 2 sts onto the right needle purlwise, insert your left needle to the 1st st on the right needle from the right and slip it back onto the left needle (it's twisted now), also slip the 2nd st back onto the left needle without twisting it. Then k2tog. Now the left st is twisted.

BOBBLES: Kfb the st twice, turn, p4, turn, k4, then pass the 2nd st over the 1st st three times.

[PILOT IN FINNISH]

LUOTSI

SIZE: 145 CM X 90 CM / 57" X 35.5"

Luotsi is a breathtaking beauty on your shoulders. *Luotsi* refers to a pilot who shows you a safe route out at sea – but as in life, sometimes the way zigzags and you feel lost in the fog. The *Luotsi* shawl is totally reversible and doesn't curl. It is a little asymmetric, almost a triangle and knit sideways. Simple, Scandinavian design with a twist.

#LUOTSISHAWL

YOU NEED

YARN: 200 g Nurja Merino Single (100 % merino - 366 m / 400 yds / 100 g), colour Afrikan tähti, and 90 g Nurja Mohair (72 % kid mohair, 28 % silk - 420 m / 460 yds / 50 g), colour Afrikan tähti. The shawl is worked holding together one strand of each yarn.

NEEDLE: 3.5 mm (US4) circular needle.

NOTIONS: 6 stitch markers to stay on track.

GAUGE: 24 sts x 25 rows = 10 cm / 4" of st pattern. The gauge is not crucial but affects yardage.

CAST ON

With the long tail cast-on method, CO 3 sts. Turn to WS and k2, p1.

Turn to RS and start working with chart rows 1-54.

RS: K1, p1, PM, work the 1st row of the chart.

WS: Work the 2nd row as established to M, SM, k1, p1.

Continue in this manner until you have worked rows 3-54. You have 30 sts.

FIRST REPEATS

Next work rows 55-100 of the chart. Place a stitch marker between the repeats to stay on track.

RS: K1, p1, SM, work row 55 of the chart.

WS: Work the next row as established to M, SM, k1, p1.

NEXT RS: K1, p1, SM, work the first pattern repeat (shown with black borders) of the next row of the chart, PM, work to the end of the chart.

NEXT WS: Work the next row as established to M, SM, work as established to M, SM, k1, p1.

Continue in this manner until you have worked rows 59-110. You have 58 sts.

MORE REPEATS

From now on repeat rows 55-110 and add 1 more pattern repeat (sts 1-28) every time you have worked all rows. Place new st markers between every repeat to stay on track. *Note: Work the 28th st on the 55th row chart as kfb only when working the last repeat, otherwise knit it.*

Continue in this manner until you have repeated rows 55-110 5 times. (You have 86 sts after 1st repeat, 114 sts after 2nd repeat, 142 sts after 3rd repeat, 170 sts after 4th repeat and 198 sts after 5th repeat.)

