## Orion – Men's Pullover

Stars are a common motif in traditional knitting and, with a clear contrast, the pattern lights up against the dark background, exactly as stars in the night sky. Just as individual stars align to form constellations, the small motifs in a large pattern can convey a special meaning for you or someone you love. The pullover is knitted in the round, from the bottom up, following the charted pattern.

### STITCHES AND TECHNIQUES

**Chart:** Read and knit from right to left, beginning at lower right corner.

### BODY

With 32 in / 80 cm circular U. S. 4 / 3.5 mm and color 1, CO 150 (158, 174, 190, 210, 226, 242, 258) sts. Join, being careful not to twist cast-on row; pm for beginning of rnd. Work 15 rnds k1tbl, p1 ribbing. Change to circular U. S. 6 / 4 mm. Knit 1 rnd, increasing evenly spaced around to 176 (184, 200, 216, 236, 252, 268, 284) sts.

Divide body into front and back: p1, k87 (91, 99, 107, 117, 125, 133, 141) = front. P1, k87 (91, 99, 107, 117, 125, 133, 141) = back. Continue around in stockinette until body measures 11 (11¾, 11¾, 11¾, 11¾, 12¾, 12¾, 13½) in / 28 (30, 30, 30, 30, 32, 32, 34) cm.

Change to U. S. 7 / 4.5 mm circular and work following chart.

So that chart st #24 will be centered on front and back, begin knitting with st #5 (3, 23, 19, 14, 10, 6, 2) on the chart.

Continue until body measures 15 (15¾, 15¾, 15¾, 15¾, 16½, 16½, 17¼) in / 38 (40, 40, 40, 40, 42, 42, 44) cm or desired length..

At the center of each underarm = that is, the purl st + 3 (4, 4, 5, 5, 6, 7, 8) sts on each side of it, place a total of 7 (9, 9, 11, 11, 13, 15, 17) sts on a holder.

Set body aside while you knit the sleeves.

### SLEEVES

With U. S. 4 / 3.5 mm dpn and color 1, CO 38 (40, 42, 50, 50, 56, 58, 62) sts. Divide sts onto dpn and join. Work 15 rnds k1tbl, p1 ribbing.

Change to U. S. 6 / 4 mm dpn and knit 1 rnd, increasing 2 sts evenly spaced around = 40 (42, 44, 52, 52, 58, 60, 64) sts. The st at center of underarm (last st on rnd) is a marked st and is always purled – do not include this purl st in stitch counts.

Increase on each side of the purl st centered on underarm on every 6th rnd (for sizes 3XL and 4XL, increase on every 5th rnd) until there are 72 (76, 82, 88, 90, 96, 106, 112) sts. *At the same time*, when sleeve is 15¾ (16¼, 16¼, 16½, 16½, 17, 17, 17¼) in / 40 (41, 41, 42, 42, 43, 43, 44) cm long, change to U.S. 7 / 4.5 mm dpn and work following chart. So that chart st #24 will be centered on sleeve, begin knitting with st #14

(13, 11, 7, 7, 4, 23, 20) on the chart. Continue increasing as est until there are a total of 72 (76, 82, 88, 90, 96, 106, 112) sts and sleeve measures  $19\frac{3}{4}$  (20, 20,  $20\frac{1}{2}$ ,  $20\frac{1}{2}$ , 21, 21,  $21\frac{1}{4}$ ) in / 50 (51, 51, 52, 52, 53, 53, 54) cm. Place 7 (9, 9, 11, 11, 13, 15, 17) sts centered on each underarm on a holder = the purl st + 3 (4, 4, 5, 5, 6, 7, 8) sts on each side of it.

Set first sleeve aside while you knit the second sleeve the same way.

### JOINING BODY AND SLEEVES

Arrange all the pieces on 48 in / 120 cm circular U. S. 6 / 4 mm.

**NOTE** All the pieces should each be on row 26 of chart.

Begin at right side of front and knit to next armhole.

CO 1 st between the pieces and then knit sleeve 1.

CO 1 st between the pieces and then knit back.

Between back and sleeve 2, CO 1 st and then knit sleeve 2, end with CO 1 st.

(A total of 4 sts have been increased – these sts are not included in stitch counts). Pm on each new st - the raglan decreases are worked on each side of them = a total of 292 (300, 328, 348, 372, 392, 420, 440) sts.

Now work with U. S. 7 / 4.5 m circular following the chart.

**NOTE** The pattern does not work out evenly around. It is disrupted at the cast-on sts and raglan decreases.

Work 2 (4, 4, 6, 6, 6, 6, 6) rnds without decreasing. Decrease symmetrically in towards the cast-on st between pieces: Work until 2 sts before marker, k2tog, k1 (raglan st), k2tog tbl. Decrease on every other rnd 11 (11, 12, 13, 14, 15, 17, 17) times and then on every rnd 8 (8, 9, 9, 9, 9, 10, 11) times until 140 (148, 160, 172, 188, 200, 204, 216) sts rem.

**Shape neck:** BO 17 (19, 21, 23, 25, 27, 29, 31) sts at center front or place sts on a holder. Now work back and forth, and, on each side of neck (bind off or place sts on holders), decrease 4,3,2,1,1 (4,3,2,2,1,1; 4,3,2,2,2,1,1; 4,3,3,2,2,2,1,1; 4,3,3,2,2,2,1,1; 4,3,3,2,2,2,1,1,1; 4,3,3,2,2,2,1,1,1; 4,3,3,2,2,2,1,1,1). Continue as est, decreasing for raglan on every rnd.

After all decreases have been worked, 100 (100, 104, 108, 116, 128, 132, 136) sts rem.

### NECKBAND

With dpn or short circular U. S. 4 / 3.5 mm, pick up and knit 100 (100, 104, 108, 116, 128, 132, 136) sts or place held sts onto needle. Work around in k1tbl, p1 ribbing for 15 rnds or desired length. BO in ribbing. Fold neckband in half to WS and sew down with loose sts. For a turtleneck as in the photo, continue ribbing until it is 8 in / 20 cm long so you can fold neck down to outside.

### FINISHING

Seam underarms with Kitchener st, for example.

Weave in all ends neatly on WS.

Dampen or gently steam press sweater under a damp pressing cloth; lay flat until dry.

### STITCHES AND TECHNIQUES

**Chart:** Read and knit from right to left, beginning at lower right corner.

### BODY

With 32 in / 80 cm circular U. S. 4 / 3.5 mm and color 1, CO 144 (152, 168, 184, 204, 232, 256, 280) sts. Join, being careful not to twist cast-on row; pm for beginning of rnd. Work 15 rnds k1tbl, p1 ribbing. Knit 1 rnd, increasing 24 sts evenly spaced around = 168 (176, 192, 208, 228, 256, 280, 304) sts.

**NOTE** If you continue knitting with U. S. 4 / 3.5 mm needle, or needle size you need to obtain a gauge of 10¼ (9¾, 9¾, 9¾, 9¾, 9¾, 9½, 9½, 9½) sts in 4 in / (26 (25, 25, 25, 25, 24, 24, 24) sts in 10 cm, the waist measurement will be approx. 25¼ (26¾, 30, 33, 37, 41¾, 46½, 51¼) in / 64 (68, 76, 84, 94, 106, 118, 130) cm. If, instead, you want the same waist and chest measurements, change to U. S. 6 / 4 mm needle or needle size to obtain a gauge of 5.25 sts/4 in / 21 sts/10 cm.

Divide body into front and back: p1, k83 (87, 95, 103, 113, 127, 139, 151) = front. P1, k83 (87, 95, 103, 113, 127, 139, 151) = back.

Work 3 rnds in stockinette with p1 at each side.

Change to circular U. S. 7 / 4.5 mm and work following **CHART A**.

So that chart st #24 will be centered on front and back, begin knitting with st #7 (5, 1, 21, 16, 9, 3, 21) on chart. Continue until all chart rows have been completed and body measures 9½ (9¾, 9¾, 10¼, 10¼, 11, 11½, 12¼) in / 24 (25, 25, 26, 26, 28, 29, 31) cm.

At the center of each underarm = that is, the purl st + 3 (4, 4, 5, 6, 7, 8) sts on each side of it, place a total of 7 (9, 9, 11, 11, 13, 15, 17) sts on a holder.

Set body aside while you knit the sleeves.

