Cut a long piece of white yarn (or the same yarn color you used for crocheting the cat face), thread the yarn needle.

Insert the needle into point 1, pull it out from point 2, insert the needle into point 3 and pull it out from point 4.

Do the same with the second eyes: pull the needle out from point 4, insert the needle into point 5 and pull it out from point 6.

Pull both tails out gently until you get the result you need, hide the tails inside the head.

Use black thread to sew the nose and whiskers.

Attach the yarn to the top of the head, make a chain of ch 6 and reconnected it to the head with slip stitch, fasten off and weave in ends.

MAKE UP: Use pink blush for the cheek