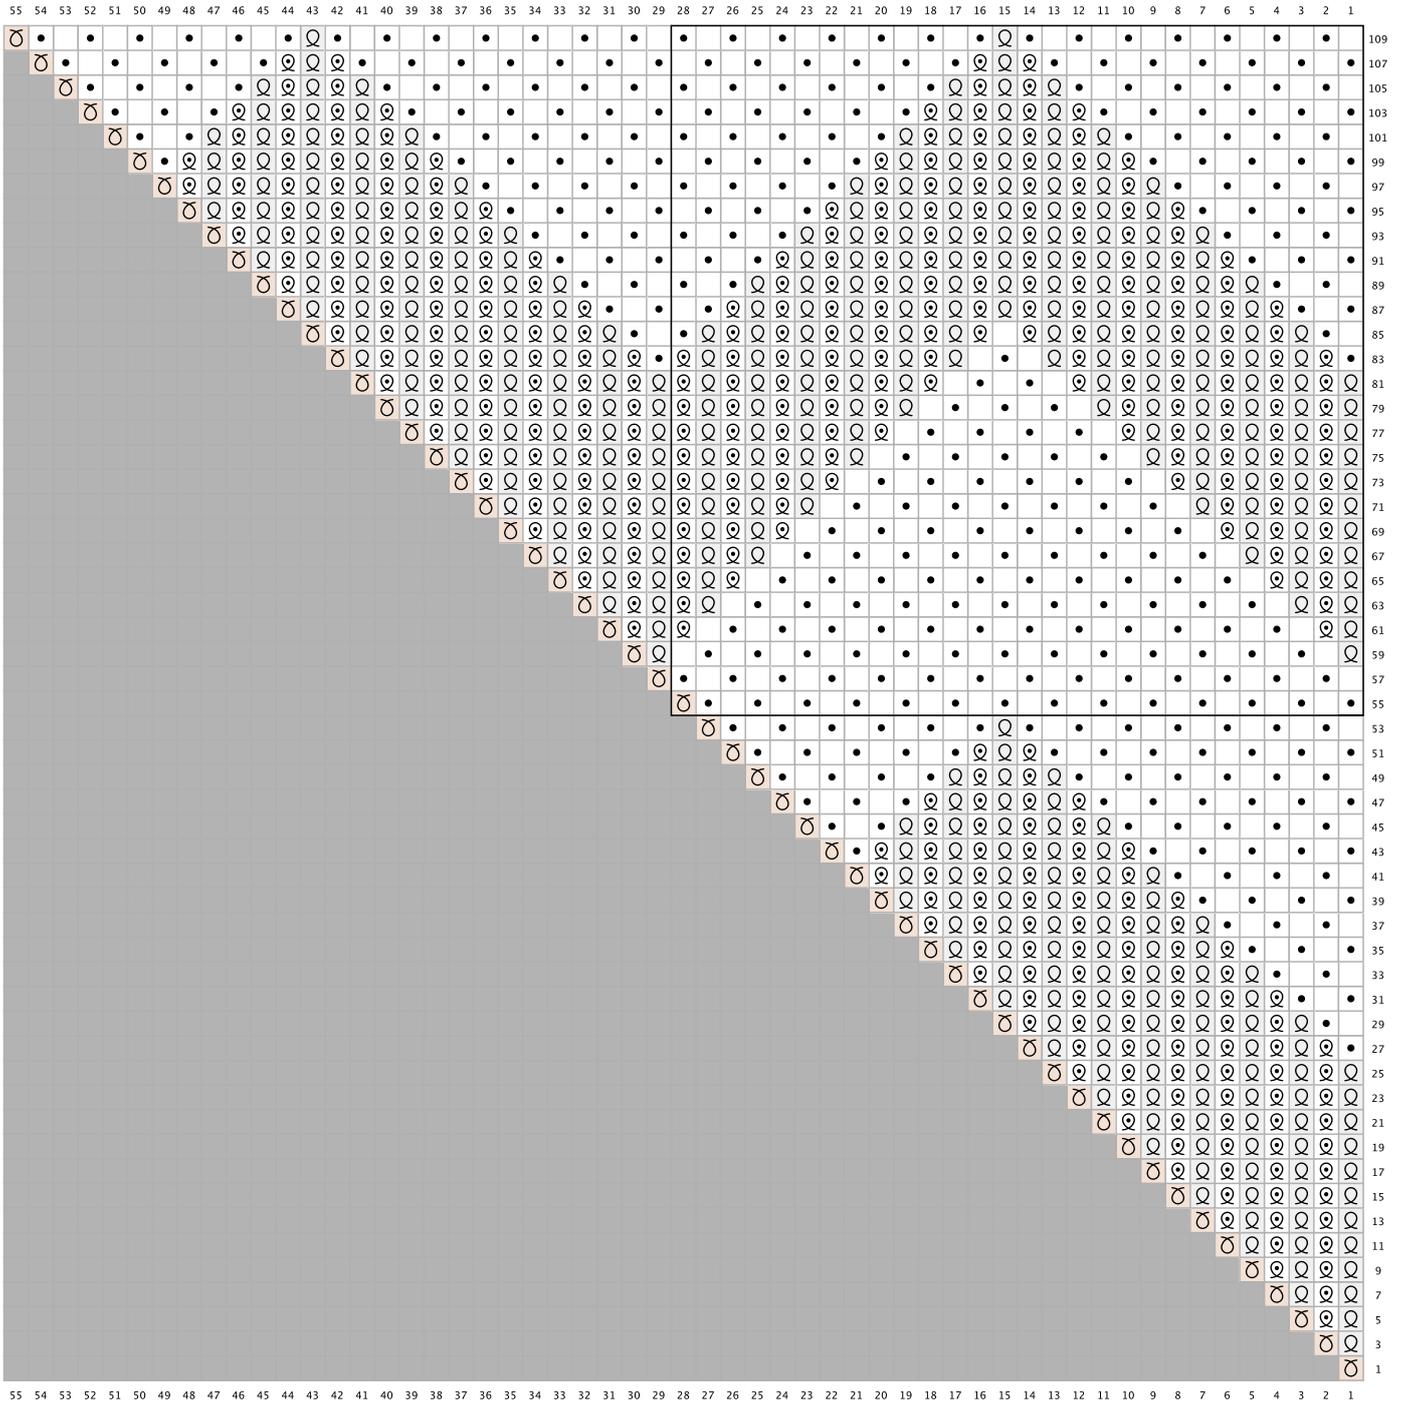

BIND OFF

On your next RS row BO loosely.

FINISHING

If you want to keep the shawl tight and sturdy, don't wet block it. Simply spray with some water, spread it a little to give the edges a good shape and leave to dry flat.

PICTURED IN SIZE S

Hurma is an airy sweater that is worked with mohair held double. It's intentionally loose, as if floating in the air. Even though you'd usually go for a size with approx. 10 cm / 4" of positive ease, now pick a size with more. The faded rose colour is straight from the walls of my historic blocks in Töölö, but the pattern is contemporary. The frontside features interesting fake pocket seams, and the sleeves are relaxed and decreased in a bell shape.

#HURMASWEATER

YOU NEED

YARN: 200, 240 (275, 330, 350, 380, 410, 440) g Isager Silk Mohair (75 % mohair, 25 % silk - 212 m / 232 yds / 25 g), colour 62. The sweater is worked holding 2 strands together.

NEEDLES: 2.75 mm (US2) and 4 mm (US6) circular needles and DPNs if you don't magic loop. Extra circular needle 2-2.75 mm (US0-2) for unraveling the provisional cast-on edge.

NOTIONS: 4 stitch markers (1 different for BOR), tapestry needle, waste yarn or sleeve holders, waste yarn for provisional cast-on.

GAUGE: 18 sts x 28 rnds = 10 cm / 4" of st pattern with 4 mm (US6) needle holding 2 strands together.

ST PATTERN WORKED IN ROUND:

RND 1: K1, p1.

RND 2: Knit.

ST PATTERN WORKED FLAT:

ROW 1, RS: K1, p1.

ROW 2, WS: Purl.

CAST ON

With waste yarn and the provisional cast-on method, CO 96, 96 (100, 108, 108, 116, 120, 120) sts on 2.75 mm (US2) needle holding together 2 strands of mohair.

Join in round and place a BOR-marker.

Work *k1 tbl, p1* ribbing for 8 cm / 3.25".

On the last round, place 3 more raglan markers: work 7, 7 (5, 5, 5, 5, 7, 7) sts of ribbing, PM, work 41, 41 (45, 49, 49, 53, 53, 53) sts of ribbing, PM, work 7, 7 (5, 5, 5, 5, 7, 7) sts of ribbing, PM, work 41, 41 (45, 49, 49, 53, 53, 53) sts of ribbing.

Now unravel your provisional cast-on edge and place its sts on your extra circular needle.

Wrap the neckline WS's facing each other and hold 2 needles side by side. Work a round of ribbing by working together 1 st from your work and 1 st from your cast-on edge. Now your neckline is closed.

SHAPING THE NECKLINE

Change to a 4 mm (US6) needle. Shape the neckline with German short rows.

Note: The raglan seams are 5 sts wide (4+1 on the sides of the stitch marker). You increase by alternating a knit st and p st to continue the st pattern. If you are unsure how to work the next st, check the ribbing lines and whether you increased a k or a p st next to the increases. The increases continue in the rhythm of the sleeves and the body, not the seams.

HIETA

SIZES: S (M) L

LEG CIRCUMFERENCE APPROX. 17 (18) 19 CM /

PICTURED IN SIZE M

Hieta socks feature rolling white sand. They are so much easier to make than how they look, so you can literally even work them on the beach. The *Hieta* socks are mostly worked in 2x2 ribbing with cables only on the topside. The trick is the pattern rotating from toe to cuff – like grains of sand flying with the wind.

#HIETASOCKS

YOU NEED

YARN: 75 (80) 85 g Lystig Yarn Merino Sock Twist yarn (75 % merino, 25 % nylon - 365 m / 400 yds / 100 g), colour Pionies in Sandstorm.

NEEDLE: 2.5 mm (US1.5) circular needle.

NOTIONS: Cable needle, tapestry needle.

GAUGE: 30 sts x 45 rnds = 10 cm / 4" of stockinette st.

TOE

With Turkish cast-on method and magic loop, CO 10 (10) 10 loops. Knit needle 1 and 2 = 20 (20) 20 sts.

Begin to increase. Work both needles alike.

RND 1 (INC): *K1, M1R, k until 1 st left, M1L, k1.* Repeat *.* on the 2nd needle.

RND 2: Work stockinette st.

Repeat rounds 1 and 2 until you have 28 (30) 32 sts on each needle, 56 (60) 64 sts in total.

FOOT

On needle 1, the bottom side, work in stockinette st. On needle 2, the top side, work the st pattern.

NEEDLE 1: Knit across the needle.

NEEDLE 2 FOR SIZE S: Work the 1st rnd of the chart beginning from the 2nd st and finishing on the 29th st.

NEEDLE 2 FOR SIZE M AND L: (K0) K1, work the 1st rnd of the chart, (k0), k1.

Work in this manner, stockinette st on needle 1 and chart on needle 2 round by round, until you have approx. 14 cm / 5.5" of fabric from CO.

Note: Only every other round is shown in the chart. In between, work all sts as established.

GUSSET INCREASES

Continue with the established pattern but begin to increase some sts for the gusset at the same time on the bottom needle.

NEEDLE 1: M1R, work across the needle, M1L.

NEEDLE 2: Work established pattern.

Repeat the increases one more time after 8 rounds.

You have 32 (34) 36 sts on needle 1, 28 (30) 32 sts on needle 2, 60 (64) 68 sts in total.

Continue until the fabric measured from CO approx. is 5 cm / 2" less than desired length of the sole.

HEEL

Work the German short row heel with double sts on needle 1.

Set up: Slip 2 (2) 2 sts from both sides of needle 1 to needle 2 = 28 (30) 32 sts on needle 1.