## SLEEVES

With U. S. 4 / 3.5 mm dpn and color 1, CO 36 (38, 42, 48, 48, 54, 58, 60) sts. Divide sts onto dpn and join. Work 15 rnds k1tbl, p1 ribbing. Change to U. S. 7 / 4.5 mm dpn and knit 1 rnd, increasing 2 sts evenly spaced around = 38 (40, 44, 50, 50, 56, 60, 62) sts. The st at center of underarm (last st of rnd) is a marked st and is always purled – do not include this purl st in stitch counts.

Work following **CHART B** on lower part of sleeve.

So that chart st #24 will be centered on front and back of sleeve, begin knitting with st #6 (5, 3, 24, 24, 21, 19, 18) on the chart. Increase on each side of the purl st centered on underarm on every 6th rnd until there are 68 (70, 76, 82, 92, 102, 112, 122) sts and sleeve measures 19 (19¼, 19¾, 20, 20½, 21, 21¼) in / 48 (49, 50, 50, 51, 52, 53, 54) cm. Set first sleeve aside while you knit the second sleeve the same way.

## JOINING BODY AND SLEEVES

Arrange all the pieces on 48 in / 120 cm circular U. S. 6 / 4 mm = a total of 276 (280, 308, 328, 368, 408, 444, 480) sts:

Begin at right side of front and knit to next armhole.

CO 1 st between the pieces and then knit sleeve 1.

CO 1 st between the pieces and then knit back.

Between back and sleeve 2, CO 1 st and then knit sleeve 2, end with CO 1 st.

(A total of 4 sts have been increased – these sts are not included in stitch counts). Pm on each new st - the raglan decreases are worked on each side of them.

**NOTE** If you knit the body with smaller size needles for a shaped waist, you should now change to U. S. 6 / 4 mm or size needed to obtain a gauge of 5¼ sts/4 in / 21 sts/10 cm for the given chest measurements.

Work 2 (3, 3, 4, 4, 4, 5, 5) rnds without decreasing. Decrease symmetrically in towards the cast-on st between pieces: Work until 2 sts before marker, k2tog, k1 (raglan st), k2tog tbl. Decrease on every other rnd 10 (10, 12, 13, 15, 16, 18, 18) times and then on every rnd 8 (8, 9, 10, 11, 12, 14, 15) times until 132 (136, 140, 144, 160, 184, 188, 216) sts rem.

**Shape neck:** BO 15 (17, 19, 21, 23, 25, 27, 29) sts at center front or place sts on a holder. Now work back and forth, and, on each side of neck (BO or place sts on holders), decrease 4,3,2,1,1 (4,3,2,1,1,1; 4,3,2,1,1,1; 4,3,2,1,1,1; 4,3,2,2,1,1,1; 4,3,3,2,1,1,1; 4,3,3,2,2,1,1,1; 4,3,3,2,2,1,1,1,1). Continue until body measures 16½ (17¼, 18¼, 19¼, 20½, 22½, 24, 25¼) in / 42 (44, 46, 49, 52, 57, 61, 64) cm from cast-on.

## NECKBAND

With dpn or short circular U. S. 4 / 3.5 mm, pick up and knit 92 (96, 100, 104, 112, 120, 124, 144) sts around neck or place held sts onto needle. Work around in k1tbl, p1 ribbing for 15 rnds or desired length. BO in ribbing.

## FINISHING

Seam underarms with Kitchener st, for example. Fold neckband in half in to WS and sew down with loose sts.

Weave in all ends neatly on WS.

Dampen or gently steam press sweater under a damp pressing cloth; lay flat until dry.

### STITCHES AND TECHNIQUES

**Chart:** Read and knit from right to left, beginning at lower right corner.

**Steek:** The cardigan is knitted in the round and later cut up the center front in the center of the steek stitches cast on to allow for knitting in the round. If you knit the sweater with Svensk Ull, you can cut the steek without reinforcing it because the wool fibers will stick together. If your yarn contains polyamide, etc., or the yarn is superwash treated, the steek stitches must be reinforced with machine stitching before cutting.

### BODY

The ribbing is worked back and forth with 14 extra sts for the front bands (these sts will be placed on holders once the bottom edge ribbing is finished - 7 sts on each side). With 32 in / 80 cm circular U. S. 4 / 3.5 mm and color 1, CO 187 (195, 211, 227, 245, 275, 299, 323) sts. Work back and forth for 15 rows in k1, p1 ribbing.

On row 9 (9, 10, 10, 11, 12, 13, 13), make a buttonhole on right side: 2 sts ribbing, BO 3 sts, work as est to end of row. On next row, CO 3 sts over the gap (= first buttonhole).

After completing all 15 ribbing rows, place the first 7 and last 7 sts on stitch holders and CO 5 steek sts at center front. Join to work in the round = 178 (186, 202, 218, 236, 266, 290, 314) sts, including the 5 steek sts.

**NOTE** If you continue knitting with U. S. 4 / 3.5 mm needle, or needle size you need to obtain a gauge of 10¼ (9¾, 9¾, 9¾, 9¾, 9¾, 9½, 9½, 9½) sts in 4 in / (26 (25, 25, 25, 25, 24, 24, 24) sts in 10 cm, the waist measurement will be approx. 25¼ (26¾, 30, 33, 37, 41¾, 46½, 51¼) in / 64 (68, 76, 84, 94, 106, 118, 130) cm. If, instead, you want the same waist and chest measurements, change to U. S. 6 / 4 mm needle or needle size to obtain a gauge of 5¼ sts/4 in / 21 sts/10 cm.

First, work the 5 sts at center front. Divide body into front and back: K43 (45, 49, 53, 57, 65, 71, 77) = front.

P1 (side st). K85 (89, 97, 105, 115, 129, 141, 153) = back.

P1 (side st). K43 (45, 49, 53, 57, 65, 71, 77) = front.

Work 3 rnds in stockinette with purl side sts divided as above.

Change to U. S. 7 / 4.5 mm needle and work following **CHART A**.

On right front, chart st #24 should be at front edge, so the charted pattern will be mirror image when you come to the first purl st (side st) that delineates the parts.

So that chart st #24 will be at center the back, begin knitting with st #7 (5, 1, 21, 16, 9, 3, 21) on the chart. Work the opposite front as for the first.

Continue until all chart rows have been completed and body measures 9½ (9¾, 9¾, 10¼, 10¼, 11, 11½, 12¼) in / 24 (25, 25, 26, 26, 28, 29, 31) cm.

At the center of each underarm = that is, the purl st + 3 (4, 4, 5, 5, 6, 7, 8) sts on each side of it, place a total of 7 (9, 9, 11, 11, 13, 15, 17) sts on a holder.

Set body aside while you knit the sleeves.

## SLEEVES

With U. S. 4 / 3.5 mm dpn and color 1, CO 36 (38, 42, 48, 48, 54, 58, 60) sts. Divide sts onto dpn and join. Work 15 rnds in k1tbl, p1 ribbing. Change to U. S. 7 / 4.5 mm dpn and knit 1 rnd, increasing 2 sts evenly spaced around = 38 (40, 44, 50, 50, 56, 60, 62) sts. The st at center of underarm (last st of rnd) is a marked st and is always purled – do not include this purl st in stitch counts.

Work following **CHART B** on lower part of sleeve.

So that chart st #24 will be centered on sleeve, begin knitting with st #6 (5, 3, 24, 24, 21, 19, 18) on the chart. Increase on each side of the purl st centered on underarm on every 6th rnd while working charted rows.

After completing charted rows, change to U. S. 6 / 4 mm dpn and continue with color 1. Continue increasing as est until there are 68 (70, 76, 82, 92, 102, 112, 122) sts and sleeve measures 19 (19¼, 19¾, 19¾, 20, 20½, 21, 21¼) in / 48 (49, 50, 50, 51, 52, 53, 54) cm.

Place 7 (9, 9, 11, 11, 13, 15, 17) sts centered on each underarm on a holder = the purl st + 3 (4, 4, 5, 5, 6, 7, 8) sts on each side of it.

Set first sleeve aside while you knit the second sleeve the same way.

## JOINING BODY AND SLEEVES

Arrange all the pieces on 48 in / 120 cm circular U. S. 6 / 4 mm = a total of 286 (290, 318, 338, 376, 418, 454, 490) sts:

Begin at right side of front and knit to next armhole.

CO 1 st between the pieces and then knit sleeve 1.

CO 1 st between the pieces and then knit back.

Between back and sleeve 2, CO 1 st and then knit sleeve 2, end with CO 1 st.

(A total of 4 sts have been increased – these sts are not included in stitch counts). Pm on each new st - the raglan decreases are worked on each side of them.

