Yarn: Silk Mohair (75 % kid mohair and 25 % silke) – 212 meters of 25 gram each skein.
LørdagsJumper is knitted with 3 threads, in 3 different Colors.

Size small – 300 gram (100 gram each color)

Size medium – 300 gram (100 gram each color)

Size large – 375 gram (125 gram each color)

Size x large – 375 gram (125 gram each color)

Size xx large – 450 gram (150 gram each color)

Recommended needles: 5 mm circular needle (for magic loop or 40 cm, 60/80 cm)

Measurements:

Sizes	Small	Medium	Large	X Large	XX Large
Chest circumference	approx. 98 cm	approx. 106 cm	approx. 112 cm	approx. 118 cm	approx. 124 cm
Length (from shoulder)	approx. 52 cm	approx. 53 cm	approx. 57 cm	approx. 59 cm	approx. 61 cm
Sleeve	approx. 16 cm	approx. 16 cm	approx. 17 cm	approx. 18 cm	approx. 18 cm

Gauge: 17 sts x 28 rows in moss stitch with 3 threads ALVA on needle 5 mm = approx. 10 x 10 cm

17 sts x 24 rows in stockinette stitch with 3 threads ALVA on needle 5 mm = 10 x 10 cm.

The needle size is just a reference. Use the needle size with which you obtain the indicated gauge swatch.

Information: To achieve the given measurements, I recommend that you first knit a gauge swatch. It is important to determine the correct needle size for the correct measurements. The needle size is just a reference. If you knit tighter/ more loosely, go down/ up a needle size. The jumper is worked top down on a circular needle. The yarn used in this instruction is Silk Mohair from ISAGER yarn. The neckline is worked in stockinette stitch in rounds, folded double and knit together. Thereafter, you continue in moss stitch at front and back piece, stockinette stitch at the sleeves and small cables at the raglan. As the jumper is worked top down, you can easily place the jumper on 2 circular needles/ waste yarn and try it on, to adjust the length. For puffed sleeves, you increase additional stitches at the sleeves.

Please read the complete instruction before you start knitting!

Moss stitch: * Purl 1 stitch, knit 1 stitch *, repeat from * to * and end with purl 1 stitch.

The next round, work knit stitch over purl stitch and purl stitch over knit stitch.

Repeat these 2 rounds.

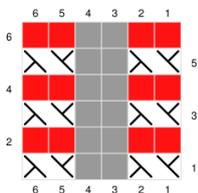

Stockinette stitch at sleeves: Knit all rounds (the sleeves are worked in rounds on a circular needle).

Raglan increases: On both sides of the marking thread / at each raglan, you have 3 stitches. These 6 stitches are purl stitches and small cables, see chart A1. 3 stitches *before and after* the marking thread, M1 (= make 1 new stitch) between 2 stitches, by lifting up the bar and working the new stitch through the back loop (= tbl). The new stitch is worked into the moss stitch pattern.

Chart A1 – small cables:

K 2nd st tbl, on back of the needle. K 1st st (as usual). Slip both sts off the needle.

K st

See a video at Instagram or Facebook on how to work the cable pattern. The cables are worked without cable needle.

Neckline:

Cast on 74 – 78 – 82 – 82 – 86 sts with 3 threads Silk Mohair on a 5 mm needle (magic loop or short 40 cm needle) and close to round. Work approx. 2 cm in stockinette stitch. Fold neckline down and knit it together with cast on edge. This way, a slim neckline is shaped with purl sts facing outwards.

Divide work into front and back piece, as well as sleeves.

Yoke:

Place marking thread for raglan after 25 – 27 – 29 – 29 – 31 sts (back piece) – 12 sts (1st sleeve, same for all sizes) 25 – 27 – 29 – 29 – 31 sts (front piece) – 12 sts (2nd sleeve, same for all sizes).

Work the 3 sts on both sides of the marking thread following chart A1. Front and back piece sts are worked in moss stitch, the sleeve sts in stockinette stitch.

Start with the small cables the 1st round. The following round, work raglan increases. The increases are worked in those chart-rounds without cables.

Work the raglan increases every other round, 23 – 25 – 27 – 29 – 31 times. At the same time, work additional increases at each sleeve at the 8th, 9th and 10th raglan increase (same for all sizes), with 19 – 19 – 19 sts evenly spread/ sleeve. This way you get 57 – 57 – 57 – 57 – 57 extra sts/ sleeve. In total 372 – 392 – 412 – 424 – 448 sts, once all raglan increases and additional sleeve increases have been worked.

Once the last raglan increase has been worked, work 2 rounds (for all sizes), before you divide the yoke into front and back piece and placing the sleeve sts on hold on waste yarn. The new round's beginning is now placed 3 sts before the end of the actual round. Count backwards and check with which stitch you start the

moss stitch pattern. The yoke's front and back will now shape the jumper's body. The 6 sts at each raglan (small cables with purl sts) are now body sts. Work in moss stitch across all sts.

Body:

Work 77 – 83 – 89 – 93 – 99 sts (back piece), place 109 – 113 – 117 – 121 – 125 sts on hold on waste yarn (1st sleeve), cast on 7 new sts (same for all sizes), work 77 – 83 – 89 – 93 – 99 sts (front piece), place 109 – 113 – 117 – 121 – 125 sts on hold on waste yarn (2nd sleeve), cast on 7 new sts (same for all sizes). In total 168 – 180 – 192 – 200 – 212 body sts.

For the moss stitch to add up, you have to decrease 1 st at the body, so that you have an odd number of sts on the needle (= 167 – 179 – 191 – 199 – 211 sts).

Place a marking thread around the 4th st of the newly cast on sts on both sides. Continue working in moss stitch across all body sts, until the jumper measures approx. 43 – 44 – 48 – 50 – 52 cm from the shoulder and increase 1 st (for all sizes). Work in rib (k1, p1) for 9 cm. For a loose cast off edge, I have cast off 1 yarn over in between each st. The jumper measures approx. 52 – 53 – 57 – 59 – 61 cm from the shoulder.

Sleeves:

Pick up 7 sts (same for all sizes) at the armhole opening and place the 109 – 113 – 117 – 121 – 125 held sleeve sts from waste yarn onto a 5 mm circular needle or magic loop. You have now 116 – 120 – 124 – 128 – 132 sleeve sts. Place a marking thread around the 4th st of the picked up sts (under the armhole opening). Continue working in stockinette stitch in rounds, until the sleeve measures approx. 8 – 8 – 9 – 10 – 10 cm. Decrease 29 – 30 – 31 – 32 – 33 sts to 87 – 90 – 93 – 96 – 99 sts and work one round. Then in the next round decrease another 29 – 30 – 31 – 32 – 33 sts to 58 – 60 – 62 – 64 – 66 sts. Work one round, and in the first round of rib decrease to 54 – 56 – 58 – 60 – 62 sts and work 7 cm in rib (k1, p1) and cast off all sts the same way as at the body.

Work the 2nd sleeve the same way.

Making Up:

Attach the ends of the treads to the inside of the jumper. Be extra proud of yourself! You have knitted a nice LørdagsJumper2, for yourself or someone else you love 😊

Follow the washing instructions to the yarn. Such beautiful jumpers can just easily be air dry. They are not washed in the same way as a regular sweater or shirt 😊

Good luck!