Knit across needle 1. Turn to WS.

Make DS, p across the needle. Turn to RS.

R1, RS: Make DS, knit to next DS, turn.

R2, WS: Make DS, purl to next DS, turn.

Work in this manner until you have 9 (10) 11 DS's on both sides and 10 sts between them and you have worked row 1 last. Don't turn to WS.

Knit all the DS's on needle 1 as normal sts, work needle 2 as established (knit the k sts and work the cables), knit across needle 1 and work all the remaining DS's as normal sts, work needle 2 as established.

NEXT NEEDLE 1. RS: K until you have 8 (9) 10 sts left, turn.

WS: Make DS, p until you have 8 (9) 10 sts left, turn.

R1. RS: Make DS, knit to next DS, knit it, k1, turn.

R2. WS: Make DS, purl to next DS, purl it, p1, turn.

Work in this manner until you have worked all your sts. On needle 1 make DS, work the last DS at the end of the needle and work needle 2 as established. You're on your BOR and you have 28 (30) 32 sts on needle 1, 32 (34) 36 sts on needle 2, 60 (64) 68 sts in total.

Then establish the same 2x2 ribbing on the backside that continues in the rhythm of the chart (check whether you begin with purl or knit sts) and work the ribbing with all the sts except the chart sts.

LEG

Work 2x2 ribbing on the backside and cable chart on the topside to the last 146th round.

BIND OFF

Change the 2x2 ribbing for 1x1 ribbing. BO with the tubular bind-off method.

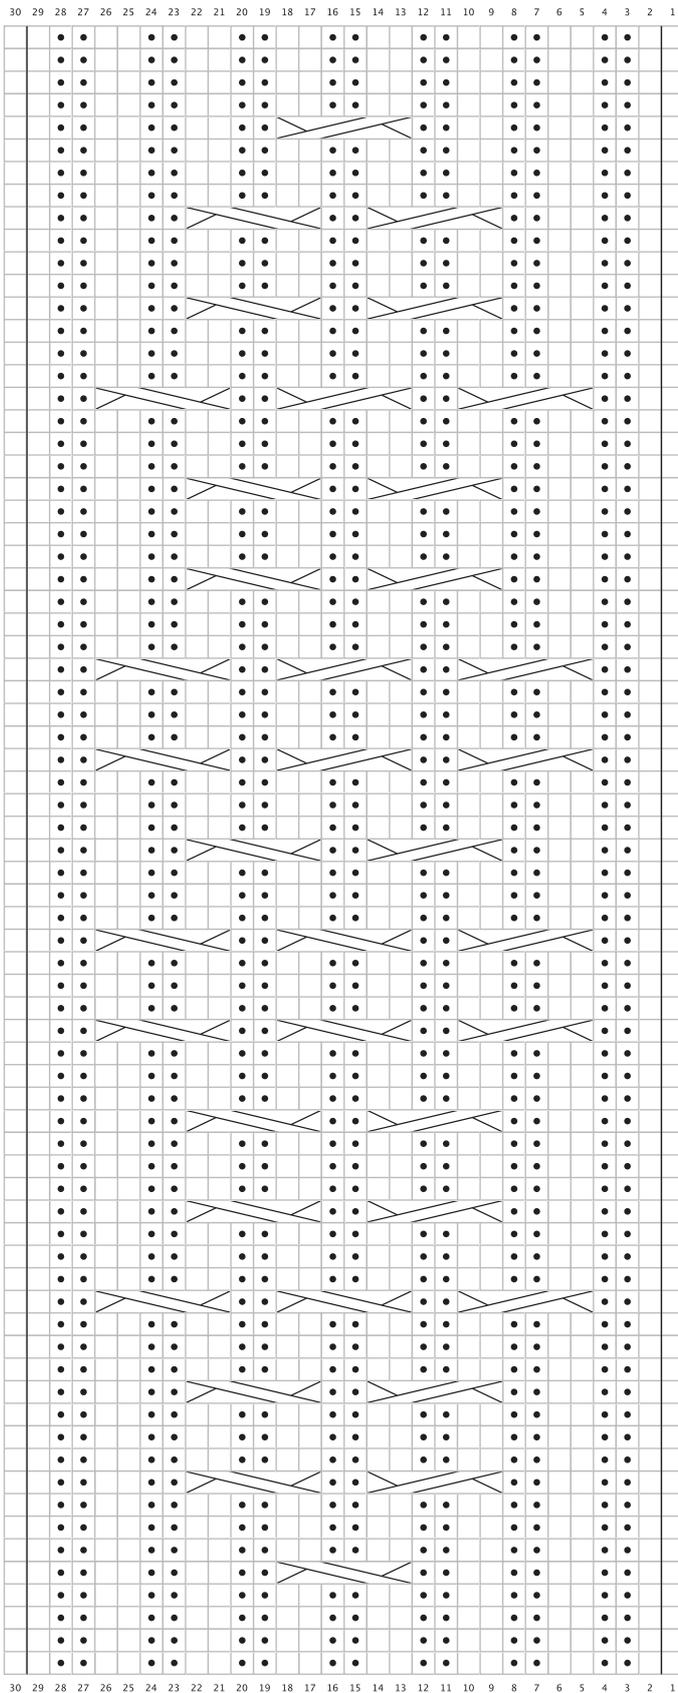

SECOND SOCK

Work as the first one.

FINISHING

Weave in the ends and block using your preferred method.

The *Laberinto* sweater is a contemporary project for adventurous knitters. Choose a hand-dyed base, add a layer of silk mohair and find your way out of the labyrinth along asymmetrically crisscrossing lines that seek their own path. The details are thoroughly considered: the shoulders are lowered, sleeves wide and bell-shaped and you can choose between two necklines. The body is cropped, so you can tuck it under your jeans.

#LABERINTOSWEATER

YOU NEED

YARN: 280, 300, 320 (340, 360, 380, 400, 430) g Lystig Yarn single merino (100 % merino - 365 m / 400 yds / 100 g) and 130, 140, 150 (160, 170, 180, 190, 210) g Lystig Yarn Silk Mohair (72 % silk, 28 % mohair - 420 m / 460 yds / 50 g), both in colour Cancan. The sweater is worked holding together one strand of each yarns.

NEEDLES: 3 mm (US2.5) and 4 mm (US6) circular needles and DPNs if you don't magic loop.

NOTIONS: 2 stitch markers (1 different for BOR), 2 removable stitch markers, tapestry needle.

GAUGE: 23 sts x 28 rnds = 10 cm / 4" of ribbing on 4 mm (US6) needle with both yarns held together.

CAST ON

With 3 mm (US2.5) needle and long tail tubular cast-on method, CO 88, 88, 88 (104, 104, 104, 120, 120) sts.

Join in round. Place a BOR-M to indicate the beginning of round.

CREW NECK: Work *k1 tbl, p1* ribbing for 2.5 cm / 1".

FUNNEL NECK: Work *k1 tbl, p1* ribbing for 10 cm / 4".

BOR is in your centre back. Now place 2 removable markers on your shoulder seam sts. They are k tbl sts on your ribbing.

XS-M: Place a marker on the 23rd and 67th sts.

You have 43 sts between the markers.

L-2XL: Place a marker on the 31st and 83rd sts.

You have 51 sts between the markers.

3XL-4XL: Place a marker on the 39th and 99th sts.

You have 59 sts between the markers.

NECK SHAPING

Change to 4 mm (US6) needle.