**NOTE** If you knit the body with smaller size needles for a shaped waist, you should now change to U. S. 6 / 4 mm or size needed to obtain a gauge of 5¼ sts/4 in / 21 sts/10 cm for the given chest measurements.

Work 2 (3, 3, 4, 4, 4, 5, 5) rnds without decreasing. Decrease symmetrically in towards the cast-on st between pieces: Work until 2 sts before marker, k2tog, k1 (raglan st), k2tog tbl. Decrease on every other rnd 10 (10, 12, 13, 15, 16, 18, 18) times and then on every rnd 8 (8, 9, 10, 10, 13, 14, 16) times until 137 (141, 145, 149, 171, 181, 193, 221) sts rem.

**Shape neck:** BO 21 (23, 25, 27, 29, 31, 33, 35) sts at center front.

Now work back and forth, and, on each side of neck (BO or place sts on holders), decrease 4,3,2,1,1 (4,3,2,1,1; 4,3,2,1,1; 4,3,2,1,1; 4,3,2,2,1,1; 4,3,3,2,2,1,1,1; 4,3,3,2,2,1,1,1,1). Continue until body measures 16½ (17¼, 18¼, 19¼, 20½, 22½, 24, 25¼) in / 42 (44, 46, 49, 52, 57, 61, 64) cm from cast-on.

## FRONT BANDS

**Left Front (button band):** Place the 7 held sts for left side on U. S. 4 / 3.5 mm circular. CO 7 sts at edge of front. These sts will be a facing to fold over and cover cut edges; work facing in stockinette. The front band is worked in ribbing as est. Continue in ribbing and stockinette until band reaches neck. BO facing sts and place rem 7 ribbing sts on a holder.

**Right Front (buttonhole band):** Place the 7 held sts for left side on U. S. 4 / 3.5 mm circular. CO 7 sts at edge of front. These sts will be a facing to fold over and cover cut edges; work facing in stockinette. The front band is worked in ribbing with buttonholes (as described earlier). Space buttonholes with 9 (9, 10, 10, 11, 12, 13, 13) rows between each. Continue in ribbing and stockinette until band reaches neck. BO facing sts and place rem 7 ribbing sts on a holder.

#### NECKBAND

With dpn or short circular U. S. 4 / 3.5 mm, pick up and knit 102 (106, 110, 114, 128, 130, 134, 146) sts around neck or place held sts onto needle. Work back and forth in k1, p1 ribbing for 15 rows or desired length. BO in ribbing.

#### FINISHING

Seam underarms with Kitchener st, for example. Carefully cut steek up center st (reinforce with two lines of machine stitching on each side of center st if not using Svensk Ull yarn). Fold facings over cut edges and sew down. Fold neckband in half to WS and sew down with loose sts.

Sew buttons to left front band.

Weave in all ends neatly on WS.

Dampen or gently steam press sweater under a damp pressing cloth; lay flat until dry.

## Rönninge – Crocheted Cowl

The Rönninge cowl is practical, warm, easy and quick-to-crochet. Like the matching Rönninge cap, it comes in three sizes to fit everyone big and small and can be as short or long as you want. The pattern produces an exciting structure in a single color, or – almost like magic – it looks like hound's tooth when crocheted in two contrasting colors! A perfect project for a special single skein or leftovers from another larger project.

### STITCHES AND TECHNIQUES

The cowl is worked in the round without turning, so the right side always faces you. The easy pattern consists of alternating 1 single crochet, 1 double crochet. Crocheted in one color, the pattern produces a fine, firm structure. If you change colors on every round, a hound's tooth pattern is created.

If you crochet with two colors, work the odd-number rounds (1, 3, 5, etc.) with color 1 and the even-number rounds (2, 4, 6, etc.) with color 2. For an invisible join, so that the join between rounds will be as invisible as possible, change from color 1 to color 2 on the final yarnover of the last dc on the final stop of the "old".

**Chain stitch (ch):** Make a loop and draw yarn through loop with crochet hook.

**Slip stitch (sl st):** Insert hook into a stitch in previous row/round. Yarn over hook, and draw yarn through stitch and loop on hook.

**Single crochet (sc):** Insert hook into a stitch of previous row/round. Yarn over hook, and draw yarn through stitch = 2 loops on hook; yarn over hook and through both loops on hook.

**Double crochet (dc):** Yarn over hook, insert hook into stitch of previous row/round. Yarn over hook, and draw yarn through stitch = 3 loops on hook. Yarn over hook and draw through first 2 loops on hook, yarn over hook and through the two remaining loops on hook.

**Double crochet and single crochet decrease (dc+sc tog):** Yarn over hook, insert hook into stitch of previous row/round. Yarn over hook, and draw yarn through stitch = 3 loops on hook. Yarn over hook and through first 2 loops on hook. Insert hook through next stitch of previous round, yarn over hook and through stitch. Yarn over hook and through all 3 loops on hook.

[ ] repeat sequence in the brackets

**NOTE** This pattern uses U. S. crochet terms.

### COWL

With hook H-8 / 5 mm and color 1, ch 72 (82, 88) and join into a ring with 1 sl st into first ch. Make sure foundation chain does not twist.

**Rnd 1:** With color 1, ch 1 (do not include in stitch count), work [1 sc, 1 dc] around. Change to color 2 at final yarnover of last dc of rnd. End with last yarn over hook when working last dc of rnd. End with 1 sl st into 1st sc of rnd = 72 (82, 88) sts.

**Rnd 2:** With color 2, ch 2 (= 1st dc), work [1 sc in next dc, 1 dc in next sc]. End with 1 sl st into top of beginning ch = 72 (82, 88) sts.

**Rnd 3:** Work as for Rnd 1, but change to color 1 when you bring yarn through the initial chain st.

Rep Rnds 2-3 until piece measures approx. 6 (8, 9¾) in / 15 (20, 25) cm or desired length. Finish with Rnd 3 in color 1. Cut yarn and fasten off.

The cowl will feel a bit firm when newly crocheted. Wash by hand or in the wool (gentle) program of your washing machine so the yarn will “bloom” and the cowl will soften considerably!

## Rönninge – Crocheted Cap

A crocheted cap you will think is knitted! The Rönninge cap is soft, warm, easy-to-knit and easy-to-wear. It comes in three sizes to fit everyone big and small and can be worn as is with a little slouch or with the ribbing turned up, for a closer fit. The cap is crocheted from the bottom up. The super-elastic ribbing is followed by a pattern with an exciting structure in a single color, or – almost like magic – it looks like hound's tooth when crocheted in two contrasting colors!

### STITCHES AND TECHNIQUES

The cap begins with a ribbed strip, worked in short rows back and forth in slip stitch. This ribbing is very elastic and looks very much like knitted k1, p1 ribbing. Because slip stitch can be quite firm, the ribbing is worked with a larger hook (U S. J-10 / 6 mm). Work the slip stitch "ribbing" loosely. If it is still too firm and it is difficult to insert the hook into the stitches, change to an even larger hook and work with a light hand.

The ribbed strip is then crocheted to join into a ring and the rest of the cap is worked up from the ribbing. Rounds are worked around without turning. The easy pattern consists of alternating 1 sc, 1 dc. Crocheted in one color, the pattern produces a fine, firm structure. If you change colors on every round, a hound's tooth pattern is created.

The ch 1 at the beginning of the round does not count as a stitch. Ch 2 at the beginning of a round counts as 1 dc.

**Chain stitch (ch):** Make a loop and draw yarn through loop with crochet hook.

**Slip stitch (sl st):** Insert hook into a stitch in previous row/round. Yarn over hook, and draw yarn through stitch and loop on hook.

**Single crochet (sc):** Insert hook into a stitch of previous row/round. Yarn over hook, and draw yarn through stitch = 2 loops on hook; yarn over hook and through both loops on hook.

**Double crochet (dc):** Yarn over hook, insert hook into stitch of previous row/round. Yarn over hook, and draw yarn through stitch = 3 loops on hook. Yarn over hook and draw through first 2 loops on hook, yarn over hook and through the two remaining loops on hook.

**Double crochet and single crochet decrease (dc+sc tog):** Yarn over hook, insert hook into stitch of previous row/round. Yarn over hook, and draw yarn through stitch = 3 loops on hook. Yarn over hook and through first 2 loops on hook. Insert hook through next stitch of previous round, yarn over hook and through stitch. Yarn over hook and through all 3 loops on hook.