Work a set-up round where you establish a new ribbing pattern:

P2, *k1 tbl, p3* until 2 sts before BOR, k1 tbl, p1.

Begin to increase sts to the shoulder "seams" and at the same time shape the neckline with German short rows. *Note: On the front and backside, work *k1 tbl, p3* ribbing on RS and *k3, p1 tbl* ribbing on WS as established. Establish the same ribbing also for the shoulder seams: when looking on RS, your increases will look like the same ribbing so remember to work it as established when acrossing it.*

Work double sts by knitting or purling them as established when acrossing them.

Tip: When working DS in twisted ribbing st pattern, you need to make some tricks for the twisted k sts. RS facing you, slip the DS onto the right needle and twist the left leg of DS as in twisted k st. Slip DS back onto the left needle and knit it normally. The trick helps the DS "vanish" into the ribbing. Twist the leg also when you need to p the st on WS.

SET-UP ROWS:

R1 (RS): Work est ribbing to seam st, M1R, k1, M1L, p1, turn. (2 sts inc)

R2 (WS): Make DS, p1 tbl, M1L, p1, M1R, p1 tbl, work est ribbing to BOR-M, SM, work est ribbing to seam st, M1Lp, p1, M1Rp, k1, turn. (4 sts inc)

R3 (RS TO BOR): Make DS, k1 tbl, M1Rp, k1, M1Lp, work est ribbing to BOR-M. (2 sts inc)

R4 (RS FROM BOR): Work est ribbing to seam st, M1Rp, k1, M1Lp, work est ribbing to DS, work it as est, work next st as est, turn. (2 sts inc)

R5 (WS): Make DS, work est ribbing to seam st, M1L, p1, M1R, work est ribbing to BOR-M, SM,

work est ribbing to seam st, M1L, p1, M1R, work est ribbing to DS, work it as est, work next st as est, turn. (4 sts inc)

R6 (RS TO BOR): Make DS, work est ribbing to seam st, M1Rp, k1, M1Lp, work est ribbing to BOR-M. (2 sts inc)

CONTINUE WITH SHORT ROWS:

R1 (RS FROM BOR): Work est ribbing to seam st, M1R, k1, M1L, work est ribbing to 1 st over DS, turn. (2 sts inc)

R2 (WS): Make DS, work est ribbing to seam st, M1L, p1, M1R, work est ribbing to BOR-M, SM, work est ribbing to seam st, M1Lp, p1, M1Rp, work est ribbing to 1 st over DS, turn. (4 sts inc)

R3 (RS TO BOR): Make DS, work est ribbing to seam st, M1Rp, k1, M1Lp, work est ribbing to BOR-M. (2 sts inc)

R4 (RS FROM BOR): Work est ribbing to seam st, M1Rp, k1, M1Lp, work est ribbing to 1 st over DS, turn. (2 sts inc)

R5 (WS): Make DS, work est ribbing to seam st, M1L, p1, M1R, work est ribbing to BOR-M, SM, work est ribbing to seam st, M1L, p1, M1R, work est ribbing to 1 st over DS, turn. (4 sts inc)

R6 (RS TO BOR): Make DS, work est ribbing to seam st, M1Rp, k1, M1Lp, work est ribbing to BOR-M. (2 sts inc)

Repeat the previous short rows *1-6* 4, 5, 6 (6, 7, 8, 8, 9) more times.

You have 184, 200, 216 (232, 248, 264, 280, 296) sts in total, 91, 99, 107 (115, 123, 131, 139, 147) sts on the front and backside and 2 seam sts.

YOKE

Continue working in round. On the 1st round, work across the last DS's as established.

RND 1 (RS): Work est ribbing to seam st, M1R, k1, M1L, work est ribbing to seam st, M1R, k1, M1L, work est ribbing to BOR-M. (4 sts inc)

RNDS 2-4 (RS): Work est ribbing to seam st, M1Rp, k1, M1Lp, work est ribbing to seam st, M1Rp, k1, M1Lp, work est ribbing to BOR-M. (4 sts inc on each round)

Then work Round 1 two times.

You have 208, 224, 240 (256, 272, 288, 304, 320) sts.

DIVIDE FRONT AND BACK

Start working the back. You can use your cable needle and leave the front sts on hold.

RS FROM BOR: Remove your BOR and work est ribbing to 1 st before seam st, k1, turn. Place the seam st on hold on removable st marker.

WS: P1, work est ribbing to 1 st before seam st, p1, turn. Place the seam st on hold on removable st marker.

You have 103, 111, 119 (127, 135, 143, 151, 159) sts on front and back and 2 seam sts on hold.

Continue with est ribbing but knit the first and last st on RS and purl them on WS. They are selvage sts. Note that the next st is k tbl. Continue in this manner until you have worked 16, 17.5, 17.5 (19.5, 19.5, 19.5, 21, 21) cm / 6.25, 7, 7 (7.75, 7.75, 7.75, 8.5, 8.5)" of fabric measured from the seam stitch and sleeve edge. Work RS as your last row. Break yarns.

Continue by working the front that is on hold on your cable. Begin the chart but replace the first and last st of the row with k st on RS and p st on WS.

RS: Work the 1st row of chart A, work the 1st row of chart B. Turn.

ws: Work the next row of chart B, work the next row of chart A. Turn.

Work in this manner for 16, 17.5, 17.5 (19.5, 19.5, 19.5, 21, 21) cm / 6.25, 7, 7 (7.75, 7.75, 7.75, 8.5, 8.5)". Work RS as your last row.

JOINING THE BODY

Join the front to the back and start working in round: Place a new side marker, CO 1 st, p1, work back sts as est until 1 st left, p1, CO 1 st, place a new BOR marker there.

You have 208, 224, 240 (256, 272, 288, 304, 320) sts in round, 103, 111, 119 (127, 135, 143, 151, 159) sts on front and 105, 113, 119 (129, 137, 145, 153, 161) on backside (2 sts more than on frontside).

From now on continue in this manner: Work the next row of chart A (from now on, work the 1st st as shown in the chart), work the next row of chart B (work the last st as shown in the chart), sl side marker, p2, work your est ribbing until 2 sts left before BOR-M, p2.

When you have finished charts A and B, continue in the same manner with charts C and D.

Continue in this way until you have worked all of the chart rows or to the desired length. *Note: For a longer sweater you need more yarn.*

HEM

Change to a 3 mm (US2.5) needle. Work *p1, k1 tbl* ribbing for 7,5 cm / 3". *Note: Begin with purl st.*

BIND OFF

BO with the tubular bind-off method.

SLEEVES (BOTH ALIKE)

With a 4 mm (US6) needle and beginning from underarm, pick up and knit 36, 40, 40 (44, 44, 44, 48, 48) sts, knit your seam st that is waiting on hold, pick up and knit 35, 39, 39 (43, 43, 43, 47, 47) sts. You have 72, 80, 80 (88, 88, 88, 96, 96) sts in round. Place a BOR-M.

Work *k1 tbl, p3* ribbing. *Note: Your seam st should be k tbl st.*

Work 27, 27, 27 (27, 27, 27, 27, 27) cm / 10.75, 10.75, 10.75 (10.75, 10.75, 10.75, 10.75)".

SHAPE THE BELL FOR THE SLEEVE

Place 2 removable st markers after 29, 33, 33 (37, 37, 37, 41, 41) sts and 44, 48, 48 (52, 52, 52, 56, 56) sts. (15 centre sts between the markers.)

Note: In twisted ribbing you need to work ssk and k2tog a little differently than usual. You need to twist the sts that stay on the top to match with the twisted ribbing.

TWISTED SSK: Slip the 1st st purlwise, the 2nd st knitwise, slip them back onto the left needle, knit together through the back loops. Now the right st is twisted.

TWISTED K2TOG: Slip 2 sts onto the right needle purlwise, insert your left needle to the 1st st on the right needle from the right and slip it back onto the left needle (it's twisted now), also slip the 2nd st back onto the left needle without twisting it. Then k2tog. Now the left st is twisted.

SET-UP RND 1: Work est ribbing until 5 sts to M, p until 1 st to M, k1 tbl, SM, work est ribbing to M, SM, k1 tbl, p4, work est ribbing to BOR-M.

SET-UP RND 2: Work est until 1 st to M, k1 tbl, SM, work est to M, SM, k1 tbl, work est to BOR-M.

RNDS 3-4: Work est until 2 sts to M, twisted k2tog, SM, work est to M, SM, twisted ssk, work est to BOR-M. (2 sts dec on each round)

RND 5: Work est until 7 sts to M, p5, twisted k2tog, SM, work est to M, SM, twisted ssk, p5, work est to BOR-M. (2 sts dec)

RNDS 6-8: Work est until 2 sts to M, twisted k2tog, SM, work est to M, SM, twisted ssk, work est to BOR-M. (2 sts dec on each round)

Repeat rounds *5-8* 3, 3, 3 (4, 4, 4, 4) more times.

RNDS 9-10: Work est until 2 sts to M, twisted k2tog, SM, work est to M, SM, twisted ssk, work est to BOR-M. (2 sts dec on each round)

You have 32, 40, 40 (40, 40, 48, 48, 48) sts.
Remove extra st markers.

CUFFS

SIZE XS:

Continue with the same needle. Work *k1 tbl, p1* ribbing for 7.5 cm / 3".

ALL OTHER SIZES EXCEPT XS:

Change to a 3 mm (US2.5) needle. Work *k1 tbl, p1* ribbing for 7.5 cm / 3".