**NOTE** This pattern uses U. S. crochet terms.

### CAP

#### RIBBING

With U. S. J-10 / 6 mm hook and color 1, ch 9 (10, 11).

**Row 1:** Work 1 sl st in second ch from hook and in each rem ch; turn = 8 (9, 10) sts.

**Row 2:** Ch 1 (do not include in stitch count), work 1 sl st in back loop only of each slip st across; turn = 8 (9, 10) sts.

Rep Row 2 until you've worked a total of 76 (86, 96) rows.

Fold ribbed strip so that the first row (beginning of strip) lies over the last row (end of strip). The first row (beginning of strip) is nearest you and the last row lies behind.

#### **Crochet the chain sts at beginning of strip with the slip sts on last row as follows:**

Ch 1, \*1 sl st in first ch at beginning of strip and in back loop of first sl st on last row\*.

Rep \* to \* for rem 7 (8, 9) sts to join strip into a ring.

Do not cut yarn but, instead, continue directly to the crochet pattern. Decide which side of the ribbing looks best and turn that side to the outside before you continue.

#### **PATTERN CROCHET**

Change to U. S. H-8 / 5 mm hook. The rest of the cap is crocheted in the round without turning, from the ribbed ring and up. On Rnd 1, insert hook into edge of ribbing.

**Rnd 1 (with color 1 – same color as ribbing):** Ch 1 (do not include in stitch count), work 64 (72, 80) sc evenly spaced around edge of ribbing (approx. 5 sc for every 6 rows of ribbing). End with 1 sl st into first sc = 64 (72, 80) sts.

**Beginning on Rnd 2, change colors every rnd.** So that the join between rounds will be as invisible as possible, change from color 1 to color 2 on the final step of the stitch of the old color. Change from color 2 to color 1 when you bring the new color though on the last step of stitch with old color.

**Rnd 2 (with color 2):** Ch 1 (do not include in stitch count), work [1 sc, 1 dc] around. Change to color 1 on last step of last dc. End with 1 sl st into first sc = 64 (72, 80) sts.

**Rnd 3 (with color 1):** Ch 2 (= 1st dc), work [1 sc in next dc, 1 dc in next sc] around. End with 1 sl st into top of ch 2 = 64 (72, 80) sts.

**Rnds 4-12 (4-14, 4-16):** Rep Rnds 2-3 another 4 (5, 6) times. End with Rnd 2 with color 2.

#### **CROWN SHAPING**

Decrease only on odd-number rnds with color 1. All even-number rnds (color 2) are worked as est, alternating 1 sc, 1 dc.

**Rnd 13 (15, 17), color 1:** Ch 2 (= 1st dc), work 1 sc in next st, work [1 dc, 1 sc] 5 (6, 7) times, [dc+sc tog] 2 times, \*work [1 dc, 1 sc] 6 (7, 8) times, [dc+sc tog] 2 times\*; rep \* to \* around. End with 1 sl st into 1st sc of rnd = 56 (64, 72) sts.

**Rnd 14 (16, 18):** Work as for Rnd 2 above = 56 (64, 72) sts.

**Rnd 15 (17, 19), color 1:** Ch 2 (= 1st dc), work 1 sc in next st, work [1 dc, 1 sc] 4 (5, 6) times, [dc+sc tog] 2 times, \*work [1 dc, 1 sc] 5 (6, 7) times, [dc+sc tog] 2 times\*; rep \* to \* around. End with 1 sl st into 1st sc of rnd = 48 (56, 64) sts.

**Rnd 16 (18, 20):** Work as for Rnd 2 above = 48 (56, 64) sts.

**Rnd 17 (19, 21), color 1:** Ch 2 (= 1st dc), work 1 sc in next st, work [1 dc, 1 sc] 3 (4, 5) times, [dc+sc tog] 2 times, \*work [1 dc, 1 sc] 4 (5, 6) times, [dc+sc tog] 2 times\*; rep \* to \* around. End with 1 sl st into 1st sc of rnd = 40 (48, 56) sts.

### **Finishing**

Cut yarn, leaving an end about 11¾ in / 30 cm long. Draw end through last st and all sts on last rnd. Tighten to close hole (but don't pull too hard or the yarn might break). Sew a couple of extra sts around hole to close it. Weave in all ends neatly on WS.

The cap will feel a bit firm when newly crocheted. Wash by hand or in the wool (gentle) program of your washing machine so the yarn will "bloom" and the cap will soften considerably!

## Duvnäs – Crocheted Pillow Cover

A really decorative pillow cover with a fascinating texture that is almost therapeutic to look at and feel. The Duvnäs pillow cover is crocheted in a relief stitch pattern with Svensk Ull yarn and will enhance any sofa corner. The cover is durable and machine-washable on the wool/gentle program so you'll get many years use of it.

**YARN** Svensk Ull (Swedish Wool) (100% Swedish wool, 197 yd/180 m / 100 g)

### ALTERNATE YARN SUGGESTIONS

Alpe (100% wool, 109 yd/100 m / 50 g)

Ístex Léttlopi (100% Icelandic wool, 109 yd/100 m / 50 g)

Raggi (70% superwash wool, 30% polyamide, 165 yd/151 m / 100 g)

Soft Cotton (100% cotton, 87 yd/80 m / 50 g)

### GAUGE

Approx. 14 sts x 19 rows in sc on U. S. 7 / 4.5 mm hook = 4 x 4 in / 10 x 10 cm.

Adjust hook size to obtain correct gauge if necessary.

### FINISHED MEASUREMENTS

### YARN COLOR AND AMOUNTS

Approx. 370 g (color 59001, Arctic Fox)

**HOOK** U. S. 7 / 4.5 mm

**NOTIONS** Stitch markers (locking), 3 buttons approx. ¾-1 in / 20-25 mm in diameter, tapestry needle

### LEVEL OF DIFFICULTY \*

### STITCHES AND TECHNIQUES

The pillow cover is crocheted in a long piece, beginning and ending at each button band. It is then folded as for an envelope and seamed at the sides. Make sure the tapestry needle can pass through the holes in the buttons and the yarn can be threaded through the needle eye.

The surface texture is created with back/front post dc (crocheted around the corresponding double crochet two rows below, instead of through the stitch loops of the stitch below as is usual).

The cover fits a pillow of the same measurements.

**Chain stitch (ch):** Make a loop and draw yarn through loop with crochet hook.

**Slip stitch (sl st):** Insert hook into a stitch in previous row/round. Yarn over hook, and draw yarn through stitch and loop on hook.

**Single crochet (sc):** Insert hook into a stitch of previous row/round. Yarn over hook, and draw yarn through stitch = 2 loops on hook; yarn over hook and through both loops on hook.

**Chain loop (ch-x lp) for example, ch-2 lp:** Chain stitch loop x chain sts, for example, 2-ch lp = a chain loop consisting of 2 chain stitches.

**Raised (post) dc:** This is a dc crocheted around the dc of previous round. From RS = front post **FPdc:** Yarn over hook, insert hook from front to back on right side of dc, push hook behind stitch and then out to front again on left side of stitch. Yarn over hook and finish dc as usual.

On WS = back post **BPdc:** Insert hook from the back, on right side of dc, around dc and to front again on left side to catch yarn. Complete stitch as for a regular dc. If you are left-handed, work from left to right instead of right to left.

In this pattern, the post dc are always worked around the corresponding dc two rows below.

**Half-Double crochet (hdc):** Yarn over hook, insert hook into stitch of previous row/round. Yarn over hook, and draw yarn through stitch = 3 loops on hook. Yarn over hook and draw through all 3 loops on hook.

**Double crochet (dc):** Yarn over hook, insert hook into stitch of previous row/round. Yarn over hook, and draw yarn through stitch = 3 loops on hook. Yarn over hook and draw through first 2 loops on hook, yarn over hook and through the two remaining loops on hook.

[ ] repeat sequence in the brackets

**NOTE** This pattern uses U. S. crochet terms.

### PILLOW COVER

With hook U. S. 7 / 4.5 mm, ch 63.

**Rows 1-6 (button band):** Ch 1 (do not include in stitch count), work 1 sc in each st across; turn = 63 sts.

**Row 7:** Ch 2 (= 1st hdc), 1 dc in next st and in each st to last st, 1 hdc in last st; turn = 63 sts or 61 dc + 2 hdc.