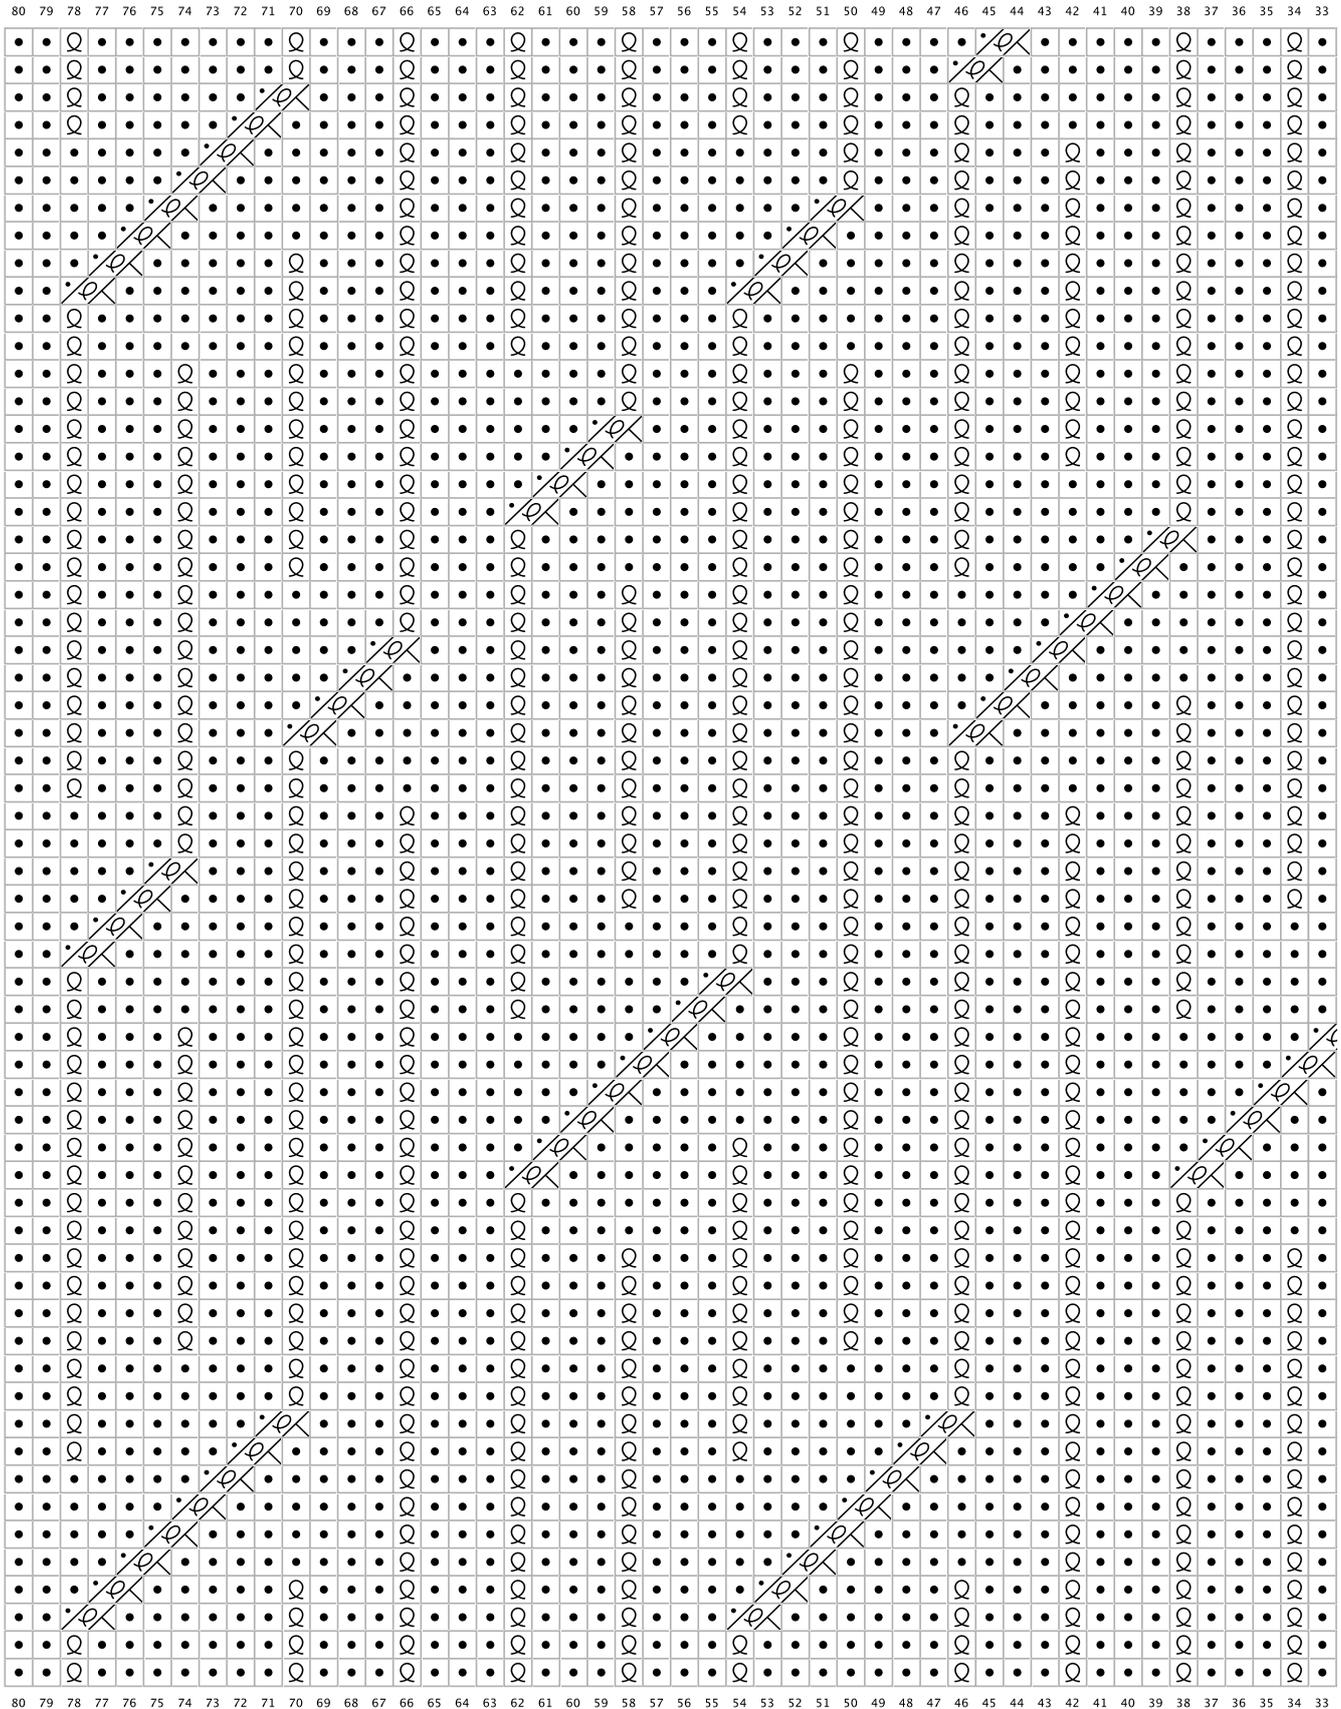

BO with the tubular bind-off method.

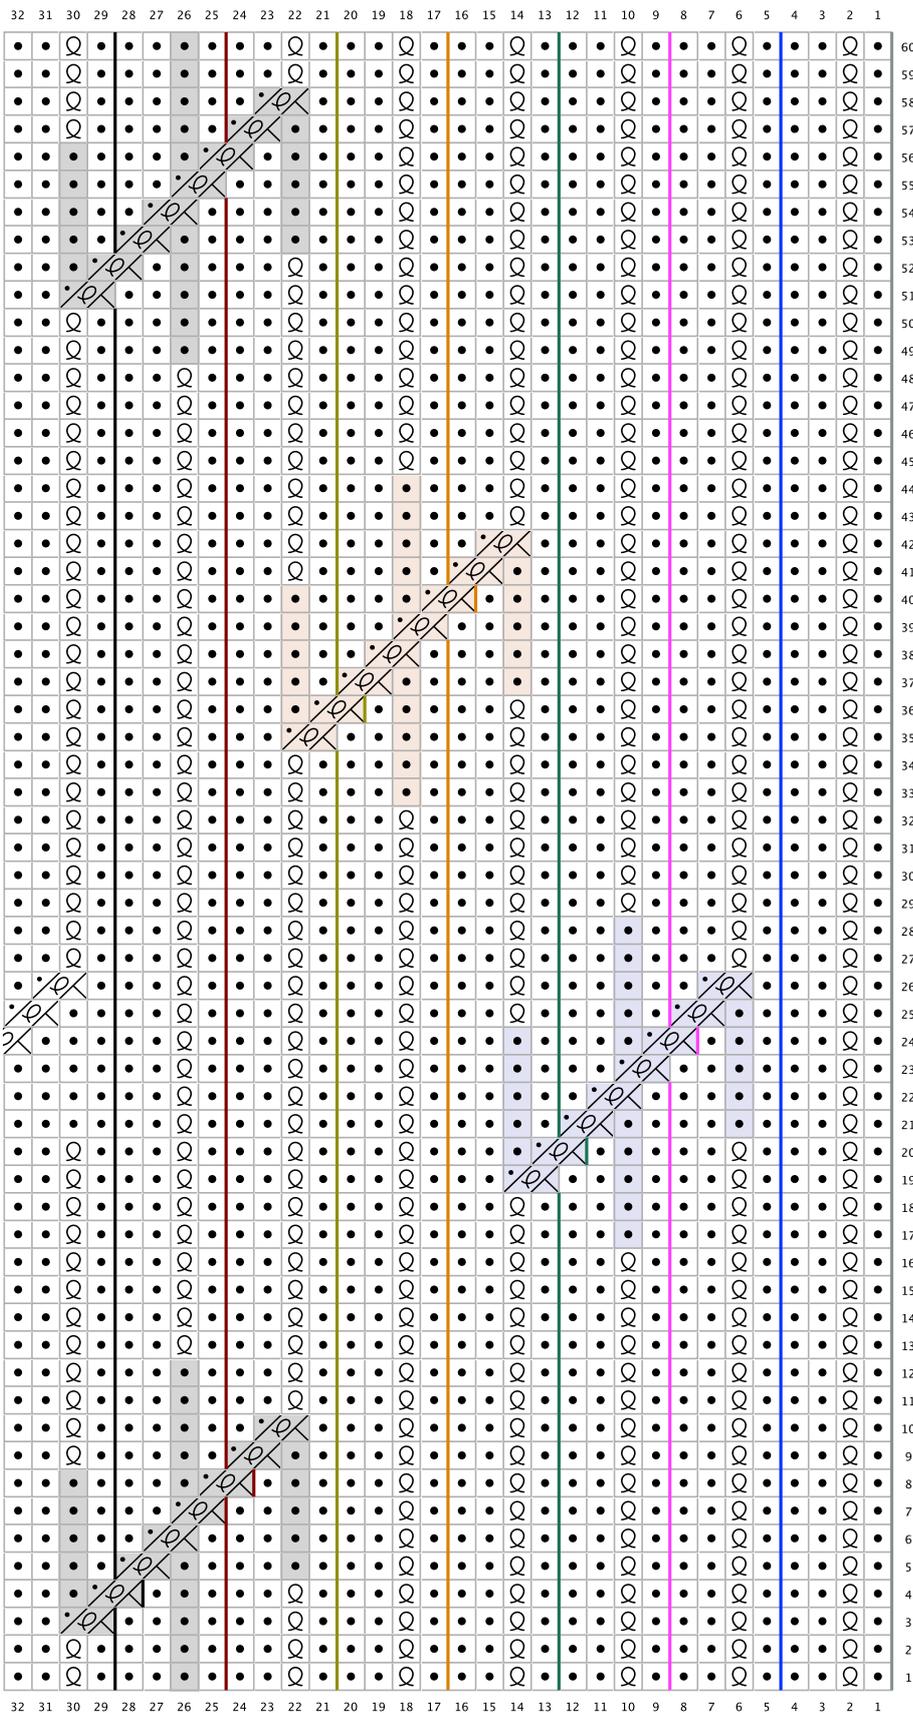

FINISHING

Weave in all ends and block the sweater lightly. For the body: You don't need to stretch the ribbing too open – simply spray some water on both sides, then block the sweater to the given measurements and leave to dry flat.

For the sleeves: Spray extra water on the bell shape and spread a little to give the sleeves their beautiful, smooth shape. Leave to dry flat.

The buttons include a silver button with a stylized 'S' logo, a white button with two holes, a silver button with four holes, a white button with a 'YSL' logo, and a white button with a floral design. The fabric has a prominent ribbed or braided texture.

BROWNS

MYSTORY

SIZE: ADULT

HEIGHT AT FRONT 30 CM / 12"

Mystory – the cowl that tells you my story. The leftover yarns that were used reveal you part of my knitting story. The brown base yarn is from *Syli* cardigan, while the shining mohair is from *Meilahti* mittens – the effect yarn I just happened to find in my stash. The concept of *Mystory* is to make use of scraps and show what impressive results you can get from leftovers. I have made several cowls to match different outfits, meaning this is my true go-to pattern.

#MYSTORYCOWL

YOU NEED

YARN: Colour A: 25 g Isager Silk mohair held double (75 % kid mohair, 25 % silk - 212 m / 232 yds / 25 g) + Bling yarn (100 % polyester - 350 m / 383 yds / 50 g). Colour B: 50 g Knitting for Olive Heavy Merino (100 % merino - 110 m / 121 yds / 50 g). The cowl is worked with 2-colour brioche in round holding 3 lace weight strands as colour A and DK weight merino as colour B. If you don't like working with two colours, go for just one, although working brioche in round with two colours is just as easy.

NEEDLE: 5 mm (US8) 40 cm / 16" circular needle.

NOTIONS: 1 stitch marker, 1 removable stitch marker, tapestry needle, waste yarn for provisional CO.

GAUGE: 16 sts x 24 rnds = 10 / 4" cm of brioche.

CAST ON

With colour B (your background colour) CO 72 sts with long tail tubular cast-on method. Start working brioche and join in round when you can. Place a BOR-marker and alternate the colours every 2nd round.

COLOUR A, SET-UP RND: *K1, sl1yo*, repeat *-* for entire round.

COLOUR B, SET-UP RND: *Sl1yo, brp*, repeat *-* for entire round.

COLOUR A, BRIOCHE RND 1: *Brk, sl1yo*, repeat *-* for entire round.

COLOUR B, BRIOCHE RND 2: *Sl1yo, brp*, repeat *-* for entire round.

Repeat Brioche rounds 1 and 2 for approx. 10 cm / 4".

Begin to increase for the front panel. Place a removable marker in the centre brk st, 37th st.

COLOUR A, INC RND 1: *Brk, sl1yo*, repeat *-* until you reach the centre st, k1+yo+k1+yo+k1 to the centre st, *sl1yo, brk* until 1 st left, sl1yo. (4 sts increased)

COLOUR B, INC RND 2: *Sl1yo, brp*, repeat *-* until you reach the centre sts (now 5 sts), *sl1yo, p1* twice, sl1yo, *brp, sl1yo* until 1 st left, brp.

Then repeat Brioche rounds 1 and 2 two times.

From now on repeat *Inc rounds 1 and 2 once and Brioche rounds 1 and 2 twice* 8 more times. You have 108 sts. Note that the st marker is in your centre st and you increase sts on both sides of it on every increase round.

You can continue in this manner a few more repeats if you have enough yarn.

COLOUR A: *Brk, p1* for entire round.

I-CORD BIND OFF

Turn to WS. Break colour A. With colour B (your background colour) BO the cowl with the I-cord bind-off method. Make it loosely because the edge needs to be stretchy.

Take some waste yarn and provisionally CO 3 sts. With colour B k3, slip them back onto the left needle, *k2, k2tog tbl, slip 3 sts back to the left needle*. Repeat *-* until you have 3 sts.

Then unravel your waste yarn and pick up 3 sts there. Use the kitchener stitch to close the gap (3 sts from binding off and 3 sts from your provisional CO).

FINISHING

You don't need to wet block the cowl because brioche spreads in use. Just spray with some water and leave to dry.

Syli is a hug from your best friend. The cardigan is loose to comfort you and so wide, almost like a coat, that you can even wear a sweater underneath.

I made two samples with different types of yarns and details. The brown *Syli* is shorter and has pockets on the front. You can add pressed buttons if you want to get wrapped in or change up the style.

The lavender *Syli* (on pages 94–95, 137, 139) is made of two yarns held together to give it a sophisticated look and ultimate softness. It comes with a belt, but you can skip it if you don't have enough yarn.

Add the details of your choice to make your kind of cardi with the same basic recipe.

#SYLICARDIGAN

YOU NEED

YARN: Shorter cardigan with pockets and extra long sleeves:

NOTIONS: 10 st markers, waste yarn or sleeve holders, tapestry needle, 5-6 pressed buttons (optional).

CUFFS

Change to 3.5 mm (US4) needle. Work *k1, p1* ribbing for 8 cm / 3.25" and match the ribbing to est st pattern.

BO with the tubular bind-off method.

POCKETS (FOR SHORTER CARDIGAN, BOTH ALIKE)

With 4.5 mm (US7) needle, cast on 23, 23 (23, 25, 25, 25) sts with long tail tubular cast-on method. *Tip: How to cast on an uneven number of sts with long tail tubular cast-on? Begin your cast-on from the second st.*

Work *k1, p1* ribbing for 5 cm / 2" but work selvage sts in garter st (knit them on both sides).

Then establish the st pattern on WS: K1, *k1, p1* until 2 sts left, k2.

RS: K1, purl until 1 st left, k1.

Work for 16-17 cm / 6.25-6.75" of fabric measured from the CO edge.

BO as est pattern.

BELT (FOR LONGER CARDIGAN)

With 4.5 mm (US7) needle or DPNs, CO 13 sts with long tail tubular cast-on method.

2 set-up rows.

R1: *K1 tbl, slip 1 wyif* until 1 st left, k1 tbl.

R2: *Slip 1 wyif, k1* until 1 st left, k1.

BELT ROW 1: Sl1 p-wise wyif, work est ribbing.

Work until you have approx. 150 cm / 59" for smaller sizes and approx. 170 cm / 67" of belt or preferred length for larger sizes.

Tip: The belt requires approx. 50 g yarn for a length of 150 cm / 59", so skip it if you don't have enough.

*BELT LOOPS (FOR LONGER
CARDIGAN, BOTH ALIKE)*

Slip into the cardigan and place markers on the waistline on the side seams. Place 2 markers on both side seams vertically, approx. 5 cm / 2" apart.

With 4.5 mm (US7) DPNs, pick up and knit 3 sts on upper marker.

Work I-cord: *K3, slide the needle to the beginning*, repeat *-* for 5-6 cm / 2-2.25" and bind off the sts. Sew the loop on the lower marker.

FINISHING

Weave in all ends.

Shorter cardigan: Sew the pockets on the frontside. Sew on marker lines with a contrast colour to define where they should go. Match the purls and knits in line with the cardigan. First sew the bottom of the pocket. To create an invisible seam: looking at the cardigan from top down, sew the left leg of the pocket's knit st. Then sew both legs in the same line. Sew the right leg of the pocket's knit st. Sew both legs from the next purl st of the cardigan. Continue in this manner.

Use the mattress st to sew the side seams to the purl line.

If you want to add 5-6 pressed buttons, sew them to the front bands.

Finish with your preferred method and what suits your yarn. Both of these cardigans were sprayed, not wet blocked, in order to remain thick and sturdy. Especially alpaca yarn stretches.