**Row 8:** Ch 1 (do not include in stitch count), work 1 sc in each st across; turn = 63 sts.

**Row 9:** Ch 2 (= 1st hdc), 1 FPdc around 1st dc (Note: skip the initial hdc/ch 2) of 2 rows below, dc in 3rd sc of previous row, FPdc around 3rd dc 2 rows below, dc in 5th dc sc of previous row, FPdc around 5th dc two rows below. Continue across, alternating a FPdc around

corresponding dc two rows below and a regular dc in corresponding sc of previous row. End with 1 hdc in last sc of previous row; turn = 63 sts.

**Tip:** When working a regular dc, make sure you skip the previous sc where you worked the front post dc. Look back at the post dc – every other sc of previous row is skipped because, instead, you worked a FPdc around the dc below the skipped sc.

**Row 10:** Work as for Row 8.

**Row 11:** Ch 2 (= 1st hdc), 1 dc in second sc of previous row, 1 FPdc around corresponding (2nd) dc two rows below (do not include first hdc/ch 2), dc in corresponding sc of previous row. Continue across, alternating 1 FPdc around dc two rows below and a regular dc in corresponding sc of previous row. End with 1 dc in next-to-last sc and hdc in last sc of previous row; turn = 63 sts.

Rep Rows 8-11 until piece measures approx. 35½ in / 90 cm.

### **Button/Buttonhole Bands**

**Rows 1-3:** Ch 1, 1 sc in each st across; turn = 63 sts.

**Row 4:** Ch 1, 1 sc in each of next 10 sts, skip 2 sts, ch 2 [1 sc in each of next 19 sts, skip 2 sts, ch 2] 2 times, 1 sc in each of next 9 sts; turn = 57 sc + 3 buttonholes.

**Rows 5-6:** Ch 1, 1 sc in each st across; turn = 63 sts.

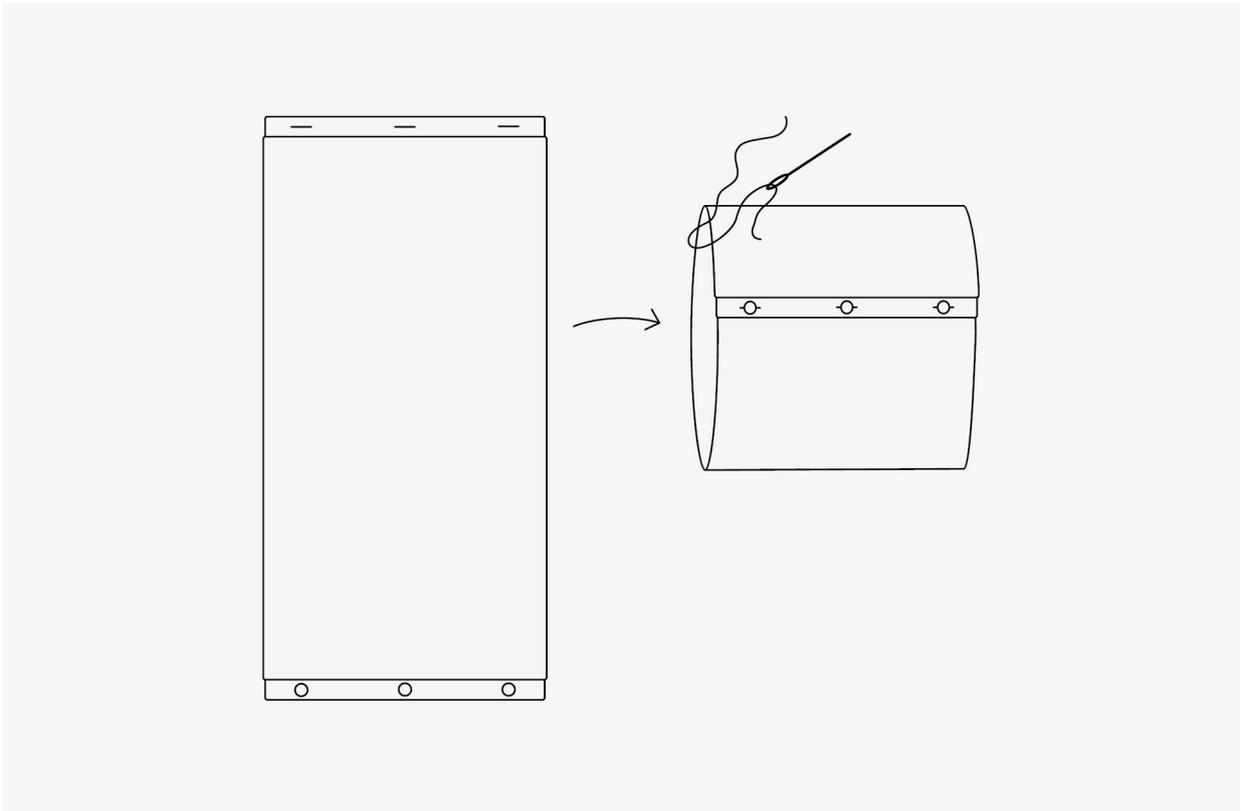

Cut yarn and fasten off.

### **FINISHING**

With working yarn, sew 3 buttons on button band to match buttonholes.

Button the bands and turn cover inside out with the buttons on top where you want them on the pillow. Join sides temporarily with locking stitch markers to make sure the rows are aligned. Seam sides with overhand stitch or crochet together with slip stitches. Stitch carefully on the button band edges to make sure you join all 3 layers.

Turn cover right side out, wash, shape, and pat to finished measurements while still wet. Lay flat to dry.

## Svalnäs – Tunisian Crocheted Pillow Cover

Welcome to the world of Tunisian crochet. Svalnäs is not woven, knitted, or crocheted – it worked in Tunisian crochet in a waffle pattern. Waffle crochet is one of many variations of Tunisian crochet (*krokning*) – maybe even one of the nicest! If you have had previous experience with knitting or crochet and want to try Tunisian crochet, this is the perfect project to begin with. You'll find instruction videos on the technique on Järbo's YouTube channel. Tunisian crochet produces a durable and very decorative result which is excellent for pillow covers. The cover is durable and machine-washable on the wool/gentle program so you'll get many years use of it.

### LEVEL OF DIFFICULTY \*\*

### STITCHES AND TECHNIQUES

The pillow cover is worked in a long piece, beginning and ending at each button band. The button bands are worked in regular single crochet stitch and the rest is worked in tapestry crochet waffle pattern or "Tunisian full stitch" = tfs. Then it is folded as for an envelope and seamed at the sides. Make sure the tapestry needle can pass through both holes of the buttons and the yarn can be threaded through the needle eye.

The cover fits a pillow of the same measurements.

### Tunisian Crochet

When working Tunisian crochet, you work each row in two steps. Begin with a "forward pass" – **FwP** – (towards the left for right-handed and to the right for left-handed). Then you make the "return pass" – **RetP** – (towards the right for right-handed and to the left for left-handed).

On the forward pass, you will pick up stitches, leaving each one on the long handle of the Tunisian crochet hook. You will then "bind off" each stitch on the return pass. Each row begins and ends with 1 stitch.

At the end of the forward pass (= halfway in the forward/return sequence), all the stitches for the row are on the hook. For that reason, you'll want to use a hook with a cable for somewhat larger pieces so you'll have space for all the stitches. An end stopper is needed so the stitches won't fall off the other end of the cable. For this Tunisian crochet pattern, you'll work flat the entire time with the right side facing you and never turn the work. Color changes always occur after a half row, after the forward pass, when all the stitches are on the hook.

A video showing how to work the Tunisian waffle (full) stitch pattern in two colors is available on Järbo's Youtube channel:

<https://youtu.be/LcW6TQomBDw>

**Chain stitch (ch):** Make a loop and draw yarn through loop with crochet hook.

**Single crochet (sc):** Insert hook into a stitch of previous row/round. Yarn over hook, and draw yarn through stitch = 2 loops on hook; yarn over hook and through both loops on hook.

**Yarn over hook (yoh):** Wrap yarn around hook from front to back.

[ ] repeat sequence in the brackets

**NOTE** This pattern uses U. S. crochet terms.

## PILLOW COVER

With color 1 and regular crochet hook U. S. 7 / 4.5 mm, ch 54.

**Rows 1-6:** Ch 1 (do not include in stitch count), work 1 sc in each st across; turn = 54 sts.

## TUNISIAN WAFFLE (FULL STITCH) CROCHET

Continue with color 1 and change to U. S. J-10 / 6 mm Tunisian crochet hook with screw-on 16 in / 40 cm cable with an end stopper at other end.