On a glistening evening, everything is beautiful, even concrete. The golden light makes you feel like anything is possible. In the *Kajo* sweater, the last rays of light roam in the yoke and form modern, cruising cables, while mohair yarn adds its glow. You can choose the height of the neck, the length of the sleeves and the pattern of the hem from several options. You might discover that you just worked your new favourite sweater.

#KAJOSWEATER

YOU NEED

YARN: 330, 350 (410, 440, 470, 500) g Katia Concept Seta-Mohair (70 % silk, 30 % mohair - 93 m / 102 yds / 25 g). Yardage with high polo neck and long sleeves.

NEEDLES: 2.75 mm (US2) and 3.5 mm (US4) circular needles and DPNs if you don't magic loop.

NOTIONS: Cable needle, 3 stitch markers, waste yarn or sleeve holders, tapestry needle.

GAUGE: 24 sts x 32 rnds = 10 cm / 4" of stockinette st using 3.5 mm (US4) needle.

CAST ON

With your 2.75 mm (US2) needle, CO 96, 104 (112, 124, 124, 124) sts with long tail tubular cast-on method.

Work one more set-up row to change the 1x1 ribbing to 2x2 ribbing. Join in round. Place a BOR-M to indicate the beginning of round (your centre back).

CREW NECK: Work *k2, p2* for 2.5 cm / 1".

FUNNEL NECK: Work *k2, p2* for 10 cm / 4".

HIGH POLO NECK: Work *k2, p2* for 20 cm / 7.75".

SHAPING THE NECKLINE

Now change your BOR to 1 st to right, between 2 purl sts, so your first and last st of round is a p st. Continue with the ribbing needle. Shape the neckline with short rows, so it's a better fit with the backside.

R1 (RS): Work 33, 35 (39, 45, 45, 45) sts of established ribbing, turn.

R2 (WS): Make DS, work your est ribbing to BOR-M, SM, work 33, 35 (39, 45, 45, 45) sts of est ribbing, turn.

R3 (RS): Make DS, work est ribbing until 3 sts before the last DS, turn.

R4 (WS): Make DS, work est ribbing until 3 sts before the last DS, turn. Repeat rows *3 and 4* 3, 4 (4, 5, 5, 5) more times. Make DS, work est ribbing back to BOR-M.

At the same time in sizes XL (2XL):

Starting from R3, you need to increase 8 (16) sts during the next shaping rows.

RS from BOR: *P1, k1, increase 2 sts by working kfb the strand before the next k st, k1, p1*, (work *-* once more), work as est and instructed. (2 (4) new sts inc)

WS: When coming back, purl new sts. After BOR *k1, p1, increase 2 sts by working pfb the strand before the next p st, p1, k1*, (work *-* once more), work as est and instructed. (2 (4) new sts inc)

RS: When coming back, knit new sts. After BOR *p1, k2, increase 2 sts by working kfb the stand before the next k s, k2, p1*, (work *-* once more), work as est and instructed. (2 (4) new sts inc)

WS: When coming back, knit the new sts to get to 2x2 ribbing. After BOR *k1, p2, increase 2 sts by working kfb the stand before the next p st, p2, k1*, work as est and instructed. (2 (4) new sts inc)

RS: When coming back, purl new sts to get to 2x2 ribbing.

You have 96, 104 (112, 124, 132, 140) sts.

YOKE AND CHART

Change to 3.5 mm (US4) needle. Work the chart rounds 1-48. On the 1st round work all the DS's as established ribbing. Repeat the chart in the round 24, 26 (28, 31, 33, 35) times. Note: On rounds 23 and 31, you need to work 2 first sts as est and across the BOR with the 2 last sts when working the cables. Remember to keep the BOR in the right place.

You have 288, 312 (336, 372, 396, 420) sts.

Continue working in stockinette st until you have 20, 20 (21, 22, 23, 24) cm / 7.75, 7.75 (8.25, 8.5, 9, 9.5)" of fabric measured from the first round of chart = beginning of the cables. *Note: The measurements are for a high collar. If working a crew neck, the yoke may not need as much length, as naturally the collar comes lower down than with a tall polo neck. Try the sweater on and work less, if the underarm would be too low.*

SEPARATE SLEEVES AND BODY

Work in stockinette st and separate the sleeves and body at the same time.

Knit 45, 50 (55, 61, 64, 68) sts, place 54, 56 (58, 64, 70, 74) sts on hold, cable cast on 6, 7 (8, 8, 11, 13) sts, PM, cable cast on 6, 7 (8, 8, 11, 13) sts, knit 90, 100 (110, 122, 128, 136) sts, place 54, 56 (58, 64, 70, 74) sts on hold, cable cast on 6, 7 (8, 8, 11, 13) sts, PM, cable cast on 6, 7 (8, 8, 11, 13) sts, knit 45, 50 (55, 61, 64, 68) sts.

You have 204, 228 (252, 276, 300, 324) sts on body and 54, 56 (58, 64, 70, 74) sts for both sleeves on hold.

Continue working in stockinette st until you have approx. 26 cm / 10.25" of fabric from underarm.

HEM

You have 2 options for the hem.

ROUND HEM:

R1 (RS): K to side-M, SM, k 24, 30 (34, 38, 42, 46), turn.

R2 (WS): Make DS, p to BOR-M, SM, p to side-M, SM, p 24, 30 (34, 38, 42, 46), turn.

R3 (RS): Make DS, k until 7 sts before last DS, turn.

R4 (WS): Make DS, p until 7 sts before last DS, turn.

Repeat rows *3-4* 6 more times in all sizes. Make DS, knit to BOR.

STRAIGHT HEM:

Work 3.5 cm / 1.5" more fabric.

RIBBING:

Change to 2.75 mm (US2) needle.

Ribbing round: K1, *p2, k2*, until 3 sts left, p2, k1.

On first round, work all DS's as est if you made a round hem. Work ribbing for 10 cm / 4".

BO with the tubular bind-off method. Work a set-up round to change 2x2 ribbing to 1x1 ribbing.

SLEEVES (BOTH ALIKE)

Transfer 54, 56 (58, 64, 70, 74) sts to 3.5 mm (US4) needle. Starting from middle of underarm, pick up and knit 6, 7 (8, 8, 11, 13) sts and 1 extra st from the edge to minimize the hole, knit the sleeve sts, pick up and knit 1 extra st from the edge and 6, 7 (8, 8, 11, 13) sts from underarm. Place a BOR-M.

You have 66, 70 (74, 80, 92, 100) sts + extra 2 sts.

Decrease extra sts on the first round.

From underarm *work in stockinette st 3.5, 3.5 (3.5, 3.5, 2.5, 2.5) cm / 1.5, 1.5 (1.5, 1.5, 1, 1)", then work the decrease round*.

DECREASE ROUND: K1, k2tog, work in stockinette st until 3 sts left, ssk, k1.

Repeat *-* 6, 6 (6, 7, 11, 11) more times.

You have 52, 56 (60, 64, 68, 76) sts.

Work in stockinette st until you have 31 cm / 12.25" of fabric from underarm.

CUFFS

Change to 2.75 mm (US2) needle.

VEDA

SIZE: 140 CM X 53 CM / 55" X 20.75"

The *Veda* shawl will cleanse your thoughts and stash. All you need is one light and one dark skein and you start to relax. By alternating basic stitches and colours, an intriguing texture begins to form. The resulting triangular-shaped shawl is easy to mix and match with casual wear. Using it all up is pure wisdom.