### Row 1:

**Forward:** With color 1, insert hook into second sc, catch yarn and draw through (= 2 loops on hook), insert hook into third sc, catch yarn and draw through (= 3 loops on hook). Continue the same way, picking up one stitch in each sc = 54 stitches on hook.

**Return:** With color 2, yarn over hook and through 1st on hook, [yoh and draw through 2 sts on hook] to end of row = 1 st rem.

Above the button band, you should now have 54 vertical loops in color 1, with a chain in color 2 along the top edge. From now on, you will insert the hook in the space between the vertical loops to pick up the yarn from the back as you continue.

To avoid increasing the width by one stitch per row, you must alternate where you begin and end the row. With color 1, always pick up stitches in the spaces between sts #2-53 (skip the first space) plus through the last edge stitch; with color 2, always pick up stitches in the spaces between sts #1-52 (skip the last space) plus through the last edge stitch as follows:

### Row 2:

**Forward:** With color 2, insert hook between the first and second vertical loop in color 1 and catch the yarn from the back (= 2 loops on hook). Insert hook into next space and catch yarn (= 3 loops on hook). Continue the same way, picking up a stitch in each rem space between vertical loops, *except for the last, which you will skip* = 53 sts on hook. Pick up the last stitch by inserting hook through the last vertical loop (through the loop itself, not the space between loops) = 54 sts on hook.

**Return:** With color 1, yarn over hook and through 1st on hook, [yoh and draw through 2 sts on hook] to end of row = 1 st rem.

### Row 3:

**Forward:** With color 1, skip first space and insert hook into second vertical loop (= 2 loops on hook). Continue the same way, picking up a stitch in each space between vertical loops. Pick up the last stitch by inserting hook through center of the last vertical loop = 54 sts on hook.

**Return:** Work as for Row 1.

Repeat Rows 2-3 until piece measures approx. 31½ in / 80 cm.

## Buttonhole Bands

**Rows 1-3:** With color 1 and regular crochet hook U. S. 7 / 4.5 mm, Ch 1 (do not include in stitch count), work 1 sc in each space across; turn = 54 sc.

**Row 4:** Ch 1, 1 sc in each of next 8 sts, skip 2 sts, ch 2 [1 sc in each of next 16 sts, skip 2 sts, ch 2] 2 times, 1 sc in each of next 8 sts; turn = 48 sc + 3 buttonholes.

**Rows 5-6:** Ch 1 (do not include in stitch count), work 1 sc in each sc across; turn = 54 sts.

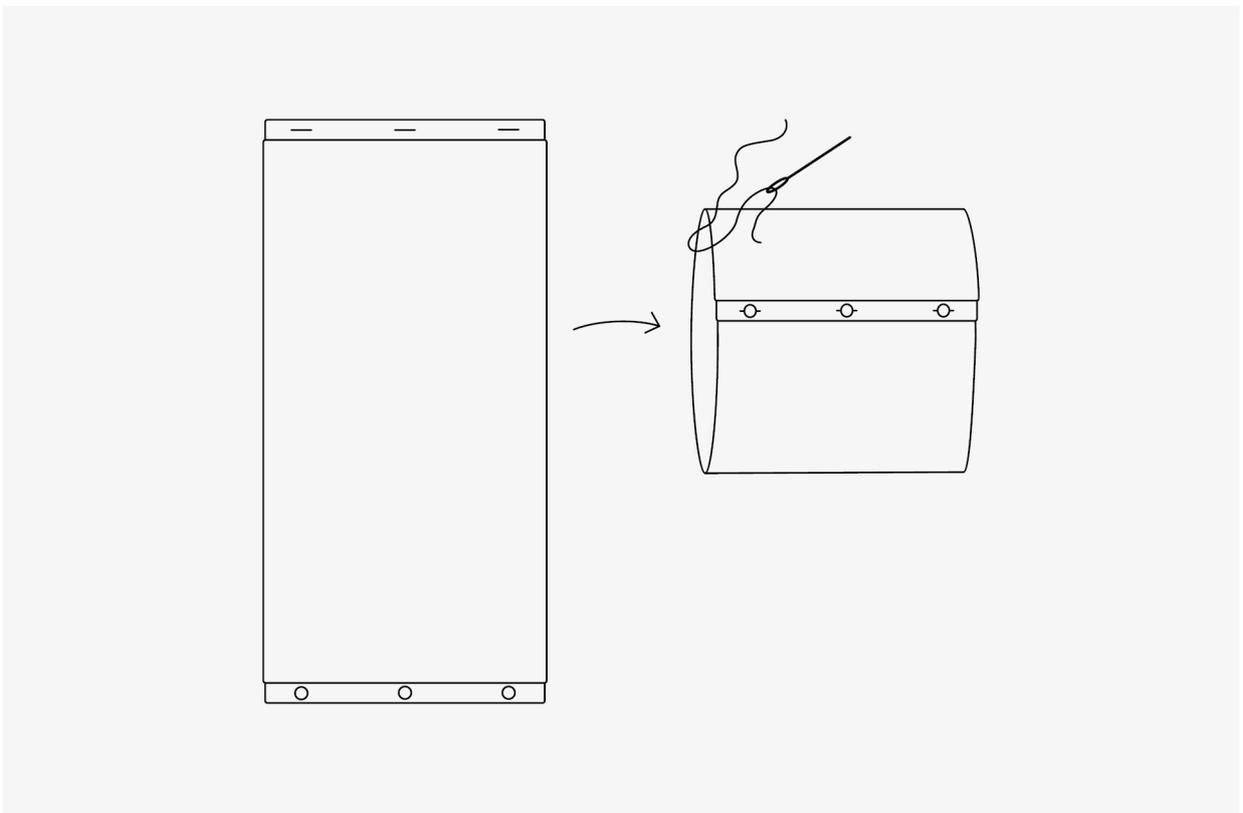

Cut yarn and fasten off.

## FINISHING

With working yarn, sew 3 buttons on button band to match buttonholes.

Button the bands and turn cover inside out with the button at top where you want the pillow. Join sides temporarily with locking stitch markers to make sure the rows are straight. Seam sides with overhand stitch or crochet together with slip stitches. Stitch carefully on the button band edges to make sure you join all 3 layers.

Turn cover right side out, wash, shape, and pat to finished measurements while still wet.

## Dalsjö – Crocheted Buttoned Vest

The Dalsjö vest is similar to its cousin, the pullover vest, Nordansjö – both are modern and stylish with an accommodating and interesting construction. The technique will remind you of brioche and, like brioche knitting, it takes a bit of practice. However, with a light hand and the U. S. J-10 / 6 mm hook, you'll soon finish this basic garment. It slips on just as well over a shirt or t-shirt as a dress.

### STITCHES AND TECHNIQUES

The vest is worked with three different stitches: slip stitches through back loops for ribbing at lower edge, slip stitches through back loops for the remainder of garment, as well as single crochet for the neck and armhole bands.

**The rows run vertically.** The entire garment, including armhole and neck is shaped with varying lengths of short rows. The entire garment is crocheted in one piece, side-to-side, beginning and ending at center front. Then, the shoulders are seamed and, finally, edgings are crocheted along front edges and around the neck and armholes.

**Always turn every row with a chain stitch [turning chain (tch)]:** This chain stitch is not included in stitch counts and is not crocheted into. It will make working easier if you place markers in the first and last stitch of the row so you can more easily see where to begin and end and avoid working into the turning chain or missing the first/last stitch. It is important to keep count of the stitches because it is the stitch count that shapes the garment!

**Important Note about Row Count:** One row in the pattern consists of two rows in the traditional meaning – one row back and forth, or one up and one down the garment. This makes row counting visually easier because two rows produce a distinct vertical line. Each row in the pattern begins and ends at the ribbing on lower edge of vest. One row = crochet all the way up and then all the way down; turn.

**The ribbing is longer on the back than on the front.** It consists of 10 slip stitches (without an initial yarn over hook) worked through back loops (front) and 15 slip stitches worked through back loops (back). Each row begins and ends with either 10 or 15 slip stitches. Place a marker in the last ribbing stitch to avoid constantly counting to 10 or 15 – it is difficult to see the difference between stitches with a yarnover and regular slip stitches as you crochet.

**Given Stitch Count (“turn after”)** always includes the 10 or 15 stitches of the ribbing.

**Chain stitch(es) (ch):** Make a loop and draw yarn through loop with crochet hook.

**Slip stitch (sl st):** Insert hook into a stitch in previous row/round [in this pattern, almost always through back loop (tbl) only]. Yarn over hook, and draw yarn through stitch and loop on hook.

**Slip stitch with yarnover (yoslst):** Yarn over hook, insert hook into a stitch in previous row [in this pattern, almost always through back loop only (tbl)]. Yarn over hook, and draw yarn through stitch and both loops on hook.

**Single crochet (sc):** Insert hook into a stitch of previous row/round. Yarn over hook, and draw yarn through stitch = 2 loops on hook; yarn over hook and through both loops on hook.

**Two single crochet stitches together (sc2tog):** Insert hook into a stitch of previous row. Yarn over hook, and draw yarn through stitch = 2 loops on hook. Insert hook into next stitch of previous row. Yarn over hook, and draw yarn through stitch; yarn over hook and through the 3 loops on hook.

**Turn after x number of stitches (turn after x sts):** x = the row's total stitch count. You should either increase, decrease, or work the same number of stitches as the row before. It depends on the stitch count on the row for your size compared with the previous row.

**Increasing (more stitches than in the previous row):** Before turning, when you've worked all the stitches in the previous row, work chain stitches corresponding to the number of stitches you should increase + a turning chain st; turn and yoslst in back loops of each of the new chain stitches (but not in the turning chain) and in the remaining stitches down to the ribbing.

**Decreasing (fewer stitches than in the previous row):** When you've worked all the stitches in the previous row, turn after the given number of stitches, chain 1 (turning chain) and work yoslst back to ribbing.

**First Side Slit:** Instead of working slip stitches in back loops on the last 10 stitches in ribbing at lower edge, end row with chain 15 + 1 turning chain to create a slit at the side and to make the ribbing in the back longer than on the front. Note that the number of slip stitches at the beginning and end of each row is 15 from now on.

**Second Side Slit:** Instead of working slip stitches in back loops on the last 15 stitches in ribbing at lower edge, end row with chain 10 + 1 turning chain to create a slit at the side and to make the ribbing in the front shorter than on the back. Note that the number of slip stitches at the beginning and end of each row is 10 from now on.

**NOTE** This pattern uses U. S. crochet terms.

## PULLOVER VEST

With J-10 / 6 mm hook, ch 53 (55, 55, 57, 59, 63, 66, 69).

**Row 1:** Beginning in second ch from hook, work 1 sl st in back loop in each of first 10 ch, 1 yoslst in back loop of each of rem 42 (44, 44, 46, 48, 52, 55, 58) ch; turn, ch 1 (do not count tch as a stitch now or later). 1 yoslst tbl in each yoslst, 1 sl st tbl in each of last 10 sl sts; turn = 52 (54, 54, 56, 58, 62, 65, 68) sts.

**Row 2:** Ch 1, 1 sl st tbl in each of first 10 sts, 1 yoslst tbl in each of rem sts; turn after 54 (54, 54, 56, 58, 62, 65, 68) sts, ch 1 (tch), 1 yoslst tbl in each st down to last 10 sts, 1 sl st tbl in each of last 10 sts; turn = 54 (54, 54, 56, 58, 62, 65, 68) sts.

The following rows are worked as for Row 2, but with increases/decreases as indicated below. **Note:** Read **Stitches and Techniques** before you begin crocheting.

**Row 3:** Turn after 56 (56, 56, 57, 59, 63, 66, 69) sts.

**Row 4:** Turn after 59 (58, 58, 59, 61, 65, 68, 70) sts.

## FRONT AND NECK BANDS

Do not cut yarn. Pm in the last st you worked at center front of vest and begin by joining shoulders.

Check to make sure which side is the right side. The marker in the last st you worked is at bottom edge of the *right front*. (This is necessary so the buttonholes will be on the correct side).

Using working yarn, seam shoulders on WS. Make sure that the rows on the back align with those on the front so the join will be less visible.

The stitch count around the edges is not important. If the edge draws in, you'll need to work more sc or change to a larger size hook. If the edge is wavy like a flounce, you need to work fewer sc.

With RS facing out and with hook U. S. 7 / 4.5 mm, begin the front bands at the marked st at lower edge of right front:

**Row 1:** Ch 1 (do not count as a stitch), work 1 sc tbl in each st up right front edge for buttonhole band. Work 3 sc tbl in the corner at top of band at neckline. Continue around the neck (work approx. 1 sc per row or st), round the corner at left neckline, working with 3 sc into the corner st tbl, work 1 sc tbl in each st down for left button band; turn.

**NOTE** After completing Row 1, work all sc through both loops.

**Row 2:** Ch 1 (do not count as a stitch), work 1 sc in each sc up left button band, around back neck, and down right buttonhole band, with 3 sc in each corner st; turn.

Pm for spacing of buttonholes on right band.

**Row 3:** Ch 1 (do not count as a stitch), work 1 sc in each st up right front edge for buttonhole band. At each marker for buttonhole, ch 2, skip 2 sc. Continue around back neck and down left front with 3 sc in each top corner; turn.

**Row 4:** Work as for Row 2, with 2 sc in each ch-2 loop.

Cut yarn and fasten off. Sew buttons on left front band using one strand of yarn.

## ARMHOLE EDGING

With RS facing out and with hook U. S. 7 / 4.5 mm, begin at middle of underarm to work the edging in the round.

**Rnd 1:** Ch 1 (do not count as a stitch), work 1 sc in each st or row around armhole. To make sure edging doesn't become wavy or bubbly, work sc2tog (decrease) in each corner. End rnd with 1 sl st into first sc. Turn.

**Rnds 2-4:** Ch 1 (do not count as a stitch), work 1 sc in each sc around, decreasing at corners as necessary; end with 1 sl st into first sc. Turn. Cut yarn and fasten off.

Work around second armhole the same way.

## FINISHING

Weave in all ends neatly on WS.

Handwash and block for best results. Untreated wool softens with washing – the stitches will “fall into place” and the vest will have a more even overall look.

## Nordansjö – Crocheted Pullover Vest

Forget everything you know about crochet. The Nordansjö pullover vest is soft and flexible with drape and structure – and, yes, it is crocheted. The technique takes a bit of practice, but, with a light hand and the U. S. J-10 / 6 mm hook, you'll soon finish this winter's prettiest basic garment. It slips on just as well over a shirt or t-shirt as a dress. If you prefer a buttoned vest, see our pattern Dalsjö – crocheted vest.

### STITCHES AND TECHNIQUES

The vest is worked with three different stitches: slip stitches through back loops for ribbing at lower edge, yarnover, slip stitches through back loops for the remainder of garment, as well as single crochet for the neck and armhole bands.

**The rows run vertically.** The entire garment, including armhole and neck bands, is shaped by varying lengths of short rows. The entire garment is crocheted in one piece, side-to-side, beginning and ending at the side under the right armhole (the left armhole, if you are left-handed), where the first and last rows are joined. Then, the shoulders are seamed and, finally, edgings are crocheted around the neck and armholes.

**Always turn every row with a chain stitch [turning chain (tch)]:** This chain stitch is not included in stitch counts and is not crocheted into. It will make working easier if you place markers in the first and last stitch of the row so you can more easily see where to begin and end and avoid working into the turning chain or missing the first/last stitch. It is important to keep count of the stitches because it is the stitch count that shapes the garment!

**Important Note about Row Count:** One row in the pattern consists of two rows in the traditional meaning – one row back and forth, or one up and one down the garment. This makes row counting visually easier because two rows produce a distinct vertical line. Each row in the pattern begins and ends at the ribbing on lower edge of vest. One row = crochet all the way up and then all the way down; turn.

**The ribbing is longer on the back than on the front.** It consists of 10 slip stitches (without an initial yarn over hook) worked through back loops (front) and 15 slip stitches worked through back loops (back). Each row begins and ends with either 10 or 15 slip stitches. Place a marker in the last ribbing stitch to avoid constantly counting to 10 or 15 – it is difficult to see the difference between the slip stitches with a yarnover and regular slip stitches as you crochet.

**Given Stitch Count (“turn after”)** always includes the 10 or 15 stitches of the ribbing.

**Chain stitch(es) (ch):** Make a loop and draw yarn through loop with crochet hook.

**Slip stitch (sl st):** Insert hook into a stitch in previous row [in this pattern, almost always through back loop (tbl) only]. Yarn over hook, and draw yarn through stitch and loop on hook.

**Slip stitch with yarnover (yoslst):** Yarn over hook, insert hook into a stitch in previous row [in this pattern, almost always through back loop only (tbl)]. Yarn over hook, and draw yarn through stitch and both loops on hook.

**Single crochet (sc):** Insert hook into a stitch of previous row. Yarn over hook, and draw yarn through stitch = 2 loops on hook; yarn over hook and through both loops on hook.

**Two single crochet stitches together (sc2tog):** Insert hook into a stitch of previous row. Yarn over hook, and draw yarn through stitch = 2 loops on hook. Insert hook into next stitch of previous row/round. Yarn over hook, and draw yarn through stitch; yarn over hook and through the 3 loops on hook.

**Turn after x number of stitches (turn after x sts):** x = the row's total stitch count. You should either increase, decrease, or work the same number of stitches as the row before. It depends on the stitch count on the row for your size compared with the previous row.

**Increasing (more stitches than in the previous row):** Before turning, when you've worked all the stitches in the previous row, work chain stitches corresponding to the number of stitches you should increase + a turning chain st; turn and yoslst in back loops of each of the new chain stitches (but not in the turning chain) and in the remaining stitches down to the ribbing.

**Decreasing (fewer stitches than in the previous row):** When you've worked all the stitches in the previous row, turn after the given number of stitches, chain 1 (turning chain) and work yoslst back to ribbing.

**Side Slits:** Instead of working slip stitches in back loops on the last 10 stitches in ribbing at lower edge, end row with chain 15 + 1 turning chain to create a slit at the side and to make the ribbing in the back longer than on the front. Note that the number of slip stitches at the beginning and end of each row is 15 from now on.

[ ] repeat sequence in the brackets

**NOTE** This pattern uses U. S. crochet terms.

## PULLOVER VEST

With J-10 / 6 mm hook, ch 83 (85, 85, 87, 89, 93, 96, 99).

**Row 1:** Beginning in second ch from hook, sl st in back loop of first 10 ch, 1 yoslst in back loop of each of rem 72 (74, 74, 76, 78, 82, 85, 88) ch; turn, ch 1 (do not count tch as a stitch now or later). 1 yoslst tbl in each yoslst, 1 sl st tbl in each of last 10 sl sts; turn = 82 (84, 84, 86, 88, 92, 95, 98) sts.

**Row 2:** Ch 1, 1 sl st tbl in each of first 10 sts, 1 yoslst tbl in each of rem sts; turn after 82 (84, 84, 86, 88, 92, 95, 98) sts, ch 1 (tch), 1 yoslst tbl in each st down to last 10 sts, 1 sl st tbl in each of last 10 sts; turn = 82 (84, 84, 86, 88, 92, 95, 98) sts.

The following rows are worked as for Row 2, but with increases/decreases as indicated below. Note: Read **Stitches and Techniques** before you begin crocheting.

**Row 3:** Turn after 82 (84, 84, 86, 88, 92, 95, 98) sts.

**Row 4:** Turn after 44 (42, 42, 44, 88, 92, 95, 98) sts.

**NOTE** The increases on Rows 5-9 (5-11, 5-11, 5-11, 6-13, 6-14, 6-16, 7-19) are made by working the extra stitches on Row 3 (3, 3, 3, 4, 4, 4, 5), instead of increasing with chain stitches. Mark these rows for your size below to make it easier to remember.

**Row 5:** Turn after 46 (44, 44, 46, 44, 46, 46, 98) sts.

## NECKBAND

Decide which side you prefer as the right side. Using working yarn, seam shoulders on WS. Make sure that the rows on the back align with those on the front so the join will be less visible.

The stitch count around the edges is not important. If the edge draws in, you'll need to work more sc or change to a larger size hook. If the edge is wavy like a flounce, you need to work fewer sc.

With RS facing out and with hook U. S. 7 / 4.5 mm, begin at side of back neck to work the neckband in the round.

**Row 1:** Ch 1 (do not count as a stitch), work 1 sc in each st or row around the neck; end with 1 sl st into first sc.

**Rows 2-4:** Ch 1 (do not count as a stitch), work 1 sc tbl in each sc around; end with 1 sl st into first sc.

Cut yarn and fasten off.

## ARMHOLE EDGING

With RS facing out and with hook U. S. 7 / 4.5 mm, begin at center of underarm to work the edging in the round.

**Row 1:** Ch 1 (do not count as a stitch), work 1 sc in each st or row around armhole. To make sure edging doesn't become wavy or bubbly, work sc2tog (decrease) in each corner. End rnd with 1 sl st into first sc.

**Rows 2-4:** Ch 1 (do not count as a stitch), work 1 sc in each sc around, decreasing at corners as necessary; end with 1 sl st into first sc. Turn. Cut yarn and fasten off.

Work around second armhole the same way.

## FINISHING

Weave in all ends neatly on WS.

Handwash and block for best results. Untreated wool softens with washing – the stitches will “fall into place” and the vest will have a more even overall look.

## MEASUREMENTS

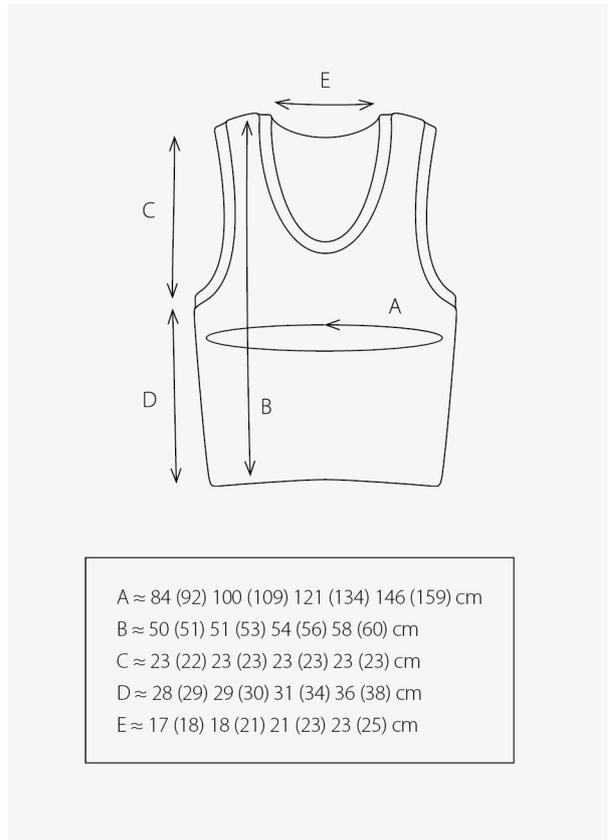

A ≈ 33 (36¼, 39½, 43, 47¾, 52¾, 57½, 62½) in / 84 (92, 100, 109, 121, 134, 146, 159) cm

B ≈ 19¾ (20, 20, 21, 21¼, 22, 22¾, 23¾) in / 50 (51, 51, 53, 54, 56, 58, 60) cm

C ≈ 9 (8¾, 9, 9, 9, 9, 9) in / 23 (22, 23, 23, 23, 23, 23) cm

D ≈ 11 (11½, 11½, 11¾, 12¼, 13½, 14¼, 15) in / 28 (29, 29, 30, 31, 34, 36, 38) cm

E ≈ 6¾ (7, 7, 8¼, 8¼, 9, 9, 9¾) in / 17 (18, 18, 21, 21, 23, 23, 25) cm

## Tips & Shortcuts

**To avoid questions:** Before you begin knitting, read through the pattern.

**Stitch count:** Always knit or crochet a gauge swatch as recommended in the pattern. If your stitch count doesn't match the gauge given in the pattern, try again with larger or smaller needles or hook. If your gauge doesn't match that in the pattern, your item will not be the correct size or shape.

**Highlight** the size you will knit or crochet throughout the pattern to make it easier to follow the instructions.

**Charts:** It will be easier to follow a chart if you mark your row with a ruler and magnetic board or sticky note.

**Ease:** The amount of ease included in our garments varies depending on the type and shape of the garment. To determine the right size, we recommend that you first measure your body. Then you can calculate the garment size depending on how much ease you want the garment to have. The schematics for each piece show all the garment measurements.

**Two-color stranded knitting:** When knitting more than 3-4 stitches of the same color, twist the color strands around each other on the wrong side to avoid long strands or "floats" on the back. If the yarns need to be twisted on several rows/rounds, make sure you do not stack the twists in the same place to prevent the yarns from showing through on the right side.

**Yarn alternative:** Please be aware that the gauge (tension), yarn quantity and the shape of the work varies if you use another yarn (even in the same yarn group).

**Tips för hand dyed yarn:** Make sure you have enough yarn to complete your project. The colors may vary from time to time. To get a smooth color mix, you can alternate between two skeins: knit two rows from one and two rows from another skein.
